Divine Law carries restorative Power and compense.

What is Created by Divine Authority
is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

Translation Notice: In Divine Service

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

This material is freely shared by us.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

This is a call to all parents, adults, and elders alike to wake up and embrace a Different Way. A Way which allows the Good Will and Intent of Father Which Is in Heaven for each of us to be Active and Present upon this Earth... this life-time...

... for our own sake ...

... and for the sake of our children.

In this, we allow the face of this Earth to be changed for good.

bop... So as to do it Differently

July 30 2016

The answer to doing it Differently is quite simple indeed. However, as Father once explained to Linda and I, simple is not to be confused with "easily accomplished".

bop... So as to do it Differently - 1

August 2 2016

The very first thing one must recognize and come to terms with to succeed in this Endeavor is the fact that the Father Within is Benevolent and that therefore, His Creation and His Good Will and Intent for us is Good.

bop... So as to do it Differently - 2

August 4 2016

This is to say:

- Humanity is inherently and naturally good in heart and nature.
- Earth is a save and sacred place created to support the best and highest in human nature.

bop... So as to do it Differently - 3

August 6 2016

Us having forgotten this absolute Truth does not invalidate it. Instead, it simply indicates there is a need to reawaken and reclaim this Truth in our Lives.

bop... So as to do it Differently - 4

August 8 2016

One way to recognize the Good Will and Intent of the Father Within for you, Nature, humanity, and your children is through everything that is:

- Pure
- Good
- Simple
- Loving
- Gentle
- Joyous
- Light Hearted
- Abundant
- Holy
- Nourishing
- Nurturing
- Healthy
- Creative
- Natural

What follows are nothing more nor less than suggestions that may facilitate your success in the noble task of parenting.

These suggestions are based on what I have found to be helpful in my own life thanks to Linda and Father.

Receive them lightly.

The real Gift is not in the content of this book but in the Gifts, Visions, and Guidance Father Which Is in Heaven offers you through it.

August 16 2016

Lay your sorrow down and choose Joy.

bop... For you - 1

August 18 2016

Learn to forgive.

Forgive yourself.

Forgive those who hurt you.

Forgive your parents for not knowing or willfully neglecting knowing better.

Forgive the Father Within / God for "not being there" when you were the most vulnerable and needed Him the most.

Make different choices.

bop... For you - 1a

August 18 2016

Know that forgiving is not the same as making a "wrongful action" right and acceptable. Neither does it mean you pretend all is ok.

It simply means that you will no longer hold "grudges" against the person who "did it to you".

It is an internal, personal, and private process.

bop... For you - 2

August 20 2016

Heal your pain and be willing to recognize your parents shortcomings (whether due to ignorance or purposeful choice).

bop... For you - 3

August 22 2016

Heal your relationship with your dad - with or without his support.

bop... For you - 4

August 24 2016

Recognize that your relationship (or lack thereof) with your dad may have affected your perception / relation with the Father Within you.

Let go of this false witness against Father's Love for you.

Ask Father to become Present in your Life and to Show you the Truth of His Loving and Kind Nature that you may become a witness of this Truth unto your children and unto all those you meet.

bop... For you - 4a

August 24 2016

Stop living by the world's unspoken golden rule of "doing unto others as it was done unto you".

Which is to say, allow yourself to be shown how to relate differently with your children, spouse, and others.

bop... For you - 5

August 26 2016

As one of my guides suggested, "gain the learning and understanding that each experience brings to your life and change your actions accordingly".

As you heal and correct your mistakes, so you free your lineage as well - past, present, future.

This is a beautiful legacy to share.

bop... For you - 6

August 28 2016

Welcome a more accurate understanding of Respect by reading the book I wrote on this subject.

As Linda once asked me:

"How do you know when you are disrespected when you don't know what it means to be Respected?"

