## Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.  
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,  
Right and Proper Orderly Progression  
of Divine Nomenclature each and every day, step of your way.  
Those who transpire to subvert your words and direction  
shall Penalty pay,  
for that which is Divinely Authorized Nomenclature,  
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.  
It is, would be, a departure from that Divinely Authorized  
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,  
reflections, inflection would no longer convey the subtle  
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes  
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at  
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the  
sacredness of a promise.

## NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

**Future material will show Spiritual Progression in Awakening.**

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

**Divine Answers *Respect* all living things.**

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

## In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

**This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format.** This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

**You may freely reference this material only if you correctly "cite your source".** That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

## ***Side note by Martin***

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can "claim" this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term 'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.  
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention we adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others

although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

potato fragrant air !

Martin is moving through another series <sup>1</sup> of practical understanding of Father's teachings.

Well worth reading !

His new look is refreshing.

With SunShine after pure and gentle rain !

JUNE 23, 2012

*continued refinement*

summer fun !

Pause days will end soon.

Martin continues to refine his new look on his BlueStar Blog <sup>2</sup>.

We were talking about his current topic, last evening and this morning.

He is articulate and opinionated regarding such information.

---

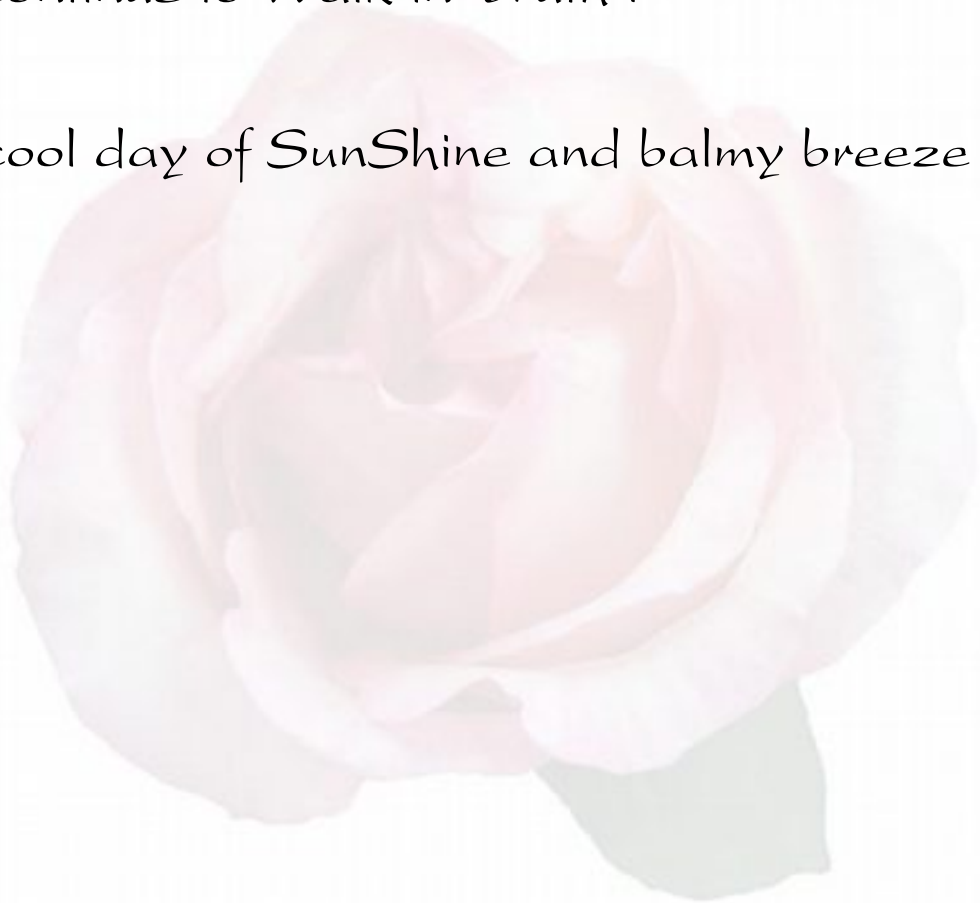

<sup>2</sup> <http://bluestarway.com/bluestarblog/>

An interesting opinion to listen to.

He makes every effort to understand such topics in  
Light of Father's teaching.

As we continue to Walk in Truth !

With a cool day of SunShine and balmy breeze !

JUNE 24, 2012

*attack thoughts and Desire gone astray*

cool air flows, Sun glows !

The time came for Father to refine understanding of why The People, individually or en-mass, receive attack from the unrighteous - unholy.

Attack thoughts run a continuum from the most subtle gray to black. Either a thought is an attack or it is not. Black (including all shades of gray) or white. Any attack thought makes the thinker vulnerable to attack.

This is a Principle that can be utilized in ending the attack of the unrighteous - unholy.

If The People ended all attack energy in each individual, only the unrighteous - unholy are left with attack energy, which is theirs alone. There would be no People who would receive the energy -- there would be no target to receive it.

I end all play this day ! All attack thoughts, of even a slight shade of gray, are ended in me.

With balmy days and balmy nights of cool breeze !

*an observation*

quiet after SunRise !

It is very interesting, that on the ancestry website, People pay to provide information to a religion who collects family documentation, and gives back cut and paste information, that is not validated.

Without documentation, most of the information is not something I would trust. One mistake carries to thousands of trees.

With pure SunShine on cool, balmy days of gentle breeze !

JUNE 25, 2012

*now I see*

blue sky, puffy cloud, cool breeze !

I now see abundance  
where before, I saw nothing.

SunShine ! cool breeze blows !

*the other part of attack thoughts and Desire gone  
astray*

weeds grow tall, seed feeds !

A very difficult understanding is, that one facet of what Father calls "Desire gone astray", is to desire what you want for another.

Right Desire is only for what progresses your Self Spiritually.

To think you know what is Right Desire for another, is disaster for yourself.

*If* you are able to receive directly from Father, instruction in prayer or Desire for another, *THEN*, you are free of penalty for doing so.

This is a very rare occurrence for most.

Life is a very individual process, which is a concept concealed from us. Life is Lived between us and The Father, in His Garden.

With crystal blue skies and Sunshiny cool days !

JUNE 26, 2012

*to further the thought*

sky blue is once again new !

Along with yesterday's thought, I would make the observation that :

a full pantry of ingredients  
doesn't necessarily create a feeling of abundance,  
however, a full table of prepared food  
does indeed turn those ingredients into a sense of  
abundance.

Kind of gives new meaning to the "prepare a table  
before you" idea.

Pure rain cools. Sunny breeze follows.

JUNE 27, 2012

*key points about attack and Desire*

quiet days and quiet nights full of nature's sounds !

The key points are:

One who has no attack thoughts receives no attack

One who has Desire only to Know their Self has  
Right Desire

One who ends placing their desire on another, ends  
attack of another's desire on them.

No matter what saying One uses: what you do is  
what you get. Do only unto your Self.

