Divine Law carries restorative Power and compense.

What is Created by Divine Authority

is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

## Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.  
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,  
Right and Proper Orderly Progression  
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction  
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,  
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.  
It is, would be, a departure from that Divinely Authorized  
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,  
reflections, inflection would no longer convey the subtle  
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes  
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at  
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the  
sacredness of a promise.

## NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

**Future material will show Spiritual Progression in Awakening.**

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

**Divine Answers *Respect* all living things.**

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

## In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

**This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format.** This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

**You may freely reference this material only if you correctly "cite your source".** That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

for accepting His Gift to you.*

## ***Side note by Martin***

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.  
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

## New book

032411

Today marks the beginning of a new BlueStar Blog Book. It is book number six.

I will say that blogging is one of the easiest ways to write a book for me. Just one entry at a time, each unfolding in its own way. The best part is that somehow all entries come together in a most interesting way.

You may have noticed that this book did not begin neither the day after the actual equinox (March 17) nor the day after the theoretical equinox (March 21). This is simply a sign of the times. Until the Earth corrects her orbit, things will be out of alignment. Fortunately for us, it won't be much longer before things return to normal.

Until that day, we stand strong in our Faith that "the Father is Sovereign in all matters great and small".

## Sunny side of the street.

032711

There is a Light Hearted song by Doris Day titled "Sunny side of the street" that in a simple way describes life before and after learning to walk with the Father.

You should be able to listen to this song by searching youtube<sup>1</sup>.

## "off grid"

032811

Linda said it best, so I will quote her entry "when is "off grid" time" <sup>2</sup> ?

"When is "off grid" time by Linda, posted on March 28, 2011:

With balmy beauty and Crystal Turquoise skies !

Martin and I have been talking with The Father regarding the Current-Sea, electrification of the country, and energy thievery.

We have no "coherent" answer at this time, however we are considering going "off grid" as we have done at various times in our journey.

If this seems the "right" thing to have happen, please check back every once in a while for updates or resuming of this blog.

On a SunShiny day of Truth and Love, with turquoise blue skies, balmy breeze, balmy temperatures, pure air, and pure moisture !

Until we return, you are invited to read past entries from both Linda's blog as well as mine. There is a wealth of information the likes you will likely not find anywhere else.

## Go figure

041811

Off the grid... no electricity... a Blessing or a lack?

If you ask me, I would definitively say a Blessing.

What do you mean, go back to the dark ages ? No. It is just time to have Light without the need for electricity and monthly bills.

By far I would say solar and wind are nowhere close to the answer. Why? They cost money... lots of money. Also, they are based on the same false principle of generating electricity.

Go figure. Literally. The answer is really available, for Father would have elegant simplicity upon the Earth without enslavement and destruction of the Earth and the People.

## Location, location

042211

Location makes a great difference when it comes to living off the grid. If you are in the city, in a house or apartment without a fire place , you are pretty much "toasted" in winter. But out in the land, in a cozy home with a fireplace or even better, some kind of wood stove... that is a different story.

And if there are trees around from which to gather sufficient dead wood... well then you are set.

---

## Transformation

042611

If you find yourself in the city, in an apartment or a house without a fireplace, you may find that one of the best choices you can make at this time is to find a place out in the country where you can live a more sovereign life.

Yes, there is work involved, but at least you are working for yourself, and with time, you may find this work transformed into Play. Then you may come to wonder how did we ever get dubbed into living in a city and working for someone else.

## Give us this day our daily bread ?

050511

A few days ago, during one of my walks, I noticed some leftover hamburger bread on the road and LightHeartedly thought "this is probably not what is meant by the 'give us this day our daily bread' line in the "lord's prayer".

Right after uttering these words in my head I recognized that there is no thanksgiving in this sentence but rather rather an attitude of demand. Then it dawned on me, when I used to pray the "lord's prayer", as much as I liked that prayer, I was telling Father what I was supposed to ask. Give me this, forgive me that, lead me not there, and so on. There is no ThanksGiving attitude in this prayer. There is no recognition that Father Provides our needs even before we ask.

So I began thinking how I would change this prayer to express Thanks Giving for all that Father does and provides each and every day. I found this to be a most wonderful attitude changing experience.

How would you rewrite the "lord's prayer" to express Thanks Giving for all the Father does?