Which is to say, how do you know you're disrespecting your children when you don't know what it means to be Respected ?

bop... For you - 7

August 30 2016

Learn to value the expression of Virtue in your Life that you may succeed in your task as Father's Representative on Earth and you children may develop a Healthy Relationship with the Father Within.

bop... For you - 8

September 2 2016

Recognize that to believe Virtuousness is boring and constricting is as insane as thinking Health is undesirable. If you doubt this, please go to a hospital and see how much "freedom" and "fun" the sick and dying are having.

bop... For you - 9

September 4 2016

Virtue:

< Latin virtus: manliness, strength, bravery

< vir = man

Do you realize the meaning of this?

bop... For you - 10

September 6 2016

No male can be qualified as brave, strong, and / or manly unless he lives a life of Virtue.

bop... For you - 11

September 8 2016

Are you a man ? Or are you a wanna be ?

Which did the Father Intended you to be ?

bop... For you - 12

September 10 2016

Virtue, by its very definition, reawakens us to the Truth of man's natural tendency to be good, honest, just, and upright out of the Pure Love for what is Right and the Desire to Live by this Truth.

Any deviation from this Truth is a forgery of Father's Good Will and Intent for His Creation. It is a false witness against the True Meaning and Expression of Manhood and, as outlandish as it may sound, is nothing more than a sign of sickness or nutritional deficiency which can be easily corrected.

bop... For you and your children

September 12 2016

Ask Father to remove the effects of your mistakes from your children and to restore them as if you had succeeded in your task as Father's Representative.

Ask Father that He may bring to them the necessary understandings and gentle experiences that they may Blossom in Truth and in His Love for them.

bop... For you and your children - 1

September 14 2016

If appropriate, talk to your children and explain to them what you now know. Then change your relationship with them for the Better.

bop... For you and your children - 2

September 16 2016

Allow yourself to recognize the preciousness and value of children's innate Desire to "Serve and Please the Father Which Is Within."

To the best of your ability, do everything you can to strengthen, support, and validate this Virtue in them and yes, in you as well.

That is to say, nurture this quality in your children and in yourself that it may Blossom and manifest abundant sweet fruit.

bop... For you and your children - 3

September 18 2016

Marvel at the Presence of the Divine at work in the nature of Humanity as seen in your children and learn from it.

Wonder, observe, and learn from Father's Presence at work in your children. His Works are always Good, Pure, Loving, Holy, Healthy, Innocent, Light Hearted, Joyous, Caring, Selfless.

bop... For you and your children - 4

September 20 2016

Place the task of parenting first in your Life.

If you find yourself having to choose between parenting, work, and / or fun, always choose parenting first.

You cannot be penalized for making a choice that is Pleasing to the Father.

You can only be rewarded for it.

Affirm and claim this Truth.

"It is better by far

bop - Story Time

November 3 2016

By Martin

The first story involves my experience with a young boy I will call Johnny and his young dad Brian. This interaction actually became the springboard and inspiration for this book.

Story 1

At the time I met this family, Johnny was about 2 1/2 years of age and at a stage in which he greatly Desired to be like his dad. He was determined to do "grown up" things even though he was really just a bit too young for this. This led to a lot of frustration and crying on his part. You should have seen such little boy hopelessly express what could almost be described as anguish as his attempts were thwarted by seemingly "overpowering obstacles". In fact, until I met Johnny, I had no idea whatsoever that early childhood could be so frustratingly sour.

bop - Story 1 continued

November 5 2016

Johnny's dad, Brian, was in his 20's and was at that time undertaking the construction of a large stone cellar which required the use of mortar. Now, the use of mortar would normally not be such a big deal were it not for the fact that he was determined to finish his cellar even though it was autumn and freezing temperatures were becoming more frequent. You see, mortar requires above freezing temperatures to set right and strong. Needless to say, Brian was completely focused on raising his stone walls as quickly and efficiently as possible so he could pour the roof before it became too late. He was highly stressed and the last thing he needed and had time for was taking care of his boy's needs.

Feeling great compassion for this young boy, I decided to make myself available whenever I happened to be around and Johnny would be crying or screaming in frustration.

"Hi Johnny. What's happening?"

"The cart is stuck!"

"Ah, let me see... look, here, the wheel is stuck on a stone. Why don't you just go around it? That's easier than trying to push your way through."

"Let me see."