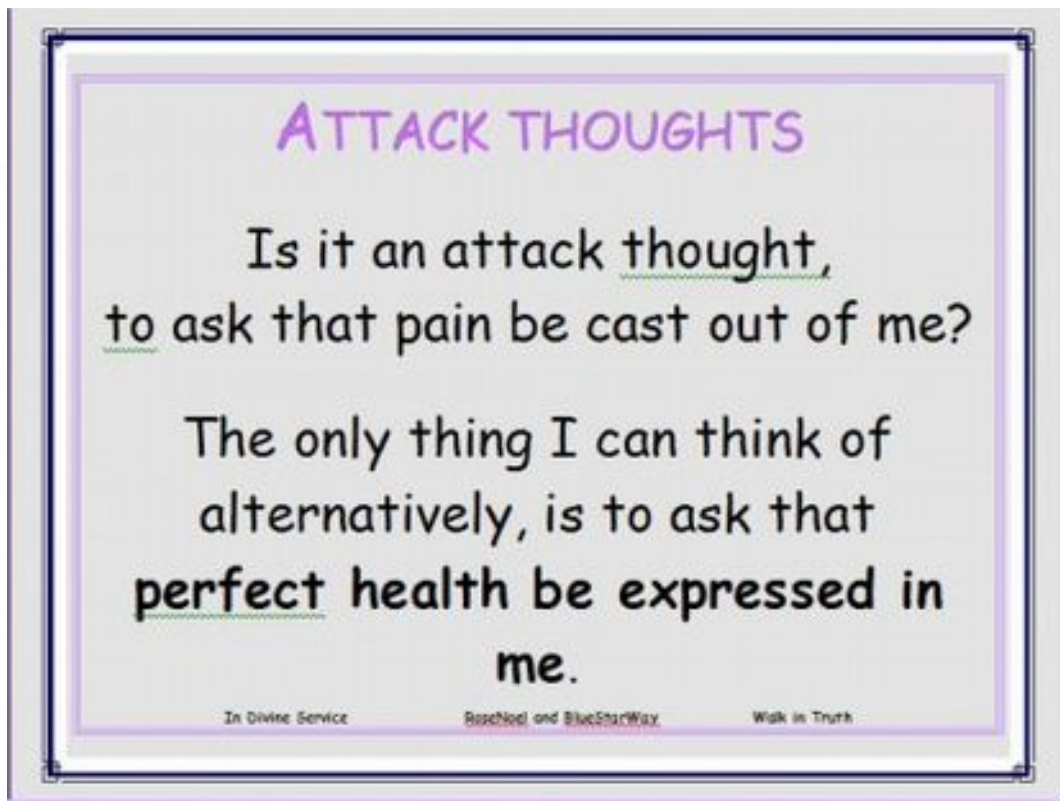

With cool pure rain, balance in all things !

JUNE 28, 2012

*is it an attack?*

cool in the midst of heat !

Pure rain, Pure SunShine, Pure sky !

JUNE 29, 2012

*continuing*

where is moisture when there is no rain ?

Were a Person to assert their desire upon another  
is it any surprise the other Person feels attacked?

With balmy cool days and gentle pure cool breeze !

JUNE 30, 2012

*silence or attack?*

chickens bathing in dirt !

How does one correct deception that is attacking them ?

To defend is attacking in return / retaliation.

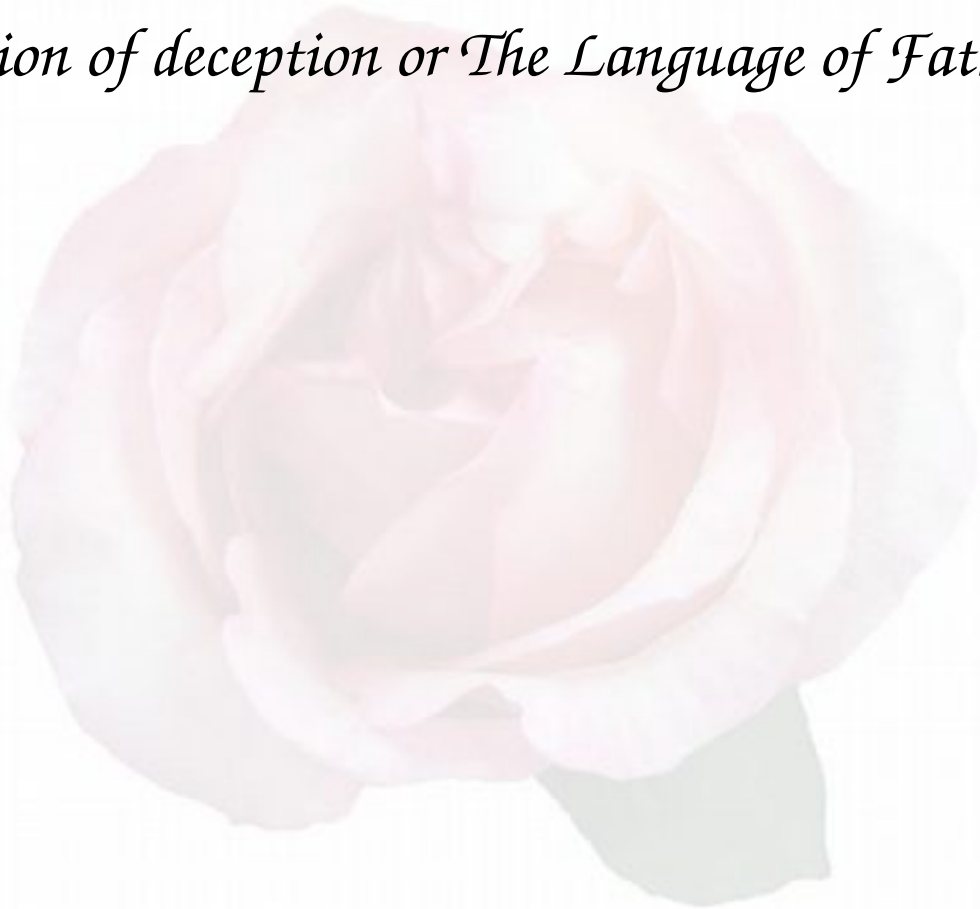

Is it proper to hold to Truth in silence ?

When would speaking not be retaliation ?

Pure rain, moisture in the air again. After comes SunShine !

JULY 1, 2012

*perception of deception or The Language of Father?*

Cool nights and balmy days !

Like little rooster, who speaks not the language of farmer,

I call and call  
asking my needs be met.

"I need water,  
I need feed,  
I need (no) worms or bugs,  
I need a nest,  
I need to roam free..."

But while the rooster crows and the farmer hears,  
farmer does not understand little rooster's language  
and he meets only what he sees of little rooster's  
needs.

Because little rooster crows not the language of  
farmer, he fathoms not the random nature of his  
provision.

There is a valiant dog called Mister  
who receives all his needs.

He asks for pepperoni and he receives pepperoni.

He asks for summer sausage on bread and butter  
and he receives.

He says his body is missing salt and he receives.

He says it is time for iodine and he receives.

Farmer joked that the iodine nourishes Mister's  
supply, when in reality because Mister speaks a  
language farmer's wife can hear, farmer can know  
what Mister perceives his needs to be.

A walk . . .

a cool dark napping spot . . .

all abundantly flow to Mister.

When Mister talks the language farmer's wife can  
hear, all is well and farmer lovingly, graciously  
provides Mister all.

The idea that we speak not the language of the Father, and therefore, the Father can provide only what He sees of our needs when we crow and crow, or bark and bark -- annoyingly and in frenzied supplication -- goes against all indoctrination of religion of a worldly perception.

Somehow it escapes our attention that we have been like the dog or the rooster, loudly pronouncing our need in a language "alien" to the Father. Somehow, in our depth of submersion in the deception, it has never crossed our mind that we are speaking to the Father in the language of deception and crying that our "prayers" go unheard. We ask why the People who embrace deception receive all they need and we are so lacking -- when the answer has been obviously simple -- directly and immediately available.

Those who speak the language of deception and ask the unrighteous - unholy for all they desire, are being heard completely and accurately, and

rewarded according to their participation / subjugation to the unrighteous - unholy.

When speaking to the Father in the language of deception, rather than Divine Nomenclature, perhaps the Father can hear our call, but not understand it, thus He provides only to the extent of His Perception of our need. Just like the farmer, if he sees a need for water, he fills the bowl. If he sees an empty feed plate he fills the bowl.

When we have moments like the valiant dog who ends his barking (equivalent to talking the language of deception) and begins silently speaking the language farmer's wife can hear (equivalent to Divine Nomenclature), then our needs are met Joyfully by the Father.

This whole concept would be considered heresy in the worldly perception of "father / god". However, what if the notion of "an all knowing all seeing god who can encompass all languages of all People" is a

false witness presented by the unrighteous - unholy to keep us stuck in the deception? What if, because Father has no perception of deception, He does not answer the call (bark, crow) of deception?

Father has Said to us that all languages being spoken at this time by the People are of unrighteous - unholy origin.

Why would we think that Father speaks or is versed in the language of the unrighteous - unholy?

