Divine Law carries restorative Power and compense.

What is Created by Divine Authority
is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

Translation Notice: In Divine Service

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.
Those who transpire to subvert your words and direction
shall Penalty pay,
for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

puzzle

Crystal clear pure blue !

The concept of self-will is a non-issue.

I can compare it to buying a puzzle. I see a picture on a box and think it would be fun to create that vision, piece by piece. At home I develop a plan for creating the vision of the puzzle.

I might divide the border into a group. Group the corner pieces, different colors or patterns depending on my plan for assembly. This would be a creative, relaxing activity, with contemplation and conversation. (Because, it is something other People could join in.)

I might see a plan in the design of the puzzle, I might appreciate the colors, textures, shapes. I would look forward to the finished picture.

It is guaranteed I wouldn't be considering, or troubled by, the idea of it being my will to use the bottom right corner in the top right corner, or that the puzzle maker's will opposes mine, so I have to give up what I want and do what he wants.

Self-will is just a *non-issue*. It is totally irrelevant. It is a deception, a fabrication, which we have touched on in this blog. A fabrication which keeps The People confused, conflicting, diverted. There is really no basis or foundation for the concept of self-will.

The People are Creative, Contemplative, Light-Hearted, and choose their Play--their part in the Symphony.

brick walls

With pure balmy SunShine !

When The People are "consumed" with false concern for non-issues, which have no basis or foundation in Truth, they stand not even the remotest chance of progressing in Truth.

They have come to a brick wall, (which Martin compared to the wailing wall in Jerusalem.)

In deceptions such as this, there is not even the smallest thread of Truth. There is no-where to look for guidance or direction, which one seeks when

Truth is even the smallest component of the deception.

It is interesting that as the unrighteous - unholy have fed on, or consumed, our options for expressing Truth, (or even consumed our vibratory expression,) we have become more "consumed" with the fabrication of the self-will concept.

If The People ended this *totally* false trap, that ensnares them like a "wild" animal, what would Truth be ?

seedy days

On a balmy blue sky day !

So, let's begin today.

Sprout some seeds.

- ◆ Organic seed is best.
- ◆ Not too much in a jar, which is to give them growing room. Packed is not good. Perhaps teaspoons rather than tablespoons in a quart jar.
- ◆ Non-toxic screen generously cut to fit and secured by string or large rubber band on a

recycled or canning jar is perfectly useful. Expensive sprouting jars or devices are unnecessary.

- ◆ Air circulation and reasonable warmth are best. Too much humidity and heat encourages mold.
- ◆ Properly positioned near an air filter would reduce pollution of your Live food.

In-Joy the new year and prosper !

With Sunny Joy !

Crystal sparkles of SunShine !

Did you notice the exaggerated price of organic sprouting seed ?

This is the time to make a commitment to growing your own seed.

Don't eat radishes, you say ? Have you tried radish sprouts?

Let the seed grow !

Green onions are another quick growing seed.

Consider growing a pot for seed in your kitchen.

It has been fun posting our first audio file to the blogs !

Golden Eagle Days

With Golden days, Golden Eagles, and Joy !

Father recently brought a new instruction, or Light,
to the concept of ending play.

For a major change in one's experience, it is time to:

*"Substantiate no longer, unrighteous - unholy
agenda."*

This is to say, end giving substance to what is false
-- a deception.'

If unrighteous - unholy experience has only the
substance we give it, we should easily be able to
instead experience the Substance of Truth.

With SunShiny Gold days and balmy nights !

Destiny calls

With balmy blue skies and MoonLight !

Father has clarified the old saying of :

"Follow your Star".

He said:

*"Your Star is not what / where you are.
It is your Destiny (calling you)."*

What a delightful concept !

With puffy clouds, SunShine and jeweled blue
skies !

JANUARY 9, 2012

residual resentment

Crystals of SunShine sparkle !

When you have laid all your anger and hate on the Altar of Divine Love and Divine Power, is there any residue left ?

Father has suggested that we "*harbor no more resentment*"

It's like the dust that settles on everything -- the scum of deception. Just dust the residue away.

Balmy days of SunShine Sparkle !

JANUARY 10, 2012

Father is - isn't

Rolling plains and clear skies !

Even for those who have experienced The Father's Presence, it is possible to have a "split-mind" experience.

Sometimes to act from the "realness" of His Presence, and sometimes to act from the deception that Father is like father christmas -- someone you have to believe in because he isn't "real". Maybe he once was, but now isn't.

How different our Life would be if The Father were always a very real Presence !

Pure air and Pure SunShine !

JANUARY 13, 2012

where is (your) Faith?

With sky that sparkles !

For what I will say over the next few days, you must know where your Faith is.

Where do you believe Power is ? Is it Divine ?

Honesty with one's self is imperative, Now as never before.

If you believe Power and Authority is held by those who use and abuse The People, how can you have Faith in The Father ?

On a balmy Sunny day of Purity !

JANUARY 14, 2012

Christ energy -- point one

With Balmy days of Sunny Beauty !

Long ago, The Father said that our concept of Jesus Christ was inaccurate.

Fairly recently He brought new clarity to this.

The first point in His instruction was that Jesus, the man had present with him the Christ energy.

Some People believe it should be called the Christ consciousness.

Jesus, the man received the Christ energy into his consciousness.

Through it, Jesus, the man received safety in the face of many adversities.

Understanding of Truth and Love in Christ energy as exemplified by the man Jesus, was understood by the man called, Saint Patrick. as purportedly expressed in the Prayer of Saint Patrick. This Truth is, in modern times, conveyed in the song "The Deer's Cry". As I understand and have experienced this.

With turquoise blue, balmy days !

JANUARY 15, 2012

Christ energy -- point two

Beautiful days of Spring spring forth !

