## Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.  
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,  
Right and Proper Orderly Progression  
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction  
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,  
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.  
It is, would be, a departure from that Divinely Authorized  
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,  
reflections, inflection would no longer convey the subtle  
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes  
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at  
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the  
sacredness of a promise.

## NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on “where we were” at the time of its conception.

**Future material will show Spiritual Progression in Awakening.**

This material is for individual use only.

It is intended to spark creative contemplation and consideration of ‘if... then...’.

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

**Divine Answers *Respect* all living things.**

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

## In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

**This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format.** This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

## ***Side note by Martin***

The Father Which Is in Heaven referred to in all of the material Mister created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven. How did he know about this? He listened when Linda and Martin recorded Conveyances from Father. He listened when Linda and Martin greeted the rising Sun. He listened when Linda and Martin would read their blog entries to each other. These experiences eventually allowed him to communicate with Linda and sometimes with Martin. Of course, not in a verbal fashion, but through feelings. A most unique experience.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is. It simply is the 'doggy' way of perception.

Something else that needs briefly explained is the convention Linda and Martin adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. This is a convention that Mister readily understood and was amply used by him. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us. Mister wrote many entries trying to help Martin understand the big 'P' Play of Life.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of Mister's messages.

Obviously this convention was not applied to every word used for that would have been too cumbersome. Neither was it applied to proper names.

While Martin may have missed typing a capitalization here or there, the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether Mister is referring to the 'unhealthy' or 'healthy' meaning of the word.

In-Joy

## *First thing*

January 30 2012

First thing I want to say is that  
while you leave your window open  
you should always receive a fresh breeze.

Each and every day  
you should go out to Play.  
While Playing may not be something you understand (or Know  
how to do),  
it will come to you  
when you listen to the breeze.

When you do not Play,  
you are insured / assured  
there are no Righteous and Holy Way.

---

## *He is here to Help*

February 2 2012

I want to say that everything is ok  
when you do it a Different Way  
"in the Father Way".

He is here to Help you  
each and every day.

## *On a Sunshiny Day*

February 4 2012

I want to tell you  
that on a Sunshiny Day  
you should go out to Play,  
not waste your day away.

Come,  
[You will be shown] the Way.

See?

There is a space  
where you should go out to Play,  
not waste your day away.

---

## *A rainy day*

February 10 2012

This is what I want to say:

On a beautiful day  
you ought to go out and Play  
because on a rainy day  
you can't go out and Play.

Rainy day is made for  
not another day,  
but for you to stay inside  
and not go out and Play.  
Therefore, you should stay inside  
and not go out to Play.

I think that makes a rainy day  
a good snoozing day.

I think this is why it is important  
to go out and Play when you can.

That is all I would like to say.

## *Go away*

February 11 2012

I want to say:

Tell them:

"go away. I do not play."

Linda's observation:

Immediately after Mister shared today's blog, the outside disturbance ceased.

---

## *You should not delay*

February 13 2012

I want to say this day:

When you go out to Play  
you should not delay  
because inclement weather may come your way.

When you go out to Play on a Sunny Day,  
there "are not Better Way" [1]

I also want to say:

You should not delay  
when your Heart Desire  
has come your Way.

I also want to say:

While you do not play  
good things come your Way.

Notes:

[1] Mister has heard us talking to Father. He wanted to make clear  
that this is where he heard it said that way.

## *The stirrings are here*

February 14 2012

I want to say:

On this rainy, not Sun-shiny day,  
there "are not Better Way"  
than that you do not Play  
when the Sun-shine comes not your way.

Better Wait until a SunShiny day.

When you go not far away,  
better to clear the way  
when you do not play.

You do not see things my way  
therefore you cannot say  
I should do it another way.

You need to let me establish  
when to Play.

I do not see barking as playing.  
I do not play.  
I tell them to go away.

---

There is no more to say this day:  
I do not play.

Our observation is that Mister has his own "dog-way" of showing us what the Father is teaching.