"Here, see that big stone? It's in the way. Just back up and go around it..."

"Ok... I did it!"

"Yes you did. Well done. You are a strong boy, just like your dad. You can do a lot of things just like him."

And so it was that slowly but surely, the few experiences I had with Johnny began to transform tears into smiles and self confidence. He was learning he could solve problems just by himself and without the need to cry until either mommy "rescued him" or a frustrated daddy delivered him to mommy for her to deal with him.

November 9 2016

One thing I observed during my interactions with Johnny was that he was also very prone to mishaps and "accidents" that caused him a lot of physical pain. To me, this was a sure sign that he was probably being spiritually assaulted by either a mischievous spirit or / and someone's ill will / curse toward him.

Rather than ignoring or excusing such accidents as everyone else was doing, I began to give Johnny some direction.

"Johnny. You don't have to play this way, you know ?"

"Be more aware Johnny. You can tell this thing to leave you alone and it must go."

"Be gentle with yourself Johnny. You get hurt when you distance yourself. Stay present."

"Yes you can do that but watch what you are doing so you're safe... Well done ! You did do it safely."

"You don't have to allow them to hurt you Johnny. Say, I choose to be gentle with myself."

Now little Johnny was also learning he could do something about this problem as well and his confidence continued to grow.

November 11 2016

With the winter looming ever closer in the horizon, I began to shift my focus toward woodcutting to ensure I had an adequate supply of firewood to stay cozy warm even through the coldest of days. So one day, while I was "sawing my morning away" with determination, I felt someone behind me. To my surprise, I saw little Johnny as I turned my head around to confirm my gut feeling.

"Hi Johnny. How are you?" I said as I was turning my attention back to woodcutting.

"Ok." He replied quietly and shyly.

Wondering what to do about this unexpected visit, I became aware of the energy of unworthiness that this little boy brought with him - "I know I'm a bother, just find something for me to do or just send me back home."

Realizing the importance of this opportunity, I stopped what I was doing, set my worries aside, and made a choice to do it differently.

November 13 2016

"Johnny."

"Yes."

"Would you like to cut wood with me?"

"Yeah!"

"Ok, this is what we are going to do... "

And for the next couple of hours – no exaggeration – this little boy and I cut ever increasingly larger branches using a bow saw as a two man saw. That is, he on one side of the log and me on the other; both moving the bow saw back and forth in unison... or at least trying to...

During this time, I taught him the little I knew about sawing and with a Joyful Heart, Johnny volunteered to stack every single piece we cut into my growing wood pile. This little 2 1/2 year old boy literally wore me out. I was amazed at his strength.

"Boy you're strong."

"I cut it."

"Yes you did."

"Where should I put this?"

"Right on top of that log."

"Here?"

"Yes, there"

"I did it."

"Yes you did, Thank you."

"Let's cut another one."

November 14 2016

Every time I would get concerned about being set back in my quest to amass enough firewood for the winter, I would reaffirm to myself that Father and His Creation would not penalize me for making the right choice. That instead, I would be rewarded for it.

And so it was.

To my amazement, I knew at the end of that day that I had somehow managed to cut more firewood with little Johnny's help than I would have on my own had I simply ignored him and sent him away.

Surprisingly, and to my Heart's delight, this scene repeated itself several times and grew to an even larger scale when Johnny's friends found out and began joining us in the woodcut.

It was such a beautiful time... such a beautiful gift.

November 15 2016

Excited, I began sharing my experiences with Brian and explaining him what I was learning and being shown through my interaction with Johnny.

"If you embrace your son's help, you won't run out of time."

"But, I don't have the time... I need the cellar finished."

"If you choose to do what's right in Father's Eye, I can assure you, you won't be penalized. The weather will cooperate. Plus like John explained to me, once you lose this window of opportunity with your son it's gone."

When the opportunity presented itself to help Brian with his cellar construction, I embraced it wholeheartedly. This gave me a chance to show by example how he could support his child and still move forward.

"Look daddy, I got a stone for you."

"Here Johnny, give it to me and I will give it to your daddy. I think we can use it on this wall."

"Daddy, daddy! Look at this stone!"