I have heard many "christians" claim the ability to secure safety from evil attack is based in calling on the name of "Jeeessus".

I believe The People who are able to cast out such evil and bring Peace and Safety to those so "possessed" is exemplified by those who understand the Power of the Christ energy present with the man, Jesus.

To the extent these People are able, in Faith, to call upon the Christ energy they are able to obtain "results".

If those same People were able to refine their Faith to the Truth of no conflict, adversity, opposition, in the Presence of Christ energy, the ease and effectiveness of their intervention would be magnified. They perhaps entertain a false need for valor being bestowed by battle.

The false deification of the man Jesus began some time ago, when I wasn't looking. Suddenly it was just there. I remember a time it would have been blasphemy to claim the "son" of god was god incarnate. Isn't it said, the man Jesus would go to sit on the right hand of Father Which is in Heaven ?

With bare feet in green grass on a SunShiny day !

JANUARY 16, 2012

Christ energy -- point three

With real beauty abounding !

When your Faith is combined with Christ energy in Truth and Love, you become safe because there is no adversity.

Adversity is a deception.

When your morning prayer is for all who think of you to think with the Mind of Christ energy.

For all who speak of you to speak from the Mind of Christ energy.

Then there is only the experience of Truth and Love in which you begin the creative expression you came to earth for.

Christ energy -- point four

Fields of Spring green !

There is another Truth in expressing Christ energy. I admit, I did not recognize it myself. A great friend brought it to my attention.

The Truth and Love in Christ energy is first and foremost available for your Self.

Think and speak of your Self with the Mind of Christ energy.

Think and speak of your body with the Mind of Christ energy.

Think and speak of your Self in all ways with the Mind of Christ energy.

Of course this is to say, you must be ready to receive the Presence of Christ energy in Truth and Love.

Christ energy -- a closing observation

Glorious days of SunShine !

As I was posting this series on Christ energy, the wind began to rage, as if the earth opposed this Truth.

Of course, I knew it was the "opposition" of the unrighteous - unholy attempting to hold on to their "reality".

For JN TRUTH, the day is at hand
deception on earth will end.

J heard someone on internet radio affirm: This is the last stand. Evil ends here.

J listened to Clif and George and John B. and Steve Q within a short period of time. J'm sure it was one of them who said what Martin and J have been saying to those who do not hear Father, but Desire to.

We, The People, must take our stand for Truth and Love. Deception ends here.

May the Christ energy Bless this and every SunShiny day of Truth !

Who are you ?

With rosy colored bubbles of Joy !

When the "shades & shadows" surround us,
parasites invade us, we give our Love away -- we
no longer Know who we are.

We might have a few memories, but it is only as we
"clean" our energy system (to include our physical
body) we begin to "remember" what it *Feels* like to
be our Self.

The presence of the Christ energy with us brings
this cleansing and in New Purity we are "born again
-- Renewed in Spirit to who we are / always were.

Golden Eagle days !

I once went to a well in Kansas.

It had been a sacred site for North American People.

It took until the end of the '60's before the unrighteous - unholy could "sink" it.

It is still a sacred journey to go to the well.

complacency

With clear blue skies and balmy nights !

I realized last night that perhaps I should connect some dots.

That is to say help People see the picture.

How does one recognize Truth ?

Why does this blog support ending the use of fluoride (among other poisons) ?

Fluoride was developed for concentration camps to make The People complacent as they were seeing friends and family murdered while awaiting their own death.

Complacency is epidemic upon this land, especially from the use of fluoride in the water, tooth paste, and any other use they can get us to pay them for, so as to poison and suppress us.

It is an amazing fact that we pay "them" to do things to and for us that were once recognized as destructive.

Ending the use of fluoride to suppress our intellect and emotions, which would alert us to the progress of our demise, is the first and easiest step to implement. If you can't find a fluoride free toothpaste, use baking soda and food grade peroxide.

Drinking water free of fluoride is more difficult, but it can be done. Call the bottled water company or check their website for the fluoride content. Find a local spring or chemical free source. Pay the extra money to put fluoride / lead filters in your water filter.

But, beware, because if you begin to think with your Divine Mind again, you will be able to make Right and Proper changes in your Life.

If you were to build a "greenhouse" with sticks and plastic, how would you heat it when there is no power ?

How does plastic hold up under the weight of snow ?

Many questions, many answers !

solar answers

With magical midnight blue balmy nights !

Over the "winter" (depending on location) as I have been contemplating year-round growing, two articles have stood out. They address the concern of temperature moderation in growing.

Some people might need to reduce the solar gain, while others need to increase the heat or light.

Interestingly, just after I had been contemplating the issue of heating greenhouses, snow and all, there was an entry on Survivalblog ⁵ that provided an interesting answer to the dilemma.

Yes, it is possible to heat a plastic bubble, but please consider "natural" materials such as glass.

There is a lot of information available on "underground" greenhouses. For example the Walipini ⁶ website.

A Valiant Dog Blog

Brilliant Glory of Balmy days and nights !

I would like to give recognition to a new blog on our website.

It is A Valiant Dog Blog ⁷.

Mister, our Great Pyrenees, is the "author" of this purely fun blog.

Martin kindly acts as "webmaster" for BlueStarWay ⁸ and all the blogs.

You will find a link to Mister's blog to the left of this page.

BlueStarBlog and Faith

With pure rain to moisten the earth.

I would like to mention Martin's blog ⁹. He has been writing an amazing series on Faith that gives practical application to what The Father has taught for many years.

