## Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.  
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,  
Right and Proper Orderly Progression  
of Divine Nomenclature each and every day, step of your way.  
Those who transpire to subvert your words and direction  
shall Penalty pay,  
for that which is Divinely Authorized Nomenclature,  
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.  
It is, would be, a departure from that Divinely Authorized  
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,  
reflections, inflection would no longer convey the subtle  
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes  
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at  
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the  
sacredness of a promise.

## NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

**Future material will show Spiritual Progression in Awakening.**

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

**Divine Answers *Respect* all living things.**

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

## In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

**This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format.** This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

**You may freely reference this material only if you correctly "cite your source".** That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

## ***Side note by Martin***

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.  
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

MARCH 22, 2012

*"living proof"*

Sunny days with lightly floating bubbles of Joy !

Father has made it very clear that true protection is found in focus on our Divine Journey and His Presence.

With the Solar activity we asked what to do, and we were assured that protection is where we are.

I have seen an event like special effects out of a movie.

I asked what to do during a tornado warning, and Father said take a chair to the kitchen door and watch.

In a very brief time I saw a "dome" of energy, the other side of which the clouds churned and the storm raged.

Within the "dome" all was well.

This was "LIVING" proof of Father's protection when we are focused, in Peace, on Truth.

This event is not something I can "prove", since the camera was with Martin, but if you "test" it, you will Know the Truth I share.

This is to say, I KNOW the safety of The Father's presence.

You can too. And, it is my hope, something you choose.

With Pearly bubbles of Joy !

MARCH 23, 2012

*new Measure*

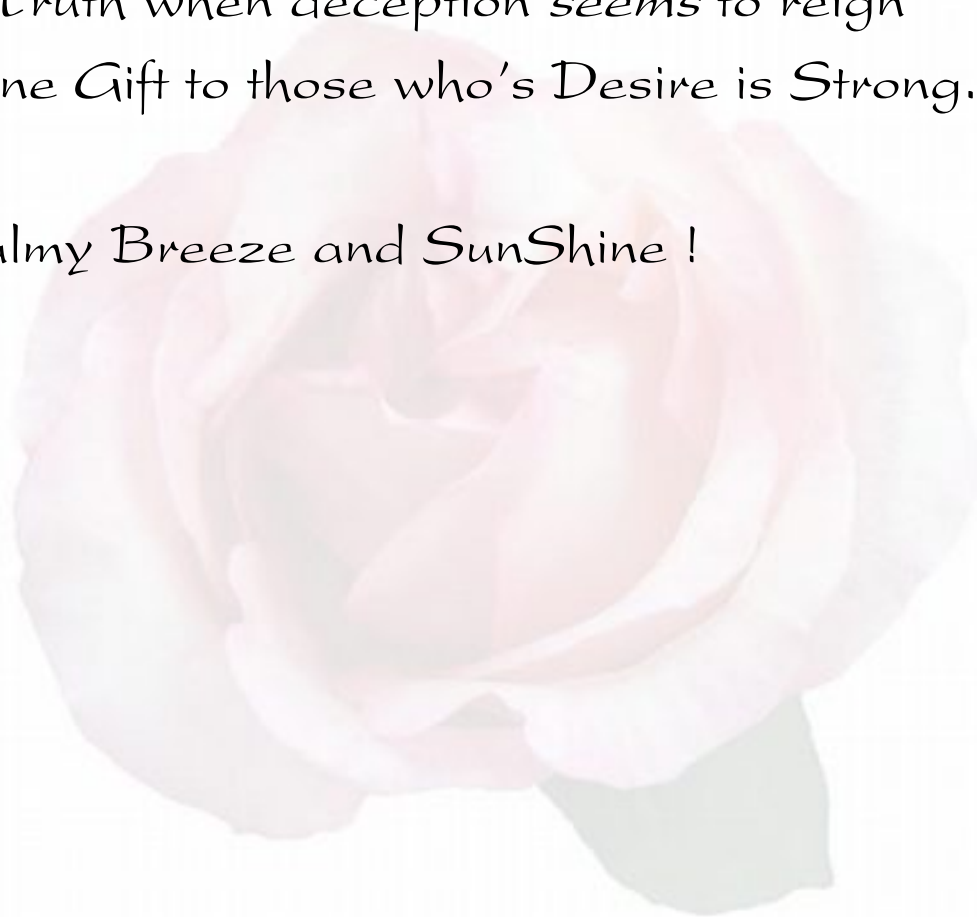

after the gentle rain, blue skies and balmy days !

So, a new Measure begins.

