Divine Law carries restorative Power and compense.

What is Created by Divine Authority
is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

Translation Notice: In Divine Service

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.
Those who transpire to subvert your words and direction
shall Penalty pay,
for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

This material is freely shared by us.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

And So It Begins . . . (classic not creative)

This blog is about creativity. Creativity is not something to be scheduled. It may come at any "time", remaining briefly or lingering. The most important aspect is to finish the creation in the energy available for that event of creativity.

This is to say, the blog will ebb and flow as it follows creative expression.

SEPTEMBER 9, 2009

Harmony with the Father

This blog is by guidance and direction of Father Which Js Jn Heaven. (see “events”)

Many thanks to Martin for his “administration” of the blog and website. He has been a wonderful partner in this “entente” for these eight years.

Entente is the coming together of individuals for a Divinely authorized creative expression. (coming soon: see the website for an explanation of entente)

FATHER Which Is In Heaven

"EVENTS" will contain information Father Which Js Jn Heaven conveys to me for public awareness.

Father is the Divine Presence Jesus instructed us to pray to in the Lord's Prayer. Whether one is Native American or Euro American, we are sure who I'm referring to. If I were to say God there would be room for great confusion.

I have discovered that when Father gives a time-frame it is to convey urgency. I have also found His Grace to change events given with a time-frame when there is sincere response to make the changes called for.

May his Grace and Blessings continue to flow so bountifully.

SEPTEMBER 10, 2009

What is Rhythms?

Several years ago Father began to explain the "Rhythms" of living on earth, which we have forgotten. It appears to be time for a refinement of and additions to that information which will bring it into a cohesive whole. This will include:

- ◆ a new calendar that includes the Gregorian method of counting for coordination with social protocol
- ◆ an explanation of rock art of the southwest with modern application
- ◆ socially unacceptable information on the solar system

Please come along on the journey. Stay only as long as you are enjoying the trip. Leave at any time you are distressed and find something else that brings you Joy.

Father has said our spiritual journey is about Joy and Love chosen *NOW*. Anything else is *NON*.

SEPTEMBER 11, 2009

FAITH in Universal Law

FAITH in Universal Law allows us to not open the door we opened long ago. In the western mind this is impossible. I invite you to consider / contemplate what it is to not open an already open door. This is not a door you wish to leave open, you have often sought to close this door.

In certain religious writings the plan of those unrighteous beings who came to earth has been recorded and professed to be Divine Revelation. If you subscribe to the idea they are god(s), then this would be true for you. If however you believe in a Universal Creator who is LOVE / Rapture, this is

not true. Gloriosa, Creator of All That Is, is LOVE / Rapture.

On our website, BlueStarWay.com we posted, by Father's direction, the fact Universal Law had arrived in our solar system to conduct a tribunal for establishing the "rights" of original earth lineage and proper judgment rendered.

That moment is fast approaching and all original people must begin to speak Righteous and Holy words. It is already a fact we are restored to our birthright and heritage.

The plan of the unrighteous unholy is not the Divine Plan. They will be removed before they can implement their plan.

Speak FAITH. Ask Father to be shown the TRUTH.

Universal Law is moving

In clarification today, Father indicated it is time to end unrighteous unholy communication in the form of fear mongering. It is time those of True spiritual Desire Speak what is Righteous and Holy. This will require some thought and attention to conversation on my part. I saw that denial of "what is" comes easily, while understanding what is required will need contemplation.

The only example I have of the speech of a Righteous and Holy person is Blue Thunder. I have listened to interviews Blue Otter did with him on ProphecyKeepers.com

SEPTEMBER 13, 2009

Creative Critique

Well, as things go, my first critique comes from my most avid and Faith-full reader.

A request has been placed for more fluidity in my writing. I have countered that the conciseness of my writing has been the motivating force for having an entente in this journey. Father recognized this difficulty and provided the creative input of Martin.

However, I will take this to Father in prayer and see if this needs His Grace and the "flow" it would bring.

Sun anomalies

There has been some limited news about the strange behavior of the Sun lately.

Several years ago Father explained, to the best of my ability to understand, about the Sun's orbit and its coming point of departure. We wrote the information in our books and as what I thought would be a more generally understandable format, in one of the fiction books.

A friend however, gave her copy to a friend who is a scientist because she couldn't comprehend the data.

My hope is that the process of refining Rhythms will also clarify this information. One difficulty I encountered is that Father said "point of perspective" is important.

Perhaps a Universal Perspective is available. We shall see.

SEPTEMBER 21, 2009

To tell or not to tell

I have been contemplating what to say about earth visitation. The Father has been very clear about two things. They have been here 7000 years and focusing on them is not going to provide a solution. Only focus on Universal Truth will provide any answers. I'll give more thought to how to clarify this issue and possibly respond this evening.

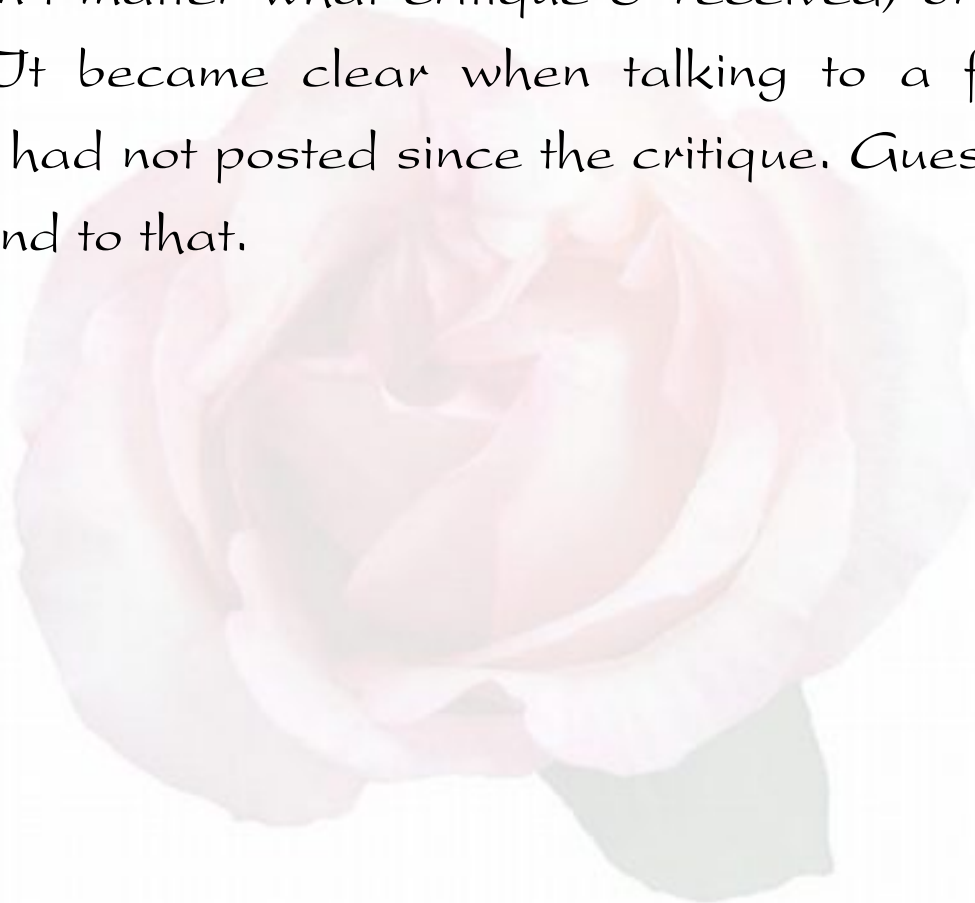

you caught me . . .

OK so you caught on the next day

Today I realized that John Gray is right. Women need to boost serotonin. If my levels were up to par, it wouldn't matter what critique I received, or from whom. It became clear when talking to a friend today I had not posted since the critique. Guess I'll put an end to that.

SEPTEMBER 22, 2009

what do you suppose would happen?

Yesterday as I contemplated what to add to this blog, I listened to a favorite author on a favorite internet radio show. This favorite author has looked long and hard for the documentation that would prove his theory about alien presence on earth and their ill intent for those of us born naturally to the earth.

He is one of many favorite authors who looks deeply into the lies and deception to find Truth. I was caught in the false belief this is the proper way to find Truth.

However, The TRUTH is . . . what if so many people of good intent looked just as hard to see all the evidence that supports Universal Truth.

What if they looked for the “good events”? What if they looked for the signs or proof of Father Which is in Heaven? What if they looked for the Divine in earthly expression. Not just a casual look, but an in-depth, extensive, “exhaustive” search for the Divine in us all.

What if Universal Law is looking for signs in us that we recognize our own Loving, Joyful nature. What if the future of earth’s inhabitants depends on our capacity to do this?

WELL, I AM seeing signs of Divine Grace upon the earth. Many “predictions” the unrighteous – unholy planted in the sacred texts of the bible have not come to pass. Some you might construe to have taken place were much less in scope than predicted.

Many earth events have been mitigated, or postponed, or perhaps ended.

Would you join me in actively seeking the Divine Presence in our earth and in us? Even if you begin with doubt, may you find FAITH, which we greatly need.

SEPTEMBER 27, 2009

Observation

OBSERVATION:

The difficulty of languaging a greater understanding of Universal Truth was most active today. I chose Metaphysics for my Ph.D. because I see the symbolic nature of all Life on Earth. Father has said that He speaks to each time in the language of the people and it is not to be translated. The challenge of accuracy in my "native" language is sufficient to convince me.

To say "there is not" is to say "there is" how do I add "not" when it already is?

The "English" language is constructed in opposition to Truth.

. . . there's more

A request has been made for me to clarify, or specify, **NOT OPEN THE DOOR**.

- ◆ this is not — close the door
- ◆ this does require your Desire to end “play” with those who engage unrighteous — unholy to any degree
- ◆ yes, this is black or white — no gray / clear or opaque — no translucent
- ◆ the false belief there was ever a door was, one by one—step by step spread through mankind

- ◆ when we stop the false belief in opening and closing, the door is *NON*
- ◆ what was never opened needs no closing
- ◆ the false belief in having opened the door can end
- ◆ the *TRUTH* is, there never was or will be a door

To Those who have prayed to “close and seal the
door where evil dwells” :

NO DOOR

no dimensions

I listened to part of an interesting show last evening. (The rest later) The concept of a stargate etc was discussed. Which reminded me that I have not progressed with Father regarding dimensions.

Father has explained to me, for my clarification and accuracy of presentation, the current concept of "dimensions" is not accurate. The place "they" hide and travel is very near at hand. It is like a hallway on the other side of my wall. Even when, to my perception it might be another room or an exterior wall.

This "hallway" is expansive and accommodates the activities, travels, living of many of them. These tunnels form a network of travel which allows their shadow presence in places to include bedrooms. Their "door" to where I am is not "real" to my perception. Yet they avail themselves of entrance at their unrighteous-unholy desire to intrude. As they remain at the vibratory level of their hallway, they remain invisible or a shadow to me.

Many people are talking about how great it would be to open the door/gate to them. This is fine for those who serve the unrighteous-unholy and actually believe they can be trusted. However, for those who choose an All Righteous and Holy life, ending the presence of the door(s) is the only option.

The only requirement is to not open the door they claim we opened. This can be done at any time we come to understand it matters *NOT* when the door appeared to be opened. *SIMPLY* — not open the door. When you do this, there is no door.