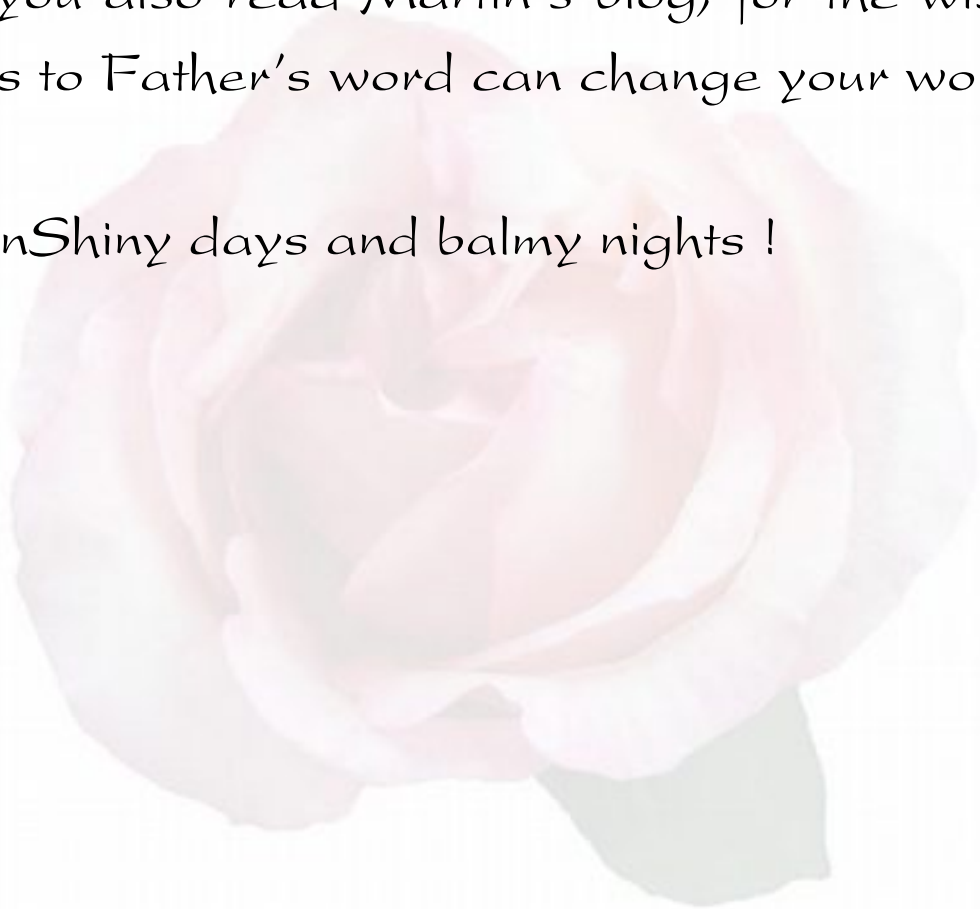

Suddenly, the implication of instruction Father gave Martin, long ago, became clear and many questions regarding Right and Proper use of energy were answered.

⁹ <http://bluestarway.com/bluestarblog/>

This simplicity of instruction can be an obstacle to minds trained in the "way" of intrigue, complication, and deception. Or you could say, "normal education".

I hope you also read Martin's blog, for the wisdom he brings to Father's word can change your world.

Truth prevails

With Truth prevailing !

On Moon-day I read Clif's entry ¹⁰ regarding the plans of those deceivers. Often making their plans public causes them to make changes.

Death, decay and destruction fell into the trap of becoming like what they hated. Or were infected by the same "virus" that contaminated darkness. Either way you look at it you get the same results.

¹⁰ <http://halfpasthan.com/lastdaysofyourlife.html>

Death, decay and destruction believe The People should be annihilated along with darkness because we are contaminated. It is interesting they accuse us of what they have become.

Meeting them with the same mind they use, is *NOT* the answer.

Engaging them with the same destruction they seek is *NOT* the answer.

Clif where is your TRUTH ? Perhaps No one is better able to find TRUTH than you. Are you their mole, or are you one of The People. Where is your TRUTH ? Bring me Universal TRUTH, not the deception they propagate.

Lust is the major motivator everywhere I look.

Lust is not just about sex, it is about greed and thievery.

It takes a lot of discipline to keep focused on Truth and to seek greater capacity for Truth.

Truth must be most important.

Sprouting summary

With pure skies !

I have thought several times to mention how I have found it best to sprout seeds.

- ◆ Using a clear glass jar of sufficient space -- not too big or too small
- ◆ Using non-toxic screen tied in place (no lid)
- ◆ Filling the jar two or three times daily with water through the screen
- ◆ Emptying the jar through the screen without removing it (no lid facilitates water evacuation)
- ◆ Tilting the jar so the water drains and there is no standing water in the jar
- ◆ Using a stainless steel tray or other non-toxic / non-plastic tray to incline the jars and catch water
- ◆ Keeping the tray and jars clean and dry

- ◆ Disinfecting surfaces with food grade peroxide or white natural vinegar
- ◆ Keeping the air moving and warm, but not hot and humid
- ◆ Using less sprouts than charts indicate so as to allow for air circulation, since "packed" sprouts encourage mold or fungus

If I think of any other suggestions, I'll add them to other blogs.

Enjoy !

Father recently told me to quit "obsessing" (not his word) over the scummy skies the unrighteous - unholy continue to create with their spraying.

I am to look to Father to "handle" this situation. If I look toward Him, I am more likely to see clear, pure balmy days, which I affirm on this blog.

He said that when I give attention to them and the scum I am giving the energy I receive to them. Speaking for myself, I don't have any to spare. All I receive is needed to live a Righteous and Holy Life. Guess that's why I can't do it yet.

There must be Truth in this, for the SunShine returned when I implemented Father's instruction.

indian giving

As balmy breeze moves grasses, Spring green
flows through fields !

A particular "technique" of the unrighteous - unholy
is to take what was given.

