Father Which Is in Heaven:

"In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

**The Divine manifests in multiple ways, in multiple cultures.
It is each unto its own way of perception.**

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

**As to exact literal translation, there can be none.
It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material."**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on "where we were" at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of 'if... then...'.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

*This book is a Gift to you
from Father Which Is in Heaven.*

*Father Which Is in Heaven
Gives you Thanks
for accepting His Gift to you.*

Side note by Martin

The Father Which Is in Heaven referred to in all of the material Mister created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven. How did he know about this? He listened when Linda and Martin recorded Conveyances from Father. He listened when Linda and Martin greeted the rising Sun. He listened when Linda and Martin would read their blog entries to each other. These experiences eventually allowed him to communicate with Linda and sometimes with Martin. Of course, not in a verbal fashion, but through feelings. A most unique experience.

Please take note that the concepts we have "inherited" in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is. It simply is the 'doggy' way of perception.

Something else that needs briefly explained is the convention Linda and Martin adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. This is a convention that Mister readily understood and was amply used by him. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us. Mister wrote many entries trying to help Martin understand the big 'P' Play of Life.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of Mister's messages.

Obviously this convention was not applied to every word used for that would have been too cumbersome. Neither was it applied to proper names.

While Martin may have missed typing a capitalization here or there, the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether Mister is referring to the 'unhealthy' or 'healthy' meaning of the word.

Tell him

September 24 2012

I want to tell you:
"tell him what I say".

I want to say
you don't do a Different Way,
when you want to play.

I didn't want to play,
but I went not away,
but not a Different Way.

Just like you

September 26 2012

I want to say you do a Different Way
when you don't go out to play
in unrighteous unholy way,
but you see instead
your / the Father Way.

You weren't there
when we went out to Play.
You went far away.
Therefore,
I didn't have a good day.
You might say
I didn't like doing it that way.

I want to tell you that
I like you when you don't play that way.

I like you when you do a Different Way.
Just like you don't like it or like me
when I go out to play
and don't do a Different Way.

Martin said... Mister replied

September 28 2012

Martin said:

"Mister... where are you?"

Mister replied:

"I was waiting on you.
You said wait on you,
so I thought I wait on you."

Note:

Mister was laying on the floor 8 ft from Martin.

When you don't... I don't

September 30 2012

I want to say
that I don't want to go away.
When you do not play
I don't have to go away.

petty annoyance

October 2 2012

I don't want to do it that way...
but they don't leave me alone.

They tell me to play.

They want me to play
and not do a Different Way.

I want to say

October 4 2012

I want to say
don't do it that way,
there is another Better Way.

I don't and that doesn't

October 6 2012

I want to tell you
that I don't want to play that way.

I want to say
that that doesn't make a good day.

Not in my beans

October 10 2012

I want to say to him
that it has been a good day
when you don't play.

While you don't go far away,
I don't want to play
and I didn't play
in unrighteous - unholy way.

I just want to say
that we both had a good day...

... and I like your bread...
Just don't put it in beans that way.

That's all I have to say.

Brushing it away

October 12 2012

I want to say
there are a Better Day.

While you went out not to play,
you went not far away.

Therefore I might say,
while you went not away,
I did not play.

Thank you
for brushing away that energy.
It made a better night for me.

I think while you went not away
it made for you a Better Day.

That's all I have to say.

let's go out

October 14 2012

I want to go out and Play.

I want you to Play with me
after I have something yummy.

Then, we could chase a ball...
or do something fun...

... AFTER something yummy.

More yummy

October 16 2012

There is something there
that I think would be yummy,
but you don't see it there
because you are not looking there.

Bread and honey
or cheese would be ok too.

That would do for something yummy.

How about you?

I want to say
that while we do a Different Way,
it would be fun to go out and Play.

That's all I have to say.

I want to go out and Play
and have something yummy.

You haven't been noticing

October 18 2012

I want to tell you
there is something I don't think
you have been noticing.

When you go out there to Play
there is something different each and every day
and you haven't been noticing.

More to learn

October 20 2012

There is more to learn
(about) somewhere there.

Needs

October 22 2012

To do a Different Way,
you have to not play

While you don't play...

Linda: "Mister stay focused"

... I need a drink of water.

Here is the thing that Mister wants you to understand. He wants you to know that he is going back to a Different Way and that he is not going to play.

