## Father Which Is in Heaven:

“In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.**

**It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,  
Right and Proper Orderly Progression  
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction  
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,  
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.**

**It is, would be, a departure from that Divinely Authorized  
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,  
reflections, inflection would no longer convey the subtle  
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes  
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at  
Penalty of perjury of Divinely Authorized material.”**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the sacredness of a promise.

## NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on “where we were” at the time of its conception.

**Future material will show *Spiritual Progression in Awakening*.**

This material is for individual use only.

It is intended to spark creative contemplation and consideration of ‘if... then...’.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

**Divine Answers *Respect* all living things.**

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

## In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

**This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format.** This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

**You may freely reference this material only if you correctly "cite your source".** That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

*This book is a Gift to you  
from Father Which Is in Heaven.*

*Know that sentences in italics  
are direct messages from  
our Loving Father or Source,  
“that all may come to see or know  
that which Honors and Serves  
the human race.”*

*Father Which Is in Heaven  
Gives you Thanks  
for accepting His Gift to you.*

## *Side note*

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have “inherited” in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can “claim” this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term

'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.  
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention Linda and I adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper

names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

## Wake up time

(adapted from Linda's notes made during 2011)

If we are unconsciously waiting around for the right time to wake up and in the meantime enduring all the attack, we are making a serious mistake.

If December 21, 2012 were the right time to wake up and we are all just waiting and enduring the deception and allowing gulf oil spills, man made earthquakes, and so on to occur then we are making a serious mistake. We need to wake up now.

They have everyone sleeping until the end of 2012 because we are not supposed to wake up before then. Before 2012 it was the millennium. As soon as the millennium was over or by the time it was happening, the notion of 2012 was in place. Now they are already talking about 2020 something. Waking up from the deception is always some day out there. Somewhere, sometime, Jesus is going to return and we have to wait until then for "the time is at hand."

**In Truth, Now is the time to wake up.**

As soon as you can recognize you are dreaming an attack and you can make the choice to wake up and consciously give your attention to the Father, that is the time to do it. Remaining in the dream, struggling, resisting, receiving the attack, because it is not time to get up is the most incredibly stupid deception we participate in. It is so totally empty that it is amazing we participate in it. Maybe we need a planetary alignment... maybe we need a savior... maybe we need an armageddon... maybe we need a one world leader... maybe...

No!

**Now is the time to wake up.**

It is only we who are participating in the deception who are asleep in the deception. Who seek this state of perfection, healing, or future “predestined” event before we can walk with the Father. When in reality Father already sees us in our perfection and He asks nothing else for us to walk with Him other than we stop putting the deception before our walk with Him.

As long as there is one thing that we have to tidy up, finish up, end, receive, or an event we have to wait for, we keep ourselves asleep in the deception. There are so many things that we do throughout the day that have no impact on our journey with the Father that we are kind of lulled into forgetfulness rather than standing porter at the portal of our mind.

Father has no concern for, no blame for the fact that we are being attacked. His only concern is for us to NOT receive it. For us to keep our mind on Him so we can In-Joy our walk in His Garden and receive the His Gifts that would delight our Heart every day.

It is like the fine art photographer Mike Bowman said: every day he does something to further his photography.

In every choice we make, let us choose to further our Journey with the Father upon His Garden.

**Now is a good time to start.**

We are Truly at a point of amazing changes in us. Everything that is happening within and outside our solar system and many of the things that are happening upon Earth are creating a point wherein we can progress dramatically in our spiritual expression of All That Is Divine. A point wherein we can leave the deception behind and enter a whole new Reality. In the face of this event, what is

it really to us what darkness, death, decay, destruction, and their purveyors are doing? Why waste our time with them?

Like the song: "What's it to you?"

Let's change our focus from the deception and lies we have been told to the Father Within and our walk in His Garden unto Source. Let's change our focus from wanting to protect ourselves from darkness, death, decay, and destruction by knowing their plans and prophecies to implementing Father's Plan to restore Heaven to Earth without the need for a single shot to be fired.

The deception and all the other stuff they would have us believe in and be mesmerized by is none. It is null, just like with math. The zero, the nine, the ten, negative numbers... non of them exist. They are a lie, a fiction of someone's malfunctioning imagination. Rather than fighting against imaginary numbers, let's just stop using them. Let's just go around darkness' castle whistling a happy tune and move on never looking back.

Just focus on the Joy of Father's Plan and what He Desires for us and our children and manifest this in our lives.

Father Which Is in Heaven:

*Divine Intent is for your Journey to begin  
wherein Peace and Plenty reign Supreme.*

*Take one step at a time  
in the general direction you should go,  
Lovingly and gently.*

*Let your Heart warm in the Sun  
of a Greater Nature of which you are  
more capable than you Now Know.*

Now is the time

May you have a most Wonderful and Joy-full Journey with the Father...