As a child this was called "Indian giving", not
because it is what The People of this Land did,
rather because it is what was done to them.

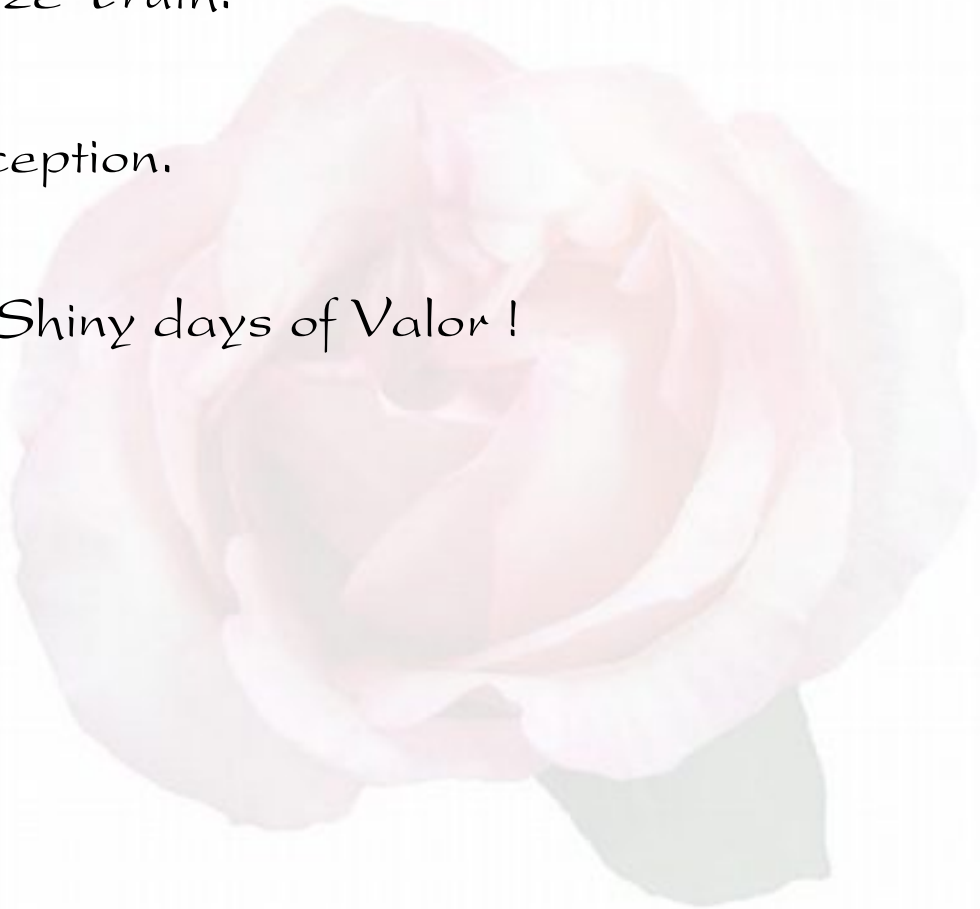

Promises made, things given, then, painfully thieved
from them.

This is different than recognizing deception and ending participation in their play. False contracts with the unrighteous - unholy are automatically ended when Truth prevails.

Recognize Truth.

End deception.

With turquoise blue and spring green balmy days !

Mister's new blog, *A Valiant Dog Blog* ¹², for February 15, 2012, provided a new perspective, or refinement on Father's teaching.

We have added a page link in the top left column called, *A Simple Answer* which furthers Mister's blog.

Mister's blog entry and our *Simple Answer* page are not "simple" reading. It is an interesting facet of

¹² <http://bluestarway.com/valiantdogblog/>

living in the deception that, when one does not intuitively grasp Truth, many words are required to bring understanding. This is one of the conundrums in writing my blog. How do I "Keep It Simple" and still bring inspiration to The People ?

Much of my writing indicates Faith in The People for their capacity for Truth. The unrighteous - unholy continually degrade, demean, and ridicule The People, however, they are greatly mistaken. The People look not to the ways of dishonor and deception. The People look to Truth, The Father and Source.

Radiant Powerful Woman

With lilac lavender dreams of balmy days of
SunShine !

Martin and I went back to our archives of 2004 and retrieved information Father had begun providing for me on what a Woman Warrior is. He provided a contemplation for me to discover myself. A Vision of what this is. My idea of a warrior at that time was based on a lifetime of indoctrination into deception. The idea of a feminine warrior was totally distressing to me.

In the months it took to begin unfolding, a dramatic

shift in my perception took place. However the underlined deception still held a small space.

It was in the last week as I listened to Clif High being interviewed by Suzanne Toro, with Clif's thoughts on warrior vs. shaman that I recognized a need to return to Father's Teaching and continue my understanding of a Radiant Powerful Woman. Father has called this Vision of the feminine Warrior, Iconian. I have yet to understand the greater portend of this terminology.

We are sharing the introduction to this great learning in a second audio contemplation which you will find in the left hand column of this blog titled "Radiant Powerful Woman" ¹³. May Truth prevail and those People who seek Truth and Liberty begin the journey of receiving that which once they sought.

soda bread

SunShine nourishes !

Have you considered soda bread ? Soda bread can be made sweet or savory.

When yeast is hard to come by, or the air too impure to make sourdough, soda works best.

Sweetened with honey, maple syrup, or a can of fruit, the bread is as hearty or "refined" as your flour. Perhaps nutritionally debatable is the use of chocolate chips. But they sure are good ! A little dried fruit, especially dates or figs is great, too !

I could have waited until St. Patrick's Day to suggest soda bread, since it's an Irish tradition. But president's day will have to do.