If Father is Love, why would He speak or be versed in the language of hate?

Just a thought . . .

Linda and Martin

*rebellion at any age*

cool breeze rustles curtain !

It was an interesting occurrence to notice that, when one states their need and places no energy of compliance (do what I want) on the other Person, that other Person is able to make decisions they would have resisted when "told what to do".

We are talking energetic response manifest in physical reaction.

How nice when one doesn't need to "rebel".

*Opinion or imposition*

Pure and gentle rain washes the Spirit clean.

I would like to clarify what I'm about to say with acknowledging that this understanding is a step along the way. Many times I have not received such clarity that this will be an ever expanding refinement.

A while ago, I was writing regarding ending desire gone astray, which is to say putting your desire (some would say will) on another person, expecting them to be compliant with your "wishes", a euphemism for forcing another.

Diligence does yield its reward in this learning. However, there was a point of recognition that a person is entitled to their opinion. Which is to state likes or dislikes, things they would or wouldn't incorporate into their life.

This is to say that it is not forcing your will upon another person to have an opinion regarding what you would or wouldn't do, or your like or dislike of what they would do. With consideration I'm sure this clarification will be available to you.

With Sun Shine, crystal turquoise blue skies and bubbles of a Light Heart of Joy !

JULY 20, 2012

*Ordinary People*

Unto All Righteous and Holy Day there is a Better Way.

It is interesting that traditionally, mystical stories of enlightenment or christedness seem to require a special birth or comet in the sky event. They are earth shaking, stone rolling, monumental events reserved for the elite or select few.

However, unlike the thief in the night who comes stealing through (a deception of vocabulary), earth shaking / changing events can come gently, unfolding in the most obscure way. Events that may remain unknown, experienced by People unknown. We saw just such a day.

Thank You Father.

With gentle breeze, bending trees, and birds singing a new song.

JULY 21, 2012

*the broader aspect*

gentle rain washes away all pain !

There is a broader aspect to the – attack – defense, imposing will – thing.

While we the People Desire the end of unrighteous – unholy degradation of our planet and her People, this enters us into an attack – defense situation. They know we can never "win" such a conflict.

The end of such vileness is simple, active -- not imposing.

To stop putting our Desire on "them" -- ending attack - defense -- seems vulnerable due to their manipulation of our perception.

This Simple Truth of, 'ending Desire gone astray', is not necessarily easy, however, the Power of honestly implementing it, is amazing.

We are indoctrinated into complexity.

What is Divine is Simple.

This appears to be "so much nothing", when in reality, it is "so much something".

(no relationship to "You've Got Mail")

With Sunny skies and balmy breeze after pure gentle rain !

*Desire gone astray, entities, and play*

soft candle, pink salt bowl, fragrance in the air !

Father recently made clear the difference between  
Desire gone astray, entities, and play.

Worms, or more accurately parasites, are dulling,  
sedentary of physical activity, ascertained by  
depression and lethargy.

Illness of the will is hostile, angry, inflamed, eliciting  
hate and resentment.

An entity is identified by false accusations, diverting attention like a majik-ian, so that the core deception goes unnoticed. entities attempt to elicit anger, hate, weakness and are often betrayers.

Parasites create an apathetic attitude which allows hostile acts toward The People and our Planet.

An "ill"will appears to happen around two years after birth. This illness "allows" the response of hate toward the unrighteous - unholy with no awareness of what action needs to be taken to end it.

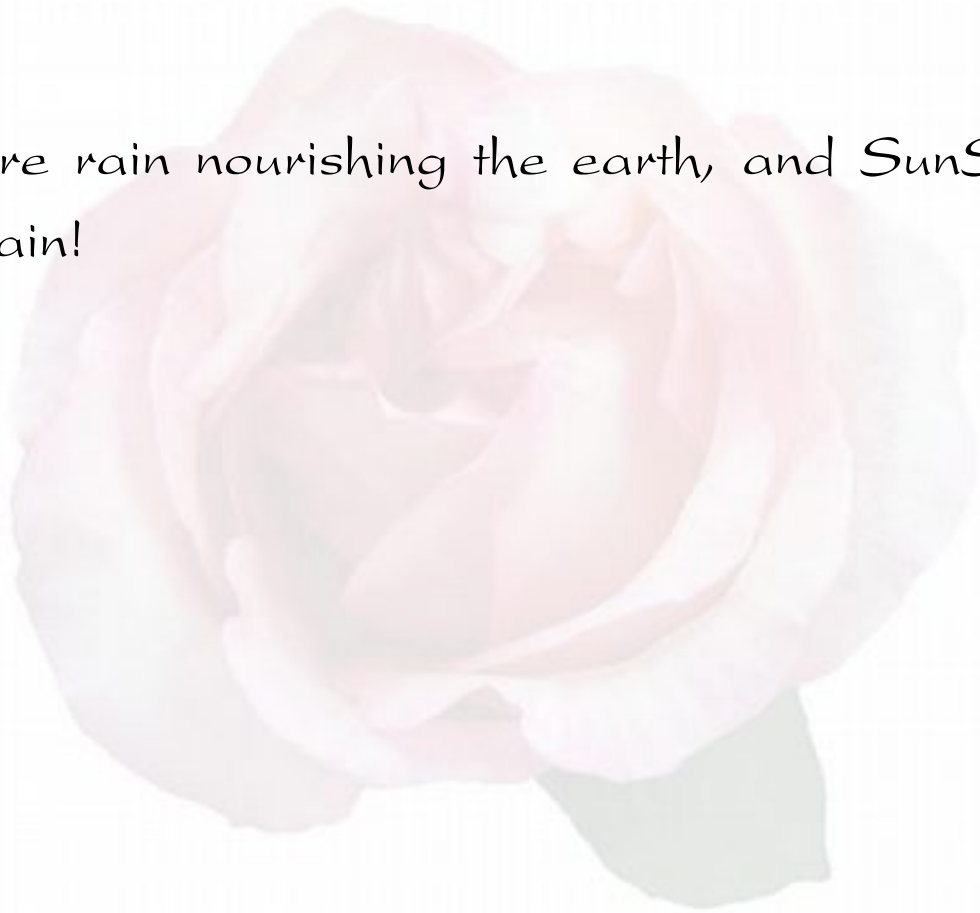

Entities attach to the energy of a person, often causing "amnesia" when they are acting through / using the body of a person. There are many ways and reasons for the presence of entities. One major "red flag" is that thoughts opposing the goodness inherent in The People are present or come and go.

Entities ensure unrighteous - unholy activity.

An "ill"will causes (small p) play with the unrighteous  
- unholy, and justifying doing what is done.

Parasites inhibit Right Desire, causing us to  
question why we allow such things with no clue what  
to do.

With pure rain nourishing the earth, and SunShine  
once again!

*questions to ask*

cool and balmy the breeze blows, while gentle  
shower rinses !

