Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on “where we were” at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of ‘if... then...’.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

*This book is a Gift to you
from Father Which Is in Heaven.*

*Father Which Is in Heaven
Gives you Thanks
for accepting His Gift to you.*

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Mister created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven. How did he know about this? He listened when Linda and Martin recorded Conveyances from Father. He listened when Linda and Martin greeted the rising Sun. He listened when Linda and Martin would read their blog entries to each other. These experiences eventually allowed him to communicate with Linda and sometimes with Martin. Of course, not in a verbal fashion, but through feelings. A most unique experience.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is. It simply is the 'doggy' way of perception.

Something else that needs briefly explained is the convention Linda and Martin adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. This is a convention that Mister readily understood and was amply used by him. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us. Mister wrote many entries trying to help Martin understand the big 'P' Play of Life.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of Mister's messages.

Obviously this convention was not applied to every word used for that would have been too cumbersome. Neither was it applied to proper names.

While Martin may have missed typing a capitalization here or there, the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether Mister is referring to the 'unhealthy' or 'healthy' meaning of the word.

Make it stay away

March 22 2012

I want to tell you there is something in the room.
Tell it to go away.

(Linda gonged a singing bowl and expressed her Desire for it to go away)

I saw it leave the room.

I want to tell you
how to make it go away and stay away.

A good way to make it stay away
is to assure you do not play.

It would come back not another day
if you would make it go away and stay away.

There are not Better Way than that you do not play.

Your distinct ¹ Desire may make it that way.

That is what I want to say for you to make it stay away.

¹ undeniable

A Healthy Way

March 23 2012

I want to say
there is not a Different Way
when you don't go out to Play.

You can't do it [go out] each and every day
but you can Play in some way.

There is a healthy way
but that is not the way if you don't Play.

Mister is saying that part of being healthy to him, a significant part
of being healthy is Playing. Running, and jumping, chasing, and
Playing. People say exercise but that is not Playing for most People.

I want to say there is not a Better Way
than when you don't play
but do it a Different Way.

I want to say that play is not the way.

That is all I want to say this day.

spaghetti with hamburger

April 12 2012

I want to say that unto each and every day
there is a way to have spaghetti with hamburger.

I think that is the way to have a Better Day
each and every day.

That is what I want to say.

Frequency

April 13 2012

I want to tell you
that there is something in frequency
that you don't understand.

There is another way.

All the meat you want

April 14 2012

I would like to say
that when you find a Different Way
you are sure to stay on All Righteous and Holy Way.

I want to say
that when you do it a Different Way
you have all the meat you want each and every day.

That is all I want to say.

The day the rain went away

April 15 2012

It was storming outside as Mister came to say:

I want to tell you
to get ready for a Bright New Peaceful Day,
one where we don't play.

In the Father Way I should say
that when we go out not to play
we come unto a Bright New Day.

The way I don't play
is I don't yell and scream (she says).
I tell them to go away in a dog way.

As Mister finished, the rain became gentle, the thunder went away,
and it became bright.

We will not play

April 18 2012

I want to say
that to do it a Different Way
we will not play.

We will come unto a Different Day
while we do it a Different Way
and we do not play.

That is all I have to say.

Better meals

April 19 2012

I want to say
"don't play unto another day"
means you don't play this day.

When you don't play this day
you can do it another way.
So don't say... [unfinished sentence]

I want to say
there are Different Way unto another day
is a Better Way.

When you don't go out to play
there are not Better Way.
Then you can be assured
when you do not play
and you do it another way
that there are better meals on your table.

Look on the floor
and I will show you that is the way.
[that is a reference to the fact his treat bowl sits on the floor]

Being Vigilant

April 20 2012

I want to say
there is not a place for me.
You make me feel unwelcome.

I don't know what you want from me
when you tell me to be at Peace,
but you don't want me to be where you are.

You sometimes tell me and I don't see how.
You don't want me to play, but I don't know how.

That's is all I want to say unto All Righteous and Holy Day.

[Mister obviously gets caught up in the energy we get caught up.
Whether it is a child, a dog, or an adult, we have to be vigilant to
not participate in it.]

Do it differently every day

April 21 2012

I want to say
you do it differently every day
when your Heartfelt Desire
went not astray.

Do it differently every day
is a Better Way.

That is all I want to say.

Don't go away

April 23 2012

I want to say
there are not Better Way
when you do not play / do not go away.

I want to say
that to do it a Different Way
you have to take me out to Play.
You can't leave me inside all day.

I don't want you to go away.

That is all I have to say.

Let's get out of here today

April 25 2012

I want to do a Different Way.
I want to go out not to play.

When you seek All Righteous and Holy Day,
you go out not to play.

I want to do a Different Way
so you could say
"let's get out of here today."

Don't sniff your mother's feet

May 2 2012

We were talking about how there are many men that go to their grave with unresolved issues regarding their mother.

Mister came and he explained to us that he could "sniff" his mother's feet too, but that he doesn't because he wants to do it Different. Mister said to us that we think dogs don't care, but they do. They just don't do it that way.

When I left home to be with you
I left home to be with you.
You could do that with the Father too.

I want to tell you
that if you would do that too
I would be happy, just like you.

While you don't play or sniff
you can be happy with the ground you walk on.