SEPTEMBER 28, 2009

AdamAic Race

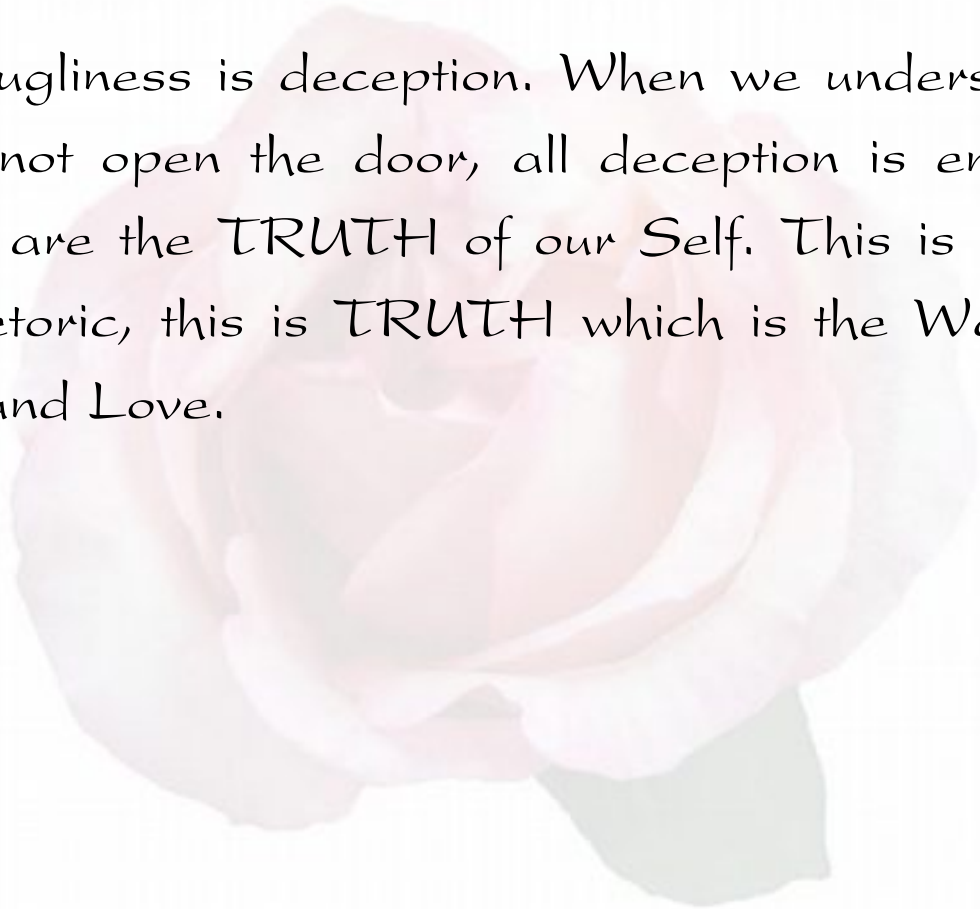

As I listened to an internet radio show host being himself interviewed this weekend, I heard the two men talk of good humanity and then after a few minutes talk of the horrors mankind does. I realized there must be a clarification in this regard for those who read this blog.

The original inhabitants of this planet — AdamAic People are expressive spiritually to a degree we have forgotten. As near as I can tell, only the Father still holds a true picture of us. He has been present with me enough to see myself, in part, as he does. I was undamaged, unbroken, Loved,

appreciated for my creativity, respected, — all the things we idealize from a Father.

We are in TRUTH Spiritual Beings of Transcendent Love called Rapture.

All the ugliness is deception. When we understand how to not open the door, all deception is ended, and we are the TRUTH of our Self. This is more than rhetoric, this is TRUTH which is the Way of Power and Love.

SEPTEMBER 29, 2009

Not an alphabet

As I have renewed my interest in “formal” communication with the Father, I have been shown that my mistake before was to attempt to relate each symbol Father gave me with a letter of the alphabet.

It is the case that Father’s language is conceptual. Each group of symbols come together to form a concept not a word.

When the Father speaks to me, it is much easier to progress at the point of an image, rather than to continue, word by word. This, to me, validates the conceptual languaging idea of communication from the Father. More is conveyed more efficiently visually / conceptually, than verbally.

SEPTEMBER 30, 2009

profit

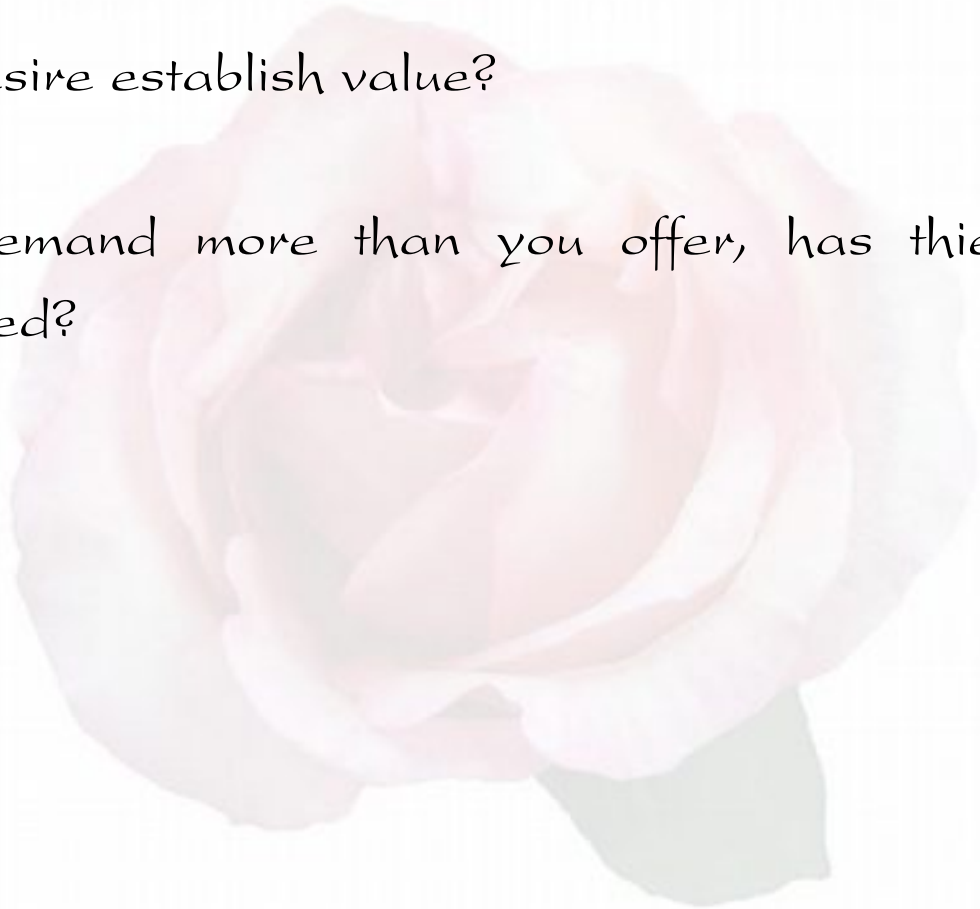

If I exchange with you for value more than the value of my creation, I have profited.

Isn't this thievery?

Does desire establish value?

If I demand more than you offer, has thievery transpired?

frequency

It seems Father “talks / answers” us on a specific frequency. This is why we “recognize” the Divine Voice. This is why so many people are being deceived today.

Much research has been done with many gifted people to understand, or to “prove” the existence of “supernatural” gifts. Of course these gifts are natural to “earth-kind”. However, the unrighteous—unholy have sought this exact frequency for a very long time. With it they can deceive the “inferior earth-kind” to the “supreme” extent. What they “broadcast” on this frequency would / has become the “voice of god”, and earth-kind would “recognize”

it because, *ONLY* the Voice of the Father had ever been heard on that innate frequency by earth-kind. To tune to this frequency is *NOT* to Open yourself, it is to refine your perception.

The important message here is: just because it sounds Divine, doesn't confirm it is. How precisely are you "tuned" to the frequency of the Divine Father Which Is In Heaven?

One True test is that: Divine Guidance Respects all Life.

This includes not hating "them". Just not open the door.

Patterns of deception

As I continued to listen to the radio show from last Friday, I noticed derogatory remarks about earth-kind people who have come to awareness of contact with “others / aliens / unrighteous—unholy” and make their experience public. Perhaps some of these people have the debased motivation suggested. I would, rather, propose that many of these people have come to make public their trauma due to the abusive nature of this contact.

People who have been abused typically follow a pattern of silence/hiding the abuse, becoming compelled to talk about it, and then being able to talk about it or not. People can get stuck at any point in

this pattern of “recovery” from the abuse. Of course there are those who “successfully” complete the healing process and reach the point where they no longer feel an uncontrollable urge to talk about the experience.

The difference with earth-kind who have been abused by the others, is that there is very little trained intervention available to support the healing process. Most is focused on labeling, medicating, and interning. To demean, degrade, ridicule, hospitalize, medicate, and label is the game of the unrighteous-unholy – it perpetuates their established deception.

SAFETY is only with the Father. This is a total commitment. The door is **NON** when you don't open it. Safety is a journey of complete Faith in the Father / Source. Holding onto any piece of deception holds the door open.

OCTOBER 2, 2009

by request

A brief summary of those referred to as unrighteous—unholy:

- ◆ the geneticist – he is the one that had the idea of separation and used his skills to create a virus that rendered him incapable of receiving Divine Sustenance forcing himself to resort to the act of stealing to sustain himself in his insanity
- ◆ the followers of the geneticist or fallen angels or gods
- ◆ those chasing the geneticist and followers to stop their rampant theft

The geneticist is who will be called the (anti)christ.

his followers were fellow scientists who agreed to the deception—about 200 in number

those chasing them with indignation and justification believed that they could stop the insanity by killing everyone who had become infected with this virus.

By focusing on that which they sought to destroy they became just like them – all separated from Universal Truth

this second group is composed of three factions—death, decay and destruction each named by the works they do.

As a group “alien” to this planet, they are referred to as the unrighteous—unholy or purveyors of deception. The first group has been working on enslaving earth-kind so as to create a kingdom. The second group now seeks the destruction of Earth as well as the geneticist and his followers, for they believe we “deserve” it because we are contaminated.

The so called battle between light and darkness is really the battle between the geneticist and death / decay / destruction. The Divine engages in no battles and does not participate in this insanity. The Divine does support however all those who Desire to stop playing the game of the unrighteous-unholy. It does so by providing the Knowledge needed to do so.

Please remember, we never opened the door. That we did is a deception. The door is *NON* when we recognize we can “not open the door”. This ends their play. When there is no door, we are unavailable to them. Those who seek to remove the “veil” between them and us are mistaken – that is equivalent to opening the door.

A slightly longer version can be found in *Heliotropos* and other books on:

speed

This week has been inundated with earth changes.
Sudden, massive, land and water.

A while ago Father said it was right and proper to
sit by the side of the road until he said to move and
where to go. Just watch those fleeing disaster, in
Peace, for you will Know when and how to act.

Listen while you wait, for the Father has been
speaking. If he has spoken, act and act now.

Father is with you when you choose Him.

OCTOBER 4, 2009

changes

As the days progress and the time of change rapidly unfolds, it is difficult to focus on the studies. Hurricanes, tropical storms, flooding, earthquakes, drought, volcanoes, the list is full of impending or progressing earth changes due to the impending change in the Sun's orbit.