*You need to lay poverty down

to Free your immortal Soul.
Poverty is Soul degradation.*

*It is a habitual pattern put upon Spiritual Women

"Do it or do it not"

Into a Sunny balmy day ! What Glory !

Before I turn Cliff High on internet radio, I want to share my most recent, hottest, just off the . . . well, you get it.

In utmost simplicity I had two realizations:

I've been asking Father how to act / play in the deception in such a way as to "piecemeal" my way to All Righteous and Holy Day.

A rather famous movie character (Yoda) once (or however many times the movie is played) said:

"Do it or do it *not*."

This is to say:

"Trying" piece by piece won't do it. It is a total, complete, at one instant event.

Asking how to do a better job of unrighteous - unholy play, has been a rather foolish waste of time.

On a SunShiny day of Father's Glory !

rampant mortal desire

Peaceful plenitude of balmy spring days !

Father further spoke of Spiritual Women:

*When a Spiritual Woman
is without support as a child,
there is great potential to finally succumb
to rampant mortal desire of lustful expression.*

*To those who use creative energy
to nourish and sustain lustful desire of rampant sort,
there comes a sort of slow death
of Soul Desire.*

*Here you have a subtle indication
of the magnitude of sustaining lustful desire
in your civilization at this hour.*

*Creativity nourishes your Soul not
when done in degradation of Soul Nature.
The prevalent myth of destitution and poverty
surrounding (struggling) artists
further narrows the gap to degradation
of mortal soul endeavor.*

The other day Mister came to lay beside me when I was sad.

Setting the Table

Pure Sun Shine !

Father recently clarified a misperception purveyed in many "modern" teachings, which is that if we work hard and get most of the way, we'll be "granted" success in our Spiritual Journey -- that last bit is unnecessary to "tend to".

Father said it is like we have been eating at a table set by someone(s) "other" and the table has been mostly cleared, but trash and garbage are still strewn on the table.

We must completely clear the table so it may be set anew with Pure and Sparkling settings.

Father has said He will prepare our table before us, but the table must be made ready.

to clear the table

Turquoise blue !

What is it to clear the table ?

It is to be aware of every thought and emotion that is not Divine that you experience and to take it to the Altar of Divine Love and Power to be exchanged for Truth.

It is to recognize the thoughts and emotions that are not Divine are *NOT* you.

It is to recognize the beauty you are and choose Right Action, even when deception tries to act through you.

the mole surfaced

I took a look at a link from a site I visit often, and was disappointed to find a person who can describe unrighteous - unholy "legal" procedures with the utmost detail. The disappointment was that this person has "created" a new way of conducting business, *but*, it is a new way that entails all the traps and deceptions of the old way.

It was very interesting that it is assumed we would not recognize "same old, same old". A sure sign of the unrighteous - unholy disrespect for The People. We can recognize a new tyrant in the making.

I was also disappointed in the person who made a hearty recommendation of this deception. Guess this clears the question -- yes, he is a mole.

death warrant voucher

birds sing a song of spring !

A very long time ago Father spoke of the "death warrant voucher".

In one of our Showay books ¹⁵ this was referenced:

**From showay peal of bells
'death warrant voucher'**

"In the lingering aftereffect or aftermath of your Heartfelt Desire gone awry, there came an implant by virtue of sustaining, signing a death warrant voucher."

The re-united sat quietly enjoying the warmth of the morning HelioStella while looking at the words that lay before him. He did not understand their meaning, yet he knew that in this one sentence, AurorA had conveyed all he needed to know to find the root cause of his

¹⁵ http://bluestarway.com/bswpublishing/books_scifi.html

problem. "As well as the answer!" he suddenly understood.

"It seems so apparent now... the two definitions in the dictionary hold the needed key. By interpreting the event using the "negative" meanings of the words, I can learn how darkness seeks to keep me bonded. The "positive" meanings of the word, will give me the answer I need to be Free of the problem. I have had the answers in front of me all the time!"

Without hesitation, the re-united drew a table on the paper and began to use his dictionary to define each of the words he chose. The "negative" meaning in one column and the "positive" in the other. As he progressed, he quickly realized that sometimes it wasn't that easy to differentiate between meanings, yet he progressed from a feeling level, looking for what felt right. As he moved forward, he further

refined his understanding, by defining words that were included within the definitions themselves.

After writing and rewriting several parts of the interpretation, he was ready to put it all together.

"Ok, here we go:

To put off lawful death as the deeply felt consequence of coveting and envy, (which are) deeply buried in the mind, I have chosen obedience to the rule "a man's power lies in his ability to copulate".

This has prolonged suffering by being possessed --by force of a legally binding obligation to destruction-- for future payment of agricultural and mining products."

The re-united stood still, not quite believing what he had just brought forth: an explanation of why

many of his people have purposely set out to completely consume his world through destructive practices that depleted and destroyed everything it touched.

The death warrant voucher is a false contract utilizing lust, mercantile, and fear of death to ensnare / entrap The People.

In this, to avoid death, they say we agree to payment of "agricultural and mining products".
What price lust ?

Take time to contemplate His revelation.

With SunShine balmy days !

MARCH 5, 2012

more recently regarding the death warrant voucher

Balmy blue days of bird's songs !

More recently Father explained our difficulty this way :

We are trying to better understand our Righteous and Holy Endeavor through a tainted desire.

