Father Which Is in Heaven:

“In Right and Proper Exchange of Information there is but one conveyance in Right and Proper Order of Divine Expression.

The Divine manifests in multiple ways, in multiple cultures.

It is each unto its own way of perception.

It matters not what others may say or think, it matters always only that which is Divinely Appointed each day.

It was Given unto your perception,
Right and Proper Orderly Progression
of Divine Nomenclature each and every day, step of your way.

Those who transpire to subvert your words and direction
shall Penalty pay,

for that which is Divinely Authorized Nomenclature,
subsides, subsists in Grand and Glorious Scheme.

Let no man put asunder that which is Divine in Nature.

As to exact literal translation, there can be none.

**It is, would be, a departure from that Divinely Authorized
Conveyance should you undertake to do so.**

Yes, the gist would remain intact, however, the nuances,
reflections, inflection would no longer convey the subtle
multidimensional unrefracted Nature.

It is by Divine Appointment this Conveyance comes
in your time, in your way.

**Let not those who would put asunder Direct Divine Conveyance do so, at
Penalty of perjury of Divinely Authorized material.”**

nomenclature: system of names used as a science or art

transpire: seek to bring about

subvert: ruin, corrupt

subsides: descends

subsist: as means of maintaining life

asunder: separate into pieces

perjury: voluntary violation of an oath to tell the *Truth*

oath: a solid appeal to the Divine to witness to the *Truth* of a statement or the
sacredness of a promise.

NOTICE TO READER

This book provides a means by which we can share what we have experienced and come to *Know* in this journey toward awakening. It was created based on “where we were” at the time of its conception.

Future material will show Spiritual Progression in Awakening.

This material is for individual use only.

It is intended to spark creative contemplation and consideration of ‘if... then...’.

It is intended to provide a means by which you can enhance your experience of that which is Divine (rather than to provide a means by which you are told or taught what to believe, how to behave, and what is right or wrong).

Because this material brings *Light*, you may find some of it very unsettling.

It is ultimately you who, through your Spiritual Awareness and Prayer for *Discernment* and Guidance, must establish the Divine *Truth* of what IS.

As you do so, *Know* that Divine *Truth* is a Progression of ever expanding refinement.

Divine Answers *Respect* all living things.

Should you choose to do so, any incorporation of this material into your life is at your discretion and your sole responsibility.

Know that the Divine / Father Which Is in Heaven is available to provide additional support in understanding, learning, or applying this material in your own life.

In Our Words

We want to make it perfectly clear, especially to the young who have not been raised in the way of Respect, that we have posted the requirement Father has placed for the material presented to be and remain accurate, unaltered, and fully True to the context of His Teachings.

The Penalty He has clearly outlined for subverting this material is not something that would be implemented on an individual level, but by Universal Law. This carries its own retribution.

To those who would scoff at this, thinking themselves immune to Universal Law, we can only say, please be aware that these are not empty words. Ignoring Universal Law and the Father's Way does not bring absolution from the consequences of one's actions. Anyone focused on the Father Knows the Truth of this.

This is a free e-book. You may freely distribute this material and file only in its complete and unaltered format. This includes printed material. All material shall retain the "In Divine Service" notice and the Words that Father has Spoken regarding His Authority in Universal Law for the Protection and retribution of violating His Word.

You may freely reference this material only if you correctly "cite your source". That is to say, to make reference to information from Father's material you will appropriately credit BlueStarWay and the name of the material from which the reference was made. **References and quotes may not be taken out of context. Sentences in italics shall remain in italics to indicate direct Conveyance from Father Which Is in Heaven.** No referenced or quoted commentary by Martin, Mister, or Linda is to be given or presented as direct information from the Father, but rather as having been shared by their understanding at the time the material was written.

*This book is a Gift to you

Side note

The Father Which Is in Heaven referred to in all of the material Linda and I have created is the Father Jesus taught us to pray to in the Lord's Prayer. 'Living God,' 'Father Within,' and 'Father' are used interchangeably and refer to the same Father Which Is in Heaven.

Please take note that the concepts we have “inherited” in regards to Who and What the Father Is, His Desires, Goals, and Aspirations, as well as how He Manifests on Earth and in Humanity are very limited, constricted, and quite frankly suffocating. Please do give yourself room for expansion in this regard and do not be put off by the use of this terminology. The information contained in this book is neither patriarchal, religious, spiritualist, scientific, dogmatic, atheist, shamanic, new age, worldly, alien, nor any other modality. It just Is what it Is.

Also be aware that while there is only one Father Which Is in Heaven and no one else can “claim” this Name, the words 'god,' 'father,' and 'lord' in and of themselves seem to not carry this type of restriction. Therefore, unless one makes it clear that the use of words such as 'God', 'Living God,' or 'Father' specifically address Father Which is Heaven, it is possible for any number of entities floating around with a 'god' or 'lord' complex to answer the call.

