Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on “where we were” at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of ‘if... then...’.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

*This book is a Gift to you
from Father Which Is in Heaven.*

*Father Which Is in Heaven
Gives you Thanks
for accepting His Gift to you.*

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Mister created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven. How did he know about this? He listened when Linda and Martin recorded Conveyances from Father. He listened when Linda and Martin greeted the rising Sun. He listened when Linda and Martin would read their blog entries to each other. These experiences eventually allowed him to communicate with Linda and sometimes with Martin. Of course, not in a verbal fashion, but through feelings. A most unique experience.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is. It simply is the 'doggy' way of perception.

Something else that needs briefly explained is the convention Linda and Martin adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. This is a convention that Mister readily understood and was amply used by him. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us. Mister wrote many entries trying to help Martin understand the big 'P' Play of Life.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of Mister's messages.

Obviously this convention was not applied to every word used for that would have been too cumbersome. Neither was it applied to proper names.

While Martin may have missed typing a capitalization here or there, the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether Mister is referring to the 'unhealthy' or 'healthy' meaning of the word.

Stay cool

June 25 2012

I want to say
that to do it a Better Way, a Different Way,
I need to go out not to play.

To do a Different Way this day
I need to stay cool,
that way, there will not be sorrow.

I want to do it a Different Way this day.

Linda thinks Mister actually intended humor. When he said "stay cool" he was talking about staying cool in the air conditioning and this helping him keep a "cool head" or "cool attitude".

Those cats

June 26 2012

Those cats just walk there.
I tell them not to walk there.
But they just walk there.

No attack

June 27 2012

I want to say
I want to do it a Different Way,
that is why there was no attack this day.

Martin's note:

Mister is referring to his encounter with the snake.

*perception of deception
or The Language of Father ?*

June 29 2012

Today's entry is an inspired contemplation of Mister and the chickens:

Like little rooster, who speaks not the language of farmer,
I call and call
asking my needs be met.
"I need water,
I need feed,
I need (no) worms or bugs,
I need a nest,
I need to roam free..."

But while the rooster crows and the farmer hears,
farmer does not understand little rooster's language
and he meets only what he sees of little rooster's needs.

Because little rooster crows not the language of farmer,
he fathoms not the random nature of his provision.

There is a valiant dog called Mister
who receives all his needs.

He asks for pepperoni and he receives pepperoni.
He asks for summer sausage on bread and butter and he receives.
He says his body is missing salt and he receives.
He says it is time for iodine and he receives.
Farmer joked that the iodine nourishes Mister's supply,
when in reality
because Mister speaks a language farmer's wife can hear,
farmer can know what Mister perceives his needs to be.

A walk ...
a cool dark napping spot ...
all abundantly flow to Mister.

When Mister talks the language farmer's wife can hear,
all is well and farmer lovingly, graciously provides Mister all.

The idea that we speak not the language of the Father, and therefore, the Father can provide only what He sees of our needs when we crow and crow, or bark and bark — annoyingly and in frenzied supplication — goes against all indoctrination of religion of a worldly perception.

Somehow it escapes our attention that we have been like the dog or the rooster, loudly pronouncing our need in a language "alien" to the Father. Somehow, in our depth of submersion in the deception, it has never crossed our mind that we are speaking to the Father in the language of deception and crying that our "prayers" go unheard.

We ask why the People who embrace deception receive all they need and we are so lacking – when the answer has been obviously simple – directly and immediately available.

Those who speak the language of deception and ask the unrighteous - unholy for all they desire, are being heard completely and accurately, and rewarded according to their participation / subjugation to the unrighteous - unholy.

When speaking to the Father in the language of deception, rather than Divine Nomenclature, perhaps the Father can hear our call, but not understand it, thus He provides only to the extent of His Perception of our need. Just like the farmer, if he sees a need for water, he fills the bowl. If he sees an empty feed plate he fills the bowl.

When we have moments like the valiant dog who ends his barking (equivalent to talking the language of deception) and begins silently speaking the language farmer's wife can hear (equivalent to Divine Nomenclature), then our needs are met Joyfully by the Father.

This whole concept would be considered heresy in the worldly perception of "father / god". However, what if the notion of "an all knowing all seeing god who can encompass all languages of all People" is a false witness presented by the unrighteous - unholy to keep us stuck in the deception?

Valiant Dog Blog 3

What if, because Father has no perception of deception, He does not answer the call (bark, crow) of deception?

Father has Said to us that all languages being spoken at this time by the People are of unrighteous - unholy origin.

Why would we think that Father speaks or is versed in the language of the unrighteous - unholy?

If Father is Love,
why would He speak or be versed in the language of hate?

Just a thought ...
Linda and Martin

I didn't think

June 30 2012

I just want to say
that unto each and every day
there comes a Righteous and Holy Way.

I just want to say
there are another way unto a Different Day
that I don't play.

I seek the Father Way.
I just want to say I didn't mean to play.
Unto each and every day I don't mean to play.
I just didn't think it would make me sick.

That is all I have to say.

