Divine Law carries restorative Power and compense.

What is Created by Divine Authority
is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

Translation Notice: In Divine Service

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

This material is freely shared by us.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

a reminder for those who . . .

Gentle snow warms the heart.

It has been an interesting year.

A year of learning.

It has become clear that many who curse another don't know two things about what they are doing.

Any unrighteous-unholy thoughts, words, actions are a curse.

Any curses that find no target return to the sender (even when that person is the pawn, doing the "dirty work" for someone else).

This is to say, a Person focused in The Father sends / returns *NO* ill to another. No being a mirror. No sending it back. No initiating a return attack.

The untaught part is how to be *NON - NULL* to an attack.

How does one stay neutral toward those who send such destructive energy?

How does one end the accumulation in their body of hate, anger, loathing toward those who send such destructive energy?

How does a Person stay so focused in The Father that they are unaware of any attack, or at the very least, don't answer the door?

How does a "good Person" allow others to be responsible for the penalties of the curses they send?

Herein is a year of great learning.

DECEMBER 9, 2013

what about prayer ?

SunShine, snow bright, Light !

Prayer, as is currently taught, is an excellent vehicle to curse others while falsely pretending to do "good".

Prayer, as is currently taught, is a vehicle of penalty for curses sent.

"Do unto others" in prayer, is to curse them with your will. Do you want them to return the curse by praying for you?

Speak to The Father and ask to have Wisdom regarding prayer.

Knowledge is transitory. Knowledge is for a moment. Knowledge is a creation of the mind of deception.

Wisdom is a Divine Spiritual aspect of who we are.

Wisdom comes in Truth.

When one Desires Wisdom and Truth they begin to express who they Truly are.

With bubbles of Joy floating in rainbow skies !

DECEMBER 10, 2013

do you stand in-between ?

Plants blooming on Sunny days !

A reminder -- that one who stands between the unrighteous - unholy and family, can open the door to attack.

Those who Truly seek The Father must not pray for "loved" ones who mistakenly protect the unrighteous - unholy. To protect the unrighteous - unholy is to violate Divine / Universal Law. One who prays for those who are mistaken becomes vulnerable to their penalties.

Prayer has been made a tool of the unrighteous - unholy.

There is a Different Way.

Seek Truth from The Father. Seek Wisdom.

DECEMBER 11, 2013

your life has a pattern -- one

Birds talk. Do you listen ?

Many People are distressed and confused by a seeming lack of Wisdom regarding their Life, or Purpose.

Simply put:

There is a pattern for your life experience.

There is an order for the placement of each "section" of the pattern.

What is next -- is next. No other sections can be substituted.

Lack of Wisdom for this simple Universal Principle can place the pebble in your path that ends progress.

Desire each day the section, piece, placement of what is next in your Life Pattern.

Blue skies. Bird song.

DECEMBER 12, 2013

your own Way

It's a rosemary -- lavender day !

So what does one do if they don't pray in the traditional way?

Seek. Desire. Ask. Contemplate.

The answers are within you. Heard that before?

When Wisdom comes, no one has to tell you.

Talk to The Father. This is different than to pray.

It is a Different Way.

DECEMBER 13, 2013

your life has a pattern -- two

Under rosy skies, roses bloom.

When People emote being stuck, lost, having no purpose, they believe Life is random and doing what's next is personal choice.

Well, of course, we have choice. What is our choice? Haphazard, random, care-free?

Order has become a word of aversion. This makes a choice for placing the sections of our Life Pattern by way of a daily order, an unpleasant, restrictive,

duty. Not the kind of thing a "free-spirited" person wants to do.

What if . . . the Truth is -- Freedom is found in Order. What a Freeing experience to find that each day flows -- is Joyful, Peaceful, and Profound when filled with creative expression of One's Life Pattern rather than confusion, delay, repetition, distress.

Rosey Sun sets through swirls of lavender.

DECEMBER 14, 2013

your life has a pattern -- three

Rainbow rain !

To be free from floundering in a sea of despair,
requires only the Joy of Right Desire.

