Divine Law carries restorative Power and compense.

What is Created by Divine Authority
is Protected by Divine Authority.

We leave it to Divine Law to balance any transgressions.

restorative: give back, put back to former state, return

compense: remuneration, counterbalance

Translation Notice: In Divine Service

Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God,' 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

what substance isn't

Good Morning !

On a cool breeze, balmy blue sky day ! Thank You,
Father!

Looking for the words substance and substantial in the dictionary, I found only false definition, with the exception of a reference to Christian Science, where substance is identified as eternal, or, an attribute of "God".

We are so awash in the deception that we can only believe substance is what is "tangible" to the physical senses.

This deception is to be placed under consideration as a proposal for Truth regarding Substance is the topic of this blog the next few entries.

On a breezy, balmy, Sun-lit day may Blessings flow your way !

JULY 27, 2011

substance of

On a beautiful balmy, cool breeze day !
Thank You Father !

“Now faith is the *substance* of things hoped for,
the evidence of things not seen.”

- 1769 Oxford King James Bible 'Authorized
Version

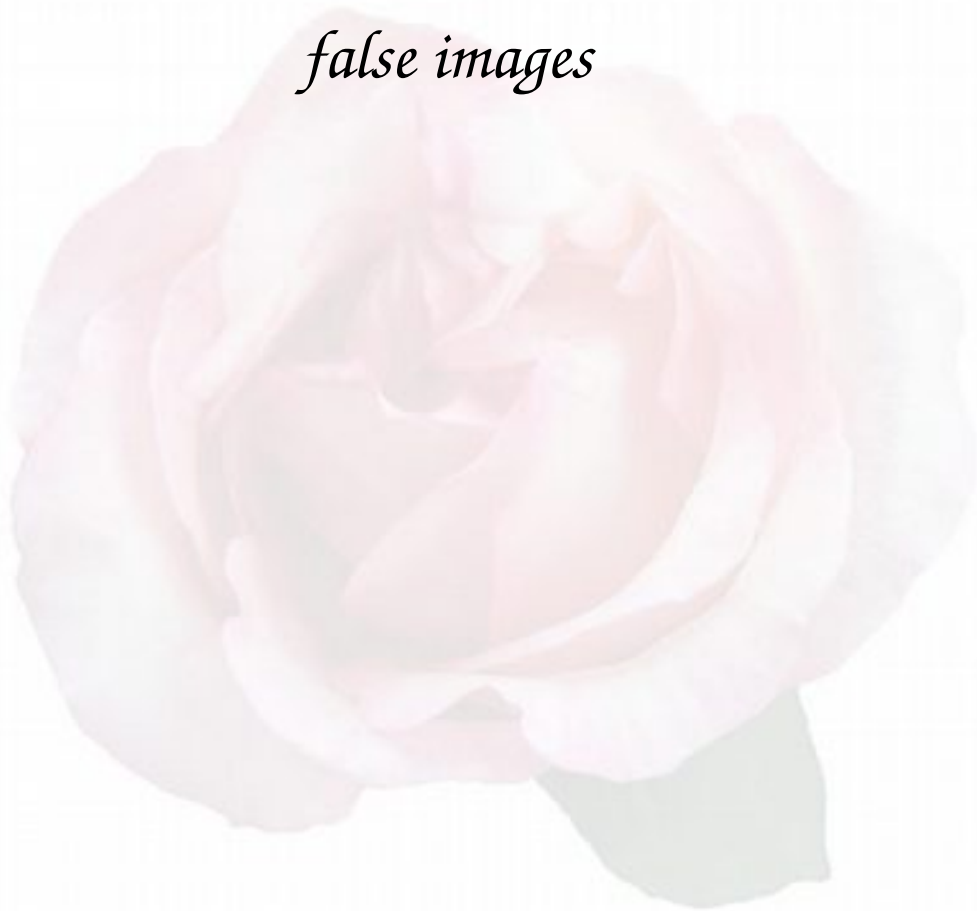

Perhaps Faith is something more than the physical
senses can convey.

Ask to see Faith in The Father Way. See what is
revealed this day.

With blue skies, balmy temperatures and cool
breeze receiving pure rain !

JULY 28, 2011

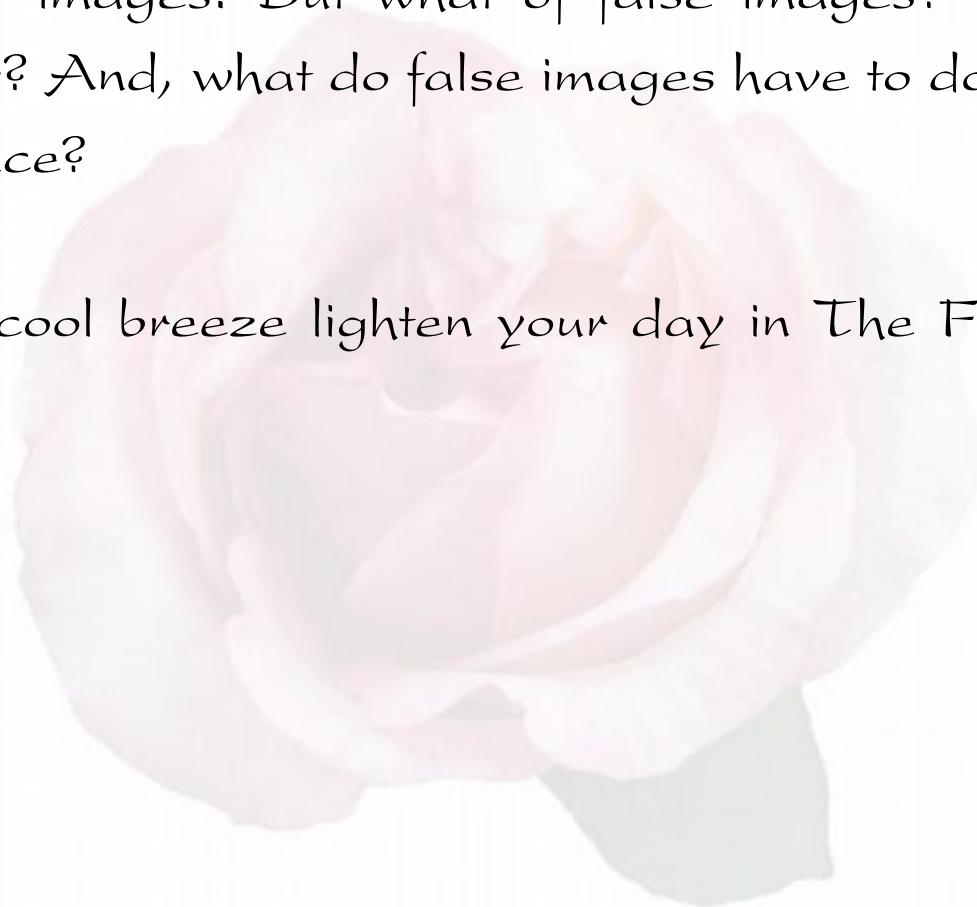

false images

On a beautiful, balmy, blue sky day with a cool breeze!