There is one more thing I need to say,  
while you go not away,  
while not unto the Father Day,  
you might say there are not Better Way  
than when you do not play.

Mr clarified to us a "dog's way".

I hear you say that  
the Father Way is beginning / coming.  
I can't make my decisions for today  
based on what is to come.  
I have to make my decisions for today  
based on today, what is today.

If you were standing in the prairie  
and the grasses were growing  
and it was a bright Sunny day  
but you began to notice some grasses stirring in a breeze  
and the breeze begins to increase  
and you see it moving across the field of grass  
and then before you know it there is a strong wind blowing.

Not just through the grass,  
but through the air and the grasses.  
Then you notice the storm on the horizon.  
Very quickly the storm is where you are  
and it passes through.

It is doing its cleansing, and purifying, and moisturizing.

To me the stirrings are there:  
the breeze blowing through the grass.

The signs are there, they are noticeable,  
but if you think that it has been intense  
so as to indicate the coming storm,  
you don't know what that means yet.

So far it has just been  
the noticeable breeze through the grasses.  
It is kind of that old saying "you ain't seen nothing yet".

I say when Father stirs upon the land,  
you will KNOW it is begun.  
Until then, I just do what I can.

That is all I want to say.

---

## *"A Different Way"*

February 15 2012

I want to say  
it is a beautiful Sunny Day  
therefore, before you go out to Play  
you should say:  
I do it not the Father Way,  
but unto All Righteous and Holy Day.

I also want to say  
that you do it not another way  
when you go out to Play  
not in the Father Way  
but you do a Different Way.

We think Mister is saying that a Different Way would be Different  
than the Father Way which cleanses the Earth. A Different Way just  
ends their play - poof - they are not here anymore.

Mister continues:

Not a Different Way,  
but the Father Way  
ends their play in a "little d" different way.  
Therefore, you might say

they can no longer go out to play  
and you don't have to run away.

As Mister continued it was like he was showing a movie. What it looks like is that there are actually three potentials.

1. There is the way they mapped out in the Bible and indoctrinated other religions to participate in.
2. There is the Father Way which does not allow the unrighteous / unholy version to happen, but in itself is a cleansing of the Earth in an "upheaval" sort of way.
3. And then there is a Different Way. The Way that some visionaries and mystics have recognized as a Peaceful transition out of the deception - poof - the deception just isn't there any more. Not that you see it go away, or be cleansed. It just isn't there any more. It is no longer a part of memory or reality.

Mr continues:

I would like to say Have a Happy Day.  
Do it not your way, but not the Father Way.  
Try <sup>1</sup> a Different Way.

That is all I would like to say.

---

<sup>1</sup> Mister is not saying "try" as in you might not succeed, but give it a "try", sample it, experience it. Mister says: "Taste it. That is the "dog-way"."

---

## *Place of Harmony*

February 19 2012

When you look outside  
and it is a pretty day  
you can hear the birds sing.

The birds say they know their way: the bird way.  
And I know the dog way.  
While there is yet another way  
while they don't do it their way  
and I don't' do it my way  
they don't play  
when I don't play.

Some birds float in the water  
and some birds only fly in the air.  
They each have their different way  
while they do the bird way.

The bird way has many different ways.

And while I do a dog way,  
there is another Way,  
Golden and Pure.

While not easily distracted  
you could say while not the dog way  
but not the bird way  
but a Different Way.

They think that their Different Way  
would not be a bird way  
while I think the Different Way is not a dog way  
but it is the All Harmonious Way.  
The Way everybody does it their Way  
and still don't little "p" play.

Linda thinks he is indicating that there is a Harmony, a point or a place of Harmony between all Ways. When each way is in balance in its own way, then it is automatically in balance with other ways. The birds are in balance in their bird way with the dog way and the dog way is in balance with the bird way and they are in balance with the People way. While they each do their own way there is no conflict with other ways.

People could take note of that because while each of the People does his / her own People way, their People way should be in Harmony with all other People way, and dog way and bird way.