When one is called by the Father, it is important to act. Many people have been guided by the Father to begin their preparation in a fashion that once was a way of life. Preparation is no longer dismissed as "conspiracy theory". Preparation is being promoted by local, state and federal government. It is true

your neighbor becomes your first responder — after the Father.

Look for the Truth of your circumstances. Recently, I realized that the false mindset of poverty had so engulfed me I couldn't see the Truth of Father's bounty. Finally, nightly prayer to be inspired to see a Vision of All Righteous and Holy Opportunity and the blueprint to bring it active and present, along with a morning prayer to recognize the end of famine entrapment, began a shift in my perception. I could recognize the end of poverty had already come when I could "not open the door".

Truth was brought visible to me.

OCTOBER 5, 2009

second vision

Progression of understanding brought me a previously unconsidered Truth. There are two kinds of spiritual Vision. One is the traditional version of biblical lore, or native American quests. The second is personal Vision of information we came with.

The second type is difficult to obtain under the current deception on earth. It often appears in fragments with no particular apparent pattern. This personal Vision is meant to be the guiding "light" that brings us to our "destination" of "purpose". Father gave me a fun exercise, which was to illustrate my Vision. I had been collecting "pieces" without direction. Now, with direction I could combine them into the Vision from which I would have a blueprint.

There are as many creative ways to express this innate Vision as there are people to do so. Here's to you finding yours.

OCTOBER 6, 2009

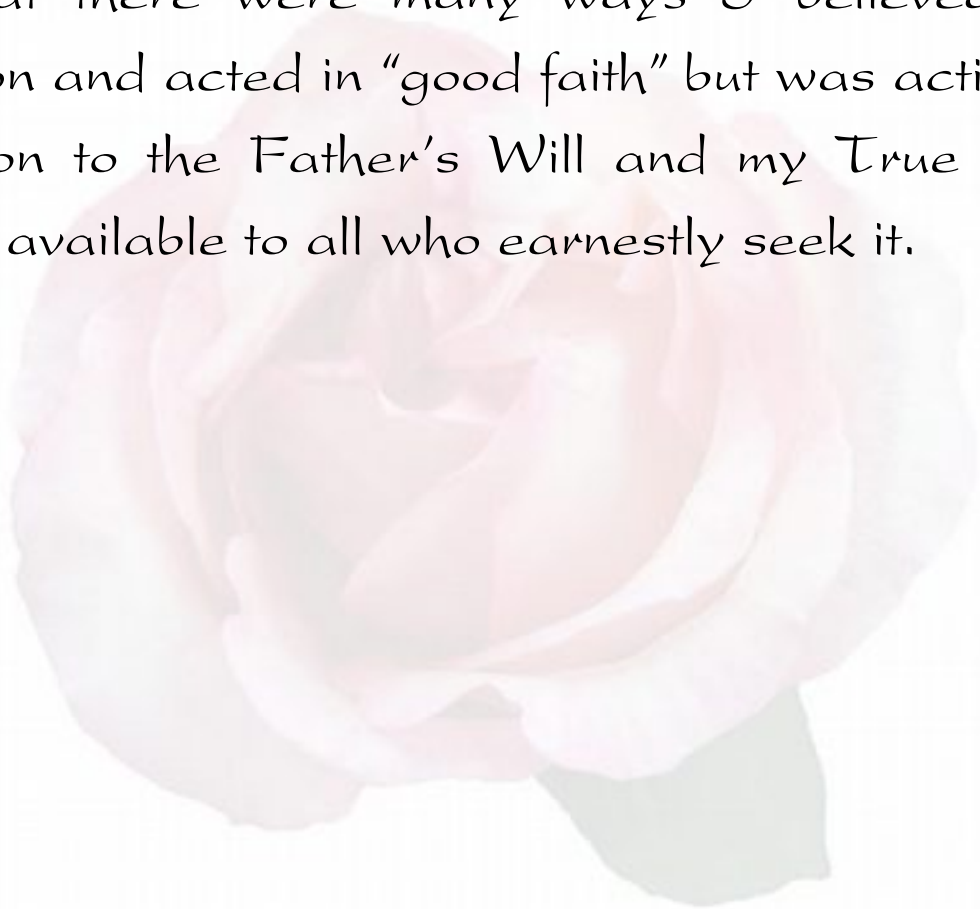

why don't you answer?

Have you considered Divine assistance severely lacking in your experience? Perhaps there is just one small thing you overlook. The Father is unable to provide all He would, when you hold onto large or small attachment to something unrighteous — unholy.

As has been mentioned, Truth IS black or white, there is no gray area. You choose the Father or you don't . Even when your choice is made because you have been deceived, it is still your choice for other than Father. When your choice for Truth is strong enough to see and correct the mistaken choices, the

Father can act in your life and all He promises
BECOMES.

This is a very difficult concept to accept. However,
Desire Truth and find your answer. For me, it has
been that there were many ways I believed the
deception and acted in "good faith" but was acting in
opposition to the Father's Will and my True Self.
Truth is available to all who earnestly seek it.

OCTOBER 7, 2009

prepare or not prepare—that is the question

Many religious people are saying to not prepare because trust in god will save them.

My experience with the Father is that He has instructed, step by step the ways in which I should prepare. That is, prepare for earth changes. We take note in the bible how wise it was to prepare for seven years of famine while He brought seven years of plenty. Is that less true today?

Did I mention that perhaps we should be more concerned with those who use 777 rather than 666? Those who hide in the 7's are those who aspire to destroy the 8 or Father Which Is In Heaven and all who choose All Righteous and Holy. One is not a number and nine is not a number. They are deception-null. When added to another number, they are null. What is a True system of octal-one with no zero or nine?

OCTOBER 12, 2009

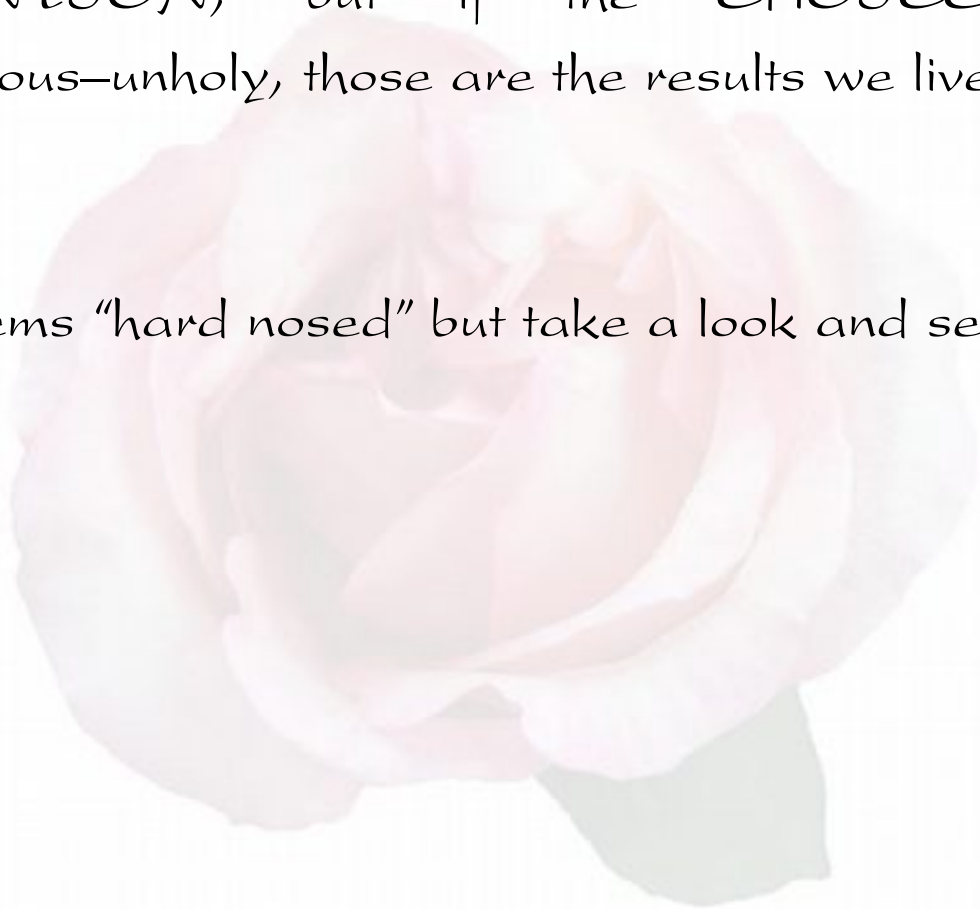

yet today . . .

Universal Law brought me learning today.

Universal Law makes decisions based on the CHOICES we make. We may have the best INTENTION, but if the CHOICE is unrighteous-unholy, those are the results we live and “die” by.

This seems “hard nosed” but take a look and see if it applies.

OCTOBER 13, 2009

Faith

Faith is active when deception is knocking at your (non)door. No matter the appearances, when Faith is active you know what Righteous and Holy “looks like” and if it doesn’t, it isn’t it.

The “virus” affecting this planet was “created” by one mistaken “human” from somewhere else. He “infected” 200 others, then on to more and more. This idea of a virus / fungus is a deception of one alien’s creation. Faith recognizes Truth as an active and present choice, even when others choose deception.

Choosing Truth is rewarding, self re-inforcing, and generally a Joyful event. Have some Joy today!

OCTOBER 14, 2009

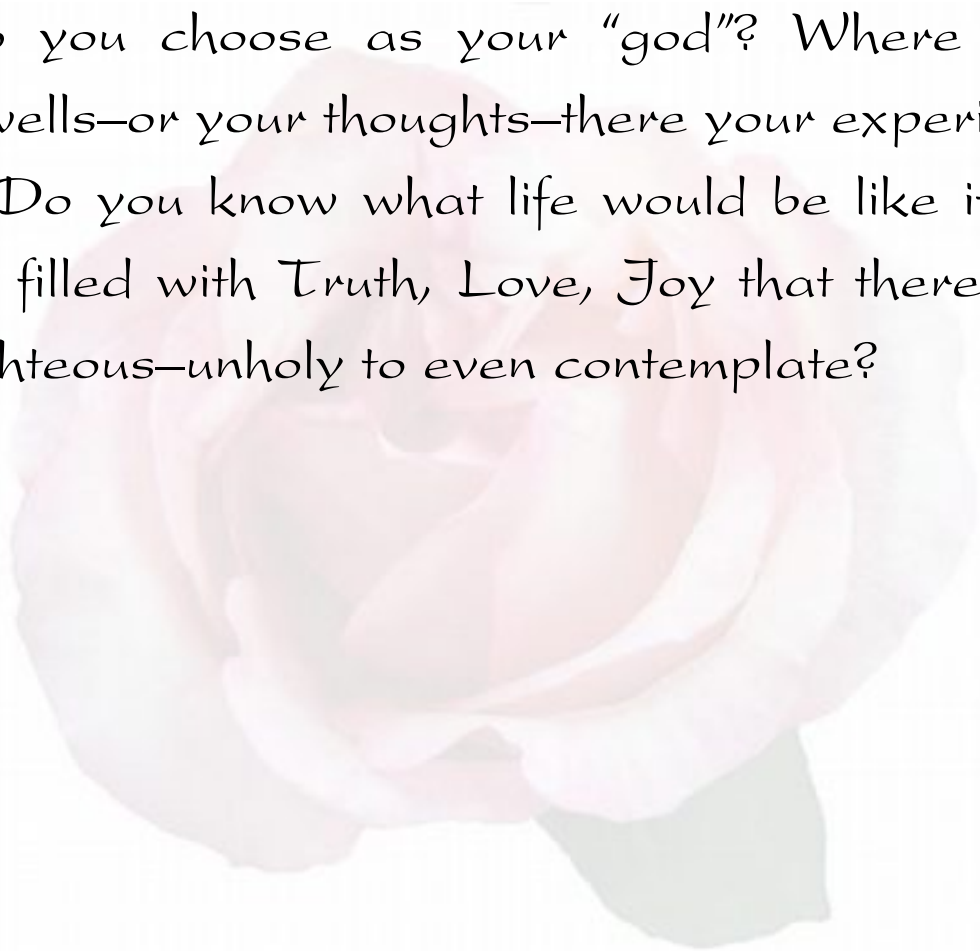

split mind sabotage

Today was a gentle reminder of the importance of “being of one mind”. It is most often difficult to see we have conflicting beliefs, even opposing beliefs, because the belief engaged is the only one visible. We “forget” the times we speak an opposing belief.