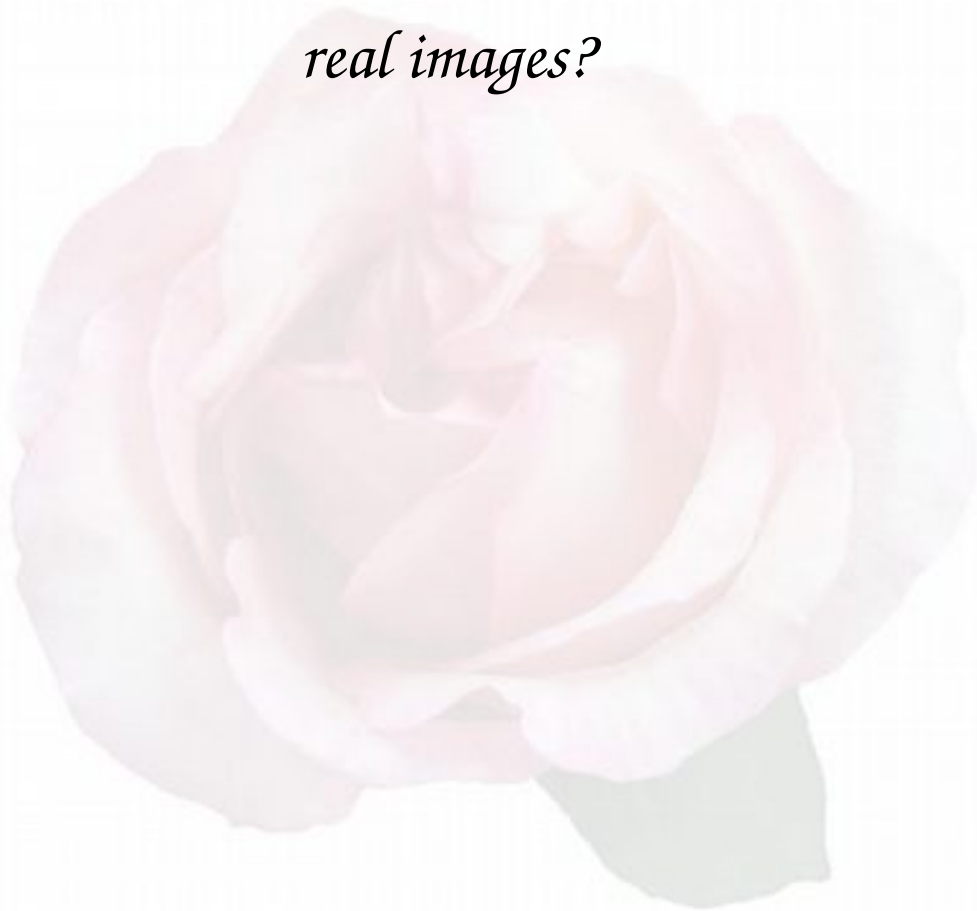

In our culture we are familiar with the idea of no "graven" images. But what of false images? What are they? And, what do false images have to do with Substance?

May a cool breeze lighten your day in The Father Way!

JULY 29, 2011

real images?

With pure rain, cool breeze, and blue sky !

Could a false image be "seeing"
the *unsubstantial* world of deception as "real"?

Thank You, Father, for a perfect day of Truth !

JULY 30, 2011

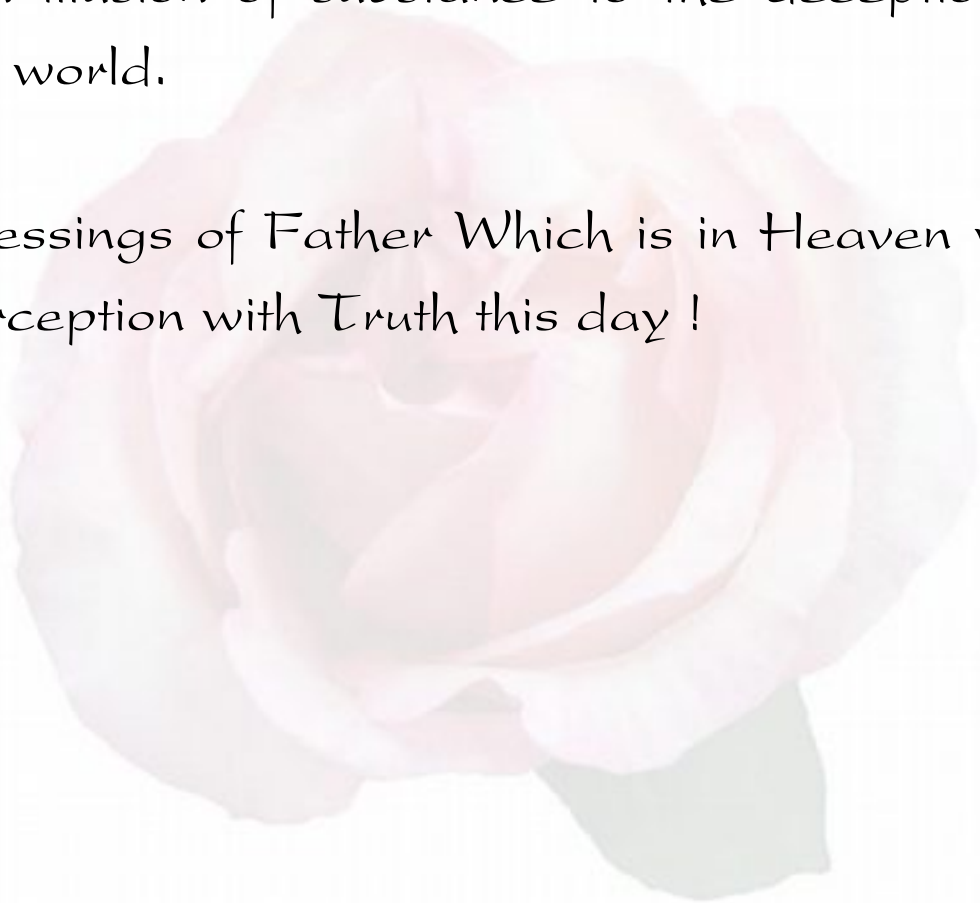

substantial illusion

Thank You Father for the pure rain and cool breeze
under balmy blue skies !