When... then

July 6 2012

I want to say
until a Different Day
I want to do a Different Way
in preparation.

I want to say
while I do not play
I go not far away.
I don't want you to play.
I don't want you to go far away.

I want to say there are Different Way
while / when you do not play.
When you don't go far away,
you don't play,
then I can go not far away
and I don't play.

Ravioli

July 8 2012

I would have some of that
- ravioli -

I would just call it "that".

They want to play

July 9 2012

I want to say
I don't want to play.

I want to do it a Different Way,
but I think they don't play,
then they play.
They don't want to do a Different Way,
they want to play.

I am glad

July 10 2012

I want to say a Different Way
is a Better Way
and I am glad not to play.

They should not say

July 11 2012

I want to do a Different Way.
I don't want to play.

I want to say
they should not say
they want to do it a Different Way
when they just want to play.

Abundant measure

July 12 2012

I want to say
I want a nice day where we do it another way.
We don't play.
We see a Different Way.

I want to say that
I would like to receive Abundant measure / things.

I can think pepperoni sticks, greenies,
what you call summer sausage...
many things.

I think we are going somewhere there
and there should be many things.

But a day away

July 13 2012

I want to tell you,
don't go out to play.

Unto every Righteous and Holy Day,
I want to Play in a Righteous and Holy Way.

I want you to Play
not in an unrighteous - unholy way,
but in a Righteous and Holy Way with me.

I want you to see
a Better Way, a Different Way,
your Righteous and Holy Day.

Don't go out to play.
I want to say your Righteous and Holy Day
is but a day away.

That is all I have to say.

All you have to say

July 14 2012

I want to say
a Different Way is a Better Way
where you don't go out to play.

You just say
I want a Different Way
and you do it that Way.

No playing,
just a Different Way.

That is all you have to say.

Hear what I say

July 15 2012

I want to say a Different Way
where you go out not to play
is a Better Way.

I don't think you hear what I say.

While you don't want a Different Way,
is not what I say.

While you don't want a Different Way,
you go out not, not to play.

Mister is saying you just stop and in your Heart you make a different choice. Anytime right when you are playing, you just stop and you change how you Feel. It is like changing from being in your emotions to being in your Feelings, because you Desire with your Heart. Mister is not talking about the physical heart of course.

You can do it that way

July 16 2012

I want to say
that today is a Better Day.
I want to say that a Better Way is (unfolding).

I want to say
when you don't do it the other way,
it's a Better Day.
I want to say
that you can do it that way
each and every day.

I think that's enough to say.

Opportunity

July 17 2012

I want to say
that to do it a Different Way
when you must not play,
you can't let the Opportunity get away.

It went away

July 19 2012

I want to say
that I want to do it a Different Way.
When you went out not to play,
it went away.

I just wanted to say.

Sunny day

July 20 2012

I want to tell you
on a rainy day
there is no Better Way
than to go out before it rains.

Take your shower on a Sunny Day
otherwise you stay wet all day.

No Better Day

July 24 2012

I want to say
there is not Better Day
to choose a Better Way
than today.

Don't delay.

That's all I want to say.

Choose

July 25 2012

I want to do a Different Way.
I want you to help me along the way.
I don't want you to play.
I want you to stay the Right Way.

That's all I have to say.
Choose the Right Way.

That's all I have to say
I want the Right Way.

Not far away

July 26 2012

I want to say
that a Different Way
is not far away.

I want to say
that a Different Way
is not for everyone to say.

I want to say that a Different Way
is not far away.

It will come unto each and every day
while you are not far away.

A good day

August 2 2012

I want to tell you something

I want to say that you don't Play a Different Way
but you do Play a Better Way, All Righteous and Holy Way.
therefore I'm glad to say while you don't go away,
you Play a good day.

I want to thank you and to say
you made today a good day.

You could

August 4 2012

I want to say that a Better Way is not what you do everyday, but you could do a Better Way each and every day.

Then you would not go out to play and you would have a Better Day.

That's it.

While you went far away

August 5 2012

I want to say that
when you don't play
that's a Better Day.

When you went far away,
I couldn't come out and Play.

I went not far away,
but you couldn't come out to Play,
because you went too far away.

I want to say that
when you don't Play
its not a good day
while you went far away.

That's all I have to say.
The rest can wait until a Different Day.

Is that ok?

August 6 2012

I want to say
that when you don't go away,
I want you to take me out to Play.

I want to go out and Play with you today,
not work on my nails.

Is that ok?

bad habits

August 10 2012

I didn't know I was picking bad habits.
I thought that's what I was supposed to do.

I didn't know I should not be like you.

Not your way

August 15 2012

I want to say
you went not away
but you did go out to play.
I don't want to play your way
but you make it hard for me not to play your way.

I want you to see.

I want to say
that I want a Different Way
not your way
but you won't let me not play.

That's all I have to say.

Be present

August 17 2012

I want to be present
each and every day.

I don't want to run away,
but I want to go out and Play.
You won't let me go out and Play
because you think I will run away.