People play because there is something they want that's being withheld. So if it gets to the point they want it bad enough, they will play. We understood that some People withhold Love or approval to get someone else to always beg and lick their boots. However, we didn't realize that this is the plan of the unrighteous - unholy. They want to withhold food long enough to get People to do things they otherwise would not do. People need their needs met and eating is a need.

Valiant Dog Blog 4

Of course, when People feel their need is sufficiently met, they will stop doing what they don't want to do. This is why the withholding has to be an ongoing process.

Mister is saying he will not play even if it means his needs will not be met.

Did you notice

October 30 2012

I want to say
that today was a Different Way.

Did you notice that I did things a Different Way?

I want to say that I did not play
and that I did things a Different Way.

What you do

November 10 2012

What you do is to not hurt others.

I want to say that what I do
is to protect others.

You don't see it that way
because you don't see it rightly from your perspective.
You think that my way is not the Right Way,
but you don't know the Right Way,
therefore you shouldn't tell me
what to say or not say.

I think I do the Right Way.

Now I'm looking for a Different Way.

That's all I have to say.

A Different Way is the Right Way.

An easier way

November 12 2012

I want to say
that a Different Way is not difficult each and every day
when you learn how not to play.

I went out not to play
but I didn't do a Different Way this day.

There must be an easier way.

Not what I meant to say

November 14 2012

In reference to his last entry:

That's not what I meant to say.

I want to say
that a Different Way
is not your other way.

But a Different Way means
you don't go out to play.

While I didn't go out to play,
I didn't do a Different Way.

That means while I did not play
I didn't do a Different Way.

He is saying that he only succeeded in part of it. He didn't do both.

You don't have to

November 16 2012

There is a Better Way when you don't play.

I didn't find a Better Way today.

I just want to say
that a Better Way is a Different Way
when you don't play.

I want to do better each and every day.

When you don't play
I can do a Better Way.

That's all I have to say right now.

Now can we go out while I don't play?

Just don't play

November 18 2012

You don't have to do a Different Way.
Just don't play.

That's all I have to say.

You don't have to do my way.
Just don't play.

He didn't

November 20 2012

I want to say,
he didn't take me any place
I wanted to see.

He didn't take me any place
I wanted to be.

Each and every day

November 22 2012

I want to say
that a Different Way is not done a different day.
Rather, each and every day.

That's all I have to say.

You have to want it

November 24 2012

I want to say
that a Different Way
is not done each and every day
until you find a Different Way
that's here to stay.

You can't do a Different Way
and stay in your old way.

Tell him,
while I want to do a Different Way
when he wants to play the old way
we can't do a Different Way.

Therefore,
you have to want a Different Way.

I want to go out to Play

November 29 2012

I want to say that
a Different Way a Different Day
is a Better Way.
So I want to try a Different Way.

I also want some ice water.
What do you say?

I want some ice water
and the treats on the table.

I also want to say
that when you don't go away
I don't go away.
Therefore I want to go out to Play.

Now I want to say

December 1 2012

Now I want to say to you
that you should go out to Play
before it gets dark.

I want to say

December 10 2012

I want to say
don't go away
don't go out to play.

long enough

December 15 2012

I want to say
I waited long enough all day.

Scum

December 17 2012

I want to go out to Play
not in that way.
I want a Bright New Day
not a scummy day.

I don't like it that way.

He is Saying he wants the weather cleared out, he doesn't like to
breathe the scum.

I don't think that's fun.

Everywhere I turn,
I'm breathing scum.

I need some fun

December 21 2012

I want to say,
I need some fun.

It's too mundane and boring each day.

I need some fun.

That's all I have to say.

About the Authors

Mister was a Great Pyrenees dog who graced Linda and Martin with his companionship for over decade. He traveled with them far and wide across these United States and experienced many of the heights and lows of their journey with great patience and Love.

He expressed his Desire to have his very own blog where he could say what he needed to say shortly after Linda and Martin began blogging. The magenta hues chosen for his blog and e-books where in line with his preference for this color.

Linda was born and raised in these United States of America while Martin was born in Argentina, South America, and lived in Uruguay and Mexico before moving further north.

Upon coming together, they all embarked on a memorable journey of self discovery. This book is one of the many fruits of their 'Labour of Love.'

Linda left the material plane in 2014. Mister left it in 2015.