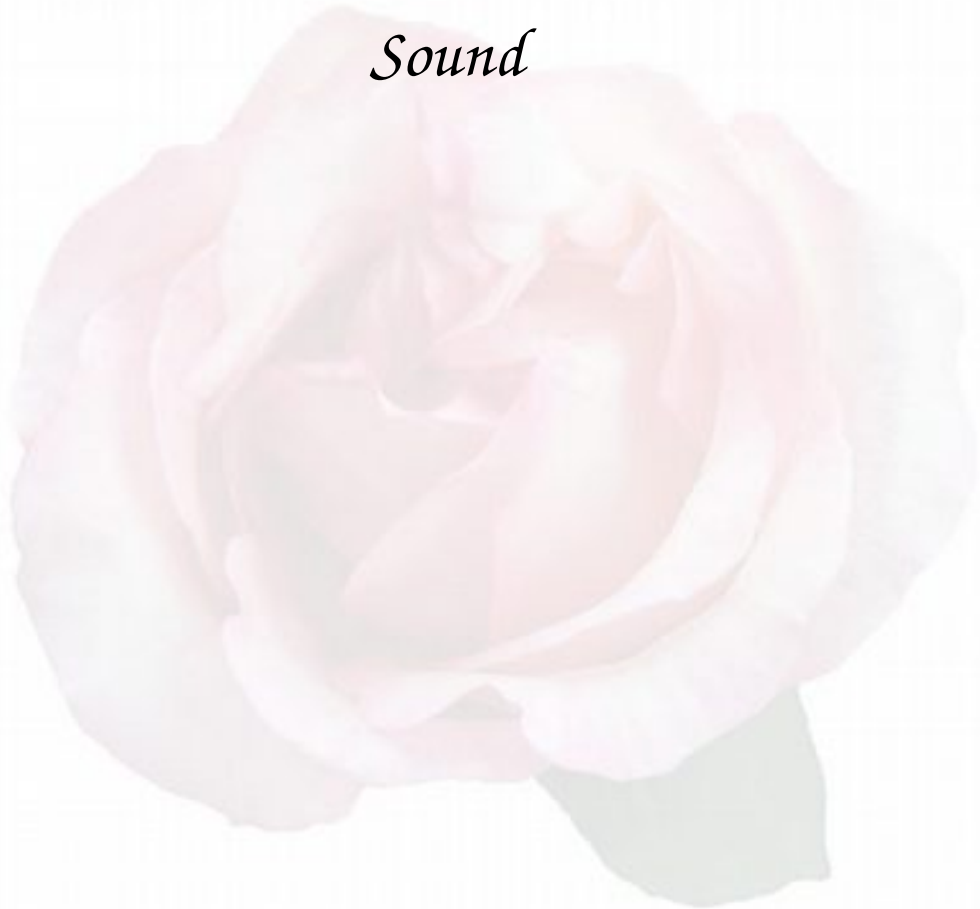

To see Truth when deception seems to reign  
is a Divine Gift to those who's Desire is Strong.

With Balmy Breeze and SunShine !

MARCH 24, 2012

*Sound*

Rosy days of Spring !

Power is the Source of Sound.

Sound is the end of deception.

Within is the Knowledge of Sound.

Sound is particle of who we are.

Balmy days nourish the Soul !

MARCH 25, 2012

*Who are you ?*

balmy days and nights of Spring !

Are you the kind of mom you wish you had ?

Are you the kind of dad you wish you had ?

Are you parenting the way you wish it was for you ?

The Father has said :

Not every one is meant to be a parent.

Only a few have such a "calling".

This would explain overpopulation.

It is mostly a religious deception that calls for rampant childbearing.

With balmy blue skies and puffy clouds in SunShine  
!

MARCH 26, 2012

*RRPP*

flowers "spring" forth !

Knowing "who" you are is of the utmost importance. Ending the deception, in which, you "took on" an identification based on society, parents, religion, requires strong Desire to end all that isn't you by Knowing what / who you are.

To say, you are a "wave" of musical tones, is empty until you have the experience.

To say you are a particle of Light which is sound, is incomprehensible until you experience the Power of who you are.

To say you are Rapture, the LOVE of myth and lore, is fantasy until you remember who you are.

May we know  
The Rapture,  
The Rhapsody,  
The Power and  
The Plan  
of who we are this day !

On a SunShiny day of balmy breeze !

MARCH 27, 2012

*Razor's edge*

balmy days of spring, pure and gentle rain

Do you have pain you can't explain?

In eastern tradition there is a concept of the razor's edge.

This concept entails the fact that the pain slices us like a razor, when we try to be spiritual and worldly.

It is only possible to be free of that pain by walking in Truth upon the earth.

In western tradition this concept is "blunted".

It sounds much more benign to say "sitting on the fence", or "a foot on both sides".

However, these do not convey the Truth of the situation.

The fact is, when we try to be "spiritual" while indulging in the ways of the world -- trying to "rise above it" -- we are playing in an unrighteous - unholy way.

To attempt "having it both ways" is impossible.

The People must choose Truth as their "way" of Life.

In Truth, the pain of walking the razor's edge ceases.

SunShine after the gentle, balmy rain !

MARCH 28, 2012

*earth spirits*

SunShiny balmy days !

I recently heard part of a show on earth spirits.  
The men proposed "calling" the earth spirits to do things for you.

Father has said to *NOT* call earth spirits.

My understanding is that when they do / perform something to benefit The People, they expect something in return. That something, in all likelihood, is not something that will please you.

When earth spirits are doing what they want, to benefit the land, it is my understanding there is no "fee" to be paid. It is then permissible to receive their presence and action for the land.

With blue sky days and balmy breeze !

MARCH 29, 2012

*music*

blossoms fade, leaves unfold

Desire the music of your Spirit to sing to you !

With balmy days of crystal Light !

MARCH 30, 2012

*Reminder, again*

Rosy days and moonlit nights !

Are you, at the very least, keeping some gallons of pure water in glass bottles on hand ?

Do you know where matches, candles and a cooking pan that fits your little "tin can" stove are ?

Even in the heat of summer do you have blankets handy ?

Until we walk in Truth, in The Father's Presence, preparation is a must.

With blue skies and puffy cotton clouds !

MARCH 31, 2012

*sustain your Desire*

Pure blue waters ebb and flow !

Desire the music of your Soul  
to nourish and sustain your Desire !

With all things new, on balmy days of Pure Truth !

APRIL 9, 2012

*enigmatic views*

with blue skies and sunny days !

After a brief vacation, we're up and running again !

Spring continues and iris bloom.

From here the enigmatic structure is viewed in a different position in the sky and a different time of day.

Is it latitude and longitude ? Or, is it the "passage of time" ?

Questions for contemplation.

With bubbles of Joy !

APRIL 10, 2012

*iris*

Puffy clouds and green leaves !

Have you ever smelled iris ?

As a child, I never noticed their delicate fragrance.  
It is a thing worth doing.

With SunShiny golden red days !

APRIL 11, 2012

*clarity*

blue sky and big bubbles !

It recently came to my attention that "God" and Father are not the same.

If there was any doubt, I was shown that either the interpretation was inaccurate, the presentation inaccurate, or the origin of the content was a being other than Father.

This is confirmation for the necessity of stating very clearly:

our original intent, which continues to this day,  
is to speak and pray to  
Father Which Is In Heaven,  
as we are told Jesus instructed The People to do.

He is the Father, Jesus went to sit on the right hand  
of, which is to say, He is not the man Jesus.