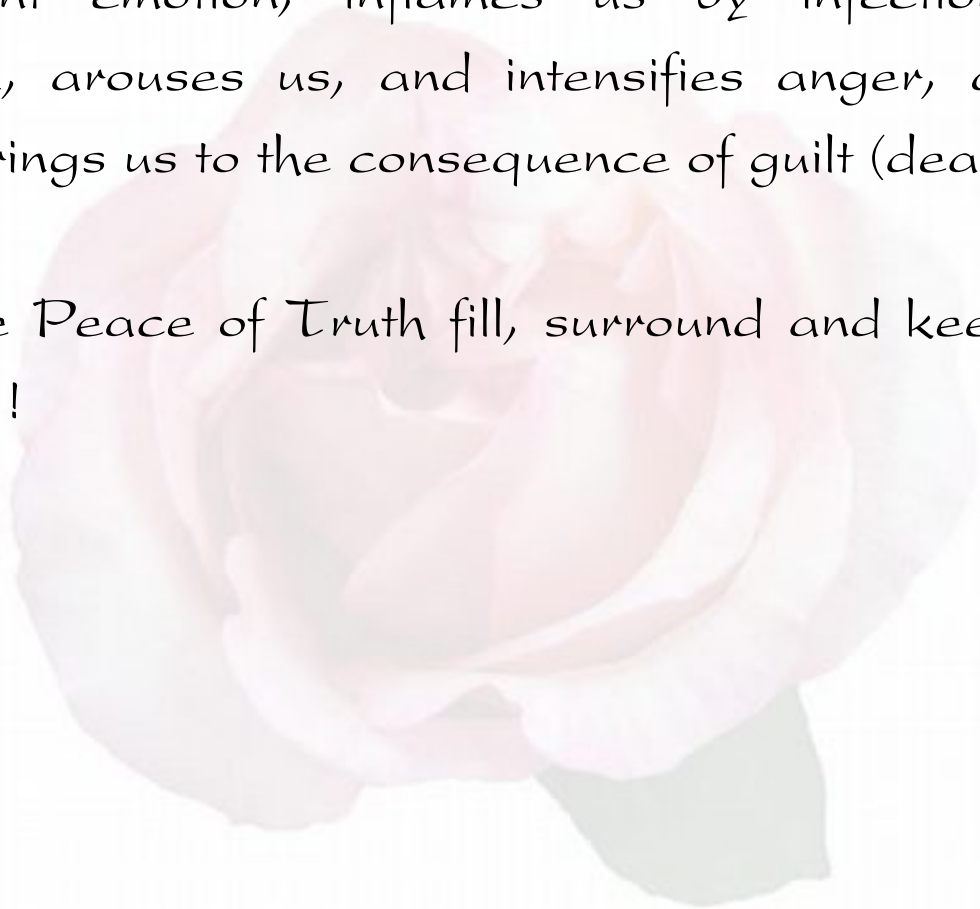

We surround ourselves *NOT* with our most All Righteous and Holy Desire, but with a cocoon of no longer pure and sustained Desire for Father.

The cocoon is now tainted with inherent desire to avoid pain and dissatisfaction.

This then :

Coats us with some kind of "growth" that excites us to violent emotion, inflames us by infection or irritation, arouses us, and intensifies anger, all of which brings us to the consequence of guilt (death).

May the Peace of Truth fill, surround and keep us this day !

March 4 :

The death warrant voucher is a false contract utilizing lust, mercantile, and fear of death to ensnare / entrap The People.

In this, to avoid death, they say we agree to payment of "agricultural and mining products".

March 5 :

We are trying to better understand our Righteous and Holy Endeavor through a tainted desire.

We surround ourselves *NOT* with our most All Righteous and Holy Desire, but with a cocoon of no longer pure and sustained Desire for Father.

The cocoon is now tainted with inherent desire to avoid pain and dissatisfaction.

This then :

Coats us with some kind of "growth" that excites us to violent emotion, inflames us by infection or irritation, arouses us, and intensifies anger, all of which brings us to the consequence of guilt (death).

March 6

Disease and poverty indebtedness are the consequence of denying our True Desire.

The consequence of avoiding pain and death is agreeing to a false contract of slavery.

The "life" they insure is entrapment of Souls of The People until they send our Souls to a new body. This "heaven" of slavery is surrounded by deception including viewing other trapped Souls who entice us to submit.

Truth of Heaven is far from this deception.

Ending false agreement to a false "contract" we never made is imperative.

Contemplate how to Know The Truth and turn to
The Father Which Js Jn Heaven.

You will find Him and Heaven right where you are.

Changes have begun

With balmy days and aurora light nights !

Yesterday, we spoke with Father regarding the solar flare activity and potential for devastating effects, since Father had advised us earlier in the week to stay in, and bypass travel and other plans on Thursday and Friday. When we went to Him very early Thursday for refinement of Right and Proper activity or non activity, we had just learned of the arrival of the X-flare. While in the past we have made references to being outdoors to receive the extra Abundance that was being made available through the solar flares, that is no longer the case.

Father clearly indicated to us: it has begun.

For many years we have been aware of the potential for Earth changes: earth changing events that were initiated not by the unrighteous – unholy but by Authorization of Father Which Is in Heaven. We have joined many who have been very vocal in expressing the need for preparation. The unrighteous – unholy initiated events, while catastrophic, are much less significant than what Father may eventually allow in the Earth's Progression for her Survival and the Survival of those who end unrighteous – unholy activity. I have personally felt extreme conflict and sorrow over participation in Father's Plan which will remove the unrighteous - unholy from the experience of the Earth, for there are People who have made choices to end their Earthly experience in the service of the unrighteous - unholy and await renewed life experience through enslavement of their Souls in the artificial "heaven" of the unrighteous - unholy. Those People have often made this choice through the

deceptions of the unrighteous / unholy, while others of the People have chosen the path of the unrighteous - unholy through lust / greed. Either way, those who are not seeking Truth / seeking the Divine Expression of Love, Peace, Truth, Life, Joy, and so forth upon the Earth will leave the experience of the Earth for whatever experience awaits them, thus being provided an opportunity to see things a "Different Way".