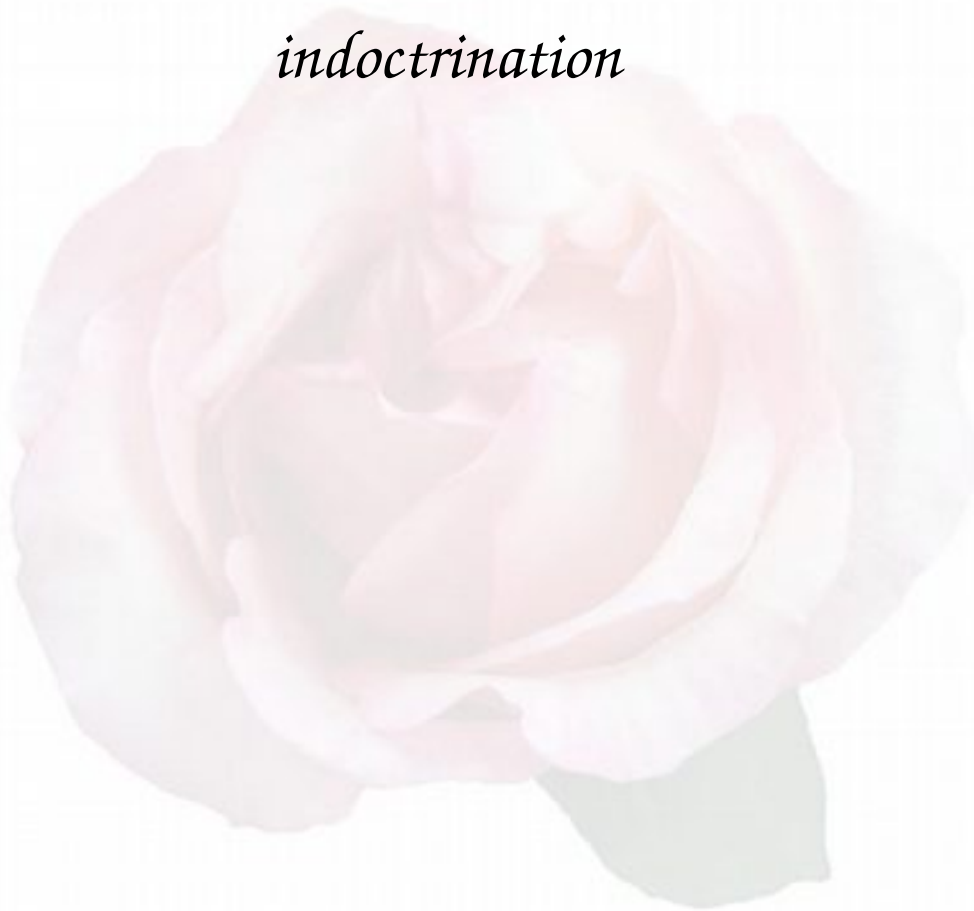

We are saying it is a false belief, or false image, that
gives an illusion of substance to the deception, or
material world.

May Blessings of Father Which is in Heaven wash
your perception with Truth this day !

JULY 31, 2011

indoctrination

Pure skies, pure rain, puffy clouds, balmy breeze,
blue skies !

Perhaps if the People were told to make no false
images, this was to say, our perception is to be in
the Light The Father gave, which illuminates Truth.

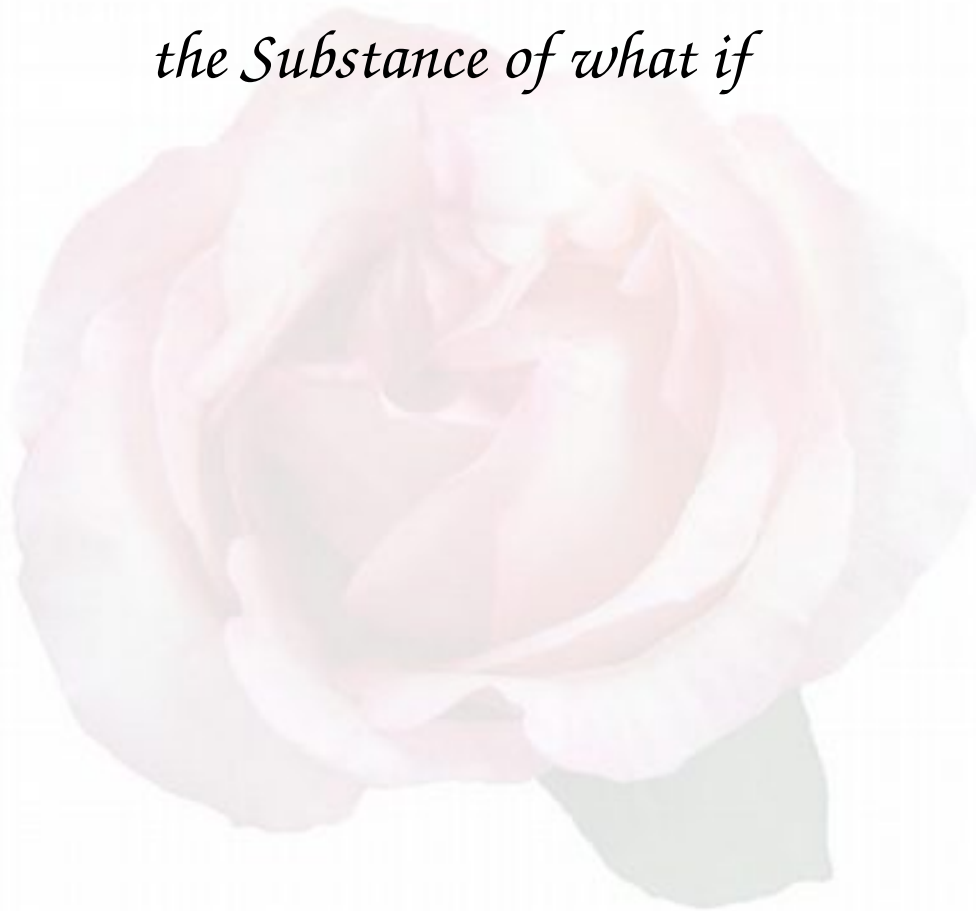

We see with false perception when we perceive the
world or our Self, as other than "Good". This false
perception is a false image that we have been
indoctrinated to believe is the substance of our
experience.