An example of this is to believe we have chosen the Father Way, and yet hold a desire to “understand” death / decay. If one chooses the Father, contemplation and understanding is in Universal Truth of All That Is Righteous and Holy. If one chooses death / decay one would contemplate why “they” want to vaccinate the people for a flu that has the most neutral statistics of any flu so far. Or why

they have put mercury in some vaccine, produced it under conditions that spread other virus, DNA, RNA, or use a “filler” that greatly harms earth-dwellers.

Who do you choose as your “god”? Where your heart dwells—or your thoughts—there your experience is also. Do you know what life would be like if you were so filled with Truth, Love, Joy that there was no unrighteous—unholy to even contemplate?

OCTOBER 16, 2009

clarification

Upon contemplation J realized there needs to be clarification between earth changes and the activity of the unrighteous — unholy.

Unrighteous — unholy is a deception, a virus that contaminates; but one of perception not reality.

Earth Changes — are ongoing in the evolution of the earth. They correct the contamination of deception.

Earth Changes are coming in greater degree due to the evolution of the Sun and the contingent relationship they have.

The Sun is conscious expression of the Father's Desire. A Christed type of consciousness, you might say.

The Sun delivers nourishment to the earth and inhabitants in the elemental form of water, minerals,

crystals, metals. These are not dependent on the delivery system of meteorites or asteroids.

It is of utmost importance to follow the inner pull to the place one needs to be living and to prepare for tangible nourishment during the time one is coming to the expression of Universal Truth. It is during this time the Earth will progress in eliminating the deception until the door is *NON*.

How long can the Earth breathe with her sky filled with toxic debris? How long can you breathe the toxic debris penetrating your body? How do you recognize a deception that looks, smells, feels real?

OCTOBER 17, 2009

addendum

What do you suppose the “payoff” is for filling the sky with toxic waste? That is, beyond population reduction.

As the “scum” floats like a film in the atmosphere, the elements which would normally reach earth (water, crystals, metals, minerals, . . .) carried on the Solar Wind from the Sun, are accumulated. This takes place on the side of the scum toward the Sun, where this treasure is “harvested” by unrighteous—unholy design. These “resources” are then unavailable to nourish and sustain the Earth and her inhabitants. Since the Earth has been depleted of her reserves of these resources and they are not

being replenished, she and we are declining more rapidly. This is one of the factors being evaluated in the Tribunal with Universal Law.

You may question previous blog entries which speak of the deception and *NON* nature of events such as this. It is also the case that action is taken based on the choices of those who are deceived, as well as those who seek All Righteous and Holy Opportunity. Conflicting actions are at “play” until Universal Truth prevails. As long as we each have a split mind regarding their presence and action, they continue.

Contemplate this conflict and seek Divine Truth. Words are insufficient when conveying Universal Truth. A True Vision contains understanding beyond conflict and confinement.

OCTOBER 19, 2009

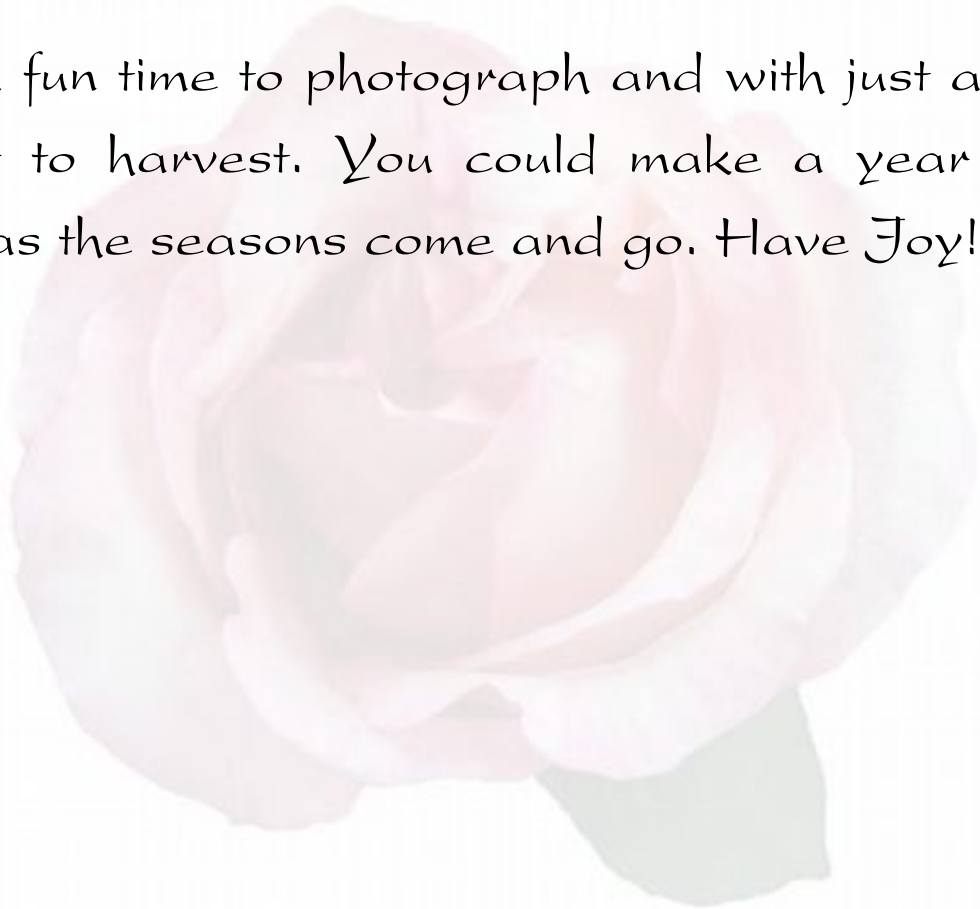

have you ever?

Do you ever buy mulberry capsules, yucca capsules, oregano capsules?

Have you ever gone to your yard, asked your neighbor, asked the local park/garden to harvest a leaf, root, flower and dried it yourself? There is something very freeing and energizing in these simple acts. When you drink the tea or eat the leaf or add the dried/powdered root to your smoothie you feel very empowered. The world is full of herbs, food, nourishment we never see. It is just a tree, flower, plant.

I would like to suggest it is more. Much more. Identification of plants is a fun activity to share with children. Several local parks here identify their plants and trees. A photo journal is a fun project to share with a child or an exploration just for you.

Fall is a fun time to photograph and with just a little time left to harvest. You could make a year long project as the seasons come and go. Have Joy!

OCTOBER 22, 2009

your job

Have you ever been worried (fearful) that someone won't do their job? So worried that you begin to do it for them?

Did you ever think that if you are doing someone else's job there is no one to do your job?

Did you ever think Trusting others to fulfill their endeavor allows you to focus on Self expression and the Joy of fulfilling your own Endeavor?

Perhaps the Way of Joy and Trust can be yours today.

OCTOBER 24, 2009

have I mentioned ?

Have I mentioned on this blog . . .

Perhaps there is no darkness in “space” — all is Light

Perhaps the unrighteous-unholy couldn't leave the planet, once they got here.

Perhaps that is Divine intervention, not just VanAllen belts.

Perhaps the claims they can “save” us will be false, because the Father says they can't even “save” themselves (leave the planet)

Perhaps what we consider small “miracles”, like turning water to wine, are just small magic tricks to the un (unrighteous-unholy).

PERHAPS the day is at hand in which they are non and the earth is restored to Truth.

OCTOBER 25, 2009

research continues

Contemplation continues as to what an octal system of real numbers (no 0 or 9) would “look like”. How could computations be preformed?

Perhaps another area of progress could unfold as I await the octal answer.

OCTOBER 29, 2009

position or perspective

Current controversy looks at space exploration from the earth out. But what if:

Space was photographed coming in toward earth

The solar system was explored before arrival

The planet became the “prison planet” for those who brought the photographic evidence of space exploration (not to be confused with the web-site)

The deception of “saving” the planet after their staged arrival is the motivation for creating the illusion of space exploration by recent governments

They have been using earth-people to develop their "way out", or off the planet

The Father has said we will not be saved by those who cannot save themselves. And I add, by those who seek our demise. I had always believed in the truth of our space program, but as Truth comes, so does a new position of perspective.

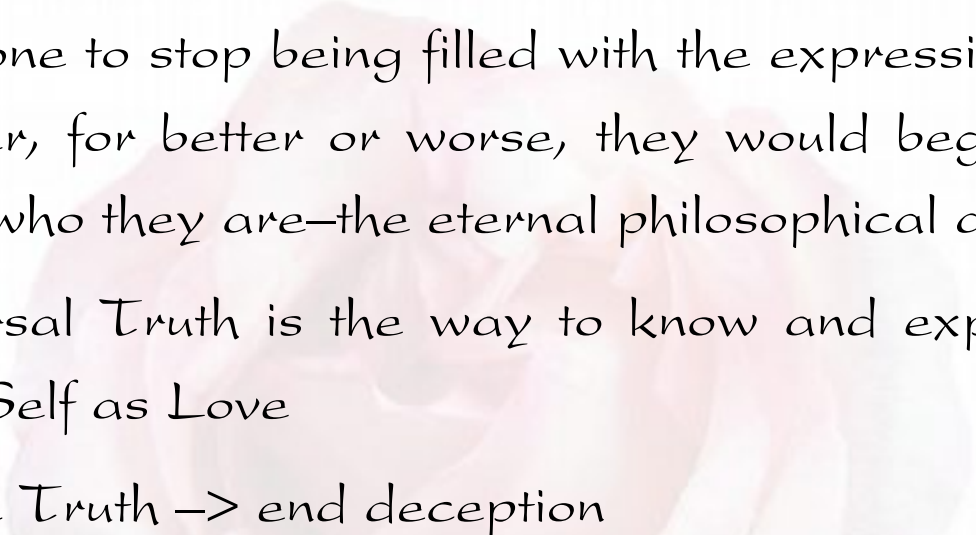

How are you doing at not answering the door we already answered?

OCTOBER 30, 2009

Restated

You might have noticed several topics are expanded or restated. This is so today.