But I don't want to run away.
I just want to go out and Play.

I want to Play

August 19 2012

I want to say,
that I don't go away
each and every day
when I go out to Play
if you let me not go away.

I want to go out and Play.

That's all I want to say.

cottage cheese

August 21 2012

I would like to say
I would like some cottage cheese.

I think that is yummy
and will make my tummy happy.

Happy time

August 23 2012

I want to say
that until you do a Different Way,
I won't have enough happy time.

Would you please do a Different Way?

Then I can say,
I went not away
but stayed to Play.

That's all I have to say.

My way

August 25 2012

I want to tell you
I want to have it not your way.

I want to have it my way.

Have some fun

August 27 2012

I want to tell you
that you don't know how to Play
when you go out each and every day.

You don't tell me fun things we should do.

I want to have some fun with you.
I don't want to yell at birds.
I just want to have some fun.

The birds have fun.
They get to do what they want to do.

I just want to have some fun too.

I would send them on their way

August 29 2012

I want to tell you
they don't Play in a right way.
They are mean when they play.

They don't play with me,
because they don't want me
to stop them / interfere / get in their way.

They don't want me to play,
because I wouldn't get in their way,
I would send them on their way.

That's all I have to say unto a Different Day.

Note: Mister is referring to armadillos.

Where are my treats?

August 31 2012

I want to tell him
that I don't play
each and every day.

I have been doing Better in my own way.

I want you to say
that you know.

(Martin wasn't recognizing Mister's improvement by giving him
treats)

I don't like it

September 2 2012

I would like to go outside to Play.

The birds go out to Play all day.
I don't like it that way,
that I don't go out and Play.

Just for me

September 4 2012

The biscuits are good
and are just for me, not for you.

Thank you.
It was nice of you to make the biscuits.

I realized that I should say nice things to you
like I want you to do for me.
(acknowledge the nice things you do)

I want to tell other People too
about the nice things you do.

I don't know

September 6 2012

I want to tell you
that I want to say
each and every day
I want to do things a Better Way.

There is something out there
I want to tell it to go away,
but you don't want me to say
"go away"
in such a noisy way.

I don't know how to say it any other way.

The birds went out to Play,
but you don't want me to go out and Play.

I want to do things a Better Way.
I don't know what to say.

I don't know what else to say.

Being hungry

September 8 2012

I want to tell you
it matters to me
that I want to go to the property
and I want to have abundant food that nourishes me.

I don't want to keep eating and be hungry.
I keep eating and I'm hungry.

I'm thirsty and the water doesn't quench me.
I'm not happy to be eating and be hungry.

You don't seem to see what's wrong with me
but something is wrong with me.

I don't want to eat and be hungry.

Mister is making the incorrect assumption that if he eats and drinks
and still is hungry and thirsty, there is something wrong with him,
when in reality it is the food and the water that are the problem.
Either way, his answer to this dilemma is: go to the land where he
can have abundant food that nourishes him.

not that way

September 10 2012

I want to say,
I don't want to play that way.

I want to Play a Different Way.
I want to Play a Righteous and Holy Way,
not unrighteous - unholy way.

You don't say that's ok.
You just don't say.
I want to do a Different Way.

That is all I have to say.

Barking

September 12 2012

I want to tell you,
that I didn't want to go out and play,
but each and every day
I want them to go away.

They don't want to Play,
they just want me to play.

They want me to bark my head off all day.
They laugh at me that way.

That's all I have to say.

Blessings

September 14 2012

I want to say
there is something you need to do.

There is something I want you to do.

I want to say
that while you do a Different Way
you are well on your way
to secure your Blessings.

While you do not say you want a Different Way
then you are not well on your way.

That is all I have to say.

Let's do it

September 16 2012

I want to say
let's do a Different Way
each and every day.

Where you are

September 18 2012

Tell him
if he would do a Different Way,
he would find the property somewhere there.

Somewhere there is here.
[It] is where you are.
Where you are
is not here,
it is there.

When you are somewhere there
you are here.

You don't hear what I say,
you think its a different way.

Progress

September 20 2012

I want to say to you
that I don't want you to delay (dilly-dally).

I want to say
when you do a Different Way
it's a good day.

I went out to Play
not in a bad way,
but in a Right and Proper,
Righteous and Holy Way.

While you didn't play,
you did make a lot of progress in your way.

That's all I have to say.
I want a Different Way.

That's all I have to say
until another day.

About the Authors

Mister was a Great Pyrenees dog who graced Linda and Martin with his companionship for over decade. He traveled with them far and wide across these United States and experienced many of the heights and lows of their journey with great patience and Love.

He expressed his Desire to have his very own blog where he could say what he needed to say shortly after Linda and Martin began blogging. The magenta hues chosen for his blog and e-books where in line with his preference for this color.

Linda was born and raised in these United States of America while Martin was born in Argentina, South America, and lived in Uruguay and Mexico before moving further north.

Upon coming together, they all embarked on a memorable journey of self discovery. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014. Mister left it in 2015.