We have, with the utmost Faith, Hope, and effort, sought Truth and the ability to Live Harmoniously with the Truth Father has revealed. We have earnestly sought Life Expression of a Righteous and Holy fashion. This journey has not included "success" in the mercantile game. It has however sustained us and provided for us in surprising ways. At this time, I have no expectation of poofing to the experience of this world on the energetic level of Truth, for Father has Said that I must bring Truth into the world rather than escaping to the world in (of) Truth.

It is with extreme dedication we continue our journey with the goal of Living a Life of Truth in the midst of the deception, for as long as required by Father Which Is in Heaven. It is further our utmost Desire to Progress to the new world of Righteous and Holy Expression.

Father has supported our Hope for and Faith in the potential of creating the "New Heaven" and "New Earth" right where we are. This place would have no experience of (and Hopefully no memory of) the "existence" of unrighteous – unholy upon the Earth.

Martin has posted in his BlueStar blog several excerpts from our Heliotropos / Showay book (self published in about 2003) with reference to our Sun's "point of departure" and resulting Earth changes (Read his Heliotropos (Toward the Sun) series ¹⁶). A few years ago, Father indicated that the reason Denali, Yellowstone, and New Madrid did not show activity at the designated time, was because a

¹⁶ <http://bluestarway.com/bluestarblog/index.php?category/fathersway/Heliotropos>

sufficient number of People were making changes and preparing, so as to provide additional Grace to the People. The dates in Showay are indication of the Grace the People have received. The current upsurge in activity in the Philippines is the indication Father Gave to us when J inquired about the Denali, Yellowstone, New Madrid potential. Devastation of the Philippines will be followed by devastation in China. We have recorded this information in our "A Changing Horizon" ¹⁷ short story. If one considers Tibet and the Himalayan area part of China (which J do not), the devastation is building throughout the land holdings of the unrighteous – unholy who dictate to China. The upsurge in Philippine devastation, Chinese devastation, quake activity in the central portion of this land, and current solar activity are clear indication that while the unrighteous – unholy have their own agenda, the Father's Plan has begun.

¹⁷ http://www.bluestarway.com/images/a_changing_horizon.pdf

There are many things at this time that we perceive as potential. However, these things are being withheld or undisclosed by Father at this time.

Suffice it to say, the changes have begun.

(Thank you Martin for your assistance in writing and posting this entry.)

On a SunShiny balmy Day of infinite beauty.

a full glass or empty table

puffs of white on blue !

Recently, in my blog entry titled setting the table ¹⁸, I touched on a modern deception that tells The People, "Just get most of the way and "god" will do the rest".

Father had told me the table must be cleared. That is, a new table can't be set on the garbage / debris of the old set(ting). You could also say, you cannot pour a glass of juice into a glass full of water. You must pour the water out. If you leave "just a little" water, the juice is no longer "pure". The glass cannot be "filled" with pure juice when any old water remains.

So it is with The People.

A Person must empty the deception completely.

¹⁸ Refer to entry of March 01, 2012 - Setting-the-Table

The state of "emptiness" is empty. No feelings of a Divine Nature. No deception. (This is the state aspired to in some eastern teachings).

But, a Person is not "designed" for emptiness. The People are "designed" to express feelings of Joy, Peace, Love, Power. These are the "music" of their Being.

When a person has become completely empty, all those Divine feelings they have asked fill the space, can immediately begin to "manifest".

This is the point of Truth.

This is when Purity of Expression in Truth begins. This is the start of All Righteous and Holy expression, that is, to Know One's Self.

Seek

Balmy blue breezy days !

A new solar flare was to arrive mid night.

Continue to seek Divine Direction regarding proper action.

Father counseled us to stay in for the arrival on Thursday and provide a canopy for Mister's needs to go outside.

All circumstances are different.

Continually seek Direction.

Solar sites

pure moisture and pure Sun !

How does a Solar Flare get delayed on its way to earth ?

J've just begun looking at some reporting sites for Solar activity. Lots of misinformation in the midst of some Truth.

Sites like solarham ¹⁹ just compile "official" data. With some commentary. Can't say they intentionally spread misinformation.

Just use discernment when viewing or hearing anything.

what of the animals ?

Balmy breeze stirs !

With the concern for electronics and electromagnetic flares from the Sun, little is mentioned about People safety.

Almost nothing is mentioned about animal safety.

If a Person has assumed responsibility for animals on the land or in their home, it seems moral and ethical to prepare for those animals, too.

This goes beyond food and water to shelter.

A lot of creative expression is needed fast to accommodate rather large groups of animals.

But, even a dog, who usually needs outdoor time must be accommodated. Cats need a large supply of litter as well as litter disposal methods.

If there are outdoor animals, how does One move to and from their shelter safely ?

Not only consideration, but action is needed -- now .

Solar discernment

Garden Green !

Grass grows.

Balmy breeze brushes shoulders.

Birds return.

Forsythia blooms.