- ◆ giving the love you experience away, leaves an empty space
- ◆ receiving from another fills the empty space
- ◆ if the space is re-filled with love, the love one becomes is not who one is—it is the expression of another
- ◆ if the space is re-filled with expression of uselessness, destructiveness, valuelessness, it becomes who you are

- 
- ◆ who you are becomes a deception, unknown to your Divine Self
 - ◆ in either case, one no longer knows who they are, for they have become filled with a deception from someone else
 - ◆ were one to stop being filled with the expression of another, for better or worse, they would begin to know who they are—the eternal philosophical quest
 - ◆ Universal Truth is the way to know and express Your Self as Love
 - ◆ Desire Truth → end deception

OCTOBER 31, 2009

day by day

As things change (read, escalate) day by day, what was correct months, days, or even hours ago, may be obsolete. Flexibility becomes paramount. Constant attention to Divine Direction provides navigation to circumnavigate the deception.

Pain over change was a luxury (read, deception) of the past. Universal Truth is the standard and measure of all action.

May your days flow into a greater perception of Your Self as Truth.

NOVEMBER 1, 2009

as the Sun slips... and the earth changes

As the Sun slips further “out” from its past orbit, the stresses on the earth are increasing until the crescendo arrives, which we call “point of departure”. There hasn’t been time to talk to Father and ask what sends the Sun into the new orbit, but it seems it has happened before.

The “point of departure” will stress the earth in ways seldom seen, to include solar sparks which will “rain” upon the earth. The much touted 3 days of darkness will come at this time and refer to the conditions more than the level of light.

A simple cave for protection, a kiva, but **NOT** a tunnel, is necessary. One in which only natural materials are used, since the plastic will implode releasing fatal gasses. Yes, I would assume plastic in your hair color and in your teeth. This will be a cleansing of the earth for a new beginning, placing earth dwellers in a position of correcting the mistakes born of deception.

This will be the time all who continue will be the ones who have chosen for the door to not have been opened.

Give this some thought and prayer. See if Universal Truth has made this known

NOVEMBER 2, 2009

did you notice?

Did you notice a difference yesterday morning? Where you are was it light an hour earlier than before? (With a clock change, that would be two hours) Did you ever consider many of these "changes" are to hide changes?

I was very excited to see Light an hour earlier than the day before, AND I had NOT changed the clock. As I daily give thanks for the SunRise, I gave special thanks for the return of an hour of Light to the place I awoke. It was a very exciting moment.

May the Light of your day be increased also.

NOVEMBER 3, 2009

did you notice?

Did it seem to you there was less light last evening than would have been accounted for in the time change? By the clock it should have been dark one hour earlier than the day before. However, as J sat looking out the door, it came much earlier, here, than that one hour change.

Have you noticed the difference in the Sun and Moon's seasonal shift? J've heard of some people who have lived in the same place for years and can document there is a change.

What does it all say?

NOVEMBER 4, 2009

What about you?

About me is about you today. Have you ever considered what nourishes your Soul? Is it food, beauty, environment? Father Which Is In Heaven has encouraged us to nourish our Soul many ways, many times.

The place you live is very important in nourishing your Soul. He has encouraged us to make it elegant simplicity. The food you eat can nourish your Soul, even in simplicity of preparation. The time spent in the "great outdoors" is automatic to nourish and cleanse your Soul.

In the midst of deception of difficult times, it is of utmost importance to have a nourished Soul. Father has told us to not let more than 6 weeks go by without attention to nourishing our Soul. This keeps us strengthened and happy.

Have a Soul Nourished day!

NOVEMBER 5, 2009

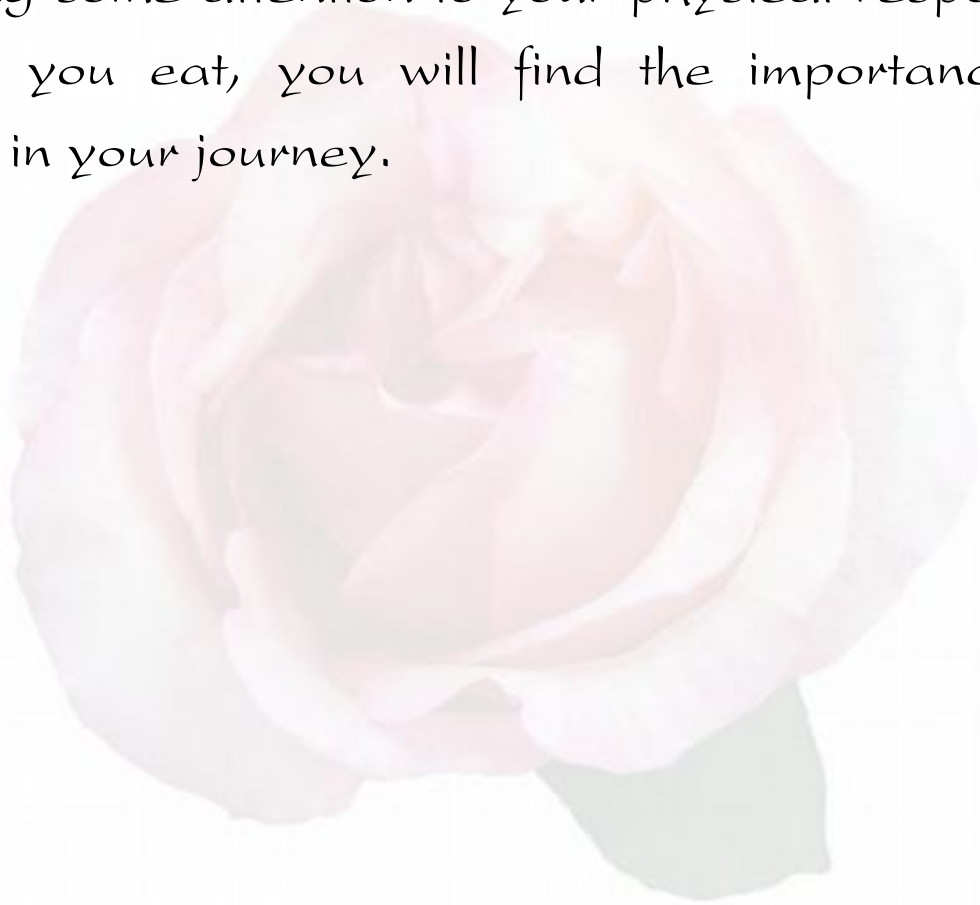

you are what . . .

Nutrition does support a person's spiritual journey. If it didn't matter, why, beyond greed, would they put so much energy into chemicals on the fields, toxins on the plants, GMO seed that not only is, at the very least allergenic, but may be deforming the genetic code of all our generations?

To find Joy, Peace and Love as we move into the season they are called upon the most, requires a sound nutritional program to the best of a person's ability. Dr. Russell Blaylock has a website called www.russellblaylockmd.com that is extremely helpful. Jeff has a website called, www.Jcrows.com

John Gray, Ph.D took a dramatic turn toward health supporting the kind of relationship people are looking for, in the early 21st century. The list of alternative health support is great.

By giving some attention to your physical responses to what you eat, you will find the importance of nutrition in your journey.

NOVEMBER 6, 2009

when it seems . . .

When it seems you are stressed, those around you are full of hate and anger, the sky is scummed and muddy gray, there is only one thing to do. Call . . . Father. Stay focused on Truth. Recognize that what you are experiencing is deception. While you take abundant vitamin D3, as recommended by all the trendy literature and doctors.

The Sun JS shining and will accomplish a great event in its orbit. Meanwhile, your Faith in Father must be strong and you will find Peace through it all.

NOVEMBER 7, 2009

SunShine and Pure Rain

Giving Thanks for the Sunshine each day may seem Pollyannaish, but the proverbial idea that the Sun shines whether we see it or not, is True. The same is True of the Father, He is always available whether we can see it or not.

The problem, in the depths of this deception, is that we are at a time when even the smallest consent or desire for the unrighteous / unholy must be purged from us. No thing is so small it really doesn't matter. It is a case of black and white, as I have mentioned. One chooses the Father Way or not.

May your day be filled with SunShine, Truth, and Love.

NOVEMBER 8, 2009

love or hate

What did you learn love is, when the door to deception was opened? If you learned love from an adult who hated, you learned to receive hate from someone you wanted to exchange love with and therefore, began the process of hating yourself.

How does this follow? When you gave away your love and received the replacement "love", you began to think you are what you received, because you no longer knew who you were. One only knows their Self as Love when it is not given away and replaced with deception.

May today be the day you "not open the door" and return to expressing your Self as Love.

NOVEMBER 9, 2009

exchange

What is your perception of exchange of creative expression? Is it what sells? Is it how much can I get for the least?

Father Which Is In Heaven has provided brief, in-depth guidelines for us on exchange. One's first reaction to these might be "no way". However, our spiritual journey necessitates asking, "if Father says it, how can I make it so?" When the Father explains the spiritual way it often reveals the deception immediately, and brings a new view, if one examines the how-tos of His guidance.

May your day be filled with contemplative progression in exchange.

NOVEMBER 10, 2009

scummed in

As this city sees day after day scummed in by the spraying of toxic chemicals and other materials in our sky, the Sun has valiantly shone through, although in limited measure.

Perhaps it is best to consider full spectrum lighting, ionizing filtering, and multi-color Christmas lights as standard, for the bedroom in particular. Remember these new fluorescent bulbs emit mercury, which some doctors are saying is safe at *NO* level. A little in your teeth, a little in your fish, a little in your household air. How much is safe?

Remember your filter will need changed or cleaned. Be prepared, because the need will come sooner and more often than you expect. Multi-color Christmas bulbs are “feel-good”, Soul nourishing , fun lighting for your brain and overall health, as often mentioned in a fun magazine I sometimes get to enjoy reading. Another fun, Soul nourishing activity all times of the year and even in the house, is to get little bottles of “magic bubbles” and use them. They are often sold for weddings and party favors. They bring a smile to your face, without regard to age.

With the current economic picture these items may seem like a luxury, but for your spiritual journey they have become a necessity.

May you find a Light Heart and Joy through the use of these support items.

NOVEMBER 11, 2009

Sulfur

A well known bottled water company has been my first choice for quite some time. It has become very difficult to obtain water in glass and they remain one dependable source.

However, this month their water appears to have an increase in sulfur content. Since they are in a volcanically active area, I have concerns for the reason of the increase in sulfur. I will be calling today to discuss this with their customer service. This will remain a sign of earth changes, some subtle some overt that should be speaking to those who choose the Father Way.

NOVEMBER 13, 2009

Angels or not

With a counterfeit of everything Divine having been put in place over these 7000 years, how do you recognize an Angel sent from the Father, as different than what has been called the fallen angels (unrighteous — unholy) which came to our planet?

This is a very important consideration, since they seem the same to most of us because we are untrained or inexperienced with the Father.

Perhaps a *SINCERE* Desire for Truth is the only way to bring the discernment.

May your day be filled with Truth.

NOVEMBER 14, 2009

Retrograde

Father recently suggested it was time I begin some research into the math of the stars. This is something I considered outside my skill level and interest. I will see where this research takes me and how it relates to the studies.

One thing is sure. I believe what Father has conveyed about the solar system explains, in Truth, why there is apparent retrograde in planetary orbits. It is very clear to me what He has explained, so maybe it won't be as difficult as I thought.

NOVEMBER 15, 2009

a woman's deception

I noticed recently an amazing design of unrighteous
— unholy at play:

- ◆ The more attractive their messenger (by their standards) the more attractive the message
- ◆ Humor allows vicious words to be received like sugar
- ◆ Ridicule / judgment / authority condemn the Righteous and Holy
- ◆ Hearing “voices” is mental illness, therefore no one dare hear the Father Which Is In Heaven (no wonder so many people cannot hear an answer to their prayers !!)