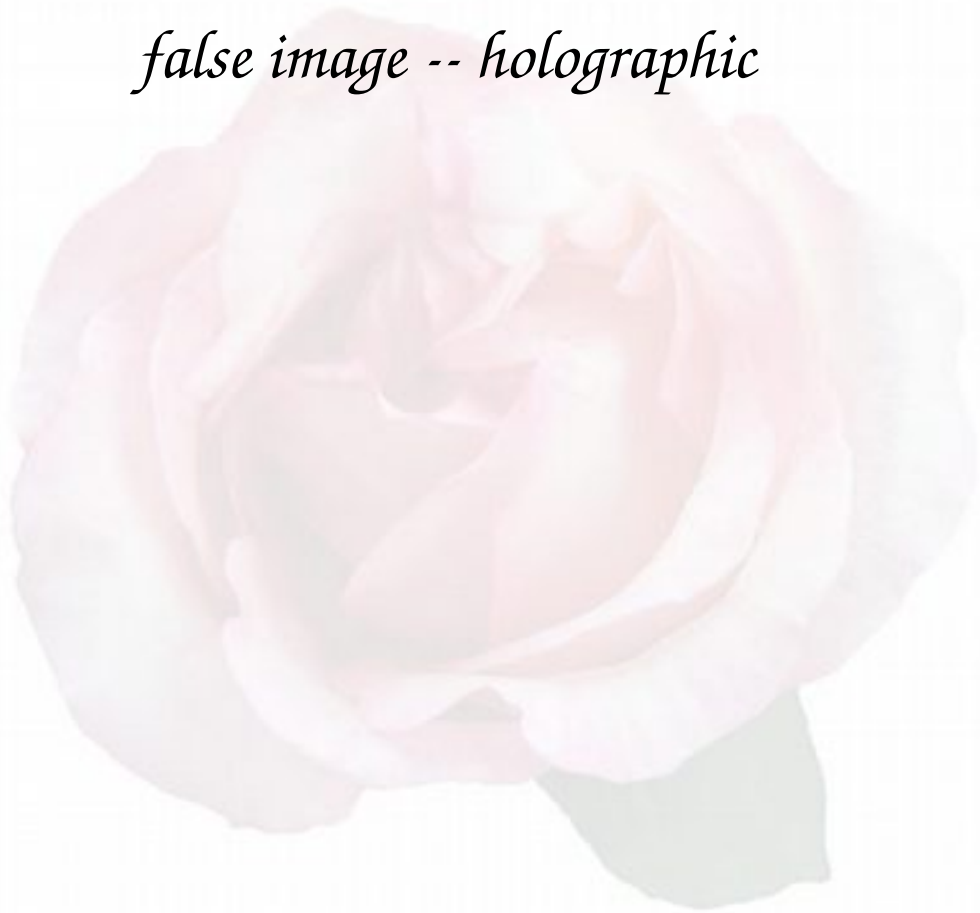

The intentional confusion in this regard has  
produced a narrow minded group in this country  
who are controlled by a word.

And this word is not Divine.

With SunShiny days and balmy breezes !

APRIL 12, 2012

*false image -- holographic*

Warm day, cool breeze !

Recently a friend / family spoke of the public talk of holographic projections on a "life size scale".

If you saw what looked to be fire and Father told you to walk through it, would you ? she asked.

With the potential of such "false images", do you have the strength to follow Divine Guidance ?

Do you have the relationship with Father to recognize His direction ?

With SunShiny days and balmy breeze !

APRIL 13, 2012

*GoldenRed SunShine*

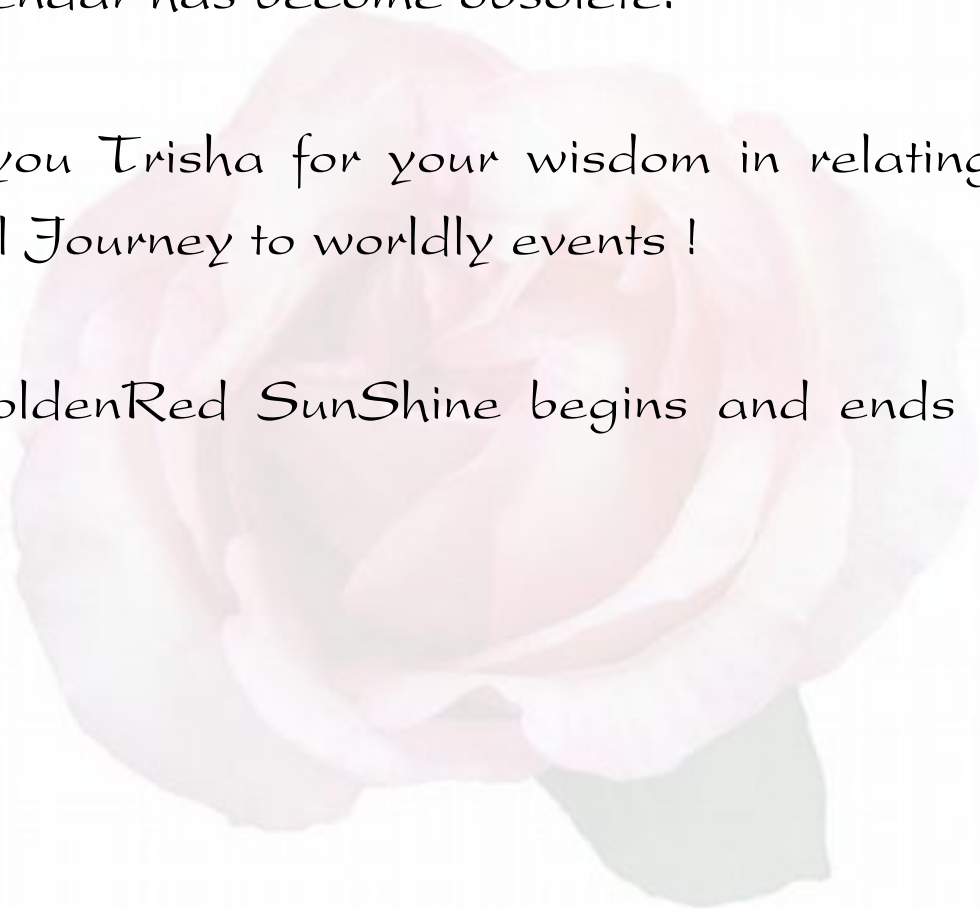

Early summer, peonies bloom !

Seem a little early for summer ?

The calendar has become obsolete.

Thank you Trisha for your wisdom in relating our  
Spiritual Journey to worldly events !

With GoldenRed SunShine begins and ends each  
day !

APRIL 14, 2012

## *The Coming Together*

After the pure and gentle rain, crystal SunShine !

Many events have come together to show a Greater Plan.

Lacing a tee-pee and sitting at the fire within.

Sitting at a Buflo tro and listening as the fire is built.

Receiving a picture of the human skull and building a paper sculpture of it.

Initiations.

Schooling about the "split brain".

Thank you to each and every one who contributed significantly.

Al, Rainbow Eagle, Martin, professors, and yogis.

So many others have brightened the path, such as Robert GhostWolf and ShoShauna, Paddie, Kathleen, Blue Thunder, Blue Otter, Trisha, Bree, Cyndi. The list is too great to allow complete coverage.