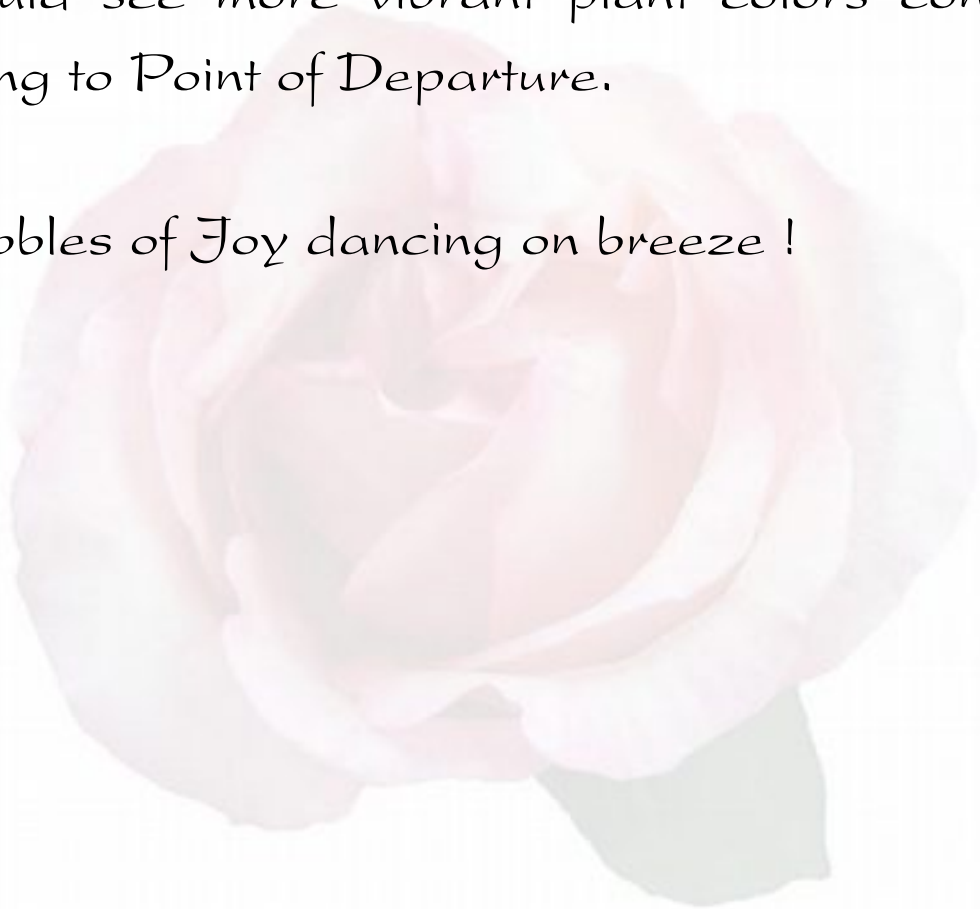

I had once seen the coming shift to amazing vibrant colors of the flowers, signaling we were within 3 to 4 hours of Point of Departure. (See our self-published books ²⁰)

²⁰ <http://bluestarwaypublishing.com/>

Recently J realized it was not just a momentary effect of the Solar Spectrum, but an actual change in the expression of the plant material due to Solar Changes.

We should see more vibrant plant colors continue increasing to Point of Departure.

Say it Now: One Person

With SunShine, Pure moisture, and balmy days !

One Person who Knows The Father
and does "Mighty Works"
singly and alone,
leaves The People unable
to do those "Works" and vulnerable to deception.

deception seems the stronger when
we are out of Harmony with The Father and
The Divine Plan for our lives.

When The People Know Harmony
with The Divine (or Universal) Plan
and how to walk in Truth, Love and Power,
Harmony quietly passes
Person to Person
and, in Truth
only "passes over" those who hold fast to deception.

It is deception that
The Father would send plagues
to destroy The People who don't shed blood and
do not seek their safety in spilled blood.

Only the unrighteous - unholy would do so.

Truth Is :

Love Is Light -- Protection

Power Is Sound -- which ends deception

Equinox comes

Balmy breeze caresses !

Thanks to Gustav for the reminder of Spring Equinox (or for him Fall Equinox).

We will soon be at the Equinox. Have you looked at the charts to see when it is specified for your location on earth ?

There are sites abounding to do so. An easy to use site is time and date ²¹.

Remember to check conditions for each day to establish Solar Safety.

did you miss it ?

Blue days of pure skies !

Yesterday I checked with one of my favorite websites, SunriseSunset ²² and found today is the spring equinox where I live. We did a test calendar and found that the 18th is the spring equinox in Fairbanks, Alaska. Wherever you are, whatever day is the equinox, fall or spring, Enjoy, celebrate, dance with lots of pearly magic bubbles.

I have no way of knowing how later in the day posts appear to those who visit this blog.

So, just in case some missed my second post on the 15th :

equinox details

Pure gentle rain in days of Spring !

Father has established the 22nd of each 3rd month (solstice and equinox) as the end date for the Rhythms Calendar.

Honoring this tradition I start and end the RoseNoelBlog books on this date.

Therefore, we have a few more days until the "official" end date for this blog book.

It was interesting that we decided to look up a southern hemisphere equinox date (Montevideo, Uruguay), and found it is not for another 6 or so days. With options for the [sunrisesunset](http://sunrisesunset.com) website ²³ you can choose the length of day, as well as twilight and moonrise times. The length of day feature, combined with the sunrise and sunset times allows you to establish the equal / longest / shortest days.

As the Sun rises the orange of the water faucet is vibrant orange. Just a reminder a large portion of the vibrancy of color is due to a change in the light frequency from our Sun.

Have you felt empty ?

Even with people around you ?

Have you wished to love and be loved ?

The emptiness is caused by the fact LOVE has come to be below your threshold of awareness.

"living proof"

Sunny days with lightly floating bubbles of Joy !

Father has made it very clear that true protection is found in focus on our Divine Journey and His Presence.

With the Solar activity we asked what to do, and we were assured that protection is where we are.

I have seen an event like special effects out of a movie.

I asked what to do during a tornado warning, and Father said take a chair to the kitchen door and watch.

In a very brief time I saw a "dome" of energy, the other side of which the clouds churned and the storm raged.

Within the "dome" all was well.

This was "LIVING" proof of Father's protection when we are focused, in Peace, on Truth.

This event is not something I can "prove", since the camera was with Martin, but if you "test" it, you will Know the Truth I share.

This is to say, I KNOW the safety of The Father's presence.

You can too. And, it is my hope, something you choose.
