Divine Law carries restorative Power and compense.

What is Created by Divine Authority

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.
Those who transpire to subvert your words and direction
shall Penalty pay,
for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

This material is freely shared by us.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

The Way of Truth

On a balmy SunShiny day of the Truth Way !

Why do you suppose the time and temp website ¹ removed the SunRise / SunSet and MoonRise / MoonSet times a few days ago?

The Father recently brought new understanding to the importance of looking for the Way of Truth. He has been saying, for longer than I care to admit, how important it is to stop all effort to understand the how's and why's of the unrighteous / unholy. Well, I finally got it.

¹ <http://timeanddate.com/worldclock/city.html?n=105>

To stop framing your quest -- your Life in terms of unrighteous / unholy activity requires re-thinking all you say and do.

May this day begin your Truth Way !

On a SunShiny day of turquoise blue skies, balmy breeze, balmy temperatures, pure air, pure moisture!

MARCH 27, 2011

old or New ?

The Sun Rises in Glory and Truth this day !

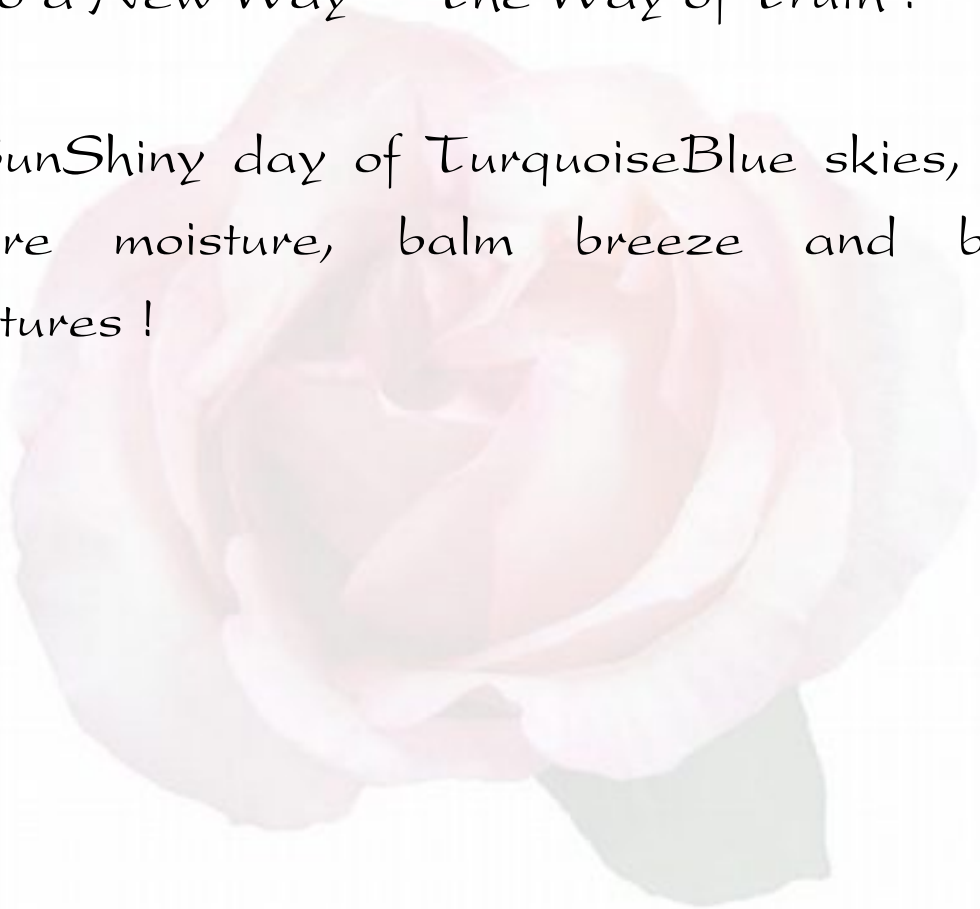

Interestingly, yesterday by the time Martin read my blog and took a look at the site I use for time and temperature, they had added the Sun and Moon Rise times. This was just within a few hours and in a new format. Go figure. After several days of deleting rising and setting times.

I was thinking this morning, about the term "old ways". If we are talking pre-deception, then they are the Way of The Father, which we are activating

once again. If we are talking a month ago or the past seven thousand years, then the old ways need discarded -- ended, and the Way of Truth re-established.

Here's to a New Way -- The Way of Truth !

On a SunShiny day of TurquoiseBlue skies, pure air, pure moisture, balm breeze and balmy temperatures !

MARCH 28, 2011

when is "off grid" time?

With balmy beauty and Crystal Turquoise skies !

Martin and J have been talking with The Father regarding the Current-Sea, electrification of the country, and energy thievery.

We have no "coherent" answer at this time, however we are considering going "off grid" as we have done at various times in our journey.

If this seems the "right" thing to have happen, please check back every once in a while for updates or resuming of this blog.

Spring blossoms have many herbal uses. Do some research in time to harvest and dry or otherwise preserve blooms. Some flowers such as chaparral are really handy to come by. Research edible Spring blossoming plants to increase your "stores" by "wild crafting" in your backyard or asking a friend to share from theirs.

Remember to ensure chemical free plants.

On a beautiful day in the Father Way !

How have your practice uses of preparation materials progressed? Does everything work? No leaks? Can you properly use all supplies without reading instructions? Is your warm weather equipment ready? What is your year round use?

Underestimating the need for familiarity with your equipment and insuring proper function could be critical in an emergency.

Coils of deception

On a Sparkling clear day !

What if the world you see were to be considered as existing within the "coils of deception"? What if the snake of the garden represents the coils of deception he brought to the earth? What if someone (written as "Eve") invited the snake / deception in (to the Garden)?

Isn't it time we make clear the snake / deception and all those accompanying (and pursuing) him were never welcome here?

On a SunShiny day of Sparkling turquoise blue skies, pure air, pure moisture, pure food, balmy skies, and balmy temperatures !

APRIL 25, 2011

Why would we?

On a Grand and Glorious day !

Is it ignorance, innocence, or false politeness that would cause a Person to open the door of his home to deception? Why would we open the door to the presence of unrighteous / unholy deception?

They have dwelt too long among us by deception.

Nuclear power

On a Balmy SunShiny day !

Recently I heard a guest on talk radio say there are 15 nuclear power plants along the Mississippi. Sure looks like more to me... or, are they just in close proximity?

More on nuclear

On a SunShiny day in The Father Way !

Seems to me those who support nuclear power have the destruction of The People in mind. How do we end operation of those plants? (No confusion to be assumed with green growing plants of the planet)

How can we safely dispose of the adulterated minerals?

How do we end the contamination?

If we evacuate the land destroyed by radiation, where do we go?

Have you looked at a current map of reactors? Not just power plants, but all facilities?

On a balmy day of Sunny activity, with pure air, pure moisture, and crystal blue skies !

APRIL 29, 2011

Sun and radiation

On a balmy SunShiny day, I give Thanks to The Father !

Why do you think there is such fear mongering regarding the "radiation" hazard of the Sun?

Has the hazardous waste being sprayed in our atmosphere altered the "Sun's radiation"?

Is this confusion to divert our concern from nuclear power plants?

On a SunShiny day of Truth, with crystal blue skies, balmy days, and Purity !

APRIL 30, 2011

Delays

With Divine Grace on a Balmy day !

I've heard accusations toward the Japanese government, saying they "can't hide the level of disaster" at their power plants any longer.

Who was really hiding the extent of damage and danger?

Was the gradual release / increase of data to keep us calm about our "domestic danger"?