"Wow, that's a nice one. Lay it here so your daddy can use it."

Being goodhearted, Brian soon caught up and, to the best of his ability, began supporting, praising, and validating his son.

"Johnny."

"Yes daddy."

"See if you can find a little stone we can use right here."

"Like this one?"

"That's a little too thick. Can you find a thinner one?"

"Like this?"

"Yeah, that's the one. Thanks."

When all was said and done, not only did little Johnny get to haul stones for us through the remainder of the project, but eventually, he was also allowed to lay some stones himself. He was such a happier little boy.

And yes, to everyone's amazement, Brian was able to pour his roof and finish his cellar through the month of November. The weather did cooperate as expected.

Father's Heart and Good Will for us is indeed so beautiful.

bop - Story 2

November 16 2016

The second story comes from elder William, a man with a great loving Heart whose Vision and Love for the Father Within helped establish a community of like minded people.

"One day," he shared, "I came home from work and was greeted sharply by my wife."

"You need to deal with your daughter," she told me.

"What happened?"

"She ruined our new dining table."

"So what did you do?" I asked.

"I went inside and took a look at the table. I was shocked when I saw what she had done. She had taken a knife and used it to carve the words 'daddy & I' on it. It took a lot of money for us to buy that table. I didn't know what to do, so I went outside to pray. You know what the Father said to me?"

"What?" I asked again.

"He Said: Isn't that beautiful?"

"Oh wow."

"That's what I said too. Suddenly I realized this table had become way more valuable than it was before. My daughter loved me so much that she carved those beautiful words on it. I went inside, called my daughter and explained to her how glad I was she felt this way and simply asked her to not carve on our furniture again."

Such a beautiful story. So gentle. So the Father's Way. So amazing how things can be different when one is willing to listen to the Father Within.

bop - Story 2 - continued

November 18 2016

This little great story proved to be quite helpful one day when dealing with Mister, my late great Pyr dog. As it turns out, I had just spend most of the day clearing an overgrown area around the house and had barely managed to plant all my fern plants before dark. Dirty and tired, I went inside to refresh myself and eat a snack.

Soon thereafter, I returned outside to "admire" my work, but to my great dismay, I found Mister happily laying in the midst of my gardening project. He had dug a big hole, like Pyrs like to do, and lounged himself into it. There was not a single shred of remorse in his smile, only Joy and satisfaction.

"Oh my," I thought, "all that work for nothing... how am I going to keep him from tearing it all apart?"

It was then I was reminded of elder William's story. I took a pause and asked. "What shall I do? How should I handle this?"

"Isn't it beautiful?" was the response. "He loved the space you created so much he choose to lay on it."

All I could do was smile in recognition of such Truth. What a nice critique of my work. Thank You Father for this Gift.

Elder William's little big story has indeed changed my outlook of life for the better.

bop - First Question

November 24 2016

By Martin

Q. What if it's too late? My children are already teenagers.

A. The good news about this is that it's never too late. Begin with yourself as outlined before.

You may ask Father Which Is in Heaven to remove from your children the effects of your mistakes and shortcomings. You may also ask He restore them as if you had succeeded in your task as Father's Representative.

Another option is to talk to your children and explain to them what you have learned.

Most importantly, change your relationship with your children for the better - they are your equals.

bop - Second Question

November 25 2016

Q. My child is the antithesis of everything you said. He / she is angry, destructive, cries a lot, had ADD, etc..

A. The answer it still simple. Start with yourself as already outlined. Many of your children's 'behavioral problems' will disappear when you Heal or bring closure to your stuff.