---

## What happens?

050811

When you are in the city and the power goes off... what happens to your meals? Do you have meals ready to be eaten uncooked? And if you have a gas stove and the gas is shut... then what?

These of course are not concerns someone in the country with a wood stove would have...

## Off the grid

053111

I have been reading a book on automotive tuneup principles and curiously enough, learned a very interesting fact. Ready?

Power generators such as alternators in a car or power plants in a country actually generate no power. Yes, that is right. A generator generates no power, it simply pushes current in a wire just like a water pump pushes water in a pipe.

This got me wondering...Where does the current come from? Does it "rain" from the skies just like water does? Are there places where "puddles / lakes / rivers / oceans" of electricity accumulate as is the case with water? Are there "aquifers" of electricity underground? Is it all around us, just like moisture is?

As you can see, it really shouldn't be that difficult to figure out a way to power any device "from thin air". No need to pay anyone for that which has been Freely made available by Creator for all to benefit. Simply ThanksGiving to the Father for His Blessings.

---

## More off the grid

060311

One thing I noticed being off the grid is that when you don't have an alternate source of power, the brightness inside the house is very dependent upon the amount of Sunlight available through the day. There is no switch that allows one to simply turn on artificial lights and ignore unrighteous / unholy sky scumming / Sunlight robbing activities.

Whatever tolerance I had for their activities certainly came to an end being off the grid and for this I am quite great-full.

I do not play. I do not consent to the darkening of the skies and the robbing of the Sunlight. Thank You Father for the full spectrum of natural Sun Light that is appropriate for Earth and People each and every day of one a-chord with Your Plan.

Thank You Father.

## Consent

060611

You may have wondered whether withdrawal of consent makes any difference to unrighteous - unholy activity. In Truth, it does. It actually makes all the difference, for without People's consent, the unrighteous - unholy cannot play.

This is different than complaining. Complaining solves no problem. Complaining does not stop anyone's play. Instead, it supports unrighteous - unholy play because it presupposes that all those who complain are powerless in the face of the unrighteous - unholy and that they must obey / subject themselves to unrighteous - unholy activity whether they agree with it or not. This could not be further from Truth.

Withdrawing one's consent is also different than fighting and resisting. Why? Because fighting and resisting are based on the presumption that the unrighteous - unholy actually have the power to impose their play upon anyone unless action is taken against them. This could not be further from Truth.

To not play, is to not consent to the unrighteous - unholy play. It is to not participate in their play. It is to not tolerate their play. It is to stop pretending the unrighteous - unholy actually have any power over anyone.

To not play is to turn one's focus / perception to the Father and to know the Father is Sovereign in all things great and small. It is to not consent and to not welcome anything other than what Father would have each and every day for the People and Earth.

---

## Christian Science

060811

Some time ago Father suggested we take a look at Mary Baker Eddy's book "Science and Health with key to the Scriptures". So I did and have to say that in various aspects she was right on with Father.

One of her insights I particularly found exemplary because of its simplicity, follows paraphrased:

"If Creator is all powerful and all Present, and evil is the opposite of Creator, then evil must be all weak and non existent."

Get it? It is that simple. Any perceived power the unrighteous - unholy have comes from what they have pirated from the People. Any perceived substance they have comes from what the People have given them.

Seems like it is time we stop being deluded by that which does not exist.

Linda recently saw that even the desire for deception is a deception.

Let us wake up and ReJoice in Truth and Reality.

## Non - laws

061111

In my last entry I made a reference to ending the delusion that something which does not exist has any power over us.

For example, government does not exist. It really is nothing more than a fiction of someone's imagination, yet we act as if it's real and as if it has a power to which People have to submit. In the same manner, States and countries do not exist. They are also a fiction of someone's imagination.

Worldly law is also nothing more than the fiction of someone's imagination. It is the fiction of someone who has either forgotten or chosen to transgress Universal Law and who expects to trick others into believing in the validity of such insanity. Worldly law has as much standing power as any dictate written by Donald Duck or your neighbor across the street and it is not binding upon anyone except upon those who pretend / think it is.

For example, did you know that the Constitution of the United States does not say anywhere that People have to obey it or live by any laws that come out of it? Do you know why? Because no one can force anyone else to live outside Divine / Universal Law.