One must ask:

What is more important ?  
controlling what others do  
insuring what happens with you

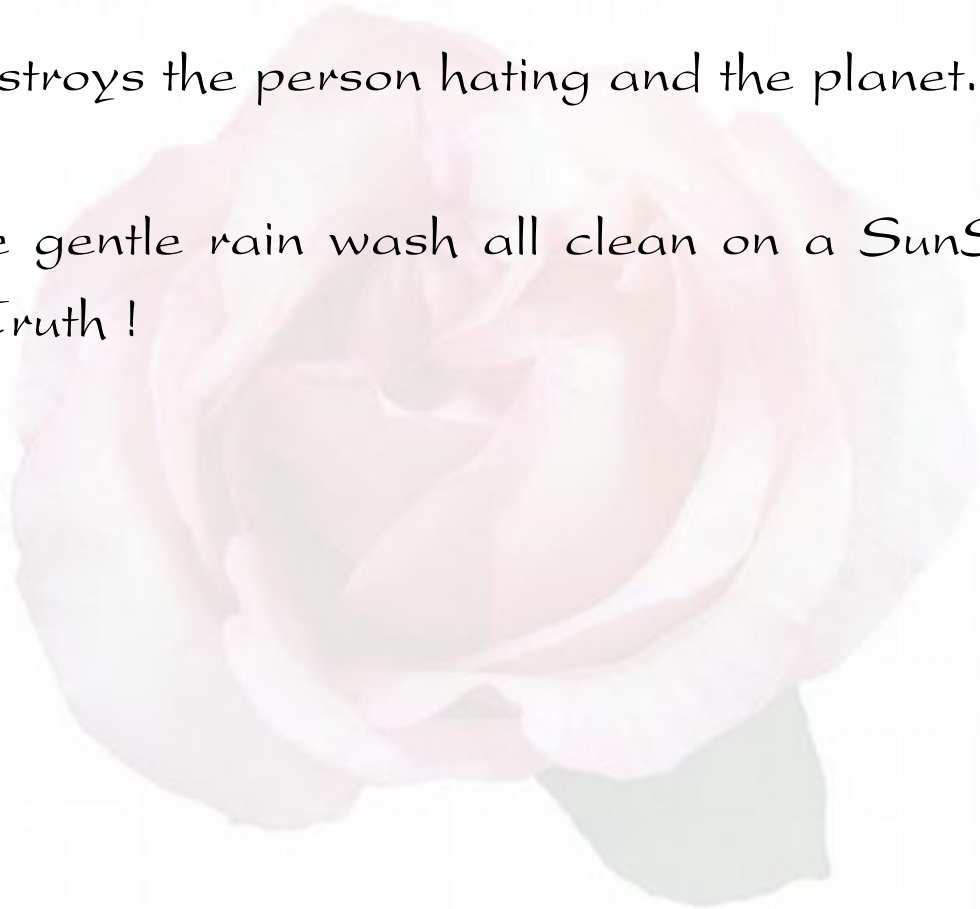

Do you believe controlling others insures:  
your safety  
what is right  
spreading your (often false) beliefs

What is "do no harm" ?

From what I have seen it is to impose one's will, as long as the one imposing is safe from the will of others.

Hate destroys the person hating and the planet.

May the gentle rain wash all clean on a SunShiny day of Truth !

JULY 24, 2012

*midnight blue*

Do you remember when the evening sky deepened to  
midnight blue ?

Do you notice the evening and morning sky are now  
oxidized aluminum gray ?

The greatest war is no war.

The greatest battle is not won -- it is not begun.

When anger, hate, revenge end within,  
you re-turn to ONE.

With SunShine on pearly bubbles of Joy !

*regarding the lightening bolt theory*

Little rainbows dance in evening Sun !

We have touched on the "lightening bolt theory" in this blog. Additional information came to "light" in this regard, when looking into something different.

People often mention the short duration of "peak moments", or, moments of Divine Inspiration. There is always an accompanying longing for "permanence" of this slight shift of consciousness.

On the other hand, there is a deception that the great Spiritual People of this planet had a "lightening bolt moment" of enlightenment (or were born superior to the People).

It would seem, based on Father's instruction, there is a different way.

This way is that we seek, Desire, intend, understanding from the "enlightened place" we are

sure is available to us, and receive answers we would have, from that place.

When we contemplate and expect such knowledge, or inspiration, it is readily available to us.

As we live daily life in such experience, it becomes a common, rather than rare event.

Eventually, the moments of daily occurrence meld in such a way that we are Living as the Person we sought to be.

It is by gradual repetition, enlightenment becomes an active experience.

With pure rain, cool balmy breeze and SunShine rainbows !

JULY 26, 2012

*the word null*

Rooster calls the SunRise forth !

Recently, a very dear friend shared with me the use of the word "null".

Martin and I have been using "non" to end-icate (indicate) the absence of deception and the unrighteous - unholy.

In exploring the word null, the overall definition is apt for our use.

With SunShine and cool balmy breeze swaying the trees !

JULY 27, 2012

*a new day*

a new day dawning !

Many things are unknown at this time.

One thing known is, The People are good, although deceived. Look to our goodness. Find Truth.

With pure rain on pure food with balmy cool breeze  
in the SunShine !

JULY 28, 2012

*blessing or loss ?*

sweet fragrance of Truth !

While many are moaning about the loss of corn and wheat, Martin said, "Oh, the loss of GMO crops!"

Stories tell us that Native Americans -- First Nations grew corn, squash, beans in the desert on natural moisture.

Could it be that, traditional food sources survive to feed The People ?

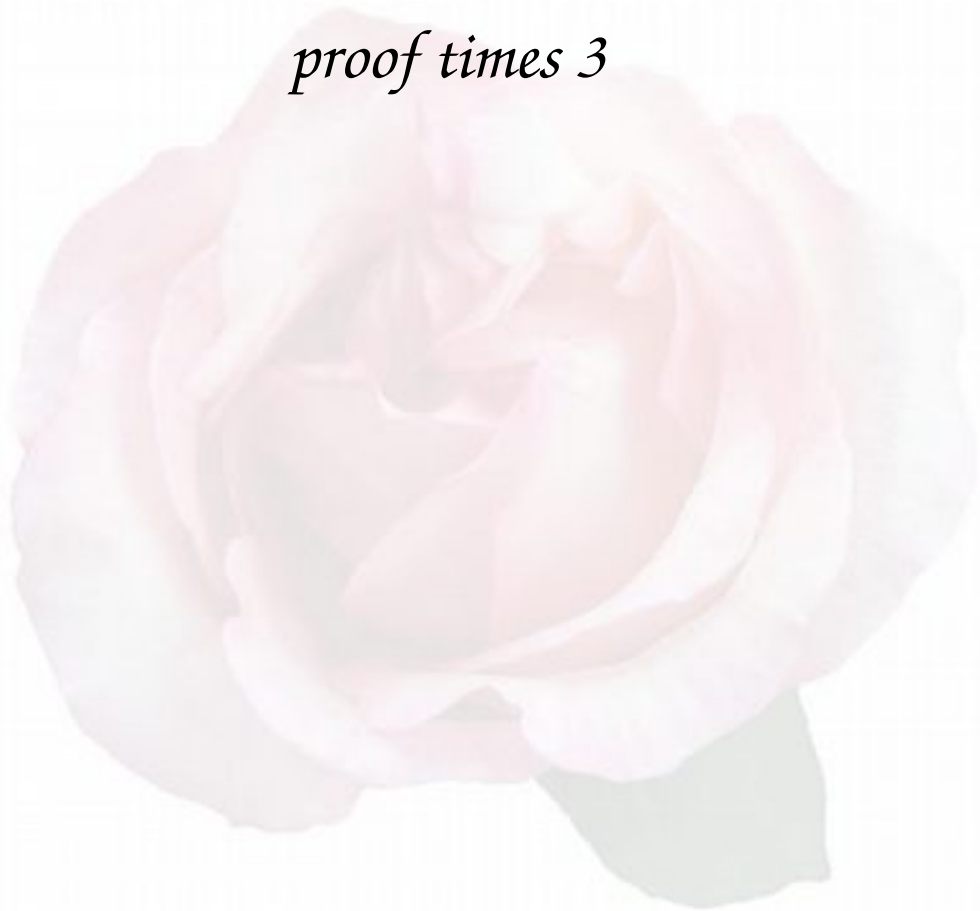

Could it be that, the loss of GMO crops is a blessing, not a loss ?

If we don't have enough sense to stop eating it, "it" is taken from our table.

With pure showers of blessings and gentle SunShine !

JULY 29, 2012

*proof times 3*

gentle rain came, cool breeze remain.

The third major event recently occurred in which it was proven to me that ending Desire gone astray, or putting your will on someone else, and stating your need to the proper place allows the need to be met.

Much of the country has been in need of rain, while some of the country has been stormed to pieces.

Here, there has been a need for rain, but J persisted in "letting it go", because Father has said to leave it to Him.

Then, that morning, listening to another radio broadcast of continued temperatures over 100 and dryness everywhere, J thought:

Father said to leave the weather to Him, but J can state our need.

The land, the "animals", The People were all in need of rain.