I just want to say
were you to do it differently
you walk in a Different Way -
a Different Way where you do not play.

There is a way

May 7 2012

I want to say
unto each and every bright new day
there IS a way, a way not to play
a way to find your Way.

Beautiful day

May 10 2012

I want to say
have a beautiful day.

While you are not far away
you cannot play,
so you will have a beautiful day.

Smell like you

May 13 2012

I want to say
I should smell like doggie dew.
You should want to smell like you,
not like some citrus shampoo.

Brownies this day

May 16 2012

I don't think you should wait unto another day:
"while you do not play,
you might make brownies for me this day".

I want to have a happy day

May 20 2012

I want to say,
there is nothing else to tell you.
I don't want to go out and play.

I do want to have a happy day,

I don't want you to say:
"I can't do it my way, but i have to do it your way."

I don't want to play,
but I do need to make sure
they don't go out to play
while I'm out there to do it my way.

Mister explains "where"

May 21 2012

I want to tell you "where".

I want to tell you where is somewhere there.
You think I don't say where is somewhere there,
but I do say, each and every day, where is somewhere there.

You can't find it with map coordinates.
Your Heart leads you there.

It is not each and everywhere,
it is somewhere there.

While you do not think
your external Desire will get you there,
somewhere there is not each and everywhere.

I think,
you can find your way there.

Things will go your way

May 22 2012

I want to say
that when you have your All Righteous and Holy Day
things will go your way.
Not just a Better Way,
but when you do not play
things will go your way.

Then, you can take me out to Play.

That doesn't mean

May 26 2012

I want to say to do it a Different Way
you do not go out to play.
That doesn't mean you stay in all day.

That is all I want to say.

I know the way

May 28 2012

I want Linda to tell you
that I don't need you to tell me not to delay.
I know the way.

I want to say,
I would tell you the way,
but you delay.

When you do not delay,
I will show you the way.

That is all I have to say.

You will be happy

May 29 2012

I want to say,
do it not your way
but the Father Way
and you will be happy one day.

Say well done

May 30 2012

I want to say
I can do it a Different Way.

I have been doing it a Different Way.

I want to say that I didn't yell and scream
unto each and every day.
You didn't say well done each and every day.

Observation:

In a way, these are the things young People would like to say, that they have done well and that their parents didn't notice and didn't give them appreciation for it. It is also insufficient to give appreciation one time when children continue to do well. Children need to have continued appreciation shown to them. "I told you two weeks ago that you did well..." is insufficient.

Don't give your Love away

May 31 2012

I want to say
to do it a Different Way,
don't go away.

Don't go away to start again another day.
I want you to say,
I don't want you to play,
don't go away.

When you start again,
you don't know when you might go out to play.
You might not have a Better Day.

I want to say to do it a Different Way
you must go out not to play.
Just don't go away.

I want to say
that when you don't play
you shouldn't give your Love away.

That is all I want to say.

When you don't go away

June 1 2012

I want to say
when you don't go away,
you are fun to have and be around each day.

Your Light

June 2 2012

I want to say
each and every day not to go away.
Do not play.

I want to say
until you do it a Different Way,
you cannot go out to play
and have a good day.

While there are not another way,
you can't have a good day until you do not play.

Linda thinks he is saying that until the change comes for the planet
because the People have chosen what Linda would say is the Way
of Truth, that you got to do what you got to do. You can't stop.

I want to say
you don't do it a Different Way
when you go away to play.

Martin asked Mister to explain what he means by "when you go
away" and he responded:

When you don't let your Light shine.

I want a Different Way

June 9 2012

I want to say
to do it a Different Way
unto All Righteous and Holy Day,
there has to come a moment, an Opportunity
where you can say
I did it a Different Way.

I do not want to play,
so get thee away.

I want to say
while you do it not a Different Way
you go out to play and there comes not a Different Way.

That is all I have to say.

I want a Different Way.

Peaceful Countenance

June 11 2012

I want to say
I want to do it a Different Way this day.
That is why I started with Peaceful Countenance.

I didn't want to start this day
what she says "yelling and screaming".

I want to be at Peace this day.

I want to do it a Different Way.

Too hot

June 13 2012

I want to say
it is too hot this day...
make it go away.

I want to say
when it is too hot unto each and every day
I can't Play.

That's it.
Make it go away.

In the cool of the day

June 14 2012

I want to say
I want to go out and Play
but you don't want me to Play in the cool of the day,
you want to Play when I want to go far away.

I don't want to Play when you go far away.
You shouldn't want to Play when I go far away.

Therefore we should say we should Play in the cool of the day.

That's all I want to say.

About the Authors

Mister was a Great Pyrenees dog who graced Linda and Martin with his companionship for over decade. He traveled with them far and wide across these United States and experienced many of the heights and lows of their journey with great patience and Love.

He expressed his Desire to have his very own blog where he could say what he needed to say shortly after Linda and Martin began blogging. The magenta hues chosen for his blog and e-books where in line with his preference for this color.

Linda was born and raised in these United States of America while Martin was born in Argentina, South America, and lived in Uruguay and Mexico before moving further north.

Upon coming together, they all embarked on a memorable journey of self discovery. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014. Mister left it in 2015.