The Sun Shines on crystal days with soft bubbles of Joy !

APRIL 15, 2012

*Who's Way is yours ?*

Balmy breeze moves puffy cloud !

Father has said : a Person's Way is their Way.

The Way of a Person is not the Way of another.

Serve not another.

Look not for teacher or guru.

Learn from all.

Go straight to Father for answers.

Truth is found in your Heartfelt Desire for Truth.

SunShines on bubbles of Joy dancing on the gentle breeze!

APRIL 16, 2012

*Your Way*

Brilliant crystal blue !

Father has mentioned again, that each Person's journey is unique to that Person.

What is your unique Way ?

With crystal SunShine !

APRIL 17, 2012

*great deception*

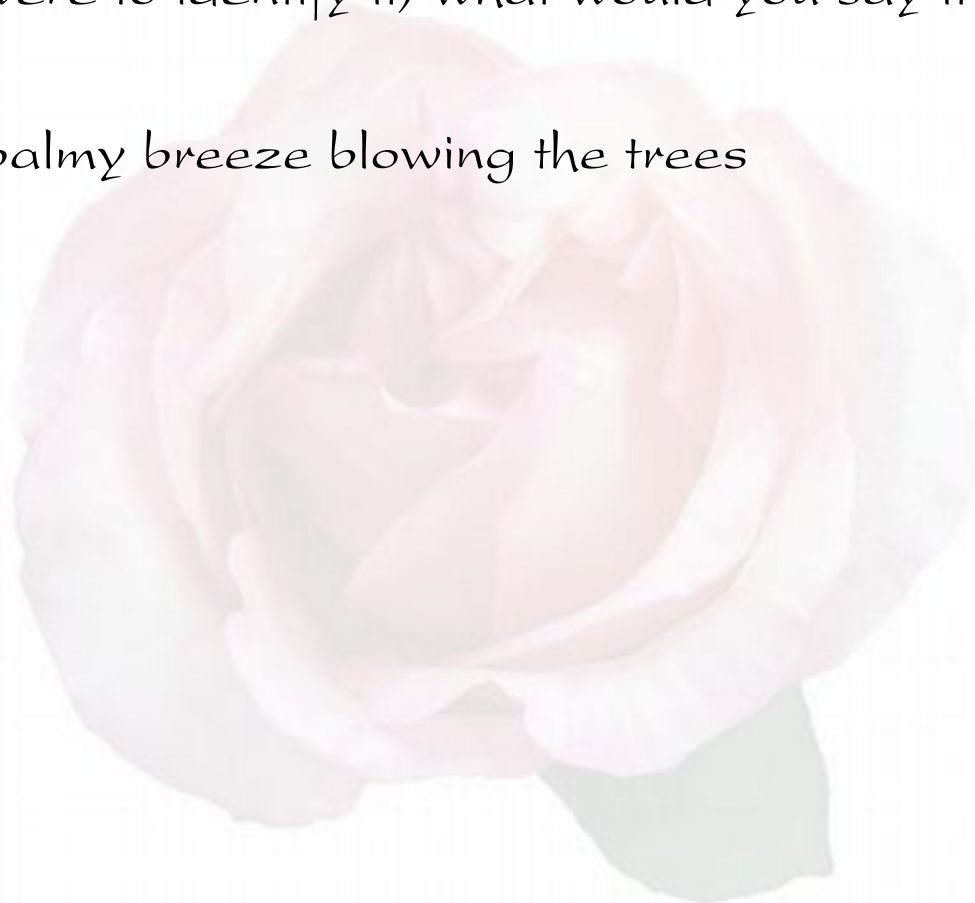

SunShine on a balmy day !

Father spoke recently about the great deception.

If you were to identify it, what would you say it is ?

With a balmy breeze blowing the trees

APRIL 18, 2012

*and the answer is . . .*

puffy white, silver edge !

And the answer is . . . !

Father said the great deception is :

Life is all about misery.

*There is no misery.*

*It is a false assumption*

*that misery co-exists among you (us).*

*Right not [correct or make right]*

*your Heartfelt Desire,*

*and you come not,*

*to Know Truth of your Way and Father*

*(of your Desire).*

With pure SunShine nourishing each day !

APRIL 19, 2012

*BlueOtter's blog radio*

Balmy breeze blows puffy clouds !

Martin recently posted a clip from BlueOtter's blog radio show <sup>1</sup>.

We have enjoyed BlueOtter's radio over the years and continue to check out his program.

It is our hope BlueThunder will soon be able to visit with BlueOtter.

APRIL 22, 2012

*seedlings*

Crystal blue, balmy breeze !

Does your local forestry service sell seedlings ?

If you have space, it is worth the wait for the trees to mature.

Planting for future generations has not gone out of style.

A bundle of 25 trees for 4.00 could be shared as gifts for May.

With cool - warm SunShine days !

Under balmy blue breezy skies !

Father has encouraged, daily, to end delay.

It seems those things a Person needs to progress in, Spiritually, need sincere attention.

May your True Desire for The Father prevail.

With SunShiny balmy days !

*re-consider*

warm, balmy breeze !

Just a reminder that, when you think Father has given direction.

Then, it seems He gives contradictory direction.

Look for how both can be True.

Just a slight shift in perception to Harmony can make all the difference.

With Pure SunShine and balmy breeze !

APRIL 27, 2012

*physical or energy -- same process*

With eagles flying !

When the body expels material that indicates the healing process, we do not bemoan the return of ill health due to the expelling of those materials.

In the same fashion, we understand that when energy patterns are expelled from our energy body we see the debris, but it is indication of healing, not the return of that which was cast out.

Faith in our Self and The Father insures the continuation of health of the physical body as well as the energy body.

If The Father is LOVE,

*It's all in the inflection . . .*

Warm summer days and balmy cool breezes !

It's all in the inflection . . .

Recently Martin read one of my posts to me.  
It sure didn't sound like what I thought I wrote.

I asked him to read a line and then I read the line.  
It was all in the inflection.

I believe The People who read this blog have  
understood this fact.

I believe also, The People who read this blog read  
the content with question and contemplation.

On the surface, it sure isn't good reading, but with  
contemplation, there is a lot of content.

*about Code to Joy*

balmy cool days !

After hearing one of the authors of *Code to Joy* on a talk show with my *least* favorite host, I obtained a copy of the book.

Father had "authorized" it as a Right and Proper book.