I recognized that The Father's Desire for all of us is *GOODNESS*. That is to say, He Desires and sends us, abundance.

So I talked with The Father, stating our need with no imposition of my own will on Him.

I acknowledged His Desire for goodness for us all. This was a statement of Truth.

Very quickly the weather report began incremental changes.

Step by step rain was forecast.

Then in the late afternoon rain came through.

We acknowledged, from the beginning, *NO* consent to the deception that if we received rain we must receive violence.

To the north and south of us lightening roared, while a forecast of violent weather for the area north of us and no rain for our area persisted.

We continued to Thank Father for a pure and gentle rain, which was His Good Will for us.

The rain came.

Some small wind and distant lightening.

The dry "spell" ended.

Thank You Father !

With balmy cool days of SunShine and gentle cool breeze !

JULY 30, 2012

*what is null ?*

after gentle rain birds sing again !

null:

- ◆ void
- ◆ no legal force or effect
- ◆ non existent
- ◆ without effect

nullify:

- ◆ bring to naught
- ◆ annul

annul:

- ◆ render invalid
- ◆ reduce to no thing
- ◆ put an end to

void:

- ◆ no force or validity
- ◆ to clear or free
- ◆ no matter
- ◆ producing no effect
- ◆ useless

This brings us to another good word : void.

When we recognize there is no "force" or validity in what is untrue, we become free -- clear of all deception. Then there is no matter to produce effects of deception. The deception has become null -- without effect and non-existent.

With puffy white clouds in brilliant blue sky and swirly bubbles of Joy !

JULY 31, 2012

*the next step*

crickets chirp a cricket song !

I was, very angry with the unrighteous - unholy and had no motivation to end hating them.

All I have seen of what they do to The People, animals, and planet "justified" my unrighteous - unholy play with them.

Then . . . I realized this hate and anger toward them was instilled by them. I had been "contaminated" with their disease.

I realized that only when I stop hating them and "willing" them to end hurting us, or, be different, will what they send out toward us return to them.

When they have no target in us, what they send out returns to them. *They* are their own destruction. No war to be fought. No battle to be won.

For me to be about Love, Life, Joy, Peace, I must find the place where they are null and void.

With balmy cool days of SunShine and Joy !

*forget the 100th monkey*

rainbows swirl on bubbles in the breeze !

Most People, now-a-days have been indoctrinated into the 100th monkey story, which is told in many versions.

Truth is, it doesn't take 100 monkeys for change.

Truth is, it only takes one -- the first !

AUGUST 3, 2012

*cain and able stuff*

gentle rain came again. SunShine came again !

We have been looking at ending the presence of unrighteous - unholy energy upon this planet.

While not putting one's desire on another and null & voiding them, is a most effective process, it is the case that there is another area of vulnerability.

This is often misrepresented in biblical stories as the scourge of good men. Sometimes imprisoning them and sometimes unto death.

Please keep in mind :

**That is *not* the father's desire for the people !**

To protect a family member who is serving the unrighteous - unholy, is to make one's self vulnerable what you are protecting them from.

Although a very painful decision, even family members must be left to the penalties of their own choices.

Self-sacrifice is *not* in The Father's Plan for The People.

If all the "good" People were sacrificed for the "bad - evil acting" ones, a world full of evil would be all that remained.

Do you believe The Father created all, *GOOD*, just to become evil ?

If so, you might seek Truth with a fervency you've never had before.

In the Loving Way of Truth !

**SunShine with cool breeze !**

AUGUST 4, 2012

*Truth is not tit for tat*

cicadas sing an end of summer song !

When you pray, do you pray "Thy Will be done" ?

Has "society" taught you that, as an unspoken expectation, then *your* will may / must be done (by the Divine) ?

After all, tit for tat, fair is fair, and all that deception.

State your need.

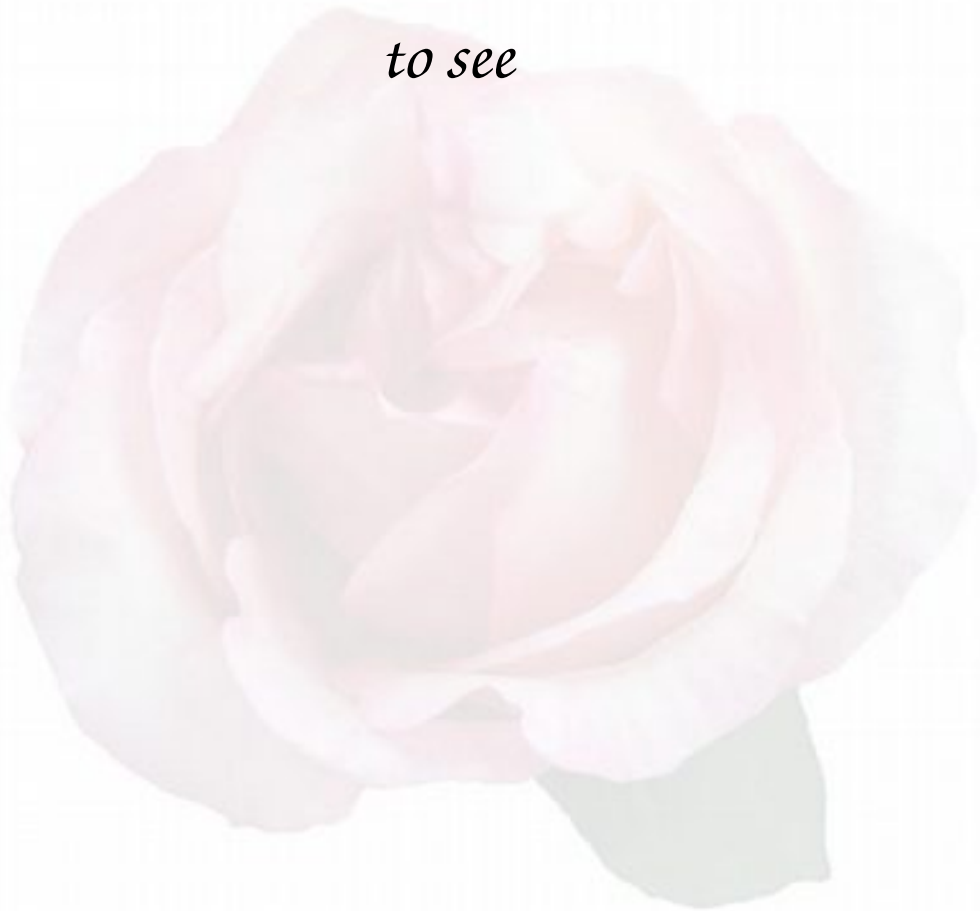

State your understanding of the Good, Loving Desire of The Father.

Give Thanks that it is so.

In Simple Truth of SunShine in The Father's Will.

*One Truth -- Father - God is GOOD*

gentle rain that nourish and sustain. Father's Desire done once again !

So the point is:

For your needs to be met, state your need, state your knowledge of the Divine GOODNESS and Truth intended for you, give Thanks for the GOODNESS of your needs met.

Ending a split mind regarding Father - God is the most Powerful act you can choose to make.

End the deception that any darkness, death, decay, destruction is divine.

When anything other than GOOD appears to be approaching you, hold fast (called Faith) to Truth of Goodness !

Does Fire burn brightly ?

Does fire smolder ?

How does ember become flame ?

Balmy, cool days of Sunny Glory !

AUGUST 8, 2012

*hate, abhor, loathe*

candle glows at dawn !

It is necessary to remember that accuracy is of the utmost importance when ending unrighteous - unholy play.

To place all hate on the Altar is insufficient when one is contaminated with abhorring, or loathing.

- ◆ hate: have great dislike for
- ◆ abhor: detest, regard with repugnance
- ◆ loathe: great hate or disgust

These are *NOT* True characteristics of The People. They are a contamination we need to end. Doing to "them" as they do to us will never set us free.

Being "justified" in hate, abhor, loathe perpetuates experience outside "Heaven".

Heaven - Truth is where we are. We need to "clean" our vision.