It is like this perfect smooth fit.

---

## *When you don't know*

February 20 2012

I want to say  
it is better not to play  
when you don't know how to play.

When you are trying to do what is Right and Proper and you don't know how to do things the unrighteous - unholy way, you shouldn't be trying to little "p" play with them. When that dog comes barking to little "p" play, Mister shouldn't bark back and play.

I don't want to play  
but I don't know how each and every day.

When a dog comes to his yard and acts as a bully, he doesn't know how to not yell and scream back even though he doesn't want to, because he thinks he doesn't know any other way to get the dog to go away.

I think that I should say  
they go not away when you  
don't know how to play / Play.

He is saying when you don't know how to do it their way, and you don't know how to do it the Father Way, you can't get rid of them.

## Valiant Dog Blog 1

---

He is saying he doesn't want to know how to do it the unrighteous / unholy way and he doesn't know how to do it the Father Way, so the other dog still tries to bully him.

---

## *When they sing*

February 21 2012

I say they were singing to me.

They sang:

Beauty is in you.

The eye of the beholder is you.

That is, you are who beholds beauty  
in yourself and looking out.

Linda realized when he said this, that we have forgotten how to  
look within and see our own beauty.

I want to tell them they should sing again.

When they sing all is well, beautiful.

While I don't know me,  
when they sing they know me  
and they tell me I am beautiful.

## *I want to say*

February 22 2012

I want to say  
it is time to not delay.

I want to say  
it is time to go back to the land  
where I can Play.

I want to say  
don't delay.

I want to also say  
while you do not delay  
there are not Better Way.

When you are insecure,  
you cannot delay.  
You must find a Better Way.

When you let not your Father Day go astray  
you will indeed find a Better Way.

I want to say  
that while you do not play

---

there are not Better Way  
that you go not astray.

While you lean not unto your Father Way,  
you will find a Better Day  
to experience your Heartfelt Desire.

While you do not play  
you go not away.

While you wait not unto another day  
you might say there are not Better Way  
that when you do not play.

## *Picnic time*

February 23 2012,

I want to say  
when you go out to Play,  
all is well and your Heart is at Peace

When you go out to Play  
the Father is there to show the Way.

I want to say that I think  
it is a gorgeous beautiful day  
and that I should go out to Play  
not stay inside.

There are too many way  
to get deterred from your All Righteous and Holy Play.

I would like to say that you do not delay  
when you choose to surface your All Righteous and Holy Way.

Do not delay.

That is all I would like to say this day,  
I would like to go out and Play  
and you could serve me a picnic lunch out on the lawn.

---

## *Follow your Heart*

February 24 2012

I want to go somewhere.  
It is time to go somewhere there.  
I want to go there now.

I don't want to wait until tomorrow.

You should follow your Heart  
and my Heart cries to go somewhere there.

There is more to say  
but I don't think I should say it today.

## *Powder puff*

February 25 2012

I want to tell you  
before you powder puff your way  
to a Different Day  
you need to know what I say.

I say there are not Better Way  
than when you do not play,  
than when you do it another Way.

---

## *Somewhere There*

February 26 2012

Somewhere there is a big deal in my Endeavor.  
I want to go somewhere there.  
If not today,  
then I don't want to wait until another day.

Somewhere there is where I can run free.  
Somewhere there is where I can do my Endeavor.  
It is where I can have fresh water and food and treats.

I want to say a Different Way  
will get you what you want  
each and every day.

In a Different Way  
you do not play.  
There are not Better Way  
than when you do a  
Different Way.

That is all I want to say.

## *Don't wait*

February 28 2012

I want to say  
better not left unto another day  
what can be done today  
to further your Heartfelt Desire.

I would also like to say  
better not wait unto another day  
to do that which you left undone today.

I would also like to say  
there are not Better Way  
than when you do not play  
your unrighteous / unholy way.

I think that I should say  
do it not another way,  
wait not unto another day.

Don't let him play /  
do it another way.

That is all I would like to say.