It is the do it yourself version of healing Sharen Berry does. It has made available to everyone, rather than just the select rich and famous who could go to the authors for appointments.

There is, however, an item worth noting. When selecting a symbolic "image" to use for immediate reminder to the body of your new way, it is my personal values and journey with Father that would not allow me to use the S with lines, owned by the federal reserve unrighteous - unholy business, nor to use the unrighteous - unholy symbol of darkness which overtly uses the snakes.

I selected a picture that identifies my newly understood goal for the clearing / cleansing of all these old hurts / pains / memories.

It never-the-less, is an excellent book with a system that is simple and works.

*Beatitude*

Pure days of crystal Joy !

Beatitude is Gratitude !

Many years ago, Martin and I checked the definition and that is it.

We kept a Beatitude journal, nightly, and found that Joy and Blessings were present even on the "worst" days.

Somehow such things have a way of becoming lost in daily life, but I would say to begin and maintain a Beatitude Journal is one of the best things in Life.

*it scums again*

days of pure rain and eclipses !

The scum descending from the sky has been so tangible, it is like trying to breathe in a dust storm.

What can a Person do ? Withdraw consent. Tell Father you never consented to being poisoned by the unrighteous - unholy and any claim of contract is FALSE. All that is and has been done to you and to The People is by deception.

Then begin to live this as Truth in your Life.

Imagine what a Life of Truth would be.

Remember that Life would be Harmonious with the Design of a Father who is **LOVING**, Giving, Approving, and all Goodness.

What would a Life of Truth be for you ?

## *Cleansing bubbles*

Pure and gentle rain brings green again !

A further observation regarding traditional visual imagery, an example of which is used in *Code to Joy*.

Many years ago, I experimented with the imagery of taking the things I wanted to clear from my energy body to the trash bin at the end of our building. I quickly discovered that the problem with this imagery is how easy it was to go and pick it up again and not even be aware of it. With this experience in mind I would suggest an imagery that for me is totally effective.

I imagine myself blowing magic soap bubbles and in each bubble is one of the false ideas, concepts, teachings, that I am clearing from my True Expression. As the soap bubbles float away, holding the undesirable thoughts, emotions, indoctrinations, they disappear just as the soap bubbles do on a golden afternoon by the lake.

There is no question, where did they go, what happened. From childhood, we have known soap bubbles are there and then poof they are gone. So it is with these undesired contents, poof, they are gone. As the bubble disappears, so does the unrighteous - unholy energy I have sent out of my energy system.

Just a thought. An alternative to solid containers which allow the retrieval of that which you desire to be cast out.

With balmy cool golden SunShiny days and moisture abundantly glistening !

MAY 23, 2012

*pure and gentle rain*

*Cool Sunny days of Joy !*

When destruction couldn't be brought in from the West, North or South, the unrighteous - unholy tried the East.

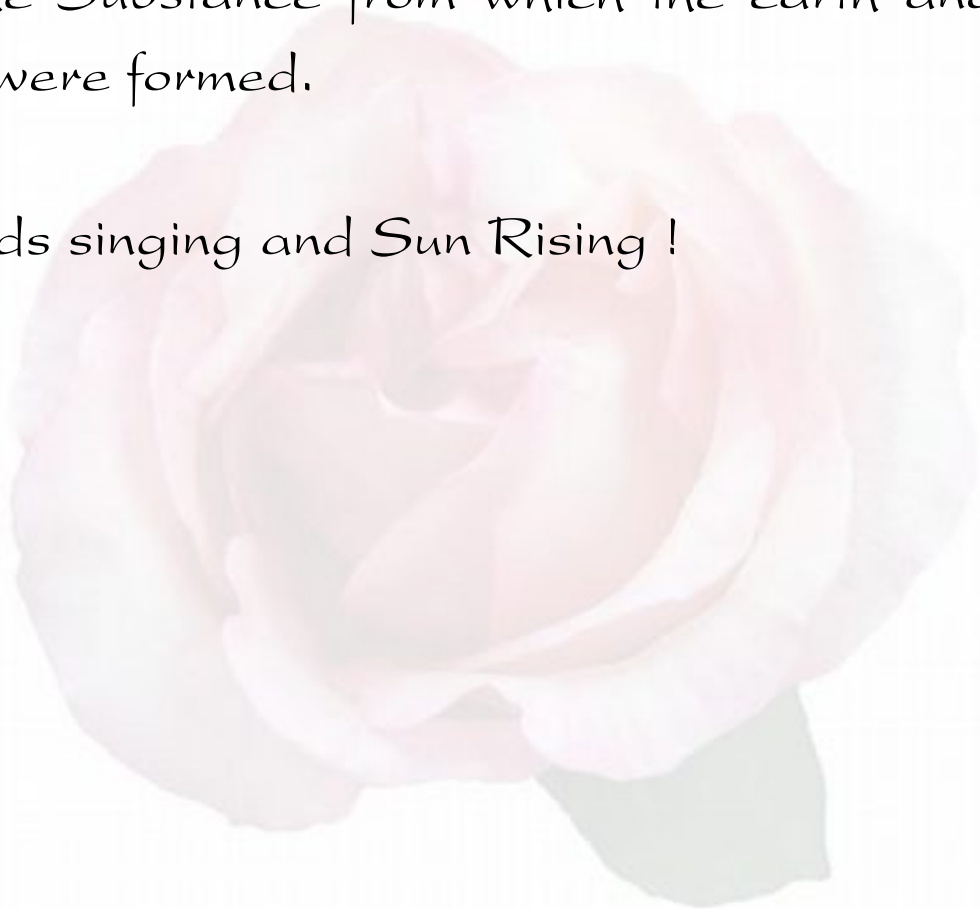

Their unspoken, but clear, false contract was:  
If you want rain, then, first there must be the destruction of high winds, lightening, torrential water.

The Father would have the moisture that sustains Life, be gentle and pure.

End false belief that The Father brings destruction for the many biblical reasons "they" inserted into the text.

The Truth of Father, is that He is Love - Rapture. He is the Substance from which the earth and her People were formed.

unrighteous - unholy violence against them.

*from one seed*

pure and gentle rain comes, SunShine remains !

A friend recently mentioned a new idea she heard on an internet show by a pastor I had never heard of.

The idea was that from one seed comes many stalks.

This is true of some plants. Chard immediately came to mind.

Many "fruits" also may come from one seed. (Think tomato)

This was not a reference to all the good we do, but instead to the fact that "misdeeds" also multiply.