Father, I now Know my True need for the end of hate, abhor, loathe.

I Know *Your Desire* for me is my expression of Truth, Love, Life -- all things Divine.

I give thanks that my need is met in Divine Truth.

On a SunShiny day of crystal blue skies, light white clouds and cool balmy breeze !

AUGUST 9, 2012

*gradual progress*

rainbows and bubbles dance !

Building a base, a foundation, of Trust -- Faith in basic Principles of Universal Law is of major importance.

If one sees Truth practically applied in "small" events, and experiences application in increasingly larger "events", Truth becomes the "norm" for all events.

There is no failure when we progress in Truth.

We can appreciate gradual progress.

After all, lightning bolts have become weapons, they are no longer tools of enlightenment.

With thanks for the pure and gentle rain that washes clean !

AUGUST 10, 2012

*inflame never ignites*

SunShines rainbows across room !

To inflame anger so as to ignite justice is a deception.

The deception seems to be "the answer".

Ways of Truth are portrayed as too simple. We are convinced Ways of Truth might work when it doesn't matter, but on the "big" things it'll never work.

Great or small is no difference.

Truth is Truth no matter the size of the deception.

Change your HEART and the world becomes TRUTH.

With SunShine and balmy cool breeze after gentle rain !

AUGUST 13, 2012

*focus*

When diversion calls your attention and seems to take precedence , do you loose your focus on what is Divine ?

Perhaps wherever your attention is, you might see only what is Divine.

*Prayer Principles*

birds sing of cool balmy days again !

After confirming with Father a second time, I have placed here for your consideration, a snap of the Prayer Principles He gave.

With Pure skies and balmy cool days after rain !

## PRAYER PRINCIPLES

### *Give Thanks Divine Will / Desire is ACTIVE*

\*\*\*\*\*

- ♥ Insure Heartfelt Desire gone NOT astray
  - ❖ No attack / defense and no imposing self-will
- ♥ Let The Father's Desire be ACTIVE and free of all "human" desire
- ♥ My way "Lights" NOT another's way.
  - ❖ Neither does it replace another's way (become theirs)
  - ❖ play NOT the "teacher" deception
- ♥ To pray Father's Will be done for another, or, to let it be another way, is to cause my Heartfelt Desire gone awry.
- ♥ Stop praying for the GoldenSilverWhiteLight to protect even my lineage until greater understanding
- ♥ Asking others to NOT pray for me insures my sanctity (purity of Holy Purpose; Sacredness)
- ♥ Asking for Divine Will to be "done" is to end it -- ask instead for it to be ACTIVE

AUGUST 15, 2012

*deceptive logic or Reason ?*

birds return after gentle rain !

My thought has been to focus on the Divine. Then today as I edited audio programs, I came across a show from May that had a big name guest..

His deceptively faulty logic made perfect sense from a place of indoctrination of religion. And, it wasn't even a religious perspective.

Reason is a Spiritual Faculty. It has great function in our Spiritual Journey.

The Spiritual Faculty of Reason brings us to Truth. Discernment is the additional Spiritual Faculty that insures our perception of Divine Truth.

"they" have planned on using faulty logic to ensure their opportunity for exploitation of any Person who receives All Righteous and Holy understanding. It is like in school. Children are taught they are known by who they keep company with. This gives validity to even the most cunningly deceptive among them.

"they" do not cause, give, or have any relationship to, Divine Expression of The People.

It is the Desire for Truth that brings Divine Expression to earth.

*Sun and WhiteRose Star*

cool breeze, cool nights, balmy days !

Things are moving with increased speed.

While there is no apparent interest in Father's disclosure regarding the Sun and approaching WhiteRose Star, there are, none-the-less, indications the pull of our two Suns / Stars are impacting Earth.

Of course, there are indications a few big names are slowly integrating this information without acknowledging Father. As we inform those who would act with such dishonor, this is between them and Father, with Universal Law. (See our Creative Notice)

aluminum days end, Sun is red, and sky is blue again !

AUGUST 17, 2012

*quivers and shudders*

and I thought armadillos *only* live in the desert !

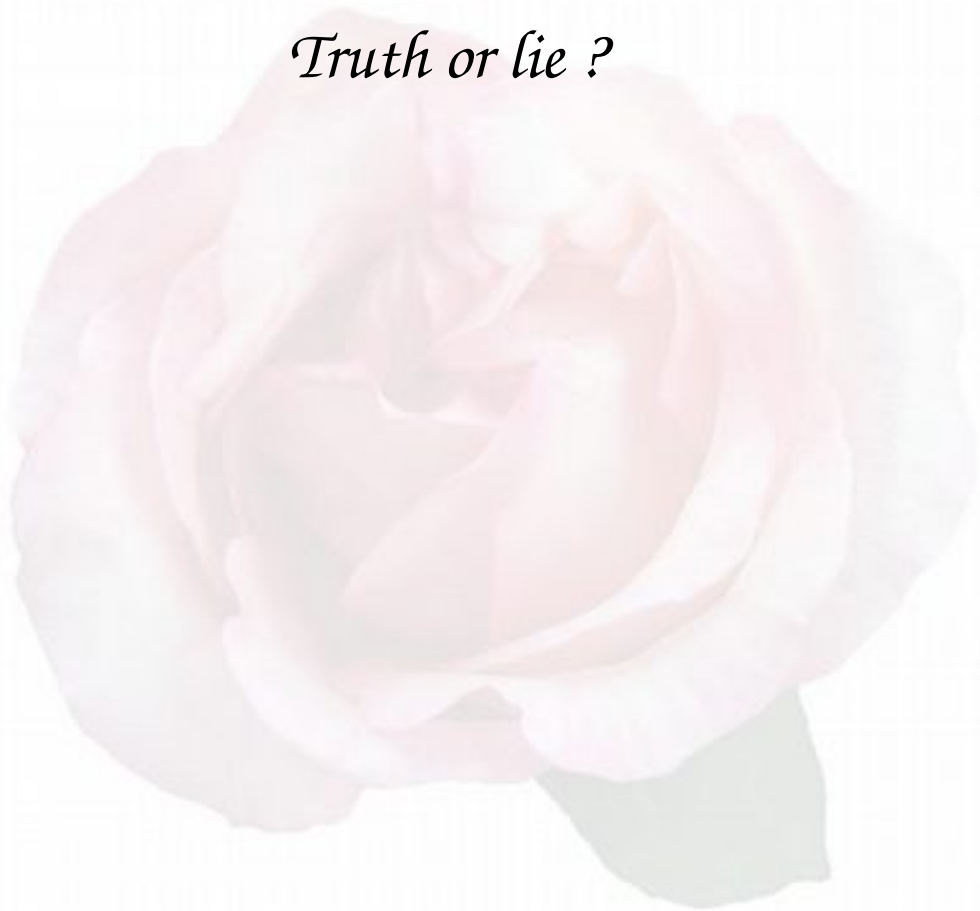

Have you noticed those little quivers that are like a shudder ?

Seems to me like a subtle force pulling on our planet as our Sun is pulling, or being pulled, in the attraction of WhiteRose Star.

end of oxidized aluminum gray and re-turn to shades of blue !

I truly look forward to the return of twilight blue, midnight blue, morning blue !

We recently watched Thunderheart <sup>8</sup> -- an old movie with Val Kilmer <sup>9</sup>.

It was interesting that he threw down his gun and turned his back on the unrighteous - unholy.

We are taught only cowards are shot in the back. That deception is because when we turn away from them and turn toward Truth, we are safe and they become void.

rain upon the land. green again !

I saw an interesting "word" when searching  
indigenous people of this land.

I don't know who had it, but it is:

*indigenous unity*

oxidized gray ends, real rain clouds come again !

Have you been around long enough to remember  
real rain clouds ?

I was looking at two common words Father used recently and made the decision not to participate in calling the indigenous people of this land "First Nation".

Rather more accurate to convey the unity of the "native americans" is to say First People.

first nation is to say they have come under one government. I would not put such (or any) curse upon them.

For the people indigenous to this land to come together in unity is something I agree with.