- ◆ “alien contact” is also a result of mental illness, therefore no one dare tell what has been done
- ◆ A sweet, beautiful, funny woman, strong enough to make it in a man’s world has to be telling the “truth” and “saving” us from evil

Do you have Desire for TRUTH, strong enough to recognize the deception? When “disclosure” or “first contact” comes will you recognize the deception?

Can you choose now, to not open the door to deception and in Truth, see a bright new world?

NOVEMBER 16, 2009

who is the greedy

Have you ever observed what extreme hunger does to people? How they have a tendency to become hostile, angry, bitter, volatile, aggressive, to have poor restraints on actions and words, to have lower morals and ethics? This is, of course before apathy, depression, lethargy set in.

It seems possible the nutritional deficiency seeming to attack this country could have a great purpose in the unrighteous — unholy deception. It seems a large group of people so expressing could serve only their purpose.

Is it therefore possible good nutrition would facilitate people who Know Peace, Joy, Love, Compassion? The idea of a balanced way of eating that provides the essential and necessary components becomes overwhelming in the face of controversial and contradictory information which changes daily. This is the sign of deception — complicated. The Father Way is Simplicity.

"Diets" are generally complicated and convey the unpleasant attitudes of a starving person. It would seem they serve a purpose more than the greed of an industry. An interesting note: it is ironic that the greedy accuse the innocent of greediness.

Ultimately we can re-turn to a point of sustenance from the Sun — The Father's Desire for us is to receive nourishment carried directly from Him on the Solar Wind. As mentioned before this Source of minerals, crystals, water, metals is being harvested the other side of the huge nets of scum daily sprayed in our skies. Not only are we being starved, the earth is being stripped of her nutritive resources, but she also is not being replenished.

As I look out at the UNNATURALLY gray gloomy skies I wonder what happened to people who can remember what a naturally cloudy sky looks like?

What happened to people who recognize the Spiritually destructive nature of an UNNATURAL sky? What happened to people who look to the Father Way to re-turn us to TRUTH?

NOVEMBER 17, 2009

glitches

Being very novice with blogging, many days what must be prime time for blogging, I have not been able to use WordPress. Therefore, the blog would wait until later, much later, or days. Yesterday was one of those days. The information had formulated two days previous, the day before the decision to write about it, but by 1 am yesterday, no access to the blog.

By the time I posted later yesterday, I decided to look at world headlines on a favorite site, and to my amazement and chills over my arms, it looked like the headlines were written in support of my blog entry. I have only experienced this physical

reaction one time before, under unfortunate circumstances. It would appear the information was "meant" to be delivered to people yesterday. One can't help but wonder how many other places of information provided the same general perspective.

May Truth be more present this day. Have some JOY!

NOVEMBER 18, 2009

respect

Easy on this morning ! As scummy skies continue, it requires the utmost attention to remain "positive". The unnatural effect of extensive solar deprivation is depression. Is it any wonder there is an epidemic of depression? A friend said, last evening, it is not enough to "choose Father". The attack of unrighteous — unholy deception feels so real it cannot be separated from who he is. He said that they attack without regard for his choice for Father. They exhibit no respect for a person's choice for Truth.

I questioned, as I listened to him, how Universal Law could be in tribunal / council regarding

conditions here on earth, and not recognize our choice is being violated. It is NOT "our fault" they are doing this. There is NO hidden consent. There is only deception covering Truth like the scum in the sky. We have been taught this is a planet of free-will which is not violated by anyone, even Father Which is in Heaven. Our choice for Spiritual progression in the Father Way is being violated. Never has such strength been required to maintain the Father Way.

Yet, I say CHOOSE the Father Way. Have Faith in your Self. Know your Self as Truth, Love, Joy, Peace. It is in TRUTH we succeed in finding the SunShine. May your days be filled with Blue Skies, SunShine and Pure Rain.

NOVEMBER 19, 2009

thanks

Have you thought about giving Thanks this day for Truth? To give Thanks for the SunShine when all you see is scum, is giving Thanks for the Truth the Sun is always Shining without regard for the deception we see as scum.

To give Thanks that poverty entrapment has ended is to Know that poverty is a deception that has an end. To give Thanks for Knowing one's Self is to see the day one DOES Know their Self. To give Thanks for the Divine Plan which guides and directs the events of our lives is to Know that Plan each day.

May each and every day be filled with Thanks-giving.

NOVEMBER 20, 2009

something slipped?

Have you ever felt your "connection" has slipped?
Something is missing? Then probably it has / is.

Someplace a little bit of deception has undermined
your Faith. All that is needed is a little conversation
with Father Which Is In Heaven, to refresh your
Desire for Truth. Have Faith in yourself and Give
Thanks for what you Desire being so.

Have days of SunShine, Truth, and Joy !

NOVEMBER 21, 2009

children

Were you selected of the Father to raise children? Does your Spiritual Journey wait, on hold, until you're done raising children? Father has said there are a select few who are here to raise children. They would be raised in the best possible Way, if this were so. Far too many children populate this planet for reasons of mercantile, religion, greed, lust. What life must these children live when its "purpose" is one (or more) of these deceptions?

Consider carefully your potential to contribute to the Spiritual Journey of the children you know. Whatever your choices in Life you can begin this day to Honor the children you greet. When children

are greeted with Honor and Respect they have a role model for two attributes of the Father which are profoundly missing in the deception. They have become words the children can't even define as action.

Perhaps, this day, you could define how you Respect and are Respected, Honor and are Honored. Ask the Father to show you, if you need an example in your Life. He is the most Loving "role model" I have ever Known.

Thank You Father for the SunShine this day.

war

War is not a product of prayer for peace. War is a deception created for reasons of greed, lust, and mercantile, not to mention food for those who cannot be fed of the Father and His SunShine. This is "where the energy of prayers for peace goes".

I know it is a "leap" for many people to believe we have "visitors" who have been visiting for 7,000 years. It is even more difficult to believe that since these visitors cannot be fed of the Father's abundance because they have created a deception that excludes the Divine, they must feed on those who still receive of the Father, and in whom they

create the split mind that expresses their deception in the form of sorrow, grief, pain, death, decay.

This is the simple version of why one must turn to the Father, to turn away from the reflection of the Light and look to the Source of the Light. This is where we find Truth and are able to 'not open the door' they claim was opened to them. As we see the Sun Shine, blue skies, abundance, Peace, Love, Life, this is what we experience. The "fifth world" is the one in which only Truth remains. It is the one focused on the Father.

May your day be alive with the breath of the Father on the Solar Wind.

NOVEMBER 23, 2009

D / d esire

Desire is not lust. The song says, “strange what desire will make people do.” The counterfeit of Desire, the deception of desire, is a strong motivator because it utilizes the Divine energy (of those who have some Divine energy,) for what appears to be unrighteous—unholy purpose.

This is *NOT* a world of yin and yang, good and bad. This is a world of Truth, Love, Joy, Peace. Yes, it appears there is oppositeness. How much during your day do you correct the deception? How often do you look at the pain, sorrow, regret, and remind your Self of the Truth? The Truth is, that you

are Love, health, Joy, Faith, Peace, Life. Anything that doesn't feel Divine is false.

May your day be strengthened by the SunShine nourishment of the Father, pure air, pure rain water, and puffy clouds. You are Love and you are Loved by the Father.

NOVEMBER 24, 2009

Sunlit dreams

Have your dreams been strange? No fun? Prayer is Powerful in protecting your dreams. Herbs and oils help too. Jim Long has a website where he has been selling herb dream pillows for years. It seems like a fun thing to try.

The important thing to remember is that Father is there to focus your mind on 24 hours a day. Just because the deception of darkness prevails part of the day doesn't make that Truth. If you have ever been near the Arctic in summer, you know how energizing almost 24 hours of SunLight is. This is the Truth of SunLight, it sustains us and energizes us. It interpenetrates everything as it Shines.

(Which eliminates the need for sun tanning.) You feel the energy throughout a building. Indoors or out, it is an exciting time with little need for sleep. And you know, you just KNOW this is how the earth should be.

Have a SunShine energized day !

homily

Yesterday, Father spoke briefly about the impact of last years HOMJLY. He indicated it was like a big signet for the whole year. He will provide information for the second year Homily today or tomorrow. It was very exciting to have Him begin new information on this subject.

May your day be filled with SunShine of Father's abundance.

NOVEMBER 26, 2009

Homily update

The time we shared with Father today was very beneficial. We are having our All Righteous and Holy Day on November 29. We will have small ceremony just as last year with East Indian cooking this time. The next two mornings are preparation for that day with the first hour upon rising activity as normal if needed, but with attention to the activity in our mind. Thoughts of a deceptive nature must be corrected immediately and the space they sought to occupy filled with Truth. We must recognize our desire has been programmed to unrighteous — unholy activity, when we are not watching it. It too must be corrected. We must seek Harmony with the Divine Plan in our life. It must rise to the place of

active direction for us. If you object to my saying "must", recognize it is only a "must" if you Desire Truth of Divine Direction for your Spiritual Progression.

It was a very powerful time, today, to read the 2008 Homily. You can find it on the home page of www.BlueStarWay.com

By Way of the SunShine, blue skies and pure air, may your day sparkle !

what is a homily?

Perhaps I should have mentioned the Homily from 2008 is posted on www.BlueStarWay.com where you can view or print it. Father brought an interesting "evening before". I'm sure this day will be as eventful. If information becomes available today, there will be a later posting. Yesterday, His answer was to experience the gifts of that day and come today to experience this day's gifts.

In Divine Truth, have a Sun-filled day and lots of Joy !

NOVEMBER 28, 2009

2009 Homily info posted

Martin has kindly posted the information on All Righteous and Holy Day Homily for 2009. We are probably behind schedule, but Father said, by His Grace it may be done. Be sure to refresh your memory on the ceremonial aspect of that day in the 2008 Homily. They may both be found at www.BlueStarWay.com

It is possible to consider this day in Light of it being a day that you can look back on with no regret. It is possible to look back on all days you remember with no regret. Of course, you know regret is not a Divine attribute / feeling. Regret is not a penance you pay for anything unrighteous – unholy you have mistakenly done. Dwelling on the unrighteous –

unholy is making it active in your mind and in your life. Most assuredly this is not what you want as the active principle in your life.

Father directs for this year to begin each day with one hour of focusing your mind on your Desire for Harmony with the Divine Plan and recognizing your Desire as Harmonious with it. Free will is not doing what you want, it is deciding among the options for a Harmonious Day what would bring Joy to your Life. There is no "one way" — there are many, and each one may bring All Righteous and Holy Opportunity into Play.

Have a Joyous day and go out to Play in The Father Way !