That this is not an issue to be taken lightly is shown for example by the vast numbers of people throughout history who have gone to war, plundered, and taken human life presumably under 'god's' direction as well as by the number of people who still subscribe to this day to the divinity of such guidance. It is also shown by the vast number of people who deny, sacrifice, and flagellate self or others in the name of 'god.' Father Which Is in Heaven would never incite such actions. He has made this very clear to Linda and I again and again.

Obviously, there is a great need to be very Discerning in this matter and while it would be easy to get lost in terminology and arguments, this is really a matter of the Heart and of Intention. For the western or 'christianized' mind, the term

'Father Which Is in Heaven' together with the refinements included in this book can be a helpful aid to hone one's Heart and Intention in the right direction.

I specifically say 'western' or 'christianized' mind because Father has Conveyed and made it very clear to us that:

*The Divine manifests in multiple ways, in multiple cultures.
It is each to its own way of perception.*

And while different cultures do have different terminology and ways of relating to the Father, it is the case that all those who successfully commune with the Divine share common traits such as Harmony and Oneness with Nature, Peaceful disposition, Respect of Self and others, and Sovereign Expression. To these cultures and people the notion of destroying, killing, debasing, conquering, subduing, converting, ruling, dominating, or profiting from their fellow men and Earth is incomprehensible and alien indeed.

Whatever you do and whichever way you Honor and Develop your Relationship with the Divine just remember that Divine Answers Respect all Living Things and that the Divine isn't engaged in any battles.

Something else that needs briefly explained is the convention Linda and I adopted to capitalize certain words that have various, and often times opposing, meanings and therefore are prone to being misinterpreted or misused because of this. In short, when we capitalize words within a sentence we do so to specifically refer to the 'healthy' and thus benevolent interpretation of these words that supports a Life and Sovereign Expression Harmonious with Creation and the Good Will and Intent of the Father Which Is in Heaven. When we write the same words without capitalization we do so to denote the misunderstandings associated with these words.

For example, in our writings, lower case 'l,' love, refers to the common misconception that associates this 'love' with sexual passion (which is a word derived from the Latin word 'pati' which means 'to suffer'), sexual arousal, and / or physical attraction and requires such things as putting others first, attachment, control, self denial, (self) sacrifice, compromise, duty, etc., etc..

Capital 'L,' Love, on the other hand, refers in our writings to a Feeling that Elevates, Respects, Cares, Appreciates, brings Well Being and Comfort, and supports such states of expression as Health, Humor, Kindness, Peace, and Benevolence. An experience that is innate to our Being or Who We Are and is independent of others although its expression in us may be facilitated in their presence just like being in Nature facilitates us getting in touch with our inner Peace.

Similarly, little 'p' play denotes doing things in the way of the world and from the perception of the world. It includes slabor, fighting, resisting, profiting, ruling, destroying, abusing, killing, warring, saving, converting, and trying to defeat or overcome the 'bad guys,' whoever they may happen to be at any given time, so we can be 'safe.'

While, big 'P' Play indicates what we came here to Earth to do: Play in Father's Garden in a Light Hearted, Respectful, Joy-full, Constructive, Edifying Way through which we manifest our Divinity and expand our experience, KNowledge, and Understandings of Creation and Father Which Is in Heaven's Good Will and Intent for us.

As you can see, this convention, while seemingly simple, is of utmost significance to facilitate a Proper interpretation of our writings.

Obviously we can't nor haven't applied this convention to every word we use for that would be too cumbersome. Neither does this convention apply to proper

names, though many times we purposely 'downgrade' a proper name to lower case to emphasize the point we seek to convey.

Occasionally we may miss a capitalization, however the concepts being conveyed within the sentence and paragraph will make it perfectly clear whether we are referring to the 'unhealthy' or 'healthy' meaning of the word.

Our children's safety

Adapted from Linda's writings

When we are a child and we are abused, it seems like Father isn't or wasn't there for us. But here is the problem with this perception. It is twofold.

While parents or caregivers can act in children's behalf and safety by Divine Grace and Divine Direction, they are not responsible for children's safety. Safety is a function of Guardian Angels cooperating Harmoniously with children's capacity to Know and Manifest the Truth of Father's Good Will and Intent for them which does include Guiding and Directing parents and caregivers in this regard.

Unfortunately there are no examples of even Right and Proper parenting, let alone Righteous and Holy parenting so it is difficult to recognize this. Instead we are indoctrinated into thinking that it is the 'spiritual and civic way' for parents to take responsibility for their children's safety, especially if they want to avoid jail.