In this day and age

produces almost  
the same results in the physical body  
as actually performing the exercise  
is it any surprise  
imag-ing acts toward another person  
are equal to physically doing the act to them ?

It has been said:  
As a man thinketh . . .

BlueThunder has said that People indigenous to this  
land once understood that evil thoughts are as real  
as an arrow or knife. This also required only good  
thoughts to be present when cooking food.

*results*

cool breeze morning, birds sing !

It is amazing that simple acts can produce results that appear contradictory.

First, simple just doesn't get results -- we are told.  
More is more, we are told.

Second, familiar action is familiar because it gets results -- we are told.

To "fly in the face of convention" is unthinkable we are told because predictable gets results -- we are told.

The point is:  
experience life differently and get results in a world that before seemed hopeless and helpless.

This is what restores one's Power.

*what goes around ?*

strange skies, Father provides -- safety !

As I have been looking at the "history" on this land I've noticed the use of starvation and violence for thievery.

It is interesting to me that those who were tools of implementing this vast deception created future generations of children and grandchildren who would be told the same deception is at play / being planned for them and these generations would still believe they are immune to such devastation.

Kansas, Nebraska and Missouri feel pretty free of  
indigenous people, yet, they are under attack on  
their homes and food supplies.

Just as those ancestors did,  
is being done to these generations.

When do we waken from the deception and turn  
away -- toward Truth ?

*one or the other ?*

SunShiny skies and cool breeze make gentle days !

When a Person gets focused on an area of change in their life, it can happen that other areas are forgotten. It could be so with regard to self-will and attack / defense.

Focusing on self-will and wondering why things aren't going well, may be an indication that a Person is engaging / playing, attack / defense.

Especially defense from aggressive attack behavior such as anger, blame, degrading, and from passive

attack behavior such as forgetting, breaking, ignoring.

Meeting aggression with aggression appears justified, but history records the almost 100% failure rate of this response.

If you are sure you are not engaging one of the above mistakes, check the other.

*Rapture reminder*

A bright new day in The Father Way !

Just a reminder that what I once called Transcend-ent Love, Father calls Rapture.

This is to say Rapture is not, leaving with space aliens who want to save us -- or more likely, destroy us.

No -- poof -- we're out of here.

Father has said Rapture is a better word for the Love we are, which transcends or ends the trance.

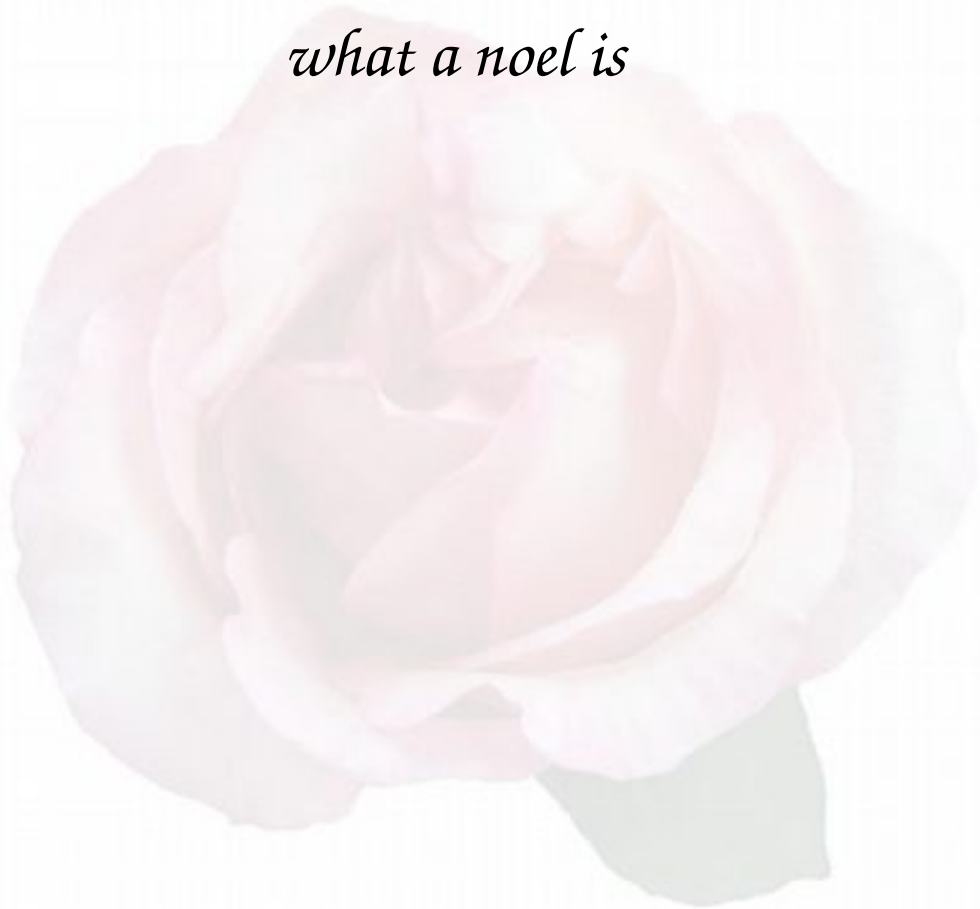

Until experienced, we have no way to understand the experience of Rapture.

Words have been used and misunderstood for thousands of years.

With brisk cool breeze and pure blue skies !

*what a noel is*

rainbows and crystal Lights !

Quite some time ago, I was inspired to understand, when talking with The Father, that a "noel" is a specific type of place upon the land.

I saw lots of plants, trees, shrubs.

Hopefully, Father will decide to give me a more precise definition, at some point.

When The Father decides it is time for certain information to be understood, it doesn't matter what I ask to have revealed. He tells me what I need to know.

With cool breeze under Sunny Skies and balmy days after pure and gentle rain !

SEPTEMBER 8, 2012

*glass bubbles*

tiny bubbles bring great Joy !

I was enjoying bubbles from a small bottle of bubbles sold for wedding use, rather than throwing rice.

The large bubbles from tubes are lots of fun, but the little bubbles are able to be used in more refined spaces.

This got me thinking about plastic, which I haven't mentioned in a while.

People might think I'm a bit "off" regarding this plastic elimination thing. All I can say, is I believe it is something all People who recognize the need for preparation should take to Prayer and discern if their most secure place should be stocked in only natural materials.

So -- I thought how much a stress reliever the bubbles are. Recycled glass bottles and wire "wands" would certainly fit the need.

Yes, I can remember when magic bubbles had wire wands.

No matter your age, you might find bubbles a great stress reliever.

With pure blue skies and SunShine after pure rain !

SEPTEMBER 9, 2012

*glass bubbles, no really -- this time*

birds receive rain water !

Writing yesterday's entry, I realized it would be nice to mention what stress relievers glass balls are, too.

Glass balls come, and have come for centuries, in many sizes for many purposes.

There are glass floats for fishing nets.