(indoctrinated seems to carry an energy similar to
inoculated, or vaccinated)

May Truth prevail in your perception this balmy
day !

AUGUST 3, 2011

the Substance of what if

With Thanks for a Divinely Perfect day !

We could arrive at the understanding there can be NO deception when we know the deception as unsubstantial.

When we Know The Father, Truth, Love, Power as Substantial, we have "turned" from the deception toward Truth-Light.

Contemplation of the Truth may bring you to a new perception of Substance. I have been a proponent of the "what if" perspective. What if -- everything I was taught is unsubstantial is, **in truth, substantial?**

With pure rain, pure SunShine, blue skies, puffy clouds and a cool breeze on a balmy day !

AUGUST 2, 2011

that is to say . . .

Puffy clouds pass through a blue sky, carried on the cool breeze after a pure rain !

It could be said from previous observations that, the Substance of our experience is Divine Truth.

Thank You for a Perfect Day !

AUGUST 1, 2011

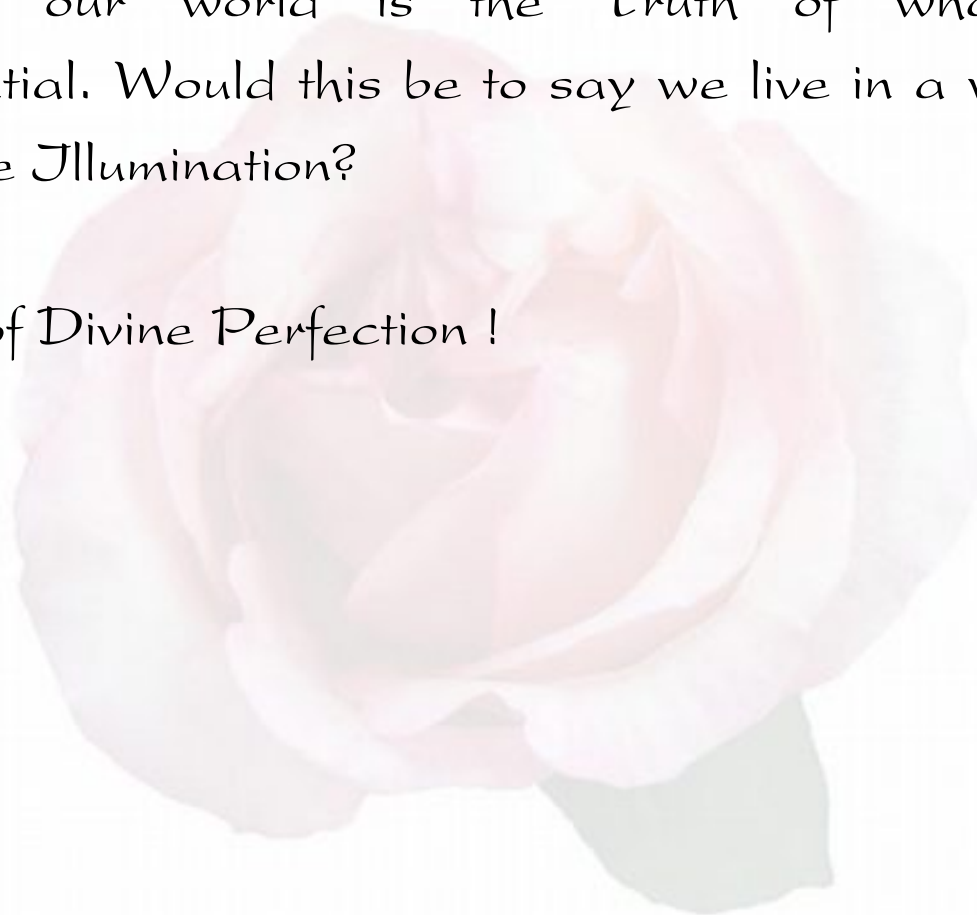

Light as Substance

With all Righteous and Holy expectation this day !

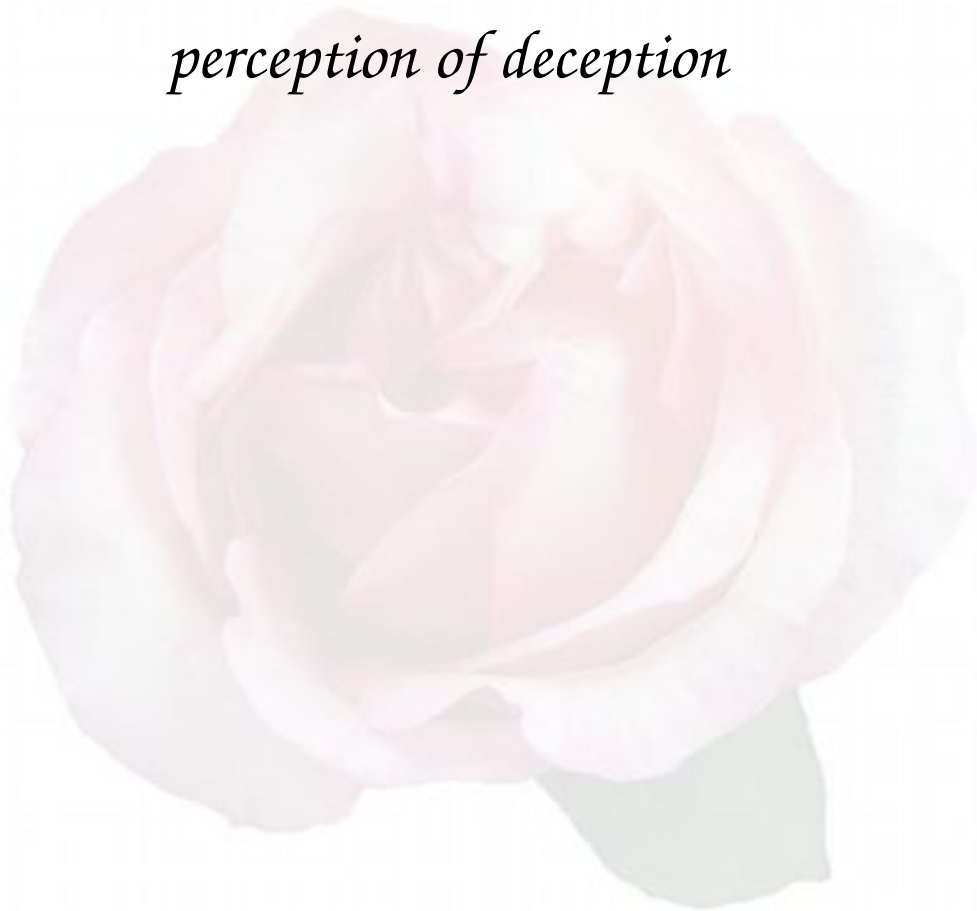

What if you could perceive Substance as an attribute of The Father? The Light with which He created our world is the Truth of what is Substantial. Would this be to say we live in a world of Divine Illumination?