Desire Truth, Wisdom, to express the Rapture
(Divine Love) you are.

Creatively express your Life Pattern.

Use your inner smile. "See" with your Inner Vision.
Raise your Inner Vision to The Father. "Fill your
head" with Joy, Light-ness, Peace.

Rainbow Fire !

DECEMBER 15, 2013

Progression or ego ?

Vines climb and bloom for a new beginning !

Martin and J just had a very brief discussion regarding the progression of this "work".

Knowledge and Wisdom have been blurred and slurred in the world of deception. So much so, that J never understood why Solomon so valued Wisdom.

Wisdom is a Divine Attribute / Gift. It is part of our Divine Expression. It is how we were Divinely Created.

Wisdom comes quietly. One feels the Truth of Wisdom.

The concept of ego justifies stagnation of life. When one is embarrassed to "be wrong" and cannot change -- remains attached to the deception -- there is / can be no progression.

If you are bothered by changes in the writings on BlueStarWay.com and the blogs, consider what you Truly Desire. Consider blind obedience to world of deception. Recognize your Right Desire as what ends "the good intentions" and brings Truth.

As the vine grows, so you.

DECEMBER 16, 2013

Truth or deception of you

Joyful Rainbow bubbles dance in currents of air !

Do you think your memories are the Truth of who you are? Do you think you need fixed (which would be because you are broken)?

Truth is -- you are whole, Joy, Rapture, Wisdom, Principle.

When you begin to see -- if only for a moment -- with your Inner Vision the Truth of your health, completeness, Divinity -- the gloom of the world of

deception leaves you and for that moment the Light-ness of early Summer fills you.

As you choose the experience of Truth more often, the moments become more of your experience.

Just when others are experiencing doom and gloom and seek to draw you in -- you are experiencing increasing Light-ness of Being.

Rainbow Rain, Rainbow Fire, Rainbow Bubbles --
Light- ness of Being !

DECEMBER 17, 2013

full moon and pause days

rosemary solstice !

Today is full moon day. A high energy day.

The Pause Days of Winter Solstice will begin, here, on the 19th and continue through the 24th.

The plants of the Winter Solstice are rose, rosemary, and star glory (cypress) vine. Holly, too.

Father has said there is a "secret" about star glory vine.

It is rather easy to bring a rosemary plant in for the cold season if one is in a vast part of this land. A miniature rose is also easy to bring in for winter bloom. Perhaps there is a miniature holly, suited for a pot. The Father recommended a non-spiky type .

Star Glory vine is an energetic climber (native to the americas) and I have no idea how it will fare in a pot.

Indoor gardening is Soul-nourishing no matter the season or weather !

With roses and stars !

DECEMBER 18, 2013

IS it what you want ?

pink stars of flowers.

JS it what you want ?

How well do you discern between what you desire and what emotions are imposed on you ?

The difference is pure and simple. If it is Divine it is you.

Everything else is non-null.

Monitor every thought with discernment. As we currently reside in a world of deception and have been "educated" into the mind of deception, Truth has been taught in deception. Divine intervention brings Truth and Wisdom active and present to us when we Desire them. It is more important to activate Divine Truth and Wisdom in us than to hold fast to the deception because to be wrong is too painful.

"Right" is a Divine Principle in Truth and Wisdom. We begin by Desiring what is "Right and Proper".

as the pink stars grow, so the "secret" grows.

DECEMBER 19, 2013

Pause days begin

rosy-pink and green. gold berries, too !

These are the colors of Winter Solstice.

Disparity between knowledge and action is a common part of deception.

This is where a clear difference between knowledge and Wisdom is made.

Wisdom enfolds a change of perception.

This change makes Wisdom active.

The temporary, transitory nature of knowledge perpetuates the previous state of mind and function formed by the world of deception.

When Truth is of primary importance it becomes the Principle (foundation) of Wisdom and Rapture (Divine Love).

with starry vines of rosy-pink blossoms !

DECEMBER 20, 2013

where does that opposition come from ?

pink and purple peppers. red and golden too !

Have you ever considered the things you oppose being the ingredients from which your pattern would arise?