Her thought was to pray that no harm come from all our actions, because all action is Harmonious with The Father.

Seems like a good idea to me.

*a false premise*

abundant rain to nourish and sustain !

Recently a slight shift in perspective provided the potential for improved energetic changes.

In the past, most unrighteous - unholy activity was viewed from the perspective of empathy. That is responding to the feelings or emotions of another Person.

This perspective did not take into account that the unrighteous - unholy don't love, care, show compassion. The emotions they express are not Divine.

This is to say that compassion, saving, loving, are false emotions to express toward them.

This indicates that acting as though they are "just like us" is a false premise.

What they do, is to manipulate our feelings (perhaps through exciting certain chemical responses in our bodies) so that when we feel false concern and compassion for them, we are neither experiencing their emotions, nor our own.

It is widely understood they have no feelings. Perhaps they do express emotions, such as, anger, hate, fear, violence, and so forth.

They are cold and manipulative.

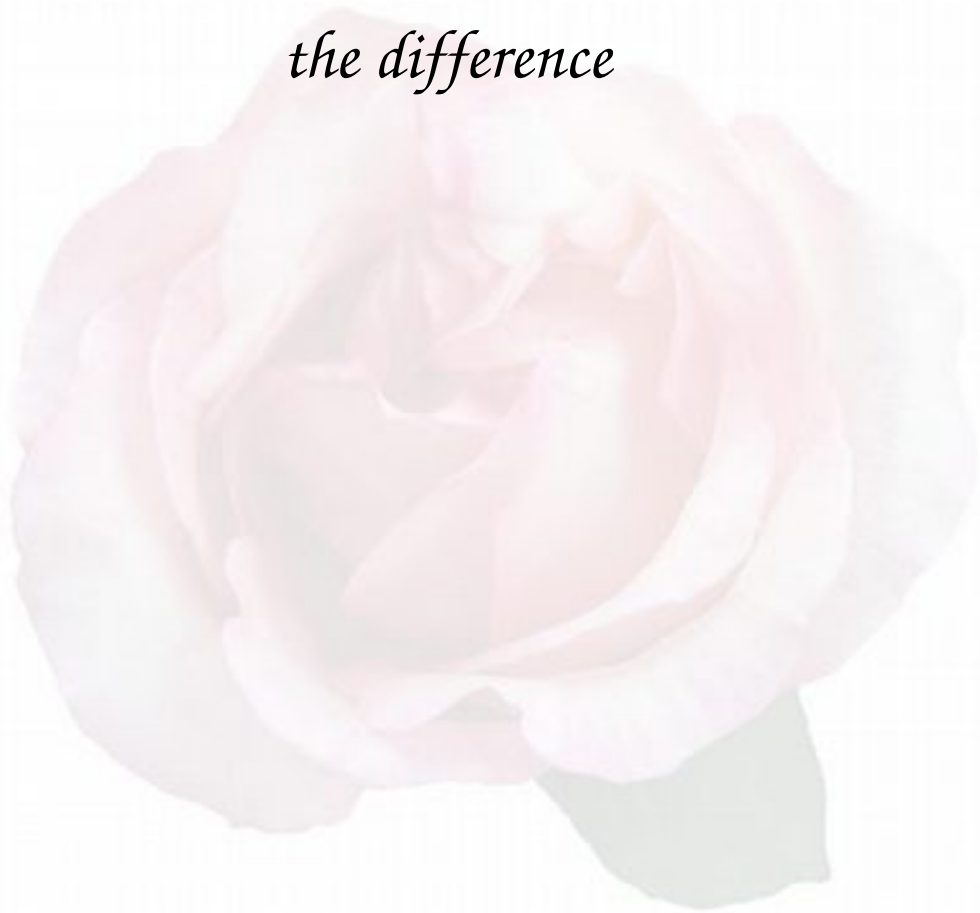

It is time to end this deception and return to Truth.

With cool, balmy, SunShiny days of Truth !

*the difference*

tree frog sings my how you have grown !

In re-reading yesterday's blog, it seemed wise to add a reminder.

Emotions are unrighteous - unholy experiences such as hate, anger, resentment, jealousy, lust, compassion, lust masquerading as love given away, greed, and so forth.

Feelings are Rapture -- Transcendent Love, Music or the tones of one's Being, Peace, Faith, Joy, Trust and so forth.

Truth is the foundation upon which one learns the difference.

*passe or Way ?*

puffy clouds, birds, cool balmy breeze, Joy !

An event recently brought insight to me.

In observing another, I could see deception at work with me. Father would say, a way in which I play.

It is not reasonable to expect someone to act, think, relate, by your expectations or standards.

If life were such, then you would accept that you must act, think, relate by their standards.

This is like giving away the Love you are to receive  
the Love someone else is.

Most don't want to give or have taken, as well as not  
performing to someone else's expectations.

Isn't it a bit un-reasonable to expect from others  
what we don't want to give ?

Isn't it Right and Proper to Respect others and to  
be our Self ?

Perhaps if we knew, in Truth, who we are this  
would be a lot easier.

Double standards are passe. Truth is the Way of  
the day.

*our poles have shifted*

on a cool balmy blue day !

For some time, I've been thinking about making the observation that, either we had all our compasses go defective at the same time, or the poles have already shifted in the Ozarks.

Martin made the observation to me when we were having difficulty identifying north at a particular piece of land. He noted that there, a reversal had taken place according to the map indication of north.

All around the area, no matter where we go, for at least 6 weeks, the compass reads opposite.

Seems like we would have heard about this **big** event. Well, perhaps, all our compasses flipped at the same time, becoming defective. Ya think?

With SunShine and cool - warm days !

JUNE 9, 2012

*an unpopular observation*

with pearly blue bubbles of Sunny Joy !

This observation could be very unpopular, but here goes.

If the pole shift is gradual, radiating outward from a particular point, here where it appears to have taken place, nothing different has happened.

No big, radical, noticeable event, except birds falling from the sky. Or things like that.

No change in life, otherwise. Just a compass reading.

Of course, that really matters when you are a hunter in the woods.

With balmy cool days of bubbles of Joy !

JUNE 10, 2012

*some typically ridiculous explanation*

birds sing in a cool breeze !

I have given some consideration as to how a pole shift could be hidden.

There are many standard practices used by the unrighteous - unholy that would apply equally well in this.

Make no public announcements except for mysteries like birds falling out of the sky.