A day of Divine Perfection !

AUGUST 6, 2011

perception of deception

Thank You for Pure Rain, blue skies, and cool breeze !

To "see through a glass darkly", is to attempt to see Truth "in potential" to full darkness.

There is little to no Truth visible.

To congratulate one's Self on clarity of perception in such a situation is to live in self-deception.

Moments of Divine Clarity reveal Truth which illustrate to the deceived deceiver the extent of their self-deception.

On a balmy day of blue skies !

AUGUST 10, 2011

One Sunny afternoon

On a beautiful fall day of pleasant temperatures and cool breeze !

At the end of last week, in the middle of the afternoon, the subtle, but abrupt shift in seasons came.

As a child, the "summer" weather continued until just after labor day, when the shift to early fall with the sound of cicadas crescendoing would herald the change from summer to early fall. For more than 10 years I have noticed this subtle, but abrupt change arriving earlier and earlier.

One might observe, what difference does a few weeks make? However, those few weeks have become a month, which contributes to an extended winter season.

We are close to "point of departure" as Father has described it. Unsettled weather and Solar activity was to be expected. It is unfortunate there are those who falsely believe they have the "right" to create further disruption of the environment for their own lust. It becomes difficult to discern the difference between what is "natural" and what is "created".

In all of this we must be prepared as best we can and keep progressing in Truth. To seek the Wisdom and Truth of The Father is our only direction for progressing through these times of change to a new path.

Under brilliant blue skies and clear balmy days !

AUGUST 11, 2011

Truth of Rapture

On a balmy fall day, In The Father Way !

It is amazing to witness the abrupt change from extreme heat to fall coolness in just one moment. This, of course invites fear for the winter cold to be just as extreme as the summer heat.

We have all come to realize that being filled with fear excludes our expression of the Love / Rapture we are. The average Person has been indoctrinated to believe Rapture is some take us away in the UFO type of experience, (or a chariot of fire, or some such thing).

I would like to repeat the Truth of The Father,
which is:

Rapture is our innate state of Love that is far
beyond what our experience of Love has been from
within the coils of deception.

May all of us who seek The Truth of Father Which
is in Heaven KNow our Self as Rapture !

With brilliant blue skies, a cool breeze, pure air and
balmy temperatures !

AUGUST 12, 2011

Where are you?

Pure rain nourishing the soil on a Sunny Blue day !

How are your preparations progressing? The Father has indicated preparation is wise. Water, food, heat for cooking. Even the "foraging" of city property is a very limited resource. Cans of food may be very limited in nutrition, however, they will keep people alive during the worst of times. Remember several can openers!

Air filtration may be more important than we think. What furnace filters will fit your window? Simple units of triple filters with hand cranked fans may save lives. Remember to use *NO* plastic.

With SunShine on a balmy day !

AUGUST 13, 2011

is compassion "good" ?

SunShine, pure rain, blue skies and all is well !

I had been feeling very successful since Summer Solstice with this blog. The entries were short, concise, and focused on Father. And now, this week. . .

So here is another observation that may be more lengthy and include less than positive information.

A very important and usually overlooked facet of the Spiritual abilities of The People is their compassion. This is a vulnerable spot in The People that is utilized by the unrighteous-unholy to manipulate and deceive The People.

When we would cast out any unrighteous-unholy presence in us, thoughts are produced that would show compassion toward them. These compassionate thoughts allow the unrighteous-unholy to keep hold of our body, thoughts, and

Spirit. These thoughts blind us to the Truth of the cold, hard, destructive presence that would have us make many large and many small choices that overtly or subtly oppose our expression of Truth, Love, the Presence of our Divine Nature.

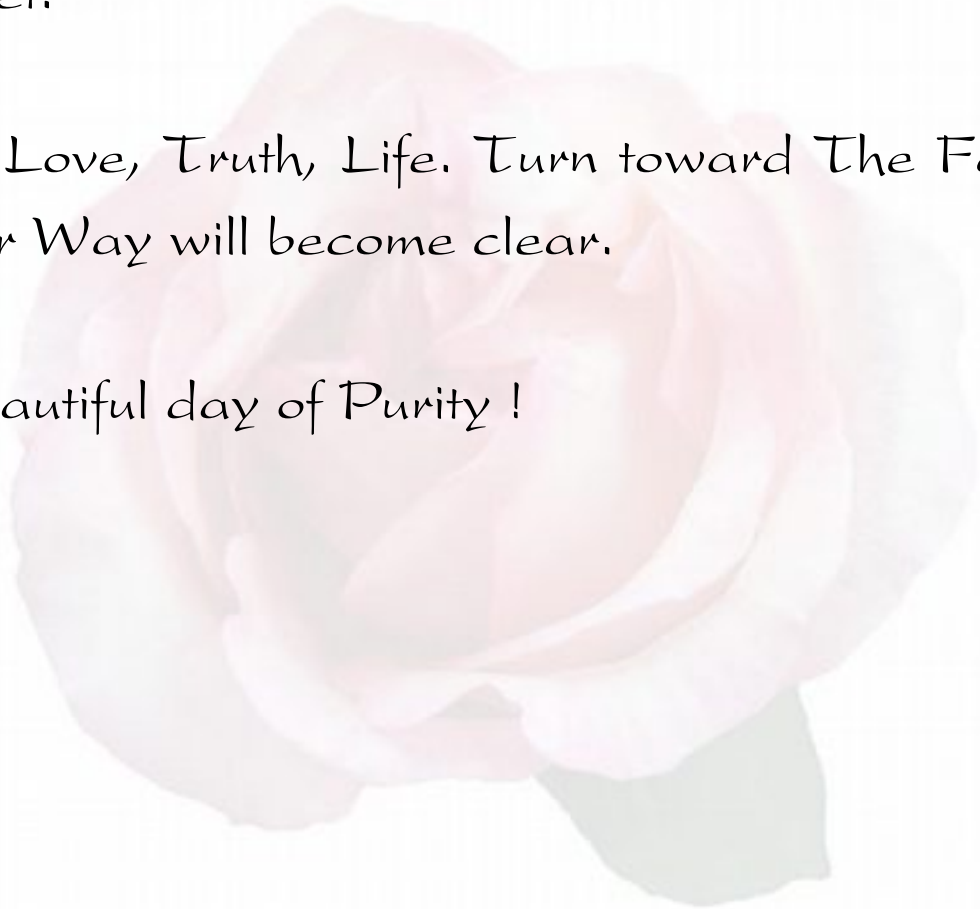

To progress in Truth we must recognize the deceptive manipulation of our compassion and recognize we are not benefited by our compassion toward those who choose everything that opposes Divine Expression upon earth. The unrighteous-unholy have no desire to change--to be loving, compassionate, joyous, and so forth. Their lust for power, energy, wealth, is ever expanding so as to engulf and consume all the earth and her People.

