Divine Law carries restorative Power and compense.

What is Created by Divine Authority

We leave it to Divine Law to balance any transgressions.

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.
Those who transpire to subvert your words and direction
shall Penalty pay,
for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the sacredness of a promise.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

PREFACE

We would like to emphasize that the goal of what we do, is not for things to become or remain stagnant as taught in general Christian teachings which proclaim that "truth and god never change", and that anyone saying anything different with regard to what has been written in the Bible is wrong or a deceiver.

In our experience with Father, we have come to understand that while He does Speak in Absolute Truths, this "absoluteness" becomes degraded by the process required to make it available within the framework of the deception. That is to say, Truth coming into the deception may not be expressed with the accuracy that might be available outside the deception because, of a necessity, it arrives interpreted and translated by the individual and the People who receive it. Accuracy of expression is the real issue.

In other words, the accurate delivery of the Truth Father Conveys is only as good as the capacity of the individual and the People to receive this Truth. Therefore, it is not really Truth that changes, but rather, the capacity to accurately perceive and articulate this Truth as it evolves and improves through our Progression out of the deception.

This developing skill is not just confined to individual capacity, but to the capacity of "us the People" as a group to allow for Truth to be brought into the deception in an ever more accurate way, that we may completely Progress out of the deception.

We would further like to clarify that the use of Prayer is not to be confused with sorrowful or weak and helpless supplication that goes for hours on end. Instead, it is about giving ThanksGiving to Father / Creator for restoring the Earth and us the People to the natural frequencies of Creation and to Universal Law, Truth, and Love. It is a choice to be willing to receive the necessary changes and adjustments for this to happen. It is a choice to allow Reality to be transformed back to Truth. It is to be willing to let the unrighteous / unholy "poof", no matter how "closely related" they may be to us. We give ThanksGiving, we affirm our choice by changing our ways, and then we move on with the expectation that this will be Fulfilled per Divine Plan.

A SIMPLE WAY

Mr.'s entry, "A Different Way" ⁱ, posted February 15th, 2012, provided insight into the confusion regarding unrighteous / unholy conflict in the world, the coming Earth changes, and a Peaceful Enlightened World of Post-Transition. All these ways have been in potential. If the best People can manage is the Father Way, then that is how it would be, because Father is not going to allow the unrighteous / unholy play.

Father has always, from the very beginning of our Journey in Pojoaque, asked us to choose a Different Way. Father has always Said we have the capacity. However, up to now all most of us could perceive was either the unrighteous / unholy armageddon or the cleansing of the Earth through Earth changes. Visions of a Different Way have been momentary and undefined. It is through "*inordinate activity of [our] Heartfelt Desire*", a Different Way becomes stronger and more likely. A Different Way is the Way Mr. spoke of and Father has indicated is an Enlightened Peaceful state of Creative Earthly Expression.

On our BlueStarWay home page ⁱⁱ, under "civil conflict" we Conveyed a Message from Father in which he described a Different Way."

"Father has proposed a different, immediate response to this potential plan of the unrighteous-unholy.

The Father has Said through "*inordinate activity of your Heartfelt Desire*", the Father's Plan will prevail upon this land. Were we the People to Desire the Father's Plan to prevail, the unrighteous-unholy will indeed pass away -- not to the structures they have prepared for their survival, but indeed from this Earth.

As the People Pray and Desire for the Divine Plan to prevail, they must realize Father's Plan is one of Love, one of Peace, one of Abundance. As the unrighteous-unholy pass away, through the Desire and Prayers of the People,

all violence passes away with them. All death, decay, destruction passes away with them. What remains is a land that is fresh and pure / a new Earth / a new Heaven.

While it seems as though this is "way too simple" and that the only possibility of ending the unrighteous-unholy oppression is through violent measure, it is the Truth that "*the Prayer of a Righteous Person availeth much*". Violence has always failed the People. When many Righteous and Holy People Pray of one a-chord for the Divine Plan upon this land / this Earth, there must of one a-chord be a passing away of all unrighteous-unholy activity."