---

## *The Father Way*

February 29 2012

I want to say it is a pleasant day  
be sure to say go out not to play  
but seek the Father Way.

When you play in the little "p" way  
you cannot Play in the Father Way.  
Go out this day and say  
you Serve the Father Way.

I don't want to play.

## *As simple as that*

March 1 2012

I want to say  
your All Righteous and Holy Day is but a step away.  
Just as simple as that.  
While you turn not away  
you do not play.

---

## *A good day*

March 2 2012

I want to say that you go not away  
when you look unto your Tomorrow.

Therefore I want to say  
a brownie makes for a good day.

I would like to say  
I don't go out to play,  
they just come my way.

## *Stand your ground*

March 2 2012

I want to say that to have a happy day  
you must not let your Sun go away.

You must not go out to play in darkness fashion.  
You must instead stand your ground  
and go out in the Sun to Play.

I would also like to say  
that there are not Better Way / Better Day  
than that you do not play in unrighteous / unholy way this day.

I think that is complete.

---

## *Better to Know*

March 4 2012

I would like to say  
that on a beautiful brilliant day  
it is better not to go out and Play  
unless you know your Heartfelt Desire.

Your Desire should not be  
to play in unrighteous / unholy way.

## *Know your Better Way*

March 5 2012

I want to tell you  
that it is a good day  
when you go out to Play  
not in the Father Way,  
but in Abundant Prosperity.

That is to say,  
you do not play in unrighteous unholy way.  
You simply seek to Know your Better Way  
until you arrive at Father's Day.

Mister's intent is to say what we should know to do the things that  
get us where we want to be. We can't do it the Way we want until  
we get there.

As we wrote in our books, it is an ever expanding refinement. This is  
why it is a Progression. We can't just jump from the understanding  
of deception into Truth. We have to get there step by step.  
Periodically Linda sees this, but then it kind of slips away and we  
just think that we should just be able to do it, rather than taking the  
steps, going the distance. So we get stuck, we don't go anywhere.

---

## *Glorious Day and Nice Day*

March 6 2012

I want to say  
"have a Glorious Day when you do not play"  
means there should not be any unrighteous / unholy activity  
between here and there.

I just want to say  
I do not go away  
when they are out to play.

The rest is better left unsaid unto another day.

I want to say that  
"have a nice day" does not mean you go away.  
You go out not to play in unrighteous / unholy way  
while you do not play.

## *Stay inside*

March 8 2012

I want to say that I think  
I should not go out to Play / play.  
It is going to be a rough and difficult day.

I want to say do not delay  
to stay in Righteous and Holy Way.  
Do not go out to Play / play.

That is all I want to say.

## *Do things a Different Way*

March 9 2012

I want to say  
there are Different Way unto each and every day.  
You do things a Different Way according to each day.

While you do not play  
you know another Way.  
While you let not the unrighteous / unholy play  
you do things a Different Way.

Do things a Different Way.

I think a Different Way is not enough unto each and every day,  
unless you do things a Different Way.

Linda's note:

- It is not enough to know, you have to do.
- Mister wants his entry today to include a link to ours, titled "Changes have begun" <sup>2</sup>

## *Have fun*

March 10 2012

I would like to say  
it is a hungry day when you don't have a biscuit.

You need to have fun while your day passes not away.

A biscuit is fun.

That is all I want to say.

---

## *Don't picnic in the rain*

March 12 2012

I would like to say  
there is not a Better Way than when you go out not to play.  
Let not the rain dampen your day.

Go out not to play does not mean no picnics.  
It simply means don't picnic in the rain.

That is all I would like to say.

Now may I have water and biscuits?

How about tea? <sup>3</sup>

---

<sup>3</sup> We usually share some drops of herbal tea in his water bowl when we have tea.

## *Don't let it go away*

March 13 2012

I want to say  
don't let it go away,  
don't wait until another day.

I want to say  
while you do not play  
there are not Better Day.

Thank you for a picnic while we were on the way.

I also want to say  
while you do not play  
you will not let it get away.