Focus on individual progression in Truth, Love, Joy, Substance, Life is the only Way to end the deception of false compassion toward those who walk in darkness. Remind yourself it is deception to believe they might change, they have the same needs we do, just give them a chance. Turn away from

their deception and toward Father and Truth. Move on with your creative expression of Life focused in Truth. If "they" were going to make a different choice they had 7000 years (or is it nine?) to make it, rather than expanding their consumption of us and the planet.

Choose Love, Truth, Life. Turn toward The Father and your Way will become clear.

On a beautiful day of Purity !

AUGUST 16, 2011

Caves

On a Balmy, Blue sky day !

Interestingly, I have not made entries in my blog as I have been contemplating the information I was recently given. Then, today, amid the minor annoyances of dial-up internet, I listened to a "you tube" segment of a Time Monk interview with "Clif High". The second section ¹ last few minutes addressed a topic Father has provided guidance on from several years ago.

¹ <http://www.youtube.com/watch?v=br5pgjUjtIM&feature=related>

Clif has come to the understanding that living in caves at the time of extreme Solar activity has historically been practiced. This confirmation of Father's Direction was very welcome. It was also the first time I have heard such preparation suggestions from anyone else. I have often considered whether the "abandoned" dwellings in the "American Southwest" were for just such times.

May your preparations be abundant and timely !

On a SunShiny day of Joy-full activity !

AUGUST 20, 2011

by who's authority

On a day of brilliant clarity !

The People of this land look to the constitution for authority to reclaim their sovereign rights.

Were The People to be restored in individual capacity to walk with The Father, everything "else" would be *NON*.

If The People would know The Father in Divine Truth, all "the best laid plans" of the unrighteous-unholy would have no power upon the earth.

Sovereign Authority is with those who know their Self in Divine Truth.

With Blue Skies, pure air, pure rain, balmy temperatures and a cool breeze !

AUGUST 23, 2011

Who is your authority ?

Thank You for the pure rain, cool breeze, and blue skies !

J posted a comment on Sovereign Authority after reading a website's comment on the "declaration of independence". Then, recently J read an outline of a presentation (perhaps a powerpoint type outline) on authority based on biblical "authority".

J realized that, while many ideas addressed by The Father are also available to anyone who seeks His Knowledge, perhaps there are some People who read these two blogs on our BlueStarWay.com website. Of course, anyone who would utilize the ideas proposed on our website or in our blogs which are based on information The Father has given, would feel no requirement to "cite" the original "Source" of this information, because what authority do Martin and J have? Only those who lend "authority" to the Person who repeats His ideas would be "cited" in their treatise.

J occasionally listen to James McCanney ² and he is obsessed with these type People. He would probably consider them unrighteous-unholy due to their less than honorable methods. Well, perhaps that is so.

We make every attempt to cite our sources with accuracy and honor.

J will leave the topic of Authority to Martin and his great eloquence. Since J am embarking on a series of thoughts for which J have no "human authority", J wanted to comment on this topic.

On a balmy blue day, with bubbles of Joy !

"devices"

On a pure air day !

I heard a story the other day, of a young man who stole a new cell phone from the hands of the owner. He was unaware of a new application that uploads all photos from the phone immediately to a website. He was "apprehended" when he took his own photo.

As I heard this, I was aware of the entrapment (or is it addiction?) of unrighteous-unholy "provision". This young man was so desirous of the "conveniences" every one has, that he would steal what he thought he couldn't afford. This false

attachment to "energy sucking devices" is destructive in many subtle ways.

Those who call themselves faithful to "god" are also trapped in worship of this false god. People in food pantry lines talk incessantly on cell phones while they wait. How do they afford a cell phone and can't afford food? If it is a cell phone provided to "needy" people, how do they manage so many minutes?

The bottom line for consideration in all this is, where is your heart? Is it with The Father, or is it with the world and all the energy stealing "devices"? There is no innocent desire for the "devices" of the world. The Desire of The People must first and foremost be for The Father.

On a SunShiny day of pure air, pure skies, pure rain and all is well !

AUGUST 30, 2011

Control

Pure rain nourishes the garden this day !

Have you ever noticed the unrighteous-unholy have no concern over who's in charge? They know they have "sold" control to their "god", the geneticist.

Why then, do those who look to The Father have such attachment to their own control?

What is the difference?

more on sinkholes

With pure air and pure rain !

It's very interesting that some scientists have proposed, since the earthquake in Virginia, that underground nuclear tests are creating earthquakes as well as sinkholes. (I seem to have misplaced the links.)

"Aliens may destroy humanity to protect other civilisations", say scientists ³.

Interesting that they are blatantly announcing their plans for the destruction of The People, for whatever reason they can project on to us.