Due to confusion arising from complication, intensifying for 7,000 years, refinement of things shown to us by Father is sometimes lengthy and seems to come in its own season. Therefore the clarification Mr. brought yesterday leads us to believe that the Father's Plan as described in "civil conflict" is a Different Way. However, action by the People as described above must be urgently implemented, as we are on the threshold of Father's Way. Note that While Father's Plan is the "poofing away" of the unrighteous / unholy without violence, Father's Way would accomplish the same using Earth changes. While the semantic difference between Father's Plan and Father's Way seems insignificant or simple, the impact / import to us upon Earth is huge. It is for us the People to choose a Different Way and let Universe Know our choice.

As our readers know, in a particular fashion, we follow Cliff High at "Half past human"ⁱⁱⁱ. As we listened to a recent radio broadcast, it appears to us that People are wavering between all three ways not recognizing each as a separate individual potential.

Those who have embraced warrior status appear to believe that the best option is the Father Way. There is no concept of a Warrior in a Different Way. This is a topic touched upon by Father six years ago worthy of contemplation.

Again, one difficulty with what Father Instructs, or Teaches, is that in its simplicity, Father's Teachings are difficult to comprehend, with or through a complicated mind. For example, a few Words Father gave Martin many years ago, turned out to be the

answer he has been looking for. Yet, Martin could not recognize the answer until Now because of his complicated mind and preconceived ideas / concepts.

In the conversation with Toro, we understood Cliff to propose that destruction is eminent for complication, as it folds back on itself in its increasing complexity: it is automatic that complexity self destructs. Father has been Teaching that complexity is a non concept. As we clear the debris of deception out of our mind, we can understand / comprehend Words of Simplicity.

The language of Father, or Divine Nomenclature, is a conceptual language. It is Written in a kind of imagery that conveys a conceptual piece of information, not an individual singular word. Through the centuries there have been residual languages that were still conceptual. For example, the Chinese written language contains residue of conceptual imagery. The Chinese written language was also what we call dimensional in origin. If you were to suspend the written word (once a pictogram) you would see a different representation as you viewed it from each different direction.

This "dimensional quality" of Divine Nomenclature appears lost to the English language, yet there is residual characteristics of conceptual dimensional qualities that remain.

The necessary depth of understanding and presence of complication through deception have both contributed to an interesting and prolonged Journey with Father. The process of translating and re-structuring Truth from Divine Nomenclature to the language of this time and place, has delayed and challenged the accuracy of presentation. This would not be of concern were it not for the perception of eminent destruction, which raises the sense of urgency for a Vision of a Different Way.

With TRUTH as the upper most / utmost / foremost goal, we HAVE come to a new Understanding at the time when, by all appearances, it seemed we were on the brink of destruction.

"A DIFFERENT WAY"

Quoted from Valiant Dog Blog.

Mister:

I want to say
it is a beautiful Sunny Day
therefore, before you go out to Play
you should say:
I do it not the Father Way,
but unto All Righteous and Holy Day.

I also want to say
that you do it not another way
when you go out to Play
not in the Father Way
but you do a Different Way.

We think Mister is saying that a Different Way would be Different than the Father Way which cleanses the Earth. A Different Way just ends their play - poof - they are not here anymore.

Mister continues:

Not a Different Way,
but the Father Way
ends their play in a "little d" different way.
Therefore, you might say

they can no longer go out to play
and you don't have to run away.

As Mister continued it was like he was showing a movie. What it looks like is that there are actually three potentials.

A Simple Answer

1. There is the way they mapped out in the Bible and indoctrinated other religions to participate in.
2. There is the Father Way which does not allow the unrighteous / unholy version to happen, but in itself is a cleansing of the Earth in an "upheaval" sort of way.
3. And then there is a Different Way. The Way that some visionaries and mystics have recognized as a Peaceful transition out of the deception - poof - the deception just isn't there any more. Not that you see it go away, or be cleansed. It just isn't there any more. It is no longer a part of memory or reality.

Mr continues:

I would like to say Have a Happy Day.
Do it not your way, but not the Father Way.
Try a Different Way.

That is all I would like to say.

Mister is not saying "try" as in you might not succeed, but give it a "try", sample it, experience it.

Mister says:

Taste it.
That is the "dog-way".

Linda:

Asking for Divine Will to be “done” is to end it.
Ask instead
for it to be ACTIVE.

Martin:

Similarly,
Asking for a Different Way or Father's Plan to be “done” is to end it.
Ask instead
for it to be ACTIVE.

Mister:

Taste it.
That is the “dog way.”