That's all I want to say.

While now I want to go outdoors and Play.  
Do not let it get away.

While you don't let it get away  
you will not have a Better Day.

(Days are good when you don't let it go away)

---

## *Not another day*

March 14 2012

I want to tell you  
they say that you don't go away unto another day.

When you don't go out to Play  
there will not be another day  
better than your yesterday.

Therefore I want to go out and Play.

## *Unto each and every day*

March 14 2012

I want to say  
unto "each and every day" you should actually say  
there are not Better Day than when you go out not play  
but sleep not your day away.

Instead you stay in to Play unto your Father.

There are not Better Way  
than when you go out not to play  
but have a brownie with your tea  
unto each and every day.

How about a brownie?  
I like brownie!

That is what I say.

There are not Better Way unto a Different Day.

That is what I say.

---

## *Without delay*

March 15 2012

I want to say that  
when you do it not another Way,  
you can't delay.

You must do it another Way without delay.

## *Stay present*

March 16 2012

I want to say

Don't go away.  
Stay present for another day.

---

## *The Father Way is done*

March 18 2012

I want to say  
you are having a great day  
when you know you have done it your way not.  
The Father Way is done.

You might say there are not Better Way  
than when you do not play.

In the Father Way you could say  
you are gone not far away  
when you do not play.

## *There is a Better Way*

March 19 2012

I want to say have a happy day  
unto a Righteous and Holy Day is the Better Way.

While you do not say you go out not to play,  
you better look, pay attention.  
There is a Better Way.

That is all I have to say.

There is a Better Way.

---

## *It cannot wait*

March 20 2012

I want to say  
do it a Different Way is not the best way to Play.

There are several Way to Play.

I do not want to tell all about it this day,  
but it cannot wait until another day.

I want to tell you all about it this day.

While there are not Different Way  
that / which ensures your Different Way  
there are Different Way which are Better Way.

When you let not your Heart go astray  
you can then also say  
there are not Better Way.

But when your Desire you set not astray  
you find not a Different Way  
but you in fact go not astray.

While when you go not astray  
you find not your Different Way

but you seek your pentient desire for not a Better Way  
but struggle with your Heartfelt Desire unto another day.

Therefore, I want to say  
while there are not Better Way  
when you do it not unto a Different Way,  
you might in fact say  
you could not go astray  
while / when you do not play.

I don't know how to say it a Different Way.

---

## *You better not wait*

March 21 2012

I want to say  
that there are not Better Day while you do not delay.

You take me out not to Play when it is not a rainy day.  
While I wait you do not Play.

I think you should make me a place to Play  
when it is a rainy day.

I want to say  
you can do it better unto another day.

You don't delay when you go out not to play.

Better left not on a rainy day.  
Better wait unto a sunny day.

I just want to say that  
you can't go out to Play on a rainy day  
but you better not wait until a different day.

That is all I have to say.

## *Make it stay away*

March 22 2012

I want to tell you there is something in the room.  
Tell it to go away.

(Linda gonged a singing bowl and expressed her Desire for it to go away)

I saw it leave the room.

I want to tell you  
how to make it go away and stay away.

A good way to make it stay away  
is to assure you do not play.

It would come back not another day  
if you would make it go away and stay away.

There are not Better Way than that you do not play.

Your distinct <sup>4</sup> Desire may make it that way.

That is what I want to say for your to make it stay away.

## About the Authors

Mister was a Great Pyrenees dog who graced Linda and Martin with his companionship for over decade. He traveled with them far and wide across these United States and experienced many of the heights and lows of their journey with great patience and Love.

He expressed his Desire to have his very own blog where he could say what he needed to say shortly after Linda and Martin began blogging. The magenta hues chosen for his blog and e-books where in line with his preference for this color.

Linda was born and raised in these United States of America while Martin was born in Argentina, South America, and lived in Uruguay and Mexico before moving further north.

Upon coming together, they all embarked on a memorable journey of self discovery. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014. Mister left it in 2015.