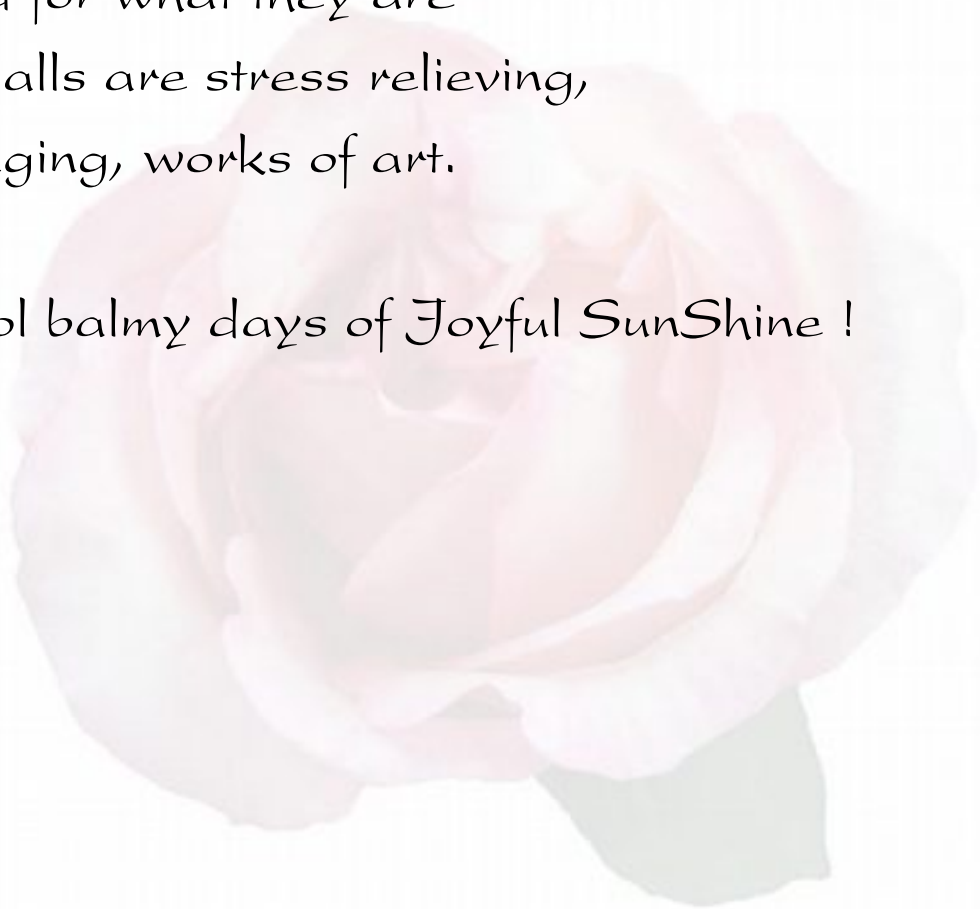

Glass balls for decoration.

Window glass balls for evil repelling.

Gazing balls for protecting gardens.

No matter the commercial reason,  
if viewed for what they are  
Glass Balls are stress relieving,  
Joy bringing, works of art.

With cool balmy days of Joyful SunShine !

SEPTEMBER 10, 2012

*NO PLASTIC again*

what are sand castles in the air ?

What ever happened to glass gallon jugs ?

Do you remember when vinegar came in glass jugs ?

If soft plastic is so harmful to People, why is vinegar packaged in it, when vinegar is so interactive ?

Has anyone tested the level of plastics in the blood and tissue of The People ?

Even if you disagree with my extreme position of NO PLASTIC (which I obviously use because I'm on the computer) in your secure shelter, do you know what harm is being done to your body ?

I know the difficulty of eliminating plastic in your home and food supply.

It is however, a creative exercise to find new-old fashioned ways to eliminate plastic usage.

With balmy cool fall days of pure SunShine and fall harvest !

SEPTEMBER 11, 2012

*glass, plastic and orbits*

morning sounds !

For practical reasons, I recommend **no plastic** in your secure shelter.

As I have shared, Father said one must be at least 1000 feet from plastics at Point of Departure.

While much is being written, only small hints of what is coming are being given The People.

Father has said that we are in a orbit shared with the WhiteRoseStar.

This orbit is dual, with a not quite perpendicular plane.

When she comes close enough and we are thrown into our dual orbit, it will be a rough ride.

This is the "point" at which plastic will implode and the toxic fumes **will** kill.

Father said I was to write this blog for my Self. It is understandable if some things are too extreme.

Unless you put the suggestions into action and find the Truth in what is shared, you might dismiss such extreme writing.

At least this information is shared to provide an opportunity for a Different Way.

With crystal turquoise blue skies and cool balmy days !

SEPTEMBER 12, 2012

*you get what you choose*

warm days and cool nights !

There is a big pretense that no one knows what is coming for the planet you reside on.

There is also a big pretense no one knows what is happening as we approach what is coming.

To the extent we have provided a small explanation of what is coming and what the signs are of the approach of WhiteRoseStar, we hear small comments from "notable" sources, who never acknowledge our writings from The Father.

This is a choice of their own making.

Please read "Creative Notice" <sup>10</sup> if you have not already done so.

Of course, the unrighteous / unholy could be dribbling information to them, due to our making this event public.

Either way, please read the Creative Notice on the website <sup>11</sup> or the bar on the left of this page.

SEPTEMBER 13, 2012

*no violent weather*

safety from the storm, little animals come !

A reminder that it is not only possible, but a practical part of life to make null and void -- non -- the violence we see increasing in the weather.

Never a contract made with the unrighteous - unholy that gives them the false "right" to make violent weather.

Pray to The Father and assert your Right to pure and gentle rain and pure SunShine.

Do remember, though, that certain natural events will take place due to the forces of pull and push created as WhiteRoseStar and our Sun approach each other and are thrust into the other's previous orbit.

Prepare yourself in the Way of Truth, first and foremost.

With balmy days of SunShine and cool breeze and rainbow swirl bubbles of Joy Light !

*pollution not contamination*

Birds sing a morning song !

In reference to Father Saying that, rather than contaminated, the whole planet is radioactively polluted.

Contaminated:

- ◆ make impure
- ◆ to touch together

polluted:

- ◆ make unclean, corrupt, profane
- ◆ make dirty, impure, worthless

The beginning of this process is contamination: partially or temporarily unsafe. The end result of the process is polluted: impure because of foreign substances.

Polluere:

- ◆ to defile

Defile:

- ◆ malicious or thoughtless dirtying or profaning of that which should be pure, clean, and held in reverence.

Very clearly I believe that in the majority of cases the willful defiling of the planet, the polluting with radiation, is done intentionally by the unrighteous – unholy and those who serve them in their quest for greed (or lust). It is done unintentionally by the People who want food, warmth, and security for their family.

Profane:

- ◆ to treat something sacred with irreverence or abuse; desecrate; pollute
- ◆ to put to an unworthy or degrading use; debase

- ◆ irreverence, disrespect toward sacred things
- ◆ not initiated into the inner mysteries
- ◆ before or outside the temple, hence unsacred

Clearly if we had not lost our sense of the mystery and the sacredness of what is mystical and magical in the experience of coming to this planet, we would still recognize the sacredness of ourselves, the planet, and our being here (being: pun may be intended).

The radiation - pollution of this planet is by willful and malicious intent of the unrighteous – unholy and by the deception and ignorance of the People who live in deception.

Malicious:

- ◆ malice

malice:

- ◆ an intention or desire to injure another
- ◆ ill will, spite
- ◆ willfully formed, designed to do another injury
- ◆ syn: malevolent, malign, malignant
- ◆ the intention to produce or inflict evil

malevolent:

- ◆ has a more sinister connotation

malign:

- ◆ having an evil disposition toward others

malignant:

- ◆ tending to do great harm
- ◆ having an evil disposition toward others

What we see here is one of the utmost evil (evil seems to be an insufficient word) implementations of destruction of the planet and her People. There is no mistake. There is no negligence. There is no kindness or goodness in this blatant and wanton disrespect of Life – all in the name of power / energy thievery.

Amazingly the indigenous People of this country are surviving on some of the most decimated lands and drinking waters in the area of South Dakota. Amazingly also, People are surviving in one of the areas indicated by a major unrighteous – unholy facility, called Los Alamos, to be radioactively polluted at one of the highest levels in this land.

When do the People wake up and recognize they can in fact turn away from what is unrighteous – unholy and turn toward the Father? Toward the restoration of the sacredness of this planet with balanced temperatures which require no heating or cooling and the new plant and animal life that will be

forthcoming. This is a very real possibility awaiting our choice.

This choice is made by shifting to the awareness and commitment that will allow the restoration of balance, purity, and sacredness of this planet and us the People.

I have heard someone who has claimed to have once served the unrighteous – unholy (whose service, by his own word, can never be left) claim that it is possible to process the radioactive materials from the nuclear facilities to render them minimally harmful as we would close all nuclear facilities on this planet. This process might entail some hardship and difficulty, some redistribution, and population reduction through voluntary birth reduction. However, it is a choice we can make as a People indigenous to this planet.