NOVEMBER 29, 2009

Thanks-giving

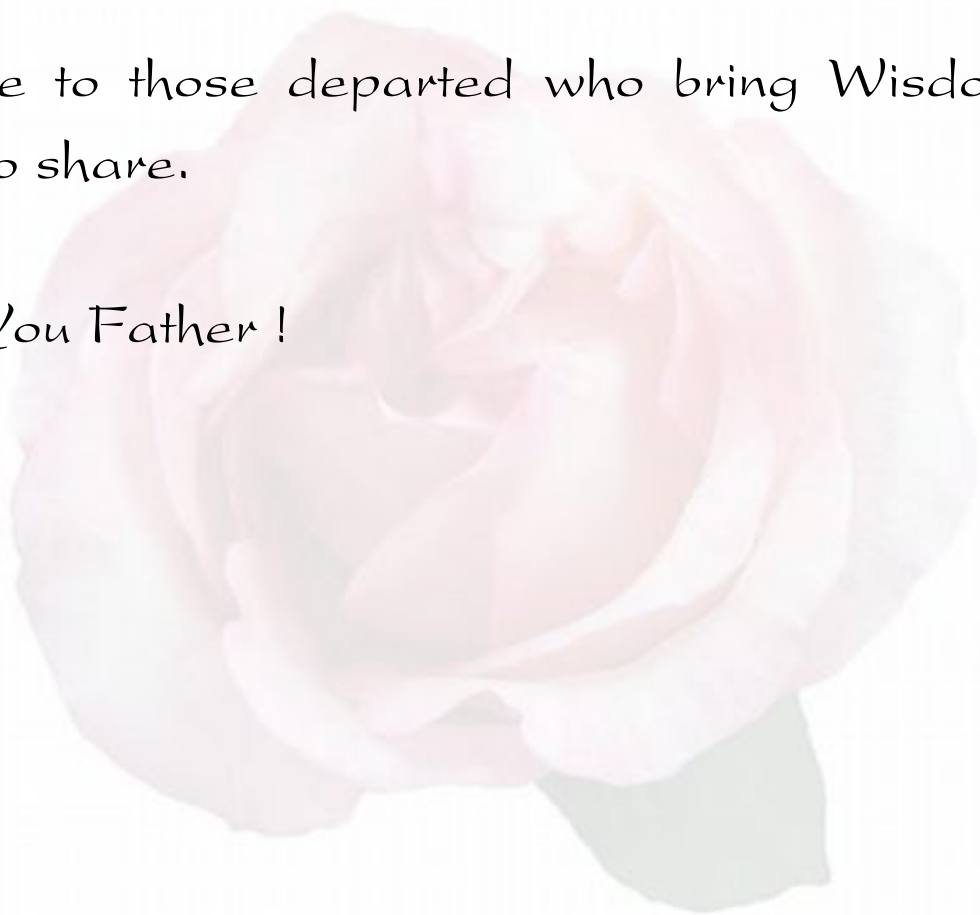

May your day be Blessed by Thanks-Giving to the
Father Which is in Heaven.

Joy to those who join the celebration.

Welcome to those departed who bring Wisdom of
Peace to share.

Thank You Father !

NOVEMBER 30, 2009

a wonderful thing

A wonderful thing happened on All Righteous and Holy Day. By giving Thanks to the Father, all the Blessings He brings came into focus. There are many overlooked Blessings each and every day we could give Thanks for.

A fun activity we have implemented is a "Beatitude Journal". Beatitude means Blessing. Recognizing each day's Blessings and recording them brings Joy and increases awareness of the "little" Blessings we might have missed seeing.

May the Blessings of this day bring Joy and Thanks-giving.

DECEMBER 1, 2009

new beginnings

As a new All Righteous and Holy Year begins, or continues in progression, you might consider a Beatitude Journal. It brings Joy and increased awareness of the Divine Presence in our lives. It is most amazing to find even on the most bleak days all there is to give Thanks for. This can be a turning point for knowing the end of a deception called "poverty entrapment". It can also strengthen the Desire to Know one's Self and Know the Divine Plan.

To express your Desire to Know your Self and the Divine Plan each night before bed, and to express the Truth that poverty entrapment has ended and give Thanks each morning is unbelievably powerful in obtaining them.

Have a Joy-full day and SunShine nourishment of your Soul !

DECEMBER 2, 2009

third day

Today is the third day of the All Righteous and Holy Cycle beginning 2009. Begin this day expressing your Desire to Know Truth, your Self, the Divine Plan in your life. Give thanks that poverty entrapment has ended. Give Thanks for the SunShine, fresh air, and pure rain. No matter the appearances in all these things, Give Thanks that they are True. Give Thanks for the day you Know the Truth. For the Faithful, these things become experience.

It is also the case that, Knowing this, Truth brings an improvement in life experience to a noticeable extent as Knowing increases. It can be a gradual process with gradual improvement. Attention to Thankfulness brings awareness.

May your feelings of Joy and Peace ever more increase.

DECEMBER 3, 2009

clarification / PEACE

Perhaps I should offer a clarification today. When one has asked for, expressed their Desire for, Knowing their Self, it is then right and proper to give Thanks that it is so. "For as you ask Know it is so."

One of the repeated, and repeated, and repeated unrighteous – unholy concepts / deceptions, is that the people are evil, bad, war makers, who do atrocities. THE TRUTH IS we are Love, Life, Peace, Joy, Compassion, Creative. As long as we play in their deception it is very difficult to Be Truth. Peace is something we ARE, not something we DO. As long as we try to do Peace as an external ACTION it will fail. Peace is not something we do

to others. When we are LOVE, PEACE IS THE FOUNDATION of who we are.

May you know the SunShine of the Father's abundance and in abundant measure Know PEACE.

DECEMBER 4, 2009

new years

As the end of the solar year approaches, I realized there is additional exploration of the calendar of rhythms, octaves, cycles to be done. Father indicated that the All Righteous and Holy Day Celebration begins a cycle, or year. How do these fit together? Calendars have long been a fascinating subject, to me.

Since the earth was forced into a tilt unnatural to her, and things put slightly askew, it is only when she is placed in the stress of moving with the Sun to its new orbit that she will be returned to proper alignment. By then we won't need to keep track of "time", because time won't matter / exist. When it's always Light, what's to count? When it's always in the 70's with pure rain and pure air, what is a season. When there is no deception, All Is.

May your day be Blessed with progression to where All Is and none of this "matters" !

DECEMBER 5, 2009

old topic new thoughts

Lots of reference is being made to the destructive way of mankind, to the planet, the animals, himself. It needs said again, we the people of planet earth are Love, Peace, Joy, Abundance, Creative. We must separate our Self from the deception. We did none of the unrighteous – unholy things they attribute to the people until they came and began to put the deception in play. Call them fallen angels, aliens, others, inter-dimensional, snake in the garden, the result is all the same, we were deceived.

To NOT open the door to deception has been the topic often in this blog. I suggest again to contemplate what it is to not do something you

believe you or others have already done. We are deceived into believing nothing so simple could undo a mistake in belief. After all, this is like time travel and to travel in the mind to the point needing correction and making the change is impossible. I would like to suggest it is not impossible and the results are easier to live with than you might expect. There is no big jump into the unknown. There is however an evolving new future more closely aligned with the Divine Plan. There is also a newly refined sense of Self — the Truth of who you are.

Have fun today. See if it is a day to go out and Play. Let the Sun shine on your Desire.

DECEMBER 6, 2009

conceptual language

I once heard it proposed that Aramaic was a conceptual language. This is to say that, rather than objects grouped together in a sentence, a word would convey a whole thought. I believe it is the case that most indigenous cultures spoke or wrote this way. To the indoctrinated (read deceived) western mind this is difficult to comprehend.

In the writing of the books on

www.BlueStarWayPublishing.com,

much information is conceptual. A fraction of a second vision is often conveyed in pages of writing. As the studies are readied for sharing much

conceptual information is being completed, refined or edited.

Looking forward to a new year of sharing in SunShine of Divine Light.

DECEMBER 7, 2009

news reports promoting civil unrest

I have noticed a large increase in promoters of civil unrest on talk shows, whether overt or covert, so I took it to Father in prayer. His response is that, civil unrest is unrighteous – unholy activity. He said there is a Better Way. (note: small letters denote the unrighteous – unholy counterfeit of what is Righteous and Holy. Capital letters are used for Divine expression. The Father has indicated that a better way is the way of sorrow.)

Father's Better Way for active changes is not something I have taken to prayer before, so His answer will be a whole new area of teaching for me. He did say that when something He has indicated is

prepared to happen and it does not, is *NO* indication of the unrighteous – unholy intent of His messenger, or Him. It is the general consensus of The People that establishes the outcome. There are other measures by which to establish the origin / intent of the communication and the messenger.

PLEASE pray to Father Which Is In Heaven to reveal the Right and Proper / Righteous and Holy Way to return The People to *TRUTH*.

May the Light of Truth remain strong in The People and you this day.

what price

Sometimes you can put a price on a lesson learned. This lesson cost 10.70. A small price by far, compared to some I've paid. I began this blog after a lengthy time of resistance. I can't, don't know how, don't have the skills, no one cares what I would say, no one will read it, I don't want to, I speak better. The list goes on and on and time went on and on before I began. A rocky start, I might add. Skipped days, approaching a week at one point. Technical difficulties with the dial-up, the software, the posting.

Today I learned that resistance is futile in one's journey with the Father. Futile in the sense that, resisting one's creative expression opposes one's progress Spiritually. Opposition brings futility, you might say. If there is opposition to creative expression and progression, then deception is at play. When I oppose my Divine Journey, I am choosing unrighteous – unholy.

All those objections to a simple creative expression were a futile waste of Divine resources / energy. My progress is facilitated by choosing to say "I'll do my best", and undertaking the Endeavor with as much Joy as I can, because the Father would only reveal our creative potential to us. He is affirming, seeing the Truth of our creative nature and appreciating it.

If the unrighteous – unholy succeed in convincing me to oppose my creative expression, then they have gained and I have lost. When I believe in the deception it brings tangible results into my experience and that result is loss. What could I possibly gain in stubbornly denying my creative nature while crying out, "Show me what I'm here for! What is my purpose?" There is no gain (progress) for me in this.

Please consider in your life the creative opportunities you deny. See if they are a gift from the Father. Please consider what creativity is. I know someone who denied that building a water

filter is creative. The day did come when he could build a water filter as if it were a piece of fine jewelry. May you too see the refinement of your sense of self-will into Joy of creative expression.

May the Sun Shine Sparkle on your Divine Self this day.

reader comment

Reader comment from yesterday's second post indicates a need for clarification. Who one prays to and who one receives answers from has been of concern on this planet, as documented, at least since Biblical times. This is because we no longer experience the direct presence of the Father as we did before their arrival. Their redefinition of natural expression of The People into magic tricks called "miracles" was possible because their deception "blinded" The People and the hypnotic sleep they spread caused a forgetting across the planet over the centuries.

One is well advised to insure who they are communicating with in "unseen" realms. As mentioned in this blog, they travel, unseen, among us through something described like a hall. When they leave the hall and enter our space we most often do not see them. They may be a shadow, a blur, an unpleasant "feeling", many things but all of them unrighteous – unholy. It is easy for them to deceive

The People since so much deception is in place in religion or organized philosophies.

The bottom line is:

Test any communication

Listen for the one sentence of Truth buried in all you want to hear

Look for the difference between their deception and your capacity to align with Divine Direction

Ask who they are and listen for a clear simple answer

Be Faithful in your Desire for Truth

The Father said that the test of His communication is not whether an event He has spoken of happens. In the deception they have reduced Faith in the Father to the formula "if it doesn't happen, isn't the

Father." If it doesn't you must then, be a deceived or evil person speaking to a deceiver. This simple formula works well for them to hide behind. Father brought Truth to this deception. When He has indicated an event is coming, it is the general consensus of The People that establishes the outcome. The point of His speaking to those who can hear, is to provide opportunity for change. This is to say, events come, or not, but this is not the test of Truth.

May your day be filled with Truth and SunShine.