Have you noticed an avid distaste for a particular activity, function, profession?

This would be something you have been educated (trained), or have the natural talent to do.

How do you discern if this aversion is truly your own, or if it was "implanted" in you so as to "derail" your creative adventure?

Without daily inspiration of Wisdom for placement of the next piece of your pattern, one is unable to have this discernment -- daily.

We are often Blessed with moments of inspired direction, which dissolve into frustration with the seeming transitory, wispy, nature of these moments.

It is necessary to end our rebelliousness and false belief we know best. When Truth, Rapture, Wisdom, (components of our Self) are the most important Desire of our Life, we become free from opposition and embrace the Joy and Peace of creating our Pattern.

We come to this Life for Creative Expression. This must entail the end of deception that defines who we are. Until one discerns their Self in Truth, how does one walk in Wisdom?

pots of spicy color !

DECEMBER 21, 2013

mid-pause

little white rose blooms.

A reminder before I begin, since many "experts" on the internet feel "free" to take the information of others without proper citation. Universal Law provides proper penalties for exploitation of Father's information.

As I considered this -- the middle pause day in our spiraling return around the Sun -- I realized that "comet" ison's approach was not on the front side of the Sun. The "front" side is where the vacuum space precedes the Sun's orbit.

From earth's perspective, ison approached at the position of summer Solstice Pause days. From there it was, of course, flung out from the vacuum. One would think it would have been pulled into the space vacuum created by our Sun's orbit.

J have not asked The Father for details of this process.

Only Wisdom in this regard will provide Truth, since deception based knowledge has provided a false foundation from which J have been slowly rebuilding -- in Truth.

little (pink) rose - rose blooms.

DECEMBER 22, 2013

now / past

rosemary - lavender flower power !

What do you *Desire* this day ?

What do you *expect* this day ?

Do we recognize how deeply un-aware we are that we expect this day to be like some "past" day ?

For better or worse, this expectation thievers today's creative potential.

I once heard that the desire for a repeat experience is what causes drug addiction.

The opposite side of this is that in deception, even when the desire is for a different experience, we believe that because we had the experience, it will happen again.

This false belief is suppressed from awareness, while being reinforced in movies, books -- all facets of the deception.

By waking up to what we expect for each and every day, we have a very simple way to change our experience.

When we align our Desire with what we expect, we begin to experience our Desire actively in our day.

I'm in the midst of deciding which blog to continue with. It is possible, with the end of Pause days, I will decide to begin using the blog Martin created for me a year ago last October.

I would like to acknowledge Christmas Eve for those who choose this celebration, regardless of the Truth of the occurrence. As Holly Deyo expressed: it doesn't matter when, this is the day of choice.

Based in fact, as we are given it, this is Solar New Year's eve. Tomorrow, Solar New Year's day, the length of day begins its increase.

Whatever your reason for celebration, do so in Divine Order, by the Divine Plan in your Life.

Whether you Honor the Sun or Son, receive your Blessings!

Just a note that yesterday, I went back to Holly's site to add a link for first hand viewing of her comments. The comments were gone. So I have no link (proof) of what she said.

This new day is a new opportunity to see your Self as whole, pure, Divine.

Good health, Right Desire, Wisdom and Truth are yours.

These days between Pause -- Solar New Year -- and the false new year are a time for contemplation. Not saying making "resolutions".

How well were the pieces of individual pattern recognized and positioned ?

How well was the perfect health of Divine Origin expressed ?

How well was the Divine Plan perceived -- was it in Wisdom ?

How well will this "New Year" bring Truth, Wisdom, Rapture, to the People ?

About the Authors

Linda Diane Mead was born and raised in these United States of America. She obtained an under-graduate degree in Psychology with a minor in Philosophy and a PhD in Metaphysics from a Theological School.

Martin Riedel was born in Argentina, South America, and lived in Uruguay and Mexico as he grew up. After beginning college in Mexico he came to these United States of America, where he graduated with a degree in Chemical Engineering.

Upon meeting, they embarked on a memorable journey of self discovery that took them across the States. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014.