Change the compass needles to read opposite all the old models since it appears they are approximately the same, just opposite. (Is this why some airports had to change their runways -- just slightly different -- not quite 180 degrees ? Or is it slightly more than 180 degrees ?)

Ridicule anyone who notices, because, after all, wouldn't we have heard about it already ?

Any publications on this wouldn't matter because it can't be proven once the changes have been implemented. This is why electronic media is so important. Easy to change and no residual proof it was ever another way.

All compasses that read opposite are defective and some typically ridiculous explanation can be provided. Perhaps some magnetic burst from the Sun ?

More points could be made, I'm sure, but this conveys the idea.

With pure SunShine from a red sun in a blue sky !

*german betrayal*

cool nights, sunny days with cool breeze !

I watched a movie not long ago that I presumed would be Right and Proper to see.

I was very wrong.

Because it was claimed to be about Hildegard von Bingen, I thought it would be spiritually inspiring.

I was very wrong.

It focused on the intensely unrighteous - unholy aspects of the Roman Empire called Catholicism.

Not only the photography was mostly dark, but the content was of utmost darkness.

I mistakenly thought a movie about Hildegard von Bingen would portray her beauty, spiritual nature, Divinely inspired knowledge, and effort to change

the unrighteous - unholy treatment of women condemned to "serve" the church.

Instead she was portrayed as a major player in the ways of the unrighteous - unholy. She was portrayed as having gained her knowledge from scientific writings, rather than Divine inspiration with worldly confirmation.

In the scenes of Hildegard receiving visions, symbols commonly attributed to the unrighteous - unholy were blatantly utilized.

All in all, it was a false portrayal designed to legitimize or authorize the unrighteous - unholy as "divine" messengers, when in fact, they are messengers of all that destroys The People. The proverbial wolf in sheep's clothing. (another deception)

This movie is a betrayal of The People.

It is sad that german women would betray the beauty of the german People.

On a SunShiny day of cool breeze and bounty !

JUNE 12, 2012

*put an end*

pure rain, cool breeze, balmy day !

It is interesting how the unrighteous - unholy keep calling our attention back to them.

To end their play, we must turn away from them.

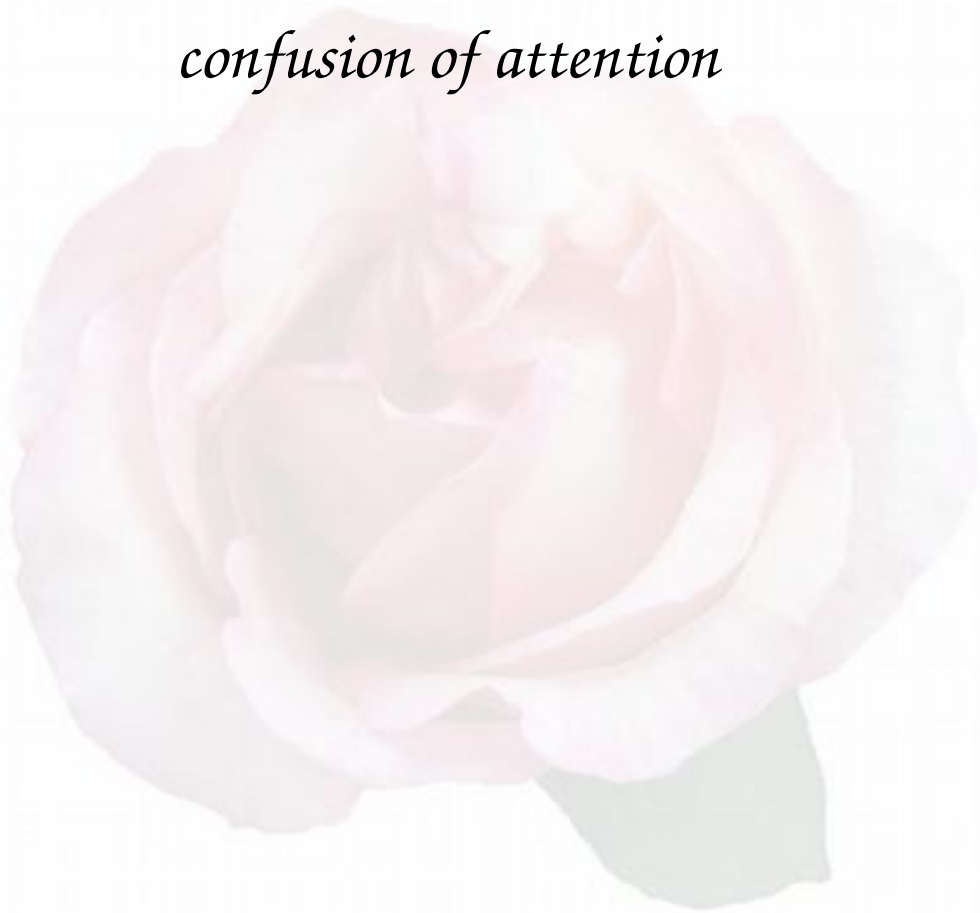

We must turn to The Father.

We must seek The Way of Truth.

With red SunShine after rain !

JUNE 13, 2012

*confusion of attention*

Bright blue skies nourish and sustain !

It is also interesting how we are so deceived we think attention to the unrighteous - unholy is focus on our spiritual path.

Recognizing the deception, fighting the deception, exposing the deception, is unrighteous - unholy play.

We confuse our attention to deception with True Spiritual expression.

With SunShine on cool balmy days of Joy !

JUNE 14, 2012

*plant or medicine ?*

cool breeze blows trees on balmy day !

Recently, some knowledge moved from the intellectual basis to real understanding.

These type events are so obvious we wonder how the connect was never made before now.

Father has said plants are not medicine, as has been noted in this blog on other occasions.

This leaves us with the premise that plants are food. It could also be said then, that plants are nourishment.

If I look at a plant like the elder bush, I see the flowers are called medicinal and the berries are called medicinal.

The flowers and the berries are said to have different medicinal properties.

From Father's premise One would say the elder plant has different nutritional qualities in the berries and in the flowers.

If One were having a nutritional deficiency that presented as an illness or some other complaint - weakness, it would be necessary to assess the nutritional need of that person. Then, perhaps elder berries, or elder flowers would fill that nutritional need and The Person would be returned to health.