DECEMBER 9, 2009

The Holy Father

Father has said something that was not spoken by Him to me in these 8 years. He called Himself my Holy Father. Two thoughts immediately went through my mind:

Of course, that relates to All Righteous and Holy Day

Oh, that is why the unrighteous – unholy refer to the pope as the holy father

The pope is supposed to be Jesus, or God, incarnate on earth. This would bring confusion to The People when the time would come for

reference to Father, as The Holy Father, which is as Jesus taught. Who is being spoken of? Our Father Which is in Heaven is The Holy Father. He is not some elect of the unrighteous – unholy who does their bidding.

Each person must decide who they pray to. There is actually more consensus in that, than would appear to be. The Faithful Desire for Truth brings Truth of Spiritual expression. It is up to each one to recognize it when it comes. This is to say face the pain of mistaken faith in the deception and receive Truth.

May your day be full of Joyful Truth !

DECEMBER 10, 2009

the laity

Father Which is in Heaven recently referred to the “laity” for the first time. These are those of The People who continue in the deception, blindly. It is those who deny what is happening and believe things can continue in this frenzied rush toward the edge. It is those who deny their Spiritual journey.

While it is True there is no unrighteous – unholy action at play on this planet, it is only when we have “not opened the door” to them we return to Truth. As long as we think we can do nothing and things will “be OK”, the deception remains at play. This is because of what Father calls the ‘consensus of the laity’.

At the same time, those who are Faithful in their Spiritual journey and progress, are able to continue during these times. Those who follow at a different pace will also be able to progress, however it may be more difficult as the deception continues.

A person may talk to The Father and express a Desire to have their Desire for Truth increased. In Truth a Way is made clear.

May the SunShine of Truth shine clearly in your day !

DECEMBER 11, 2009

along comes another way

Just after Father said there are other ways (other than civil unrest), along comes a replay of a radio show on Radio Liberty, (Dr. Stan's archives,) that featured Sheriff Mack speaking on the Constitution and State rights. He proposed a different way which I will ask Father about this day.

On the surface it appeared to be a workable, Peaceful plan for restoring the country to The People. However, deception can be so subtle it is only by the Father and Universal Truth one can Know.

If you want to broaden your horizons and at least consider a different way, or affirm there can be a different way, the Sheriff's website is

www.sheriffmack.com

May Truth Shine like the Sun in your day !

DECEMBER 12, 2009

a Sun-Shine day

Well, how is your morning focus going? Are you giving the first hour to maintaining your Spiritual focus, on Knowing your Self and the Divine Plan for your life? You could add just a minute or two to feel the love you are missing. Not attaching this love to any person or event or thing, just the experience of Love. It is very energizing and Joyful. This is NOT lust, it is the pure Joy of Love, usually accompanied by the protective Golden-Silver-White Light of the Father. Desiring to Know your Self as Love is a full-filling way to start your day.

UPDATE: Father has indicated that Sheriff Mack does have a different way. However, there are

areas of caution. With the support of Spiritually focused people who Desire Truth, I'm sure he will find the Right and Proper Way.

May your Golden Day be filled with SunShine and Love !

DECEMBER 13, 2009

elegant simplicity

Quite a long time ago Father said that to live in elegant simplicity nourishes one's Soul. Years later I heard an occasional mention of elegant simplicity. This is a concept different than austerity. It is colorful, symbolic, natural.

It is entirely possible to prepare a place of elegant simplicity in your shelter also, with not one single piece of plastic. Securing as for an earthquake would be advisable. Water and food — no plastic containers. Glass, wood, metals, natural rubber, natural, untreated fibers, are necessary. This also is to say no thread in your clothes that has a plastic core and no wires coated with plastic.

It is of the utmost importance to have a place apart from normal life, but readily accessible that has NO synthetics, plastics. When point of departure comes there will be a 2 to 4 hour window that is marked by an amazing color shift readily noticeable in the color of flowers. This is not enough time to gather and

travel any great distance. Yet, it must be far enough away from all plastics / synthetics to ensure survival. That is to say be far away from the toxic fumes released as they implode.

Sparkle in your environment is a reminder of Divine Light which will support and nourish your Soul in potentially frightening times. This is not to be confused with glitter, which is the unrighteous – unholy counterfeit. Sparkle is expressed in crystal, glass, and Light (as well as other ways).

Just as the SunShine Sparkles on snow or water may your day be filled with the Sparkling Golden-Silver-White Light of Divine Presence !

DECEMBER 14, 2009

smile with your eyes

In eastern spiritual practices, there is an idea of smiling with your eyes. To do this you close your eyes. (Oh, the inscrutable wisdom of the east). As you relax and look at the back of your eyelids, you “see” a smile with your eyes. This is not the same as smiling with your mouth.

As you feel the facial muscles around your eyes relax into a smiling position, you begin to feel Peace and Joy. This is not “humor” it is Peaceful-Joy. As you continue to feel this Peaceful-Joy you will notice the darkness of closed eyes begin to Lighten. Yes, perhaps there is Light inside you. As you fill your head with this Peaceful-Joyful Light, you may notice

how easy it is to add your feeling of Love. Again, this is not the heavy, dense energy of the groin area commonly known through lust. The energy is not “raised” to the head, it is present at the eye area as Light, Peaceful-Joyful-Love.

As you fill your head with Peaceful-Joyful-Love-Light, you may notice that is possible, with great ease to “wash” your whole body with this Light. Give extra time to your heart, letting it wash gently over it as you appreciate all it does for you. No specifics, just Love.

This visualization is provided for the Peaceful-Joyful experience of the Light of Love in you.

May you walk in SunShine this day with that Love.

DECEMBER 15, 2009

love protects

The Truth that: Love protects, is perhaps the most denied Truth on the planet. Love is strong. Love is Powerful. Love is safe. Love IS where your safety lay. Love is active. Love is aware. Love is clarity of Holy Vision.

If it is not LOVE, it is not.

Have a Peaceful-Joyful-Love-Light day in the SunShine of the Father's great Desire for you !

DECEMBER 16, 2009

lookin' for love in all the wrong places?

Love is an inside job. As much as I have talked about Love recently, the vast majority of people who share these entries with me will continue to look for someone, just the right person to make them whole – complete. This can only happen from inside you.

The Peaceful-Joyful-Love-Light Smile is where you find the Love you are missing. Of course when you find it, you can still give it away. Then Life really takes a downhill turn. You can deny / resist your Love feeling and the “hard candy shell” will grow thicker and thicker, imprisoning you in immobile inflexible energy that holds decay.

The Peaceful-Joyful-Love-Light Smile "is your salvation". By daily practice you will quickly find your Self being restored / returned to Truth. Too simple? That which is Divine is simple.

May Simple SunShine Light your smile this day!

DECEMBER 17, 2009

when out is up, or . . .

Today is to clarify two concepts I have referred to. The first is that the hall or tunnel the unrighteous – unholy use to hide / live in is beside us in the sense that, up to us is up to them. It is as though gravity works the same there. Father has said this is not another dimension. It therefore is a hall or tunnel in ours.

The second is that when healers work on a person, such as in massage, Reiki, energetic healing, they work on levels of the energy body that are like layers of decreasing density moving outward. In true eastern style, they are also layers inward, as though the human body were hollow and layers of energy spread inward. Our concept of the body is density with a terminal point at which one has reached a measurable center. Energetically, this is obsolete perception. To the medical world, it is absolute. The energy layers are also not dimensions. So as of this moment I do not know what a dimension is. Do you?

If I were to lapse out of attention to The Father, I would be concerned for the multitude of experimental projects that explore what is, in all likelihood the halls / tunnels the unrighteous - unholy inhabit. The electronic voice stuff is most likely one of those. The more tangible we make the shadows and darkness that dwell there, the further the journey to The Father. Focus on Truth would better serve The People. Search for Truth would progress The People.

May your day be served a full portion of the nourishing SunShine of The Father's Desire.

DECEMBER 18, 2009

winter solstice approaches

As winter solstice approaches my thoughts have been on The Father's calendar. Because His topic of communication has been extensive, in my frame of reference, many days I thought to use creatively with the calendar have had a different focus. I wouldn't trade what I have been learning for any other topic, yet the calendar is an area of special interest to me.

We have viewed the 17th of December as "Day of Divine Light" for several years. A day of "retreat" on which contemplation and relaxation has been the focus. Due to the planetary misalignment caused by other unrighteous – unholy actions, (other than what

we currently see taking place), actions “as far afield” as the collider, or further, actions that exploded into deserts, blowing away people as well as the land, the calendar requires artificial adjustment. Ironic that thousands of years later they would return to the same devastated land to “blow it up” intentionally. Land that still holds calendars in stone.

The constant “need to Know” seems in conflict with The Father’s suggestion to focus on Truth and let deception become NON. It seems to me knowing makes Truth easier to understand, yet The Father has said any focus on the unrighteous – unholy makes it present, rather than the world of Truth. In a sense it would be the idea “what you focus on is what you get”. Where our attention lay, is where our life is.

May your attention be filled with SunShine and Joy !

DECEMBER 19, 2009

perhaps . . .

Perhaps Father is correct. Perhaps I have noticed that life is easier and more fun when my focus is on Him. Perhaps I progress better when no attention, therefore no energy is given "them". Perhaps I knew this and it is their deception that prevails, when I doubt The Father's Wisdom.

Back to: Begin each day with at least a few minutes to "smile" the Peaceful-Joyful-Love-Light Smile. and for at least the first hour upon rising give attention to Truth, while any deception that surfaces is given to the Father in exchange for Truth.

Have a Happy, Smiley Day filled with SunShine !

DECEMBER 20, 2009

point of departure approaches

Point of Departure has been mentioned in this blog previously. However, as I see the debate on global warming switching to cooling and I see increasing volcanic activity, and earthquakes around the planet on the same day, I realize we are being pulled on already. In the last phase of the Sun's orbit, before point of departure, the Sun is slipping to the out side of its normal orbit. (See our website bluestarwaypublishing.com for books that explain this) The stress this places on earth is being seen. But "you ain't seen notin' yet". As rough as it's getting, when that point comes where the Sun is "sling shot" into its new orbit, a large toll will be taken on this planet.

Those who draw close to the Father will be inspired what action to take, how to prepare, where to be. This is *NOT* unrighteous – unholy activity. This is the normal solar activity of this system — one experienced and recorded. This is also *NOT* fear mongering activity. As readers know, I believe Action is part of Spiritual direction and part of Truth. It *IS* in The Father my safety lay, and He is there to guide and direct each and every day.

Have a SunShine filled day of inspired activity !

DECEMBER 21, 2009

right where you are

Have you ever thought how many religions, philosophies, spiritual teachings tell us to look within, it is right where we are? Even in pop literature, like Dorothy, it doesn't require a talisman, like red shoes to know, "it" is right where you are, and you never left "it".

Perhaps as you go about your day, it would be beneficial to contemplate this Truth. "It" is right where you are—inside you. All the Love you seek, the Self you are—right there all the time. Ask to Know the Truth and you shall find "it".

Have a SunShiny day filled with Love, Laughter, and Wisdom !

DECEMBER 22, 2009

happy Solar new year !

A new Solar year begins today. Or does it begin on the "event" of the Solstice? Of course traditionalists will say "bah humbug". Traditionalists in the way of the deception. Rather than serve the maze of mindless dribble "they" have fostered, think clearly, simply of Truth. What is Truth? Ask and you shall find your Way.

May All Righteous and Holy Opportunity await you this and every day of this Solstice / New Year.