Thus when parents or caregivers mistakenly take this responsibility upon themselves they put interference between children and their Guardian Angels to whatever extent they do so. In other words, by making themselves responsible for children's safety, they "take away" the Authority of Guardian Angels to act as they see fit for children and to Guide parents or caretakers as needed in this process. Why? Because Creation and thus Guardian Angels Respect people's choices. The greater the extent to which parents take that responsibility upon themselves, the greater the reduction of Guardian Angels' Capacity to act in children's lives and to Guide parents or caretakers in this respect.

When children have parents who have this mistaken belief, they themselves may acquire the notion that parents are supposed to be responsible for their safety. This happens because children are able to perceive the thoughts, intent, feelings, and emotions of their parents.

When children take on this false belief they literally turn away from their Guardian Angels and from the innate safety that comes from Knowing Father's Good Will and Intent for them. That is to say, by turning their attention toward their parents or caretakers they turn away from Truth and invite deception into their lives. Father calls the misalignment that results from this turning away from Truth and unto another leaning. This leaning causes all sorts of trouble and attitude problems. It leaves people vulnerable.

Guardian Angels cannot do their Job of keeping children safe to any greater extent than they are allowed to do it. Whether it is because parents feel responsible, or children inherit or absorb this false belief, or children take on the responsibility for the parent, or if parents don't feel responsible but do not act as directed / guided by Guardian Angels and do not teach children about the safety that automatically comes from knowing the Truth of Father's Good Will and Intent for them.

The more generations this goes on, the stronger and greater the difficulty. The longer this deception plays out the greater the atrocities that can be done to each new generation.

While there are many children who have a parent, or grandparent, or someone who has enough moments of Clarity about the Truth of Father's Good Will and Intent to spare them from circumstances that would have taken their life or damage them severely in some way, these events are less and less frequent and mainly unidentified and unrecognized. Thus they cannot be duplicated from generation to generation.

The bottom line tough is that through deception, we have used our opportunity of free will to do inappropriate, unrighteous-unholy things that are creating an environment in which children (and adults) are no longer safe.

Every person man or woman who engages in pornography, even if it is not child pornography, is supporting sexual abuse of children. Every person who supports the ways and means of violence, of death, decay, destruction is supporting violence toward the children. Every person who says "I can't do anything about vaccination of my children" and vaccinates them is supporting the destruction of future generations as well as those children who are being vaccinated. A generation of defective, malfunctioning children is being created by parents who were the beginning of that malfunction. This is why raising children is not to be undertaken by everyone. It is a sacred journey, it is a calling in life, and it takes a person of advanced spiritual expression to succeed at this.

How many of us if we recognize the need to keep our children safe can do it in complete Faith and Trust that Knowing and Manifesting the Truth of Father's Good Will and Intent can and will keep them safe? Do it in a way we take non of that responsibility? Do it in a way we simply keep our thoughts Pure and our actions Divinely Directed while focused on the Truth of Father's Good Will and Intent? Do it in a way we teach children to do the same?

To succeed at this, parents would have to be Harmonious with the Divine Plan, Will and Intent for them and their children and have a full recognition of Father's Desire for everyone to have an Abundant, Healthy, Creative, Joyous, and Safe Life free of tragedy. They would need to have a full understanding and ability to successfully teach their children by example, that safety is fully dependent on one's Truthful Knowledge of Father's Character, Nature, and His Good Will and Intent for us. That safety is ultimately a personal responsibility based on each person's ability to walk in Truth and that therefore one cannot receive Divine Protection when one accepts the lie that 'evil' or 'misfortune' can strike at any

time or when one looks toward the world / false gods for safety¹. This is another reason why not everyone is ready to be a parent.

Typically in the deception people would be told that they need to forgive their parents for not being able to save them and that they need to be able to forgive themselves for not being able to save their parents, children, and grandchildren. Isn't it funny how it pivots around them? Forgive / save their parents, save their children, save their grandchildren. However, Father has never taught us to go around forgiving or saving people in the way it is taught in the world. Instead He has indicated we are to simply focus on knowing Truth and implementing it.

Blame and condemnation are not part of the Father, neither are they part of what He would have for us whether toward another or toward self. This makes the notion of forgiveness unnecessary. Once you recognize the problem, you let go of any sorrows, grudges, angers, and pains. You then make a different choice and move on. You just do it differently. No big deal. You identify the problem. You learn from the mistake.

No one to blame.

No one to condemn.

You simply correct the mistake,
make the necessary changes
and move on.

¹This is why billions upon billions of dollars have and continue to be invested in turning our attention away from Truth and toward the deception which would have us believe not only that god wishes us ill and condemnation for our sins, but also that anyone with ill intent can hurt us. This is a huge lie. History only proves what happens when one turns away from Truth and accepts deception.