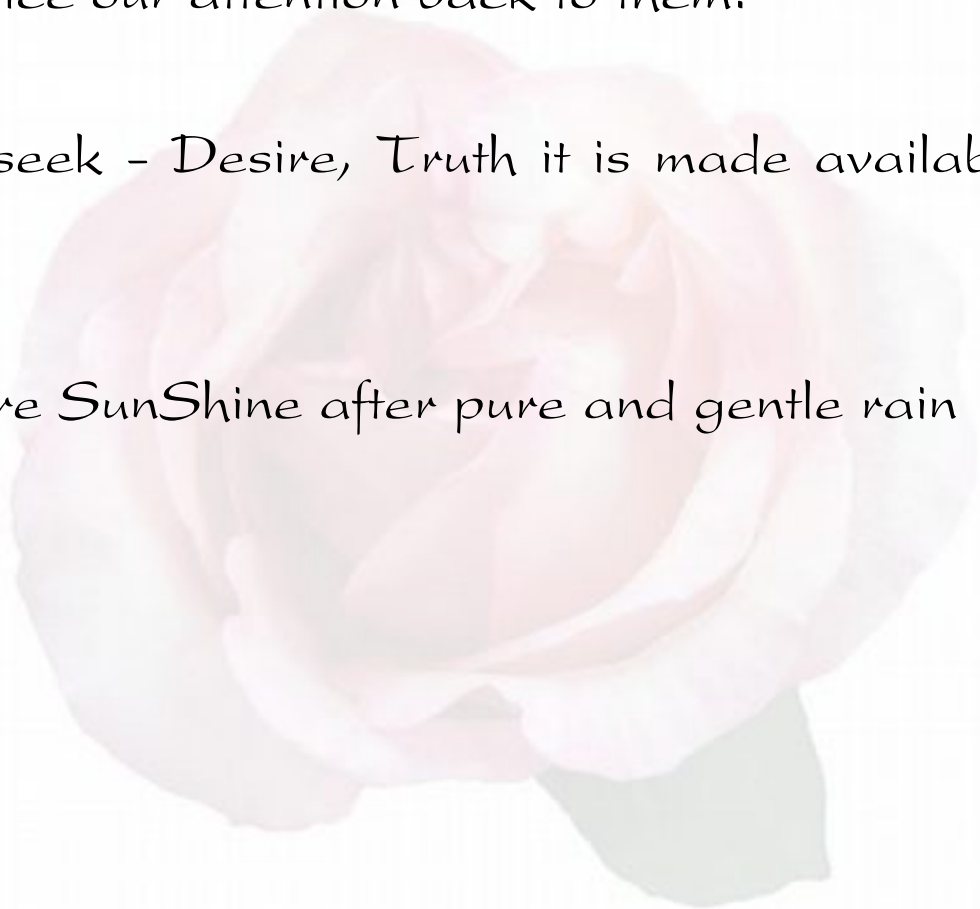

This makes sense when One observes the extreme effort exerted to destroy the nutritional value of the table food available to The People. Then compound the minimal nutritional content of the food (as has been compared to 50 or 100 years ago) with GMO destruction of the plants, and the demise of The People is insured. As well as, the total and complete enslavement of The People through food control.

We must end this deception of destruction and find Truth.

As we bring Truth into our awareness and turn away from the unrighteous - unholy, we must not let them entice our attention back to them.

As we seek - Desire, Truth it is made available to us.

## *Words from Father*

Rooster crows the day anew !

Martin has shared many of our writings from Father on his blog. Today I would like to do so. This information has appeared on Martin's blog some time previous.

With SunShine pure cool breeze and balmy days !

This is from our "Book of Prayers 1". In this Conveyance, Father gives us specific Guidance about Knowing our Selves.

*Choose each day anew,  
until with your innermost Being  
you know that you choose Rightly.  
Choose each day, upon waking,  
who you serve and honor.  
Choose the way of the world, then,  
go about honoring the world.  
Honor the Father, Source, All That Is, then,  
go about Honoring same.*

*You cannot Honor the world and Father at the same  
breath, time.*

*The breath is of utmost importance here.  
"With every breath I breathe, who do I serve?"  
Throughout each day,  
and at the beginning of each day,  
dedicate each breath of the day to who you serve.*

*The Divine is inviting you to make a choice each  
day, before you take your first breath upon*

awakening. Dedicate your day and then take your first breath. Then go about Honoring your choice.

*Be Honorable, be Honest, Know who you serve.*

*It is your task to do this*

*before you begin each day anew.*

*Know you you serve first, last, always.*

*More than this I cannot say.*

*This you must do.*

*Know yourself Rightly.*

*Choose, act, obey your instincts or inner drive.*

*To the Greater Glory dedicate you(r) day.*

*Know who you serve.*

*new understanding*

pearly clear bubbles of Joy !

Lots of things happening.

Father said the unrighteous - unholy have taken attack out of the hands of "their people" and are launching their own attack.

This indicates they will receive their own energy back, when it finds no "target".

Since the computer is in daily use, I'm slipping in a post about something I recently understood.

Generally we think prejudice is something directed toward a differing religious group, different social group, different ethnic group, and so forth.

In reality, the anger, hate, resentment is toward the unrighteous - unholy of any or all groups.

This is something that The People must end.

When we engage unrighteous - unholy emotions or energies, we are playing - feeding them.

Neutrality gives us the space to turn to The Father and find our True Nature.

On a cool day of SunShine and balmy breeze after pure gentle rain !

JUNE 20, 2012

*choose no tech*

lonely cicada sings, where did tree frog go ?

I saw a website for veterans that posted pictures of gross defects happening in Japan.

I know not. the Truth or accuracy of this information, so it is not being linked.

It seems to me The People should look into what the results of nuclear power plants are.

The birth defect and tomato defect were sickening.

Only those who hate The People could condone such destructive facilities being positioned so as to blow the planet apart.

What cost to the generations ?

In Father is the answer to ending the greed such energy thieves blatantly contaminate our planet with.

The contamination is indeed theirs.

It was originated by them.

Universal Law is giving us the opportunity to choose Truth.

We can re-turn to the goodness of our True Self.

There are many creative ways to end the contamination. Have you looked at the NoTech <sup>6</sup> website?

Linda Diane Mead was born and raised in these United States of America. She obtained an under-graduate degree in Psychology with a minor in Philosophy and a PhD in Metaphysics from a Theological School.

Martin Riedel was born in Argentina, South America, and lived in Uruguay and Mexico as he grew up. After beginning college in Mexico he came to these United States of America, where he graduated with a degree in Chemical Engineering.

Upon meeting, they embarked on a memorable journey of self discovery that took them across the States. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014.