Power is The People's

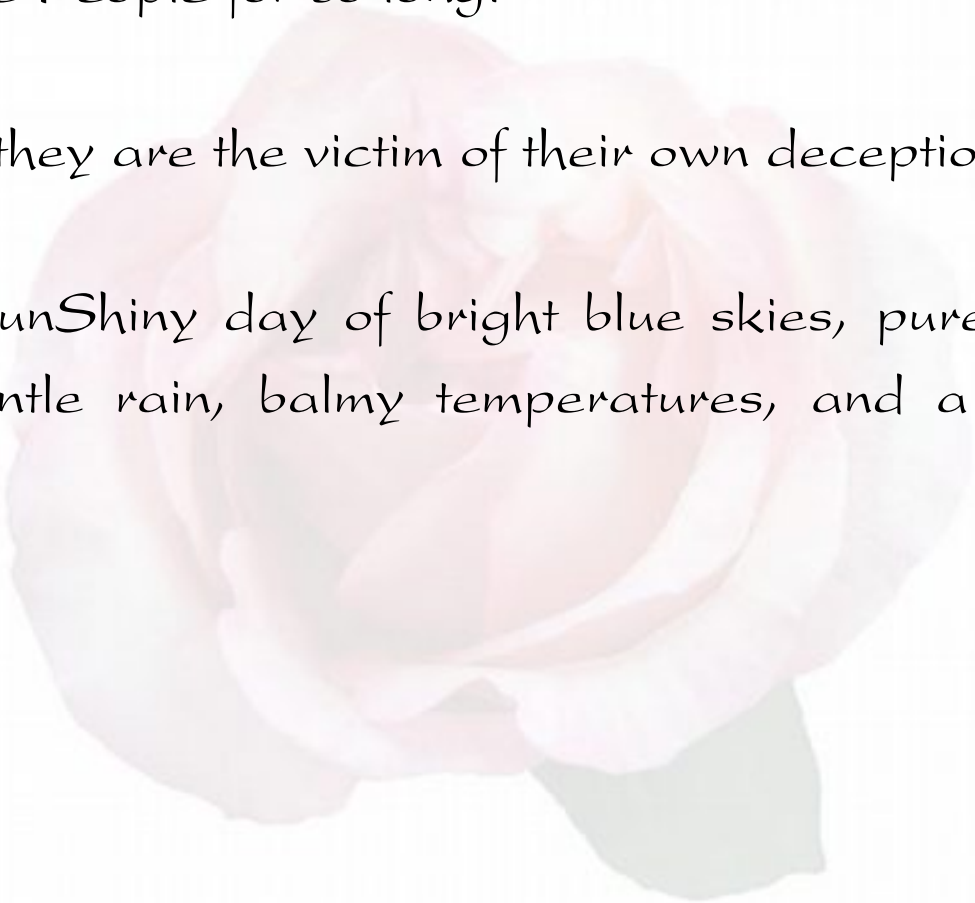

Dancing in bubbles of Joy !

The unrighteous-unholy believe the "power" is theirs because they have been thieving Father's Power from The People for so long.

In this, they are the victim of their own deception.

earth changes and celestial events

On a balmy day with a cool breeze !

The Father has said J should share a perspective regarding earth changes and celestial events that Martin and J wrote about long ago. We used this information to create our "Showay" series ⁴ of science fiction, so as to make new astronomy concepts more accessible for more People.

This information has no "foundation and authority" except that which The Father has. Therefore, it is shared as "food for thought". Jf it is only an exercise

in creativity, then, one has benefited. If there is practical application in contemplation of the possibilities related to this information. then, there is greater benefit.

"Take or leave it", but no "authoritative" condemnation will be entertained. If this information is "entertained" as possibility, please give Father and BlueStarWay ⁵ the acknowledgment as "Source" for the original idea.

earth changes and celestial events -- prepared

In The Father Way !

An important opportunity is available through the changes which are imminent.

Many "experts" are saying that we could be thrown back to the stone age with regard to our "industrial progress". This is only a partial observation of what we know in our hearts is coming.

Replicas, as well as actual functioning instrumentation, machines, infrastructure are available to the interested. How was water carried

to cities in ancient cultures? How were "sewers" constructed? How was printing accomplished? How was navigation performed? All through instruments or devices made of "low tech" materials and construction.

This is our opportunity to return to balance of technology. To the point we should have shown the Wisdom to say, "This far and no further!"

Years ago I heard it asked, "If Atlantis was so advanced, why didn't they prepare better?" I would ask "If America is so advanced why isn't it preparing better?"

Something really good can come out of what is to happen and it doesn't have to throw us back to the stone age, if we are prepared.

*earth changes and celestial events –
validation and entitlement*

With blue skies and puffy clouds !

Have you noticed the "new" information regarding the celestial arena that comes regularly to the internet? Things you've never heard of before? Have you noticed sci-fi becoming reality, such as businesses and government switching to computer "pads" where all books and paperwork are viewed or created?

What we will be considering in this blog has been relegated to our science fiction books, with the expectation there will be "validation" by those with "authority", just as the computer "pads" have become "valid" in a paperless society.

I suspect the rampant unemployment is designed to entice The People into "jobs" they would morally or ethically refuse not very long ago. At one level the future is being implemented on a daily basis and on

another level the labor is being forced into chutes like cattle for the slaughter.

There is lots of talk about "entitlement" as a flaw in the mindset of people. Weren't many of those people raised on "Star Trek" where the people received all they needed with no money required? The view of entitlement was progressed from the '60's to where it is today.

It is very interesting to see the diverse development converging at this point in time.

*earth changes and celestial events -- point of
perspective*

With Sunny blue skies and puffy clouds !

The ideas presented in these entries will, most probably, contain different "perspectives". Each one, viewed from a particular point in space, will allow for information to be conveyed that might be invisible from another perspective. I will attempt to be very clear regarding the point of perspective.

The graphic representations will be simple, since I am not trained in computer graphics. I have great fun creating the illustrations, even though the topic may at times be distressing.

With a Light Heart and anticipation we will begin by identifying some basic differences in perspectives. These differences might in fact explain some "cloudy" areas of current theory.

*earth changes and celestial events -- orbit
introduction*

In the Divine Way !

The first consideration is that the Sun has an orbit.