Beyond this, your child's abnormal behavior me be related to:

1. abusive spouse, relative, or friend - Linda, who had a degree in psychology, once explained to me that older children have a tendency to become "trouble makers" if they think this will help protect their younger siblings from abuse. It's a way to divert the abuser's attention.
2. malnutrition
3. adverse reaction to vaccination
4. technology overload and / or excessive exposure to EMF
5. lack of contact with nature and that which is natural and normal
6. curses, spells, and possession - I once heard an interesting interview in which the guest, who had been the victim of black majik, explained how he eventually realized that some of the greatest devotee church goers are the very worst black majik practitioners of all. He reasoned it's their need for 'absolution' that made them such 'faithful devotees'. Plus... going to church helps support their facade of 'innocence'. My suggestion in this matter is simple: Don't be deceived by the 'devil's smile', his / her good 'charms', and seductive words.
7. Soul Healing - we all come to Earth with the need to do at least one Soul Healing.
8. congestion of the physical body
9. dental problems

bop - Third Question

November 26 2016

Q. What about motherhood? Do you have any helpful information for women?

A. Yes and no.

No, in the sense that as a man, I cannot teach a woman how to be a woman.

Yes, in the sense that while writing this book I was given a simple yet profound insight in this matter. This insight together with the Guidance Linda and I received may be of benefit not only to the women, but also to the men who Desire to do things Differently and change for the Better.

bop... The Insight...

November 30 2016

The insight is simple, yet Powerful in its implications and ramifications:

The environment a developing child / ego structure experiences from conception through the early developmental years will help establish his / her perception of the very Nature and Fabric of Creation.

bop... and its ramifications

December 1 2016

That is to say, when a child experiences a toxic and malnourished environment where his / her experiences are harmful, degrading, and demoralizing...

bop... and its ramifications - 1

December 2 2016

... a child may mistakenly develop the belief that Creation is a destructive place.

A false testimony against Father's / God's Nature and His Intent for His Creation.

bop... and its ramifications - 2

December 3 2016

When a child experiences a healthy and nourished environment where all that is sublime reigns and prevails...

bop... and its ramifications - 3

December 4 2016

... a child may develop and strengthen his innate Knowing of the Loving Nature of the Father Within and His Good Will and Intent for his Creation.

A True Testimony.

bop... Said differently

December 5 2016

The 'inner' and 'outer' environments a child / ego structure experiences during his / her development helps set the ground upon which future development rests.

bop... Said differently - 1

December 6 2016

A toxic and malnourished environment makes a ground that is devoid of Truth and Life. It is therefore 'fertile' for malfunction and can become a stumbling block to surmount.

bop... Said differently - 2

December 7 2016

A healthy and nourished environment creates a ground teaming with Life and Truth. It is therefore fertile for Joy and Abundance and becomes a stepping stone toward a full-filled Life.

bop... with a few examples

December 8 2016

When a mother is malnourished before conception and during pregnancy and lactation, a child may conclude that:

- Creation is lacking
- there is not enough for everyone
- to have what one needs, one must take it from others

*Mommy, mommy...
why doesn't Creation
support my health ?*

bop... with a few examples - 1

December 9 2016

When a pregnant mother has a toxic inner environment because of the food she eats, the air she breathes, the beverages she drinks, the thoughts she has, the entertainment she chooses, and the place she lives in, a developing baby may conclude that:

- Father's Creation is a toxic dump
- His Creation is degrading, demoralizing, and harmful

bop... with a few examples - 2

December 10 2016

When a (pregnant) mother angers, hurts, manipulates, and engages in lust, jealousy, and vindictive behavior, a child may conclude:

- Creation is bitter
- Father is an angry, vengeful 'god'
- Love is unreal, has no power, and is undesirable

bop... with a few examples - 3

December 11 2016

When a (pregnant) mother is abusive toward self / others or is in an abusive relationship, a child may be born with the idea that:

- creation is dangerous, self destructive, and disrespectful
- protection comes from physical strength
- 'evil' is stronger than 'good'
- creation is about 'survival of the fittest'

*Mommy, mommy...
why does it hurt so much
to be alive ?*

bop... with a few examples - 4

December 12 2016

When a (pregnant) mother uses dark majik, spells and curses, defiles self or others, and / or is seductive and deceptive, a child may be born with the idea that:

- God is manipulative and ill-willed
- creation is hateful
- love is weak and darkness is strength

bop... with a few examples - 5

December 13 2016

When a mother creates a toxic outer environment so that everything a child eats is unhealthy, all he / or she touches is toxic and unnatural, all he / she wears is harmful, all he / she hears or sees is violent / defiling / degrading / hateful, a growing child may conclude:

- Creation is detrimental to life
- God doesn't care and is downright evil

*Mommy,
why is Creation so
destructive ?*

bop... with a few examples - 6

December 14 2016

When a child is conceived through rape, drunkenness, or artificial insemination, a child may be born with the idea that:

- creation is dangerous
- creation is cold and calculating
- creation is devoid of love
- she / he is a freak of nature / unwanted
- hate and violence give life

*Mommy, mommy...
is Creation really
this cruel?*

bop... with a few examples - 7

December 15 2016

Are you beginning to get the picture ?

bop... with a few examples - 8

December 16 2016

The 'inner' womb environment as well as the 'outer' worldly environment that a developing child / ego structure experiences can affect his / her perception of the very Nature of Creation and thus affect his / her self image.

bop... with a few examples - 9

December 17 2016

A malnourished, toxic, and degrading environment generates the conditions for a life of malfunction, sickness, struggle, moral decay, resentment, low self-esteem, and misunderstanding. A life where one trashes self, others, and Earth.

“If Father / God didn’t care
and if my parents didn’t care
why should I ?”

bop... with a few examples - 10

December 18 2016

A nourished, healthy, abundant, and sublime environment generates the conditions for a Life full of Truth, Joy, Peace, Love, and Appreciation. A Life of Respect for Self, others, and Earth.

Father / God did and does Care.
My parents Care as well.
So do I.

bop... Brings Clarity and PurPose

December 19 2016

It follows then that a woman's sacred task is to create the 'inner' and 'outer' environments that provide a True Testimony of Father's Good Will and Intent for His Children and His Creation.

bop... Brings Clarity and PurPose - 1

December 20 2016

This is a task that begins well before conception. This is so because we really speak of re-awakening or re-establishing the conditions that allow women to experience and therefore naturally share / convey the Joyful Gratitude that comes from being and abiding in the Favor and Love of the Father Within / God.

bop... Brings Clarity and PurPose - 2

December 21 2016

This task of creating healthy 'inner' and 'outer' environments can be loosely identified as follows:

Self

- create a Peaceful, Respectful, Sacred mental environment by declining participation and engagement in things that harm the Soul and choosing instead that which is sublime in Self and Nature.
- learn to truly nourish the physical body and Soul.

Housing

- create a safe, Sacred, and healthy home and, if applicable, work environment. A place of simple beauty that awakens that which is sublime in human nature. This can begin with something as simple as a little box or envelope that contains something meaningful and special. As time and resources allow, this can expand to include natural fabrics, clothing, personal care items, food, and furnishing.

Conception

- ensure that self and husband have enhanced their nutrition several months prior to conception.
- ensure that there is a healthy and sound reason for having a child (rather than it being the result of family / societal pressure, or a way to trap someone into marriage, or a mistake, or a way to cope with loneliness, or a reaction to the 'biological clock', etc.).
- ensure that self and husband are both ready, willing, and able, to the best of each one's ability, to provide the nurturing environment that will support the child's Love for the Father Within.

- take great care of Self so that harmful places and opportunities that could lead to an unwanted pregnancy are avoided.

Pregnancy and lactation

- ensure proper nutrition is maintained so that the developing child can grow to his / her full genetic potential and delivery can be easy and brief.
- seek Peaceful and Joyful experiences and tasks so as to maintain a pleasant environment for the developing child

Child's developmental years

- create safe and healthy environments so that the child is not poisoned by what he / she touches or tastes (i.e. plastics and toxic paints) and by what he / she sees or hears (i.e. TV, computer, music, and parent's choices of entertainment and type of communication)
- bring child as close as possible to Nature
- provide home schooling to safeguard child's integrity and Love for the Father Within
- support husband in his tasks as Father's Representative

bop... Brings Clarity and PurPose - 3

As you can see, just as successful parenting requires men to return to their Virtue, so does it require women to return to their "Graces". In a way, it can be said that successful parenting requires both men and women to re-learn how to show genuine affection toward Self, spouse, and child(ren).