It is all a big charade and deception we have fallen prey to in our innocence. They have taken our natural Desire to live and abide by Universal Law and used it to trap us into obeying worldly law.

As Linda saw it, "it has never been about the "original sin". It has always been about the "original deception".

---

## Abuse

061311

Here in the city, public transportation buses often display advertisements of various sorts. One I find very telling comes from a campaign against "domestic violence" and it says as follows:

"Telling me what to do is abuse. Stop it."

Need more be said?

## Terror

061611

As Linda and I where doing the "Dreams and Days" process with one of the Words Father gave us, we came across the following gemstone of definitions:

terrorism:

- a system of government that rules by intimidation
- terrorize is used of the deliberate incitement of fear as a method of intimidation

In other words, the use of fear and intimidation by any government / entity / person is an act of terrorism. Terrorism has been outlawed by the fictional government of the United States. You know what this means? That which does not exist has outlawed itself and set its own self-destruction in place.

Time to wake up from the spell lest we get caught in the self- destruction of that which does not exist.

---

## Where do you go?

061811

In past entries, I made a reference to domestic violence and terror. Today, I would like to continue on this topic.

When someone is abused by another, the abused has the option to call the police with the expectation that worldly law will place the abuser behind bars if necessary.

However, where do you go to seek relief and safety from those who hide behind the fiction of a government to perpetrate abuse / tyranny / terror / crimes against the People?

You can't call the police because the police work for the government. You can't call the military because the military works for the government. Neither can you expect anyone in government or any of its courts to really do anything about it <sup>3</sup>.

When someone tries to abuse you remember it takes two to tango. Mentally state that you do not consent to their play and that you do not choose to transgress Divine / Universal Law. Always stay with the Father or return your focus back to Him and recognize your Safety is in Him. Ask for His Safety and Intervention, and ask Him to show you what needs done. It is the Birthright of the People to be able to live a Peaceful Life free of abuse and tyrannical enforcement of worldly laws and governments that have no standing upon Creation. Even the unrighteous - unholy must abide by Universal Law.

Your capacity to live this Truth will probably not come to you overnight, but it certainly can be developed and strengthened. One step at a time, knowing that it is never necessary to fight / resist / oppose / defeat enemies... after all... there are no enemies.

---

<sup>3</sup> Those occasional rare exception when "government" is forced to take action against itself and its supporters are nothing more than tokens designed to sustain the illusion of its benevolence and fairness or, opposing unrighteous - unholy factions taking stabs at each other.

## Safety is in the Father

062011

Indiana recently had a "supreme" court ruling indicating that the law allows police to enter any house for any reason without probable cause, without a warrant, and even without knocking and asking for permission to enter. This ruling says that residents of the intruded house must submit to such searches like sheep for the slaughterhouse.

I was very aware after the ruling was made public, that People suddenly felt very insecure in their houses. I know because I could sense the fear in the air and it was taking some effort to maintain my focus on Father so as to not fall prey to this fear. Then I was given to understand:

Safety is in the Father. It is not the existence of worldly laws that keeps me safe. It is not the police that keep me safe. It is not the military that keeps me safe.

It is my capacity to not play and remain focused on the Father that keeps me safe. It does not matter what worldly laws say or how they are interpreted. My safety is always in the Father.

---

## Christian Science

062111

Here is another very pertinent quote from the book "Science and Health with key to the Scripture" by Mary Baker Eddy.

"Never fear the mental malpractitioner, the mental assassin, who, in attempting to rule mankind, tramples upon the Divine Principle of metaphysics, for God <sup>4</sup> is the only power."

---

<sup>4</sup> Note that Mary Baker Eddy Properly defines her understanding of God as "Divine Principle, Life, Truth, Love, Soul, Spirit, Mind."

## About the Authors

Linda Diane Mead was born and raised in these United States of America. She obtained an under-graduate degree in Psychology with a minor in Philosophy and a PhD in Metaphysics from a Theological School.

Martin Riedel was born in Argentina, South America, and lived in Uruguay and Mexico as he grew up. After beginning college in Mexico he came to these United States of America, where he graduated with a degree in Chemical Engineering.

Upon meeting, they embarked on a memorable journey of self discovery that took them across the States. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014.