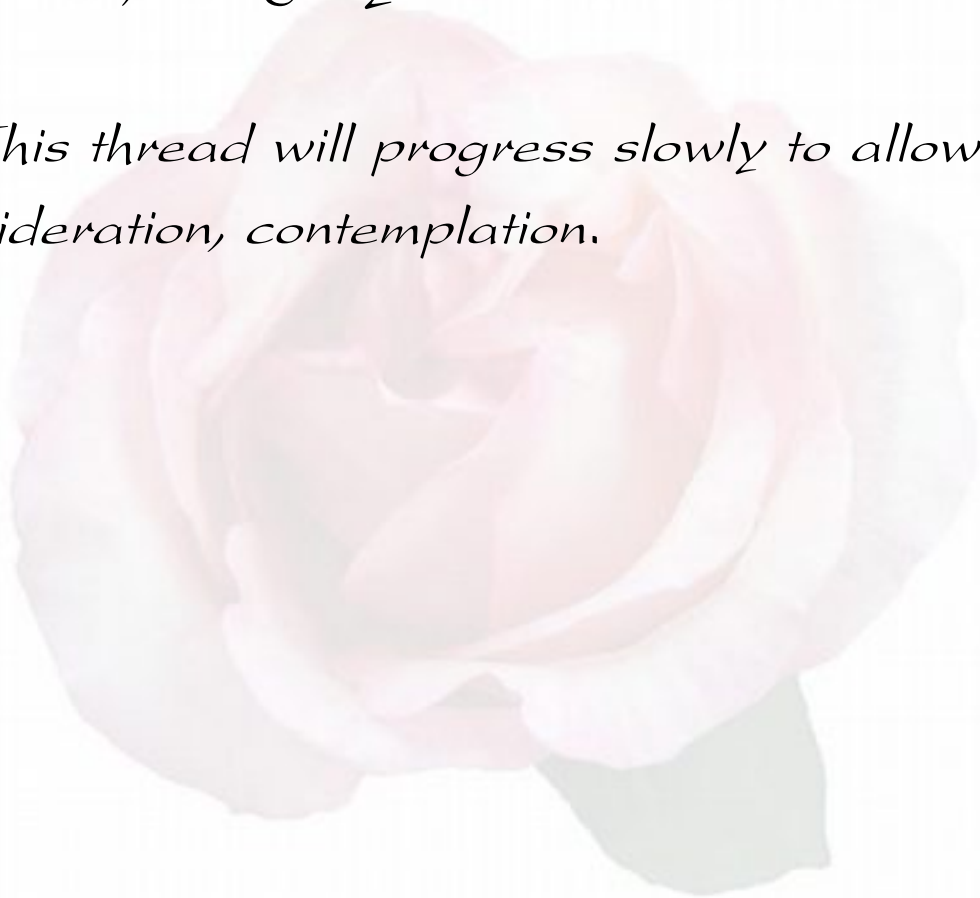

It is just recently I heard, for the first time in public media, the Sun has an orbit. The publicly referenced orbit is inaccurate, according to Father, or, perhaps incomplete, or, perhaps it is a matter of perspective.

By Father's explanation, the Sun's orbit consists of two ovals.

The *mechanism* for changing from one oval of orbit to the other oval of orbit is what we are currently exploring as causative of earth changes.

the little hate word

With pure rain and cool breeze !

Do you ever say something like, "I just hate to put someone on the spot like that." ?

You know. The little, polite, multitudinous, humorous ways it is possible to sneak in the hate word.

But have you thought what it really is you hate?

Have you ever thought your unknown thoughts are surfacing to tell you what needs cast out to make more space for LOVE?

Light for Truth

With Pure air and a Pure breeze !

So, what if it seems like who you really hate is yourself?

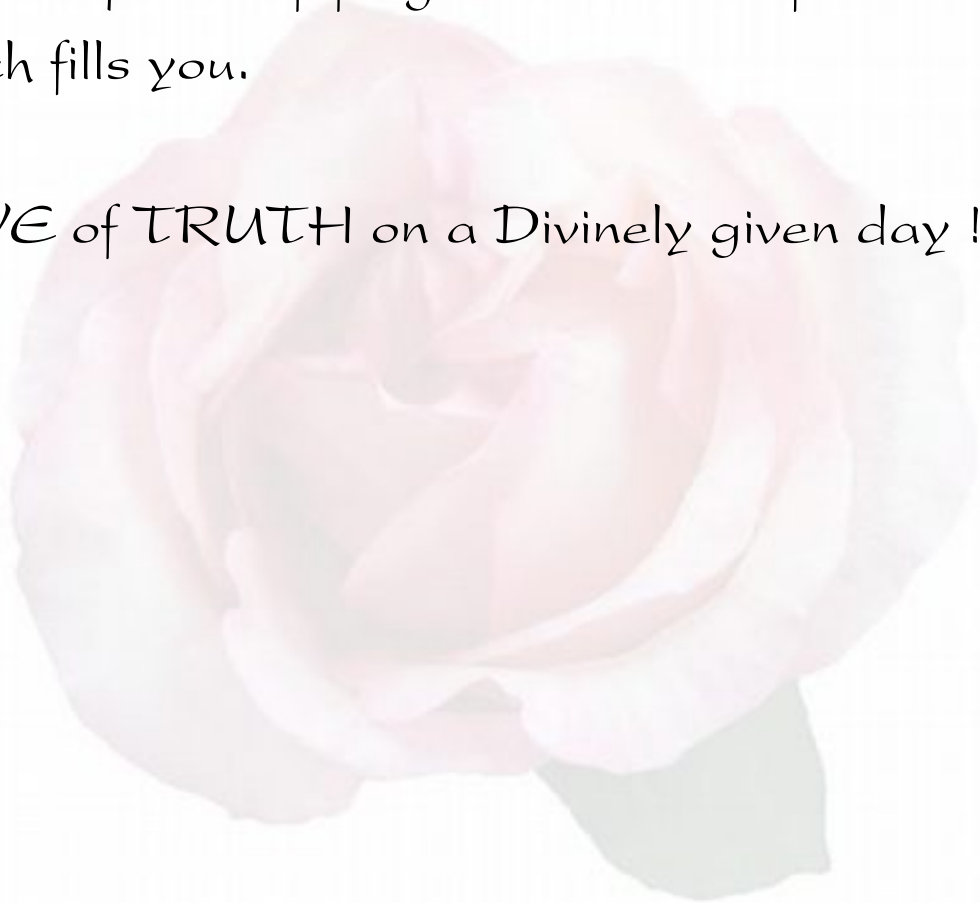

How do you discern if you are believing in a deception of the unrighteous - unholy, or a truth?

If
it is *NOT LOVE*,
then
it is *NOT TRUTH* !

As you Pray to The Father:

- ◆ Light a candle for the Flame of Love within you.
- ◆ Light a piece of sage for the smoke to carry the deception out of you.
- ◆ Light a piece of fragrant material for the Love which fills you.

In LOVE of TRUTH on a Divinely given day !

Salt of the earth, or is it the sea?

What is the Fall Equinox like where you are?

Statistics is a very specialized area of "education". It teaches a correlation or causal relationship, depending upon the structuring of the research and the math used. This is not to say it indicates a positive or negative influence, for, as we have "all" heard -- statistics lie.

If one considers the use of salt on food:

Did the "measurement" of increased risk for the heart come from use of sea salt, which was used for

thousands upon thousands of years for the health of
The People?

Did, in fact, heart risk increase with the use of
unnatural salt?

Or is it the case that, decreased use of natural salt
intake *preceded* heart risk?

I guess, in general whatever is most profitable is
what the statistics "prove".

Equinox who?

On a brilliant blue, red and yellow day !

Just because:

A favorite site of mine is timeanddate.com. It is interesting that commercial radio mentioned yesterday that the "real" autumnal equinox is tomorrow. Timeanddate has an abundance of information with pages such as "The September Equinox Explained" ⁶ and Seasons Calculator ⁷.

If you take a look at the site, note also the "day and night world map" ⁸. The seasonal changes are dramatic to see graphed.

This site can be adjusted for southern hemisphere data, also.
